## **FY 2022 ACCOUNTABILITY REPORT**

### **Office of the Attorney General**

#### **MISSION**

The Office of the Attorney General (OAG) is the chief legal office of the District of Columbia. OAG enforces the laws of the District and promotes the public interest. OAG's mission is to provide the District government with the highest level of legal advice and service, and to promote the interests of District residents. OAG seeks to be the nation's premier public law office.

#### **SUMMARY OF SERVICES**

OAG is responsible for conducting the District's legal business in a manner that is in the public interest. The Attorney General is the chief legal officer of the District of Columbia. The Attorney General's opinions on legal questions have the force of law unless overruled by a court or legislatively by the District of Columbia Council. OAG represents the District in virtually all civil litigation and represents the District in a variety of administrative hearings and other proceedings. OAG prosecutes juvenile and certain criminal offenses on the District's behalf, using evidence-based practices to increase public safety and support youth back onto successful life paths. OAG advises the Executive Office of the Mayor, the Council of the District of Columbia, the District of Columbia Courts, and various boards and commissions. OAG also reviews legislation, regulations, land dispositions, and contracts for legal sufficiency to ensure the legality of the government's actions. OAG provides legal and litigation support in procurement, tax and finance, bankruptcy, land use, and public works. The Office advocates on behalf of children by seeking to establish parentage and create an opportunity for financial stability as well as intervening on behalf of abused and neglected children when their safety and wellbeing is at risk. OAG also takes legal action to protect and promote the public interest. This includes protecting children, seniors, and developmentally disabled adults, bringing affirmative litigation to promote the interests of District consumers, taxpayers, tenants, and workers, and enforcing the District's consumer protection, civil rights, antitrust, false claims, elder financial exploitation, and environmental laws, among others. All told, the Attorney General supervises the legal work of about 315 attorneys and an additional 315 administrative and professional staff.

#### **PERFORMANCE PLAN DIVISIONS AND OFFICES**

The purpose of the yearly performance plan is to ensure that each year, the agency evaluates its progress, reflects on its goals, and sets out a path for improvement that can be referenced throughout the year. In this Performance Plan, each of OAG's offices and divisions set forth initiatives that will help them better achieve their specific missions. Unless otherwise specified, the deadline for each initiative is the end of the fiscal year (September 30, 2022). This year's plan includes initiatives for the following offices and divisions:

- Immediate Office
- Child Support Services Division
- Civil Litigation Division
- Commercial Division
- Family Services Division
- Legal Counsel Division
- Office of the Solicitor General

- Personnel, Labor and Employment Division
- Public Advocacy Division
- Public Safety Division
- Support Services Division

### **Immediate Office**

The Immediate Office sets the direction for OAG. This includes ensuring that the agency provides high quality legal services to the District government, communicating and engaging with the public, and setting OAG's policy priorities. The Immediate Office seeks to build a best-in-class public law office.

### **INITIATIVE 1: Institutionalizing Processes of the Policy and Legislative Affairs Unit**

In FY21, OAG created the Policy and Legislative Affairs Unit, which researches and develops policy positions on the range of legal issues affecting the District's interests. The Unit develops policy priorities, works with OAG's divisions to hone policy positions, develops and reviews legislation to advance and ensure consistency with these positions, advises the Council on potential legislation, and consults with District agencies and communities to understand their needs. This work has improved the strength of OAG's policy and legislative work and ensured it is taking consistent positions across the agency. The unit will develop policies to institutionalize processes it has developed to achieve this. This initiative will be successful if policies on testimony before the council and legislative work are issued by September 30, 2022.

**Performance Assessment: Fully achieved.** On February 24, 2022, OAG issued office orders on bill drafting and on providing testimony before the Council. These office orders have helped ensure OAG is taking consistent positions across the agency, and that testimony and legislation are thoroughly researched and analyzed. The Unit also has developed document filing practices to support continuity and institutionalization of the Unit's work.

### **INITIATIVE 2: Strengthen Independent Personnel Authority**

In FY22, OAG will exercise OAG's independent personnel authority by publishing and implementing personnel rules in the following areas: Talent Acquisition, Excepted Service, Hours of Work, Legal Holidays and Leave, Employee Development, Labor Management Relations, Management Supervisory Service, Travel Expenses, and Voluntary Leave Transfer Program. OAG will train employees on the content and application of OAG's rules. OAG will adopt all other relevant District of Columbia personnel rules. This initiative will be successful if OAG implements its personnel rules by July 1, 2022, and trains staff by September 30, 2022.

**Performance Assessment: Fully achieved.** On 29, 2022, OAG published in the District of Columbia Municipal Regulations (DCMR) and District of Columbia Register personnel regulations in the following areas: Talent Acquisition, Excepted Service, Hours of Work, Legal Holidays and Leave, Employee Development, Labor Management Relations, Management Supervisory Service, Travel Expenses, and Voluntary Leave Transfer Program. OAG also has (1) trained all Human Resources staff on the rules; (2) provided guidance on the prior federal service benefit, under which previous eligible federal government service is considered for leave accrual purposes; (3) conducted several agency-wide trainings on performance management processes and systems for attorneys and professional staff; (4) provided training to managers in the Child Support Services Division on Labor-

Management relations best practices and protocols; and (5) provided refresher training for management and staff on hiring and recruitment processing using OAG’s Jobvite system.

### **Child Support Services Division**

The Child Support Services Division (CSSD) assists families in the District with locating absent parents, establishing paternity, establishing orders for monetary and medical support, collecting ongoing support, and enforcing delinquent child-support orders. CSSD seeks to ensure that District children receive the financial support to which they are legally entitled.

#### **INITIATIVE 1: Paperless Case Management Initiative Phase Three**

CSSD has entered Phase three of the Paperless Case Management Initiative, which began in 2020. In Phase one, CSSD scanned all incoming documents at the mailroom and unit levels to disseminate Division-wide. In Phase two, CSSD scanned all files as they were created. In Phase three, CSSD will scan previously existing files, which is approximately 1.3 million pages. Going paperless will improve efficiency within the Division and allow for remote work. This initiative will be successful if all files are scanned into the electronic database and the Division implements its paperless procedures by September 30, 2022.

**Performance Assessment: Fully achieved.** All CSSD paper files were scanned into the Infolynx repository by an outside vendor. Full access to electronic case files will allow CSSD to operate more efficiently and effectively. All paper files are in the process of being cataloged and prepped for storage.

#### **INITIATIVE 2: Training Accessibility Initiative**

The purpose of the training accessibility initiative is to provide constant access to training and learning materials. The Division will create a CSSD Resource Corner, an online site on which training materials, replays of training sessions, self-paced programming, and similar learning resources will be housed. It will enable staff to access training materials 24 hours per day, seven days per week, both in office and remotely. This initiative will be successful if the “CSSD Resource Corner” is operational and made available to CSSD staff by September 30, 2022.

**Performance Assessment: Partially achieved.** CSSD made significant progress in this initiative in FY22. Throughout the year, in anticipation of the launch of the CSSD Resource Corner, CSSD increased the catalog of learning programming and materials to be housed on the eventual online resource. The recording of training sessions as well as the creation and update of a variety of learning aids became a part of the ongoing work of training and policy staff as well as consultants. Completion of this initiative remains at the forefront of Division leadership’s emphasis on continuous improvement for staff. Accordingly, this initiative is being carried over into FY 23.

### **Civil Litigation Division**

The Civil Litigation Division (CLD) represents the District, its agencies, and its employees in civil actions brought in the Superior Court of the District of Columbia and the United States District Court for the District of Columbia. The Division also represents District agencies in matters enforcing rules and regulations. CLD seeks to provide sound counsel to the District, its agencies, and its employees, including devising strategies for representing them in civil actions and minimizing liability.

## **INITIATIVE 1: Compile Historic Statistics on the Civil Enforcement Section's Caseload**

Over the last several years, there has been a significant increase in the number of active cases in the Civil Enforcement Section. CLD will compile statistics from the past three years, including the number of cases opened and closed every month and the number of cases referred from specific agencies, to identify trends in the cases handled by the Section. This will provide Division management with information it needs to understand why caseloads have increased and will help management to provide the best possible customer service to its client agencies. This initiative will be successful if CLD compiles these statistics and creates a plan for how to handle new case referrals by September 30, 2022.

**Performance Assessment: Fully achieved.** CLD tracked and monitored case statistics for the Civil Enforcement Section to gain a better understanding of how to streamline agency referrals, track recoveries, and develop policies to ensure the most efficient use of the Section's resources, while prioritizing work and client agency representation that brings tangible benefits to the District and its residents.

## **INITIATIVE 2: Create a Division-wide Style Manual**

In August 2021, the Equity and Civil Enforcement Sections were moved to the Civil Litigation Division. Before their move to CLD, the two sections used a style guide approved by the management of their previous division, while CLD has its own style guide. These two guides need to be harmonized, so that there is a single style guide that governs the written work product of the entire Division. This initiative will be successful if a new style guide is drafted and distributed to all Division employees by September 30, 2022.

**Performance Assessment: Fully achieved.** CLD updated its style guide to ensure consistency in the written work product of the entire Division.

## **Commercial Division**

The Commercial Division provides legal services, advice, and advocacy related to numerous core governmental functions, including the procurement of goods and services, the acquisition of real estate, the support of economic development projects and government property management, the financing of government operations through the issuance of bonds, the collection of taxes, and the collection of debts from individuals and entities in bankruptcy. The Division also determines the legal sufficiency of major contracts and land dispositions. The Commercial Division seeks to provide legal support to District agencies to maximize and protect the District's commercial assets.

## **INITIATIVE 1: Increase the Commercial Division's Profile within OAG**

Many attorneys and staff at OAG are unaware of the legal services the Commercial Division provides to the District of Columbia. To educate OAG colleagues, the Commercial Division will host workshops and trainings on the types of law the Division practices. This initiative will be considered successful if the Commercial Division hosts three workshops by September 30, 2022.

**Performance Assessment: Fully achieved.** Commercial completed this initiative with its Government Contract's section hosting three training workshops and each section participating in the Section Connection Luncheon series.

## **INITIATIVE 2: Conduct Outreach to District Residents on Zoning Process**

As part of its mission to educate District residents about the zoning process, the Land Use Section will conduct outreach to ANCs. This initiative will be considered successful if the Land Use Section hosts ten presentations to individual ANCs by September 30, 2022.

**Performance Assessment: Fully achieved.** Commercial completed this initiative with its Equitable Land Use Section hosting ten presentations - for ANCs 3E, 3G/4G, 4B, 6A, 6B, 6C, 6D, and 6E, and two presentations for the Office of the ANCs.

## **INITIATIVE 3: Participate in Zoning Commission Matters**

As part of its mission to advocate for the public interest in zoning matters, the Land Use Section will be proactive in cases before the Zoning Commission and the Board of Zoning Adjustment. This initiative will be considered successful if the Land Use Section participates in 10 cases before the Zoning Commission and Board of Zoning Adjustment (including proposing text amendments and intervening in applications and appeals) by September 30, 2022.

**Performance Assessment: Fully achieved.** The Equitable Land Use Section filed six text amendment petitions and filed comments in more than nine zoning cases.

### **Family Services Division**

The Family Services Division (FSD) works on behalf of the District's most vulnerable residents: abused and neglected children. The Division prosecutes civil child abuse and neglect cases and represents the Child and Family Services Agency (CFSA) in all stages of permanency planning, including proceeding to terminate parental rights when necessary. FSD seeks to provide quality representation to CFSA on child abuse and neglect cases.

## **INITIATIVE 1: Improve Teaming and Communication**

Understanding the roles and responsibilities of each professional in a child welfare case is critical to case planning. FSD will work with social workers from Child and Family Services Agency (CFSA) and National Center for Children and Families (NCCF) and with Guardian *ad litem*s and parents' attorneys with active caseloads from the attorney panels through the Counsel for Child Abuse and Neglect (CCAN) to develop and implement a multi-disciplinary training focused on improving teaming, communication, and appreciation for each profession's role. This initiative will be successful if the training is attended by at least 70% of the intended audience by September 30, 2022.

**Performance Assessment: Fully achieved.** FSD created a "Connecting the Dots" curriculum, which consists of 3 modules of learning focused on bias, roles, and communication. Each module was attended by representatives from each intended agency or stakeholder group.

## **INITIATIVE 2: Strengthen Pre-Petition Custody Utilization**

Pre-Petition custody orders are a mechanism that CFSA and the Metropolitan Police Department (MPD) can use to locate and assess a child they believe to be in imminent danger. OAG will work with CFSA to develop a business protocol for requesting, tracking, and quashing and will also provide training for CFSA and MPD personnel. This initiative will be successful if a protocol is developed and at least one training is offered for CFSA and MPD by September 30, 2022.

**Performance Assessment: Substantially achieved.** FSD worked with CFSA to revise protocols around requesting, tracking and quashing. A training was conducted for CFSA staff during the fiscal

year and a meeting with MPD, OAG and CFSA occurred November 2, 2022. Identified next steps were articulated and FSD will continue to partner with MPD and CFSA throughout this year to tighten protocols on this important issue.

### **Legal Counsel Division**

The Legal Counsel Division (LCD) provides legal research and advice to the Attorney General, the Executive Office of the Mayor (EOM), District agencies, and the Council of the District of Columbia. In addition, LCD determines the legal sufficiency of legislation, rulemakings, inter-agency MOUs and assists with drafting statutes and regulations for the EOM, OAG, and District agencies. The Division also prepares formal opinions, legal memoranda, legal advice letters, and Office Orders for the Attorney General and serves as an attorney-advisor to the Advisory Neighborhood Commissions. LCD seeks to provide high-quality legal advice to the Mayor, District agencies, and the Council about proposed legislation, rulemaking, ethics, and other government action.

#### **INITIATIVE 1: Continue to Increase Awareness of and Strengthen OAG’s Ethics Program**

To ensure OAG and other District employees comply with best practices in ethics and to reduce the risk of ethical violations, LCD’s Ethics Counsel will conduct four trainings for newly hired Assistant Attorneys General’s upon request and, in cooperation with the Board of Ethics and Government Accountability, two general trainings on the Rules of Professional Conduct (providing 3 hours of legal ethics training credit) that focus on recurring questions and issues of concern. The general training will be open to agency counsel, and, depending on their attendance and other requests for advice, Ethics Counsel will conduct discussion sessions with those attorneys about issues specific to their practice. In addition, the Ethics Counsel will conduct outreach to expand OAG’s profile with the National Attorneys General Training and Research Institute and the DC Bar. This initiative will be successful if five trainings are conducted by September 30, 2022.

**Performance Assessment: Fully achieved.** LCD far surpassed its goal of completing four trainings by September 30, 2022. In addition to conducting an “Introduction to Ethics” training at OAG’s new employee orientation held approximately every two weeks, LCD’s ethics counsel held other trainings including:

- Two joint trainings with the DC Bar for OAG and District agency counsel;
- Three Ethics Basics for New Employees trainings;
- One Ruff Fellow Training;
- One training for the PSD/Mental Health Section;
- One ethical prosecution training for the Juvenile Section; and
- One training for the Office of the State Superintendent of Education Office of General Counsel

LCD also presented to OAG’s High School Advisory Council and coordinated with the Board of Ethics and Government Accountability to provide two Hatch Act trainings to the OAG community.

#### **INITIATIVE 2: Conduct Training on Rulemaking, Legislation and Appropriations Issues, and Best Practices for Agency Employees**

The Legal Counsel Division includes several senior attorneys who have experience providing training on a variety of subjects. There are recurring issues concerning what the District’s laws require, what best practices are, and what is required as a matter of policy set by Mayor and the

Administrator of the Office of Documents. This initiative will be successful if seven trainings are conducted by September 30, 2022.

**Performance Assessment: Partially achieved.** LCD conducted three training sessions for OAG and District government employees during the review period on a variety of topics including: Advanced Appropriations Law, Rulemaking, and Legislative Drafting. LCD also conducted a training on risk management at the State Risk and Insurance Management Association National Conference.

### **Office of the Solicitor General**

The Office of the Solicitor General (OSG) manages the District's civil and criminal appellate litigation and practices most frequently before the District of Columbia Court of Appeals, the United States Court of Appeals for the District of Columbia Circuit, and the Supreme Court of the United States. The docket includes appeals in a wide variety of civil, family, criminal, juvenile, tax, and administrative cases from trial courts and petitions for review from District agencies. OSG seeks to provide top-flight legal services in handling the District's litigation in the appellate courts.

#### **INITIATIVE 1: Compile an Appellate Litigation Manual**

Over the past few years, OSG has drafted several best practices documents, procedural and style guides, and other helpful materials to assist its attorneys in handling appeals. N FY22, OSG will endeavor to compile a comprehensive Appellate Litigation Manual that covers the full scope of an appeal, including case initiation, client consultation, mediation and settlement, brief-writing, oral argument, opinion analysis, and case closure—and all the smaller steps in between. This initiative will be successful if OSG drafts a complete Appellate Litigation Manual by September 30, 2022.

**Performance Assessment: Fully achieved.** OSG drafted a manual that covers case initiation, client consultation, brief-writing, oral argument, and all other core aspects of our work.

#### **INITIATIVE 2: Create a Repository of Sample Filings**

OSG has a robust collection of fillable templates for our most common types of filings, including procedural motions, merits briefs, and appendices. There are several other types of less-common filings—argument availability letters, Rule 28(k) or 28(j) letters, motions to withdraw, etc.—for which it would not be practical to have a fillable template, but for which it would be useful to have a repository of sample filings. This initiative will be successful if OSG creates a repository of at least 15 examples of less-common filings that attorneys can reference by September 30, 2022.

**Performance Assessment: Fully achieved.** OSG now has a repository of sample filings covering Rule 28(k) letters, argument availability letters, motions to withdraw, briefing on stay applications, motions for summary affirmance, notices of non-participation, and much more. At least 50 samples are currently available in the filing bank.

### **Personnel, Labor and Employment Division**

The Personnel, Labor and Employment Division (PLED) defends agencies in personnel-related matters such as suspensions, terminations for employee misconduct, and reductions in force. The Division also processes all discipline grievances and serves as OAG's chief negotiator on collective bargaining issues for the attorney's union. PLED seeks to defend and advise the District and its agencies in personnel matters and serves as OAG's labor counsel so as to minimize risk and liability for the District.

### **INITIATIVE 1: Track Liability Avoided and Liability Incurred for All Non-Worker's Compensation PLED Cases**

If client agencies understand the financial impact of internal personnel decisions, they are more likely to make process improvements to avoid personnel challenges. To communicate how agency decisions impact the agencies budget, PLED will timely track liability avoided and liability incurred in FY22 and provide its findings to each agency at the end of the fiscal year. This initiative will be successful if the PLED collects and provides this information to each agency that receives a favorable or adverse settlement or judgement within FY22 by September 30, 2022.

**Performance Assessment: Partially achieved.** PLED calculated liability avoided for FY22 shortly after the end of the FY22 fiscal year but has not yet sent the data to client agencies. PLED currently is verifying the data. Once verified, PLED will provide the data to the agencies.

### **INITIATIVE 2: Identify Three Process Improvements to MPD for Reducing and Defending its Adverse Action**

MPD has spent a significant amount of funds on settlements and judgements during the last three fiscal years. To help reduce MPD's liability, PLED will identify three process improvements. This initiative will be considered successful if the Division conducts completes this task by January 31, 2023.

**Performance Assessment: Fully Achieved.** PLED completed this initiative on February 28, 2022.

### **INITIATIVE 3: Develop a Pleading Bank for Recurring Issues Defended in PLED.**

PLED will develop a pleading bank in FY22 to assist new and experienced attorneys with defenses often used in PLED cases. The pleadings will ensure adherence to PLED's style manual and consistency of written work submitted. This initiative will be successful if samples for at least 10 legal issues are created by September 30, 2022.

**Performance Assessment: Fully Achieved.** PLED completed this initiative on September 26, 2022.

### **Public Advocacy Division**

The Public Advocacy Division promotes the rights of District residents through civil enforcement actions—with a particular emphasis on protecting marginalized and disadvantaged communities. The Division is focused on civil rights, workers' rights, consumer protection, housing conditions, antitrust, antifraud, non-profit enforcement, environmental enforcement, and protecting elders and vulnerable adults from financial exploitation.

### **INITIATIVE 1: Establish a "Key Decision" Library**

PAD will establish an internal library on key decisions related to its various enforcement statutes and have these decisions published on Westlaw. This initiative will be successful if, by September 30, 2022, PAD creates an internal folder of decisions and Westlaw begins publishing the decisions.

**Performance Assessment: Fully achieved.** During FY22, PAD updated its internal Enforcement Manual and added an electronic library of key cases. This library compiles key decisions in the areas of consumer protection, nonprofit, housing, workers' rights, False Claims Act, antitrust, elder justice, civil rights, and environmental – all part of PAD's civil enforcement docket. PAD also has included cases on litigation topics such as discovery and civil procedure. The Enforcement Manual is available internally to all PAD attorneys as an online resource. PAD also has been working with Lexis and

Westlaw to request that key Superior Court decisions are published and available online. Decisions in PAD's enforcement cases often develop case law in areas where published decisions are limited, and making this information available online will provide examples for other states facing similar issues.

### **INITIATIVE 2: Coordinate Division-Specific Litigation Skills Training Sessions**

PAD will coordinate litigation skills and legal writing training for PAD team members that are tailored to the PAD's work. This initiative will be successful if PAD coordinates five training sessions by September 30, 2022.

**Performance Assessment: Partially achieved.** During FY22, PAD coordinated two trainings for team members across the Division. In November 2021, a senior trial counsel conducted a training on Relativity, PAD's platform for gathering and reviewing discovery productions. In February 2022, a senior trial counsel, working with an experienced assistant attorney general, conducted a training on expert witness depositions. PAD also began planning a training agenda with ideas outlined by its senior trial counsel. Unfortunately, because of staff transitions, PAD was not able to conduct additional trainings during the fiscal year.

### **INITIATIVE 3: Coordinate Community and Stakeholder Outreach Across PAD Sections**

PAD will coordinate and target community and stakeholder outreach across PAD sections to ensure that the members of the public are aware of their rights and how OAG can address problems through affirmative enforcement. This initiative will be successful if PAD presents four coordinated outreach meetings by September 30, 2022.

**Performance Assessment: Fully achieved.** During FY22, PAD presented four coordinated outreach events that touched on topics relevant to more than one section within PAD. This included: 1) a presentation to staff at the Office of the People's Counsel touching on PAD's consumer protection, environmental, and housing work (November 2021); 2) an outreach event at the Paul Laurence Dunbar Apartments community in Ward 1 on PAD's elder justice and civil rights work (March 2022); 3) an outreach event at the Department of Parks and Recreation's Senior Fest on PAD's housing and elder justice work (May 2022); and 4) a presentation to staff across multiple divisions at the Public Defender Service about PAD's work in consumer protection, housing, and workers' rights (June 2022). PAD conducted nearly 40 additional outreach events during FY22 that were focused primarily on one issue area.

### **Public Safety Division**

The Public Safety Division (PSD) prosecutes criminal and civil matters to enhance public safety in the District of Columbia. The Division includes six sections: the Criminal Section; the Domestic Violence and Special Victims Section; the Juvenile Section; the Mental Health Section; the Public Integrity Section; and the Restorative Justice Section. PSD prosecutes all juvenile offenses; certain misdemeanor adult offenses, including some offenses related to illegal conduct of public officials; represents survivors of domestic violence in securing protection orders and monitoring compliance with such orders; and represents the District's interests in providing appropriate mental health services to those who are a danger to themselves or to the community. PSD seeks to promote public safety by vigorously prosecuting crimes within OAG's jurisdiction and engaging victims, offenders, communities, and other stakeholders to prevent crime. PSD's work includes implementing innovative alternatives to traditional prosecution, such as restorative justice and truancy-prevention programs.

### **INITIATIVE 1: Create a Substance Use and Mental Health Treatment Resource Guide**

Many individuals cycle in and out of the criminal justice system because of substance abuse disorders and mental health illnesses. OAG has worked to divert these individuals to treatment programs. To facilitate rehabilitation, PSD will identify and summarize the services offered by treatment providers in the District into a user-friendly resource guide. This initiative will be considered successful if PSD creates a comprehensive resource guide of District treatment providers and distribute it to the D.C. Superior Court judges and defense bar by September 30, 2022.

**Performance Assessment: Not Achieved.** In FY22, PSD’s criminal attorney caseloads more than doubled because of the backlog of cases caused by the closure of D.C. Superior Court during the COVID-19 pandemic. Additionally, many of the treatment providers were still struggling to resume full operations. Consequently, PSD was able to compile a list of substance abuse providers and services offered in the District but OAG was not able to complete a comprehensive resource guide of District treatment providers and distribute it to the D.C. Superior Court judges and defense bar by September 30, 2022.

### **INITIATIVE 2: Modernize DC’s Civil Commitment Statute (“Ervin Act”) to Conform to Best Practices in Medicine and Public Safety, while Honoring Individual Patient’s Rights and Liberty Interests.**

PSD has convened a Legislative Reform committee consisting of attorneys from OAG and the Department of Behavioral Health’s Office of General Counsel. With feedback from mental health experts, clinicians, and advocates, the committee is leading a concerted effort to update and modernize the Ervin Act (DC Code § 21-501 et seq.), which has not been amended since 2012. This initiative will be considered successful if the committee submits a comprehensive proposed bill of Ervin Act amendments to the DC Council by September 30, 2022.

**Performance Assessment: Partially Achieved.** PSD has a draft bill that it continues to refine, including by soliciting feedback from DBH. PSD currently is compiling research and examples that demonstrate the need for this legislation.

### **INITIATIVE 3: Intrafamily Conflict Intervention Program**

Intrafamily conflicts involving children in the District of Columbia often cause children to be removed from their home, arrested, and held in custody overnight because families and law enforcement do not have alternatives to this process. When verbal disputes escalate to physical confrontation or destruction of property, parents often feel they have no choice but to call 911 and ask for their child to be arrested. In many instances, after the child spends the night in custody, the case is dismissed because the emergency has ended and the parent does not wish to proceed with prosecution. Sometimes the cycle repeats. When this occurs, the family never gets support or services to address the root causes of the conflict, and the child suffers the traumatic consequences of being needlessly pulled into the juvenile justice system. PSD has developed a conflict intervention plan whereby Metropolitan Police Department (MPD) and the Department of Behavioral Health Crisis Response Team (CRT) or a nonprofit agency partner will co-respond to 911 calls for incidents of domestic violence involving a young person under eighteen years of age. MPD will assess whether the situation requires mandatory arrest. OAG Juvenile Managers will assist MPD in making this determination through the Juvenile Hotline. This initiative will be considered successful if it is implemented and three (3) interventions are made by September 30, 2022.

***Performance Assessment: Not Achieved.*** PSD has developed a plan and gathered data to support the program and is working with several partner agencies, including the Metropolitan Police Department, to proceed with the plan. Implementation as a pilot program which will occur in FY23.

### **Support Services Division**

The Support Services Division (SSD) provides the staff, investigative, financial, logistics, and customer service support that enables OAG to provide high-level legal services to the District. SSD's Procurement Unit is responsible for processing and approving all requests for good and services to enable OAG to fulfill its mission. SSD seeks to provide exemplary operational and logistical support to OAG divisions.

#### **INITIATIVE 1: Update Procurement Regulations**

SSD's Procurement Unit will work with the Government Contracts Section to update the procurement regulations in 27 DCMR Chapter 50. The update is necessary to ensure consistency with the Procurement Practices Reform Act of 2010 and current OAG procurement procedures. This initiative will be successful if final rules are published by September 30, 2022.

***Performance Assessment: Fully achieved.*** A Notice of Proposed Rulemaking, containing the updated regulations in 27 DCMR Chapter 50, was published on August 27, 2021. No comments were received. Final action to adopt the revised rules was taken on October 22, 2021, and the rules became effective when published in the District of Columbia Register on November 5, 2021.

#### **INITIATIVE 2: Develop Standard Operating Procedure**

SSD's Procurement Unit will prepare written standard operating procedures while updating OAG's procurement regulations. This will ensure consistency in processes used, streamline the procurement processes, encourage the implementation of innovation, and increase transparency. This initiative will be successful if posted on OAG's intranet website by September 30, 2022.

***Performance Assessment: Partially achieved.*** The Procurement Unit completed an exhaustive review of best practices and processes and documented procedures for completion of various procurement actions. The document is complete but has not been posted to the intranet.

**FY 2023 PERFORMANCE PLAN**  
**Office of the Attorney General**

**MISSION**

The Office of the Attorney General (OAG) is the chief legal office of the District of Columbia. OAG enforces the laws of the District and promotes the public interest. OAG’s mission is to provide the District government with the highest level of legal advice and service, and to promote the interests of District residents. OAG seeks to be the nation’s premier public law office.

**SUMMARY OF SERVICES**

OAG is responsible for conducting the District’s legal business in a manner that is in the public interest. The Attorney General is the chief legal officer of the District of Columbia. The Attorney General’s opinions on legal questions have the force of law unless overruled by a court or legislatively by the District of Columbia Council. OAG represents the District in virtually all civil litigation and represents the District in a variety of administrative hearings and other proceedings. OAG prosecutes juvenile and certain criminal offenses on the District’s behalf, using evidence-based practices to increase public safety and support youth back onto successful life paths. OAG advises the Executive Office of the Mayor, the Council of the District of Columbia, the District of Columbia Courts, and various boards and commissions. OAG also reviews legislation, regulations, land dispositions, and contracts for legal sufficiency to ensure the legality of the government’s actions. OAG provides legal and litigation support in procurement, tax and finance, bankruptcy, land use, and public works. The Office advocates on behalf of children by seeking to establish parentage and create an opportunity for financial stability as well as intervening on behalf of abused and neglected children when their safety and wellbeing is at risk. OAG also takes legal action to protect and promote the public interest. This includes protecting children, seniors, and developmentally disabled adults, bringing affirmative litigation to promote the interests of District consumers, taxpayers, tenants, and workers, and enforcing the District’s consumer protection, civil rights, antitrust, false claims, elder financial exploitation, and environmental laws, among others. All told, the Attorney General supervises the legal work of about 315 attorneys and an additional 315 administrative and professional staff.

**PERFORMANCE PLAN DIVISIONS AND OFFICES**

The purpose of the yearly performance plan is to ensure that each year, the agency evaluates its progress, reflects on its goals, and sets out a path for improvement that can be referenced throughout the year. In this Performance Plan, each of OAG’s offices and divisions set forth initiatives that will help them better achieve their specific missions. Unless otherwise specified, the deadline for each initiative is the end of the fiscal year (September 30, 2023). This year’s plan includes initiatives for the following offices and divisions:

- Immediate Office
- Child Support Services Division
- Civil Litigation Division
- Commercial Division
- Family Services Division
- Legal Counsel Division
- Office of the Solicitor General

- Personnel, Labor and Employment Division
- Public Advocacy Division
- Public Safety Division
- Support Services Division

**Immediate Office**

The Immediate Office sets the direction for OAG. This includes ensuring that the agency provides high quality legal services to the District government, communicating and engaging with the public, and setting OAG’s policy priorities. The Immediate Office seeks to build a best-in-class public law office.

**INITIATIVE 1: Training on Council Processes**

The purpose of this initiative is to increase the quality of the information OAG provides to the Council and ensure OAG employees understand what is necessary to advance OAG’s policy and legislative initiatives. Members of the Policy and Legislative Affairs team will provide trainings that include information on the basics of Council procedures as well as OAG policies on developing and submitting legislation and testimony to the Council. This initiative will be successful if the team provided three trainings by September 30, 2023.

**INITIATIVE 2: Diversity and Strengthen OAG’s Grants Portfolio**

The purpose of this initiative is to leverage OAG’s independent grant-making authority advance its priorities. OAG’s Grants Management Unit (GMU) will seek grant-funding opportunities from the federal government, foundations, and private entities to maximize the OAG’s impact in violence prevention and reduction, victim services, and other services to vulnerable residents. This initiative will be successful if OAG identifies key partnerships and new funding by September 30, 2023.

**Child Support Services Division**

CSSD assists families in the District with locating absent parents, establishing paternity, establishing orders for monetary and medical support, collecting ongoing support, and enforcing delinquent child-support orders. CSSD seeks to ensure that District children receive the financial support to which they are legally entitled.

**INITIATIVE 1: Training Accessibility Initiative**

The purpose of this Training Accessibility initiative is to provide a real-time learning resource for CSSD staff. The Division is creating the “CSSD Resource Corner,” which is an online site on which training materials, videos of training sessions, self-paced programming, and similar learning resources will be housed. It is a single location intended to acquaint or remind staff about the wealth of resources available that will provide around-the-clock access to information whether a person is working in the office or remotely. This initiative will be successful if the CSSD Resource Corner is complete and finalized by September 30, 2023.

**INITIATIVE 2: Early Intervention Initiative**

Educating and supporting the parents involved in child support cases is critical. Research demonstrates that families are more likely to be successful when they have accurate and timely information about their paternity and child support cases. Accordingly, in FY22, CSSD began developing a customer orientation program series in which CSSD presents basic information in a

about the child support process and specific case stages. CSSD worked with consultants to create session guides for the first three sessions, including talking points for the presenter of each session as well as a short video outlining core content for the session topic. This initiative will be deemed successful if each of the three customer sessions has been tested; refined; and incorporated into a regular schedule of offerings by September 30, 2023.

### **Civil Litigation Division**

The Civil Litigation Division (CLD) represents the District, its agencies, and its employees in civil actions brought in the Superior Court of the District of Columbia and the United States District Court for the District of Columbia. The Division also represents District agencies in matters enforcing rules and regulations. CLD seeks to provide sound counsel to the District, its agencies, and its employees, including devising strategies for representing them in civil actions and minimizing liability.

**INITIATIVE 1:** CLD's Civil Enforcement Section (CES) represents nearly two dozen client agencies and has a varied portfolio of work representing the District. To ensure that CES's resources are focused on work that provides the most benefit to District residents, CLD will develop referral policies for its civil forfeiture and subrogation workstreams. This initiative will be considered successful if those policies are developed and implemented by September 30, 2023.

**INITIATIVE 2:** CLD will create a standard set of materials to provide to new employees hired into the Division. The materials will consist of opinions and briefs providing an overview of the three core legal areas handled by the Division's four general litigation sections: employment litigation, litigation under Section 1983, and personal injury. The new-hire materials will serve as a resource for new CLD attorneys and professional staff. This initiative will be considered successful if a standardized set of new-hire materials is assembled by September 30, 2023.

**INITIATIVE 3:** CLD will provide substantive training sessions to the Division in the areas of effective litigation skills, *The Bluebook*, and technology. These trainings will increase the working knowledge of the Division's attorneys and professional staff, enabling the Division to serve its clients and District residents more efficiently. The initiative will be successful if CLD provides the Division with a total of five separate trainings by September 30, 2023.

### **Commercial Division**

The Commercial Division provides legal services, advice, and advocacy related to numerous core governmental functions, including the procurement of goods and services, the acquisition of real estate, the support of economic development projects and government property management, the financing of government operations through the issuance of bonds, the collection of taxes, and the collection of debts from individuals and entities in bankruptcy. The Division also determines the legal sufficiency of major contracts and land dispositions. The Commercial Division seeks to provide legal support to District agencies to maximize and protect the District's commercial assets.

**INITIATIVE 1:** As part of its mission to increase zoning literacy, the Equitable Land Use Section will conduct outreach to ANCs, with particular focus on new ANCs who may not know of ELU's mission or that ELU can serve as a resource for ANCs and residents in zoning and land development issues. This initiative will be considered successful if ELU provides at least five presentations to ANCs and posts at least ten Power Point presentations explaining the zoning process by September 30, 2023.

**INITIATIVE 2:** The Government Contracts Section will create a system that tracks the total amount

of dollars (Not To Exceed) in the contracts it reviews; track bid protest results; and corrective actions. This initiative will be successful if Government Contracts reports (1) the total dollar amount of contracts it reviewed, and (2) its bid protest results for FY23 by September 30, 2023.

**INITIATIVE 3:** The Tax & Finance Section will build stronger ties with its client agency, the Office of Tax and Revenue (OTR). The Section’s tax attorneys will host “lunch and learn” series with OTR assessors. The purpose of this series will be for assessors to share their expertise on specific assessment topics and thereby grow the Section’s knowledge base, particularly for our newer attorneys. The Section’s tax attorneys will, in turn, provide training to assessors on various litigation topics, like assisting with interrogatory responses, preparing for depositions, and the expert witness role. The initiative will be successful if Tax and Finance hosts at least three separate “lunch and learn” series by September 30, 2023.

### **Family Services Division**

The Family Services Division (FSD) works on behalf of the District’s most vulnerable residents: abused and neglected children. The Division prosecutes civil child abuse and neglect cases and represents the Child and Family Services Agency (CFSA) in all stages of permanency planning, including proceeding to terminate parental rights when necessary. FSD seeks to provide quality representation to CFSA on child abuse and neglect cases.

**INITIATIVE 1:** Paternity establishment is important in child abuse and neglect cases to ensure appropriate notice and due process to both parents as well as assist in the identification of all available relative resources. In cases where a father has been identified and located, FSD will utilize all available legal remedies, including motions to show cause, to resolve paternity. This measure will be successful if adjudication of paternity occurs in at least 50% of eligible cases.

**INITIATIVE 2:** FSD has partnered with managers in CFSA who supervise foster care youth in peer learning and support sessions known as Chat and Chew. This forum has increased partnership and provided an opportunity for educational exchanges around issues such as changes in case law and visitation requirements, and writing more effective court reports. Over the next fiscal year, FSD will engage the managers who oversee Child Protective Services as well as In-Home administration in a similar forum so that additional peer learning exchanges can occur with those areas of practice. This measure will be successful if a Chat and Chew occurs in each quarter of FY23.

### **Legal Counsel Division**

The Legal Counsel Division (LCD) provides legal research and advice to the Attorney General, the Executive Office of the Mayor (EOM), District agencies, and the Council of the District of Columbia. In addition, LCD determines the legal sufficiency of legislation, rulemakings, inter-agency MOUs and assists with drafting statutes and regulations for the EOM, OAG, and District agencies. The Division also prepares formal opinions, legal memoranda, legal advice letters, and Office Orders for the Attorney General and serves as an attorney-advisor to the Advisory Neighborhood Commissions. LCD seeks to provide high-quality legal advice to the Mayor, District agencies, and the Council about proposed legislation, rulemaking, ethics, and other government action.

#### **INITIATIVE 1: Conduct Training for OAG Employees**

The Legal Counsel Division consists of a number of senior attorneys, including OAG’s ethics counsel, who often provide training on a variety of subjects. OAG attorneys and staff face recurring issues concerning what the District’s laws require, what best practices are, and what is required as a

matter of policy set by Mayor and the Administrator of the Office of Documents and Administrative Issuances. Common training topics include ethics, rulemaking, legislation, and appropriations. This initiative will be considered successful if ten trainings, including five in ethics and five in other areas of the law, are conducted by September 30, 2023.

### **INITIATIVE 2: Increase Public Accessibility of OAG Legal Advice and Resources**

LCD has a large database of legal advice memos it has written for internal and external clients, as well as formal opinions of the Attorney General. Although OAG used to make public many of its legal advice memos, it has not done so recently. Many older opinions of the Attorney General, although technically public, are not available on the OAG website. And the opinions that are public are not organized or searchable. LCD will establish a repository on OAG's website of legal advice memos to improve public access to opinions of the Attorney General. This initiative will be considered successful if the public is able to access a repository of legal advice memos on the OAG website, and if the formal opinions of the Attorney General on OAG's website are summarized and organized, by September 30, 2023.

### **INITIATIVE 3: Update LCD's Division Manual**

LCD's Division Manual is a comprehensive guide to how LCD attorneys should conduct legal sufficiency reviews of legislation and rulemakings, as well as research and draft legal advice memos. The current Division Manual has not been updated since 2007 and is out of date in many respects. LCD will revise the Division Manual to reflect current best practices, so that current and onboarding employees can perform their roles at the highest level. This initiative will be considered successful if the LCD Division Manual is updated and distributed to LCD attorneys by September 30, 2023.

### **Office of the Solicitor General**

The Office of the Solicitor General (OSG) manages the District's civil and criminal appellate litigation and practices most frequently before the District of Columbia Court of Appeals, the United States Court of Appeals for the District of Columbia Circuit, and the Supreme Court of the United States. The docket includes appeals in a wide variety of civil, family, criminal, juvenile, tax, and administrative cases from trial courts and petitions for review from District agencies. OSG seeks to provide top-flight legal services in handling the District's litigation in the appellate courts.

### **INITIATIVE 1: Develop a set of orientation trainings for new OSG attorneys.**

When attorneys join OSG, they are faced with two major challenges. First, they must learn the many procedures and processes that OSG has in place to produce excellent work product, as well as the procedural requirements of the courts in which OSG practices. Second, they must familiarize themselves with many different areas of District law, including how the District government is structured. To better equip new attorneys to meet these challenges, OSG will develop a set of trainings for new OSG attorneys that impart the wisdom and expertise of some of our senior attorneys. This set of trainings will include both best practices with regard to brief-writing, oral argument, and other aspects of the job, as well as a primer on some of the basics of District law and government. This initiative will be successful if OSG develops by September 30, 2023 at least three trainings that can be used for future attorneys who join the office

### **INITIATIVE 2: Improve OSG visibility at top law schools.**

OSG strives to recruit the very best appellate attorneys, fellows, and interns to OAG in order to

produce excellent work product on behalf of the District. Part of this recruitment process includes engaging with students at top law schools early in their legal careers. To that end, OSG will improve its visibility at top law schools by participating in more panels and other events at law schools. This initiative will be successful if OSG attorneys participate in panels or other events at three top law schools by September 30, 2023.

### **Personnel, Labor and Employment Division**

The Personnel, Labor and Employment Division (PLED) defends agencies in personnel-related matters such as suspensions, terminations for employee misconduct, and reductions in force. The Division also processes all discipline grievances and serves as OAG's chief negotiator on collective bargaining issues for the attorney's union. PLED seeks to defend and advise the District and its agencies in personnel matters and serves as OAG's labor counsel so as to minimize risk and liability for the District.

#### **INITIATIVE 1: Develop a Bank of Routinely Filed Documents in PLED Matters.**

PLED's seeks to improve the quality and consistency of its filings. With that goal in mind, PLED will develop a bank of sample documents that are routinely filed in the numerous tribunals before which PLED lawyers practice. Providing samples of these documents will ensure consistency across filings in terms of format, substance, and content. This initiative will be considered successful if PLED completes a bank of 20 sample filings by September 30, 2023.

#### **INITIATIVE 2: Compile an Office of Employee Appeals Case Analysis of the Most Often Used Causes for Discipline.**

Complainants in matters PLED defends often challenge the charges/causes agencies use to support discipline before the District of Columbia Office of Employee Appeals (OEA). However, OEA opinions and legal analysis are rarely cited in a format PLED lawyers can quickly research. To better support our defense of OEA cases, PLED will compile a case analysis of the most frequently used causes of action for discipline, i.e., neglect of duty, absent without authorized leave, etc. and OEA's holding and analysis of each case for the past two calendar years (2021 and 2022). The analysis will include the reasons for OEA's legal and factual findings. This initiative will be considered successful if PLED reviews and analyzes the five most uses causes for discipline in OEA cases in calendar year 2021 and 2022 by September 30, 2023.

### **Public Advocacy Division**

The Public Advocacy Division promotes the rights of District residents through civil enforcement actions—with a particular emphasis on protecting marginalized and disadvantaged communities. The Division is focused on civil rights, workers' rights, consumer protection, housing conditions, antitrust, antifraud, non-profit enforcement, environmental enforcement, and protecting elders and vulnerable adults from financial exploitation.

#### **INITIATIVE 1: Coordinate Division-Wide Reporting on Judgments and Settlements**

PAD will create and implement a division-wide system for tracking judgments and settlements, including the type and amount of relief achieved in each case (restitution, penalties, injunctive remedies), all payments received pursuant to a final judgment or settlement, and any enforcement actions taken for failure to comply with a final judgment or settlement. In addition to creating uniform reporting and tracking across the division, this initiative will assist OAG with complying with new Internal Revenue Service reporting requirements on certain judgments and settlements. This initiative

will be considered successful if PAD implements a division-wide tracking system by September 30, 2023.

## **INITIATIVE 2: Coordinate Division-Specific Litigation Skills Training Sessions**

PAD will utilize its two senior counsel attorneys and other divisions to coordinate litigation skills and legal writing training for PAD team members that are tailored to the PAD's work. These trainings will be a starting point for creating an ongoing training structure to carry forward into future fiscal years. This initiative will be successful if PAD coordinates five training sessions by September 30, 2023.

### **Public Safety Division**

The Public Safety Division (PSD) prosecutes criminal and civil matters to enhance public safety in the District of Columbia. The Division advances this work through six sections: the Criminal Section, the Domestic Violence and Special Victims Section, the Juvenile Section, the Mental Health Section, the Public Integrity Section and the Restorative Justice Section. PSD prosecutes all juvenile offenses, certain misdemeanor adult offenses, including some offenses related to illegal conduct of public officials, represents survivors of domestic violence in securing protection orders and monitoring compliance with such orders, and represents the District's interests in providing appropriate mental health services to those who are a danger to themselves or the community. PSD work includes developing and implementing innovative alternatives to traditional prosecution, including restorative justice and truancy-prevention programs.

## **INITIATIVE 1: Create a substance use and mental health treatment resource guide to facilitate rehabilitation in the criminal justice system.**

Many individuals cycle in and out of the criminal justice system because of substance abuse disorders and mental health illnesses. OAG has worked to divert these individuals to treatment programs. To facilitate rehabilitation, PSD will identify and summarize the services offered by treatment providers in the District into a user-friendly resource guide. This initiative will be considered successful if PSD creates a comprehensive resource guide of District treatment providers and distribute it to the D.C. Superior Court judges and defense bar by September 30, 2023.

## **INITIATIVE 2: Modernize DC's Civil Commitment Statute ("Ervin Act") to Conform to Best Practices in Medicine and Public Safety, while Honoring Individual Patient's Rights and Liberty Interests.**

PSD has convened a Legislative Reform committee consisting of attorneys from OAG and the Department of Behavioral Health's Office of General Counsel. With feedback from mental health experts, clinicians, and advocates, the committee is leading a concerted effort to update and modernize the Ervin Act (DC Code § 21-501 et seq.), which has not been amended since 2012. This initiative will be considered successful if the committee submits a comprehensive proposed bill of Ervin Act amendments to the DC Council by September 30, 2023.

## **INITIATIVE 3: Intrafamily Conflict Intervention Program – CARES Program**

Intrafamily conflicts involving children in the District of Columbia often cause children to be removed from their home, arrested, and held in custody overnight because families and law enforcement do not have alternatives to this process. When verbal disputes escalate to physical

confrontation or destruction of property, parents often feel they have no choice but to call 911 and ask for their child to be arrested. In many instances, after the child spends the night in custody, the case is dismissed because the emergency has ended and the parent does not wish to proceed with prosecution. Sometimes the cycle repeats. When this occurs, the family never gets support or services to address the root causes of the conflict, and the child suffers the traumatic consequences of being needlessly pulled into the juvenile justice system. PSD has developed a conflict intervention plan whereby Metropolitan Police Department (MPD) and the Department of Behavioral Health Crisis Response Team (CRT) or a nonprofit agency partner will co-respond to 911 calls for incidents of domestic violence involving a young person under eighteen years of age. MPD will assess whether the situation requires mandatory arrest. OAG Juvenile Managers will assist MPD in making this determination through the Juvenile Hotline. This initiative will be considered successful if it is implemented and three (3) interventions are made by September 30, 2023.

#### **INITIATIVE 4: USAO Referral Program**

The Restorative Justice Section has been successful in working with juvenile and criminal adult cases in OAG's Public Safety Division and providing meaningful resolutions to conflict between the victim and the offender through restorative justice conferences facilitated by a trained restorative justice facilitator. OAG will launch similar a referral program in partnership with the United States Attorney's Office (USAO) so that OAG can begin to take cases of young adults aged 18-24 charged with crimes in cases in which victims of those crimes are willing to pursue restorative justice. This initiative will be considered successful if it is implemented and three (3) referrals are made from USAO and restorative justice conferences are conducted by September 30, 2023.

#### **Support Services Division**

The Support Services Division (SSD) provides the staff, investigative, financial, logistics, and customer service support that enables the rest of OAG to provide high-level legal services to the District. SSD's Procurement Unit is responsible for processing and approving all requests for good and services to enable OAG to fulfill its mission. SSD seeks to provide exemplary operational and logistical support to OAG divisions.

#### **INITIATIVE 1: Create Support Services Division Landing Page on OAG Intranet.**

SSD will collaborate with OAG's Information Technology Section to create a landing page on OAG's intranet webpage to promote employees' easy access to resources, information, and job aides related to services provided by the SSD sections. SSD-related content will be consolidated in a user-friendly format by subject matter. This initiative will be successful if SSD makes content and navigability improvements to the website by September 30, 2023.

**GOVERNMENT OF THE DISTRICT OF COLUMBIA**  
**Office of the Attorney General**

**ATTORNEY GENERAL**  
**KARL A. RACINE**

Office Order No. 2018-06

**SUBJECT:** Equal Employment Opportunity Policy

Pursuant to Reorganization Order No. 50 of June 26, 1953, as amended, the following Equal Employment Opportunity (EEO) Policy shall become effective immediately.

**I. Equal Employment Opportunity Policy**

The Office of the Attorney General (OAG) is committed to fairness and diversity in the workplace, recognizing that the respect and dignity with which we treat each other is critical to the success of the OAG's mission.

**A. Overview**

It is the OAG's policy to eliminate discrimination and harassment on the basis of the factors listed below, as they are more fully defined in section 102 of the District of Columbia Human Rights Act, effective December 13, 1977 (D.C. Law 2-38; D.C. Official Code § 2-1401.02), and to act to ensure equal employment opportunity for all its employees and job applicants. It is the policy of the OAG that all recruitment, hiring, compensation (including salary, and benefits to the maximum extent of the law), training, work assignments, working conditions, promotions, rotations, transfers, retention decisions, awards, discipline, and any other adverse action as defined by applicable law, be administered without regard to actual or perceived:

- race;
- color;
- religion (including religious beliefs or lack of them);
- national origin (including ancestry, country of birth, and nationality);
- sex (including gender and conditions associated with gender, such as pregnancy);
- sexual orientation;
- age;
- mental or physical disability;
- marital status;

- personal appearance (subject to reasonable, uniformly applied rules);
- family responsibility (including being a contributor to the support of one or more persons in a dependent relationship);
- matriculation (including part-time student status if such status does not interfere with the OAG employment);
- political affiliation (including past or present political affiliation or lack of such affiliation);
- Gender identity or expression; or
- Genetic information.

Consistent with the above and in accordance with Mayor's Order 2017-313 (December 18, 2017), and any future amendments, it is also the OAG's policy to provide a work environment free from sexual harassment and a work environment free from harassment based on any of the above protected categories.

OAG's prohibition on workplace discrimination and harassment by all employees, including the Attorney General and all employees under the Attorney General's jurisdiction, also applies to third parties doing business with OAG, including vendors and contractors, customers, volunteers and other persons visiting or working at OAG. The protections against discrimination and workplace sexual harassment extend to employees, contractors, interns and any other persons engaged by OAG to provide permanent or temporary services at OAG's worksites.

The OAG will take all necessary steps to ensure that no person retaliates against, harasses, or coerces any other person because that person has engaged in any activity related to enforcement of the Office's Equal Employment Opportunity Policy, including but not limited to: filing a complaint of discrimination, furnishing information in connection with such complaint, assisting anyone in filing or asserting a claim of discrimination, opposing alleged discriminatory conduct, or participating in any manner in an investigation, or compliance review. If any such retaliation, harassment, or coercion occurs, appropriate action will be taken. Any employee found to have engaged in discrimination or harassment in violation of this policy, and any employee in a position of authority who fosters an environment that allows such discrimination or harassment to exist, will be subject to appropriate disciplinary action.

#### B. Definition of Sexual Harassment

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when any one of the following criteria is present:

1. submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
2. submission to or rejection of such conduct by an individual is used as a basis for employment decisions affecting the individual; or
3. such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment.

The following are examples of conduct that may create an intimidating, hostile or offensive work environment:

- sexually oriented or sexually degrading language describing an individual or his/her body, clothing, hair, accessories or sexual experiences;
- sexually offensive comments or off-color language, jokes, or innuendo that a reasonable person would consider to be of a sexual nature, or belittling or demeaning to an individual or a group's sexuality or gender;
- the display or dissemination of sexually suggestive objects, books, magazines, photographs, music, cartoons, or computer internet sites or references;
- unnecessary and inappropriate touching or physical contact, i.e. brushing against a colleague's body, touching or brushing a colleague's hair or clothing, massages, groping, patting, pinching, and hugging, that a reasonable person would consider to be of a sexual nature;
- leering or sexually suggestive gestures or sounds, e.g., whistling or kissing noises;
- workplace sexual comments, conduct, displays and suggestions between two willing parties that would cause a reasonable third party to be offended;
- any unwanted repeated contact, including, but not limited to in-person, or telephonic, for romantic or sexual purposes;
- "sexting" (sending and sharing sexual photos online via text messaging and in-person), seeking or sending pictures of intimate body parts, taking or displaying pictures of body parts meant to be covered up (such as "up skirting" pictures), including sending messages of a suggestive nature on self-destructive messaging apps where documentation of the written word or images is difficult to document;

- making inquiries about someone's private sex life or describing one's own sex life;
- sexual assault.

Sexual harassment can be committed by persons of either gender against persons of the same or different gender. Sexual harassment can also occur between employees at different levels and is not limited to an inappropriate exercise of authority or control by a person in power over a subordinate, *i.e.*, a subordinate may sexually harass a supervisor, a supervisor may sexually harass a subordinate and co-workers may sexually harass each other.

### C. Consensual Relationships

A romantic, sexual, or intimate relationship between an employee and a supervisor in the employee's chain of command is discouraged. **If a working relationship between a supervisor and his/her employee develops into a romantic, sexual or intimate one, both employees have a duty to report it to the Chief of Staff who may separate or otherwise reassign the employee, the supervisor, or both of them.**

The existence of a sexual/intimate relationship between an employee and a supervisor will be a factor in any proceeding in which the relationship is alleged to have contributed to a hostile work environment and/or adversely affected the terms and conditions of employment of either of the parties or any third parties. If legal action is commenced against the District of Columbia and/or a supervisor who engaged in a sexual/intimate relationship with an employee, the existence of the relationship will be a factor in the OAG's decision to provide legal representation to the supervisor.

## II. EEO Investigations

The purpose of OAG's EEO policy is to ensure that all employees work in an environment free from unlawful harassment, discrimination and retaliation. OAG will conduct periodic training and discipline employees found to have violated its EEO policy. Upon receiving a complaint, OAG will investigate the complaint to gather information on the facts and circumstances.

### A. Role of the EEO Director

All formal workplace discrimination investigations shall be the responsibility of the EEO Director. Additionally, if an employee raises the issue of systemic discrimination, or if while making an inquiry regarding an employee's individual complaint of discrimination, an EEO Counselor learns information suggesting that discriminatory employment practices are agency-wide, division-wide, or section-wide, the Counselor shall immediately notify the EEO Director. The EEO Director shall notify the Chief of Staff, the Chief Counsel for Personnel Labor & Employment, and the Attorney General. Upon receipt of this notice, the Director of EEO shall conduct or initiate a complete investigation regarding whether such pervasive discriminatory practices are in effect.

The EEO Director shall be responsible for receiving, recording, timely investigating, and making recommendations to the Attorney General concerning specific formal actions, including discipline, to resolve all discrimination complaints. In doing so, the Director shall consult with the Chief Counsel for the Personnel Labor & Employment Division to assure that there are no potential violations of any labor-management relations agreements. The Director shall also maintain records to reflect the date of each review and the action taken.

B. Date of Receipt of a Complaint of Discrimination

A complaint of discrimination is deemed to be received by OAG when a complainant contacts the EEO Counselor or the EEO Director by telephone, in writing (including email) or in person, whichever occurs first.

C. Responsibility to Report and Participate in Investigations

1. Employee Responsibility to Report

All OAG employees are responsible for using their best efforts to ensure that the workplace is free of discrimination and sexual harassment. Employees who know of incidents of discrimination or sexual harassment, as well as sexual conduct that may create an intimidating, hostile or offensive work environment, or who are victims of sexual harassment or inappropriate conduct, should report the alleged discrimination, sexual harassment or inappropriate conduct to the EEO Director. An employee who believes that he or she is or has been the victim of discrimination, sexual harassment or inappropriate conduct should, but is not required to, advise the alleged perpetrator that he or she views the perpetrator's comments, conduct, displays or suggestions to be offensive and may request that the perpetrator cease the activity.

2. Supervisor Responsibility to Report

Any supervisor or manager who receives a complaint or concern regarding discrimination, sexual harassment or inappropriate conduct has an affirmative duty to refer the complaint or concern to the EEO Director, pursuant to the procedures set forth below.

3. All Employee Responsibility to Participate in Investigations

All OAG employees are expected to cooperate in an investigation of EEO complaints. If an alleged victim declines to assist and/or participate in the investigation of the allegation, OAG may unilaterally initiate and conduct an investigation. OAG may require that the employee put in writing his/her decision to decline assistance and participation in the investigation.

Any employee who, despite the direct request of OAG, declines to cooperate in an EEO investigation may be subject to disciplinary action. Consideration of whether to recommend disciplinary action against an employee who also is the alleged victim of sexual harassment or other forms of discrimination requires heightened sensitivity and should be proposed in

consultation with the Chief of Staff and the Chief Counsel for the Personnel Labor & Employment Division. No employee involved in an investigation shall engage in any discussion regarding discipline with the alleged victim prior to consultation with the Chief of Staff.

D. Rights of the Alleged Offender

Persons accused of discrimination, retaliation or sexual harassment deserve the right to respond to the allegations without a predetermination that inappropriate conduct has occurred until there is a finding of culpability.

E. Interim Remedial Actions

Pending final resolution of an EEO complaint, and in order to protect the rights of the alleged victim as well as the alleged offender, OAG may take prompt temporary personnel actions that do not result in any adverse employment action. These interim actions are administrative rather than disciplinary and may include, but are not limited to, transfers, reassignment of duties or reporting requirements, mandatory administrative leave with pay, or other appropriate measures that do not result in reduction of pay or loss of employee benefits. Although OAG may take such action, this provision does not override OAG's authority to take disciplinary action, including summary action, where warranted. Where there is an allegation of criminal misconduct, the employee may choose to report the alleged criminal violation to a law enforcement agency, including the Metropolitan Police Department (MPD).

F. Discipline

OAG shall initiate appropriate disciplinary action, up to and including termination of any employee found to have engaged in discrimination, retaliation or sexual harassment.

G. Complaints Against Certain Individuals in the Immediate Office

EEO complaints against members of the Attorney General's Immediate Office may be filed with OAG's EEO Director, directly with the Attorney General, or with the Inspector General. EEO complaints against the Attorney General shall be filed with the Inspector General. An independent consultant shall be hired to conduct an investigation into any complaint against the Attorney General. Any final investigative report of EEO allegations against the Chief of Staff, Chief Deputy Attorney General or the Attorney General shall be submitted to the Inspector General for the District of Columbia for review.

H. Discipline for Making False Statements or Representations

In recognition of the seriousness of discrimination and or retaliation in the workplace, and OAG's zero tolerance of such activity, OAG shall initiate disciplinary action, up to and including termination of any employee found to knowingly and intentionally have made materially false statements or representations in relation to an EEO claim or investigation.

Consideration of whether to initiate disciplinary action against an employee who also is the alleged victim of sexual harassment requires heightened sensitivity and should be conducted in consultation with the Chief of Staff.

### III. Concurrent Jurisdiction: Procedures for Bringing EEO Complaints

#### A. Differences Between OAG Investigations and EEO Complaints Processes

OAG's investigation is separate from the duties of an EEO Counselor and the role of the Office of Human Rights (OHR). An EEO Counselor's primary goal is to mediate the complaint toward a successful resolution and can serve as a first step in OHR's process. An EEO Counselor does not investigate complaints on OAG's behalf and has no authority to discipline. For these reasons, employees are encouraged to also report EEO complaints to OAG's EEO Director so that OAG can investigate, stop any discrimination or retaliation and discipline the alleged offender. If employees choose to first file a complaint with an OAG EEO Counselor, this policy requires that the EEO Counselor notify OAG's EEO Director of the complaint for purposes of beginning an investigation.

#### B. Procedures for Bringing EEO Complaints

In addition to pursuing action within OAG, an alleged victim may pursue mediation with an EEO Counselor and/or report it to the Office of Human Rights.

EEO Counselors shall be responsible for receiving and attempting to resolve, informally through counseling, any workplace discrimination complaints brought to them by employees of, and applicants for employment with, OAG. In performing this function, these counselors shall consult with the Chief Counsel for the Personnel Labor & Employment Division to ensure compliance with all collective bargaining agreements. Additionally, the EEO Director is available to advise the EEO Counselors. A current list of the EEO Counselors for OAG shall be available on OAG's Shared Drive and shall be provided by the EEO Director to the District of Columbia Office of Human Rights (OHR) for posting on that agency's official website, at [www.ohr.dc.gov](http://www.ohr.dc.gov). The EEO Counselors shall serve for a period of three years, after which a new group of EEO Counselors will be selected.

An employee or qualified applicant shall consult an EEO Counselor or OAG's EEO Director within 180 calendar days after the alleged unlawful employment practice occurred or within 180 calendar days of the discovery of the occurrence giving him or her cause to believe that he or she has been discriminated against, whichever is earlier. An employee alleging discrimination in connection with an act or acts that occurred on or after October 1, 2002, may file a complaint directly with a court of competent jurisdiction within one year of the alleged incident and forego the administrative process for alleged violations established in the District of Columbia Human Rights Act.

Pursuant to the Mayor's Order 2017-313 (December 18, 2017) (attached), an employee alleging sexual harassment or a person acting on the alleged victim's behalf with or without

the victim's consent may report a sexual harassment incident to an EEO Counselor, to any supervisor or manager within OAG, or to any EEO Counselor at any other District of Columbia agency, within 180 days from the time of the alleged incident. An alleged victim of harassment may forego filing a claim with an EEO Counselor and instead file a complaint directly with OHR within one year of the alleged incident. Pursuant to this order and effective immediately, if a supervisor receives a complaint involving allegations of sexual harassment, the supervisor must immediately notify the EEO Director, who may assign the complaint to an EEO Counselor. Additionally, once an EEO Counselor is made aware of allegations involving sexual harassment, the Counselor shall immediately notify the EEO Director.

All EEO complaints received by an EEO Counselor shall be reviewed and processed promptly for counseling. An EEO Counselor shall maintain records to reflect the date of each review and the action taken by the EEO Counselor. To ensure the integrity of the process, the EEO Counselor shall not participate in the inquiry or resolution of a complaint of discrimination where there is a potential conflict of interest, *e.g.*, if the resolution of a complaint of discrimination involves a person with whom the EEO Counselor has a personal relationship, the EEO Counselor is under the supervision of or is assigned to the same division as the complainant, or the accused or the EEO Counselor is a member of the same bargaining unit as the complainant. The EEO Counselor shall advise the employee and the EEO Director of potential or actual conflicts of interest who shall assign the matter to another EEO Counselor. The employee is also free to seek and obtain a different EEO Counselor on his/her own.

An EEO Counselor shall conduct the final interview with the complainant not later than 21 calendar days after the date on which the matter was brought to the attention of the EEO Counselor. An EEO Counselor shall advise the complainant in writing during the final interview of the complainant's right to file a formal complaint with the OHR.

Regardless of whether an EEO Counselor completes his or her review and action within the prescribed time limits, a complainant shall be free to file a complaint with the OHR at the expiration of the 21-day review period. Title IV Chapter 1, of the District of Columbia Municipal Regulations governs all procedures for the EEO Counselors.

#### IV. Prohibition Against Retaliation

Under no circumstance shall any employee, supervisor, manager or other person acting on his/her behalf, or under his/her direction, retaliate against, harass, or coerce an employee because that employee has filed or asserted a claim of discrimination or sexual harassment, assisted another person in filing or asserting a claim, opposed discrimination, been a witness in an alleged discrimination investigation, or challenged an allegation of discrimination, retaliation or sexual harassment. If retaliation is found, the employee found to have engaged in retaliation shall be subject to discipline, up to and including termination.

V. Confidentiality

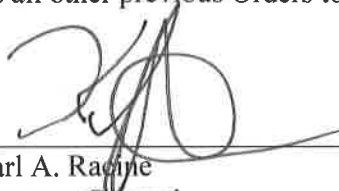

All complaints shall be confidential and shall only be disclosed to authorized individuals and in the following limited circumstances:

1. The complainant has filed a complaint with the OHR or with the federal Equal Employment Opportunity Committee (EEOC) and OHR or the EEOC has requested a copy of OAG's EEO file;
2. OAG is responding to interrogatories propounded by either OHR or the EEOC;
3. The complainant has requested in writing that OAG's file be released after the conclusion of the investigation;
4. A complaint of discrimination may be disclosed among other EEO Counselors for the purpose of resolving the complaint provided that no conflict of interest exists;
5. A court of competent jurisdiction has issued an order for the release of OAG's EEO file; or
6. The Complainant has filed a civil complaint seeking damages or other relief and the file is requested by an attorney in OAG in connection with the litigation.

This confidentiality provision does not preclude OAG from reporting suspected illegal acts, i.e., assaults or threats, to an appropriate enforcement agency and cooperating in any investigation of the allegations.

VI. Effective Date and Relationship to Other Orders

This Order will take effect immediately and supersedes all other previous Orders to the extent of any inconsistency.

  
Karl A. Racine  
Attorney General

Dated this 15<sup>th</sup> day of February 2018

**GOVERNMENT OF THE DISTRICT OF COLUMBIA**  
**OFFICE OF THE ATTORNEY GENERAL**

ATTORNEY GENERAL

Office Order No. 2021-05

SUBJECT: Revised OAG Staff Alternative Work Schedule and Telework Program.

Pursuant to Reorganization Order No. 50 of June 26, 1953, as amended, the following is ordered effective immediately.

I. Introduction

A. The Office of the Attorney General for the District of Columbia (“OAG” or the “Office”) is committed to providing the highest quality legal and programmatic services to the District and its residents. OAG management recognizes that its employees may be more productive and serve their clients, customers, and the public better when they are permitted to structure their work schedules in a manner that permits them to attend to their needs outside of the physical office.

B. This Office Order continues and enhances the Alternative Work Schedule and Telework Program (“AWS Program”) that permits OAG employees to meet their obligation of working 80 hours per pay period in a manner other than the traditional eight (8) hour per day in office schedule, subject to the needs of the Office and certain practical and policy limitations. With this revised AWS Program, OAG hopes to continue attracting and retaining a high-quality workforce by allowing employees greater flexibility during their work weeks.

C. It is the policy of OAG to implement the AWS Program in a manner that is fair to its employees while ensuring that OAG meets the District’s legal and programmatic needs.

II. Eligibility for AWS Telework Program and Procedures

All full-time employees are eligible to participate in the AWS and Telework Program subject to the terms, conditions and discretion of management, as described in this Order. An employee is not eligible for AWS, Flexiplace, or Telework if the employee:

A. Has performance at a level of less than Meet Expectations, Satisfactory, or the equivalent;

B. Is in a trainee capacity or has not reached the level of relative independence;

- C. Has not demonstrated effective communication skills, dependability, or reliability;
- D. Has been disciplined for AWS or telework-related misconduct, any other leave or attendance issues, or has been under leave restriction in the past year;
- E. Is under any other disciplinary action, performance improvement plan (“PIP”) or the equivalent; or
- F. Has been officially disciplined for being absent without permission for more than 2 days in the past calendar year.

### III. Description of Programs, Employee and Position Suitability and Procedure

A. All employees are eligible to participate in the Alternative Work Schedule (“AWS”) Program to include a Flexible Work Schedule, a Compressed Work Schedule, and a Telework Schedule. These programs are available to all OAG staff unless an employee’s functions, performance, or conduct prevent the employee from participating.

B. OAG’s AWS and Telework programs include:

1. An ad hoc arrangement that is a non-routine, non-regular arrangement and occurs on an as-needed basis when an assignment is appropriate (i.e., when a weather-related occurrence makes telework a safer or more efficient option). It may involve projects or infrequent, sporadic tasks.
2. A regular and recurring AWS arrangement, which is the traditional program, where an OAG employee meets the employee’s obligations of working 80 hours per pay period in a manner other than the traditional eight hour per day schedule or a Flexible Work Schedule where an employee has a set tour of duty within core hours.
3. A regular and recurring Telework schedule which consists of a set number of days for performing work at an alternative worksite. Routine tasks accomplished at the alternative worksite and an established schedule of telework days must allow for predictability.

C. Each request for participation in the AWS or Telework program is addressed on a case-by-case basis and must be considered by the direct supervisor. Participation must not diminish employee performance or adversely impact Office operations.

D. Participation in the AWS Program is voluntary. An employee may withdraw from or opt-out of the AWS Program at any time. In the event that management requires an employee to telework due to the unavailability of office space, and the employee prefers to physically work in the office, management shall make reasonable efforts to restore office space to the employee as soon as possible. The employee may apply for in-person space within their division when office space is available.

E. To participate in the AWS Program, an employee must submit an application (*see* attached Alternative Work Schedule Request Form in Appendix A) to the employee's supervisor for approval. An eligible employee may participate in the AWS Program only upon written approval of the employee's supervisor and Division Deputy.

F. To ensure adequate staffing is present during the workday, a supervisor may limit the number of employees within a particular Unit, Section, or Division who may participate in the AWS Program. A supervisor may also limit the number of employees who may be off or who may Telework on the same day or same pay period. In the event that two or more employees in the same Unit, Section, or Division request either the same day or time off, or to Telework on the same day or period, when management considers applications, preference shall be given to the most senior employee performing the same or similar work. New or subsequent AWS or Telework applications shall not alter prior decisions based on seniority. Seniority refers to the length of an employee's continuous service in OAG measured from an employee's most recent hire date.

G. An employee's AWS may be terminated at any point if, in the opinion of the supervisor or senior management, there is a change in circumstances, which may include, but is not limited to, a change in Office staffing needs, changes in the volume or nature of the employee's or the Office's caseload, or an increased demand for the employee's presence in the Office.

H. If an employee participating in the AWS Program ("participating AWS employee") needs to change his or her approved work schedule, a change may be made only at the beginning of a pay period and must be requested on the Alternative Work Schedule Request Form. An AWS work schedule may be modified only with supervisory approval.

I. A participating AWS employee who transfers from one Unit, Section, or Division to another must reapply and again obtain supervisory approval for participation in the AWS Program.

J. Any participating AWS employee who wishes to withdraw from the AWS Program must notify his or her supervisor and timekeeper in writing. The date of withdrawal from the AWS Program must be at the end of a pay period. If the AWS Program itself is terminated, the termination shall take place upon completion of a pay period.

#### IV. General Principles

A. At all times, the first priority of OAG management and employees is to meet the legal and programmatic needs of the Office and the District. The added personal flexibility of an AWS cannot interfere with the timely performance of OAG duties and responsibilities.

B. If a participating AWS employee cannot, for good cause, take his or her regularly scheduled time off, or work at his or her Telework site, during a bi-weekly pay period, another day or part thereof may be substituted within the same pay period with supervisor's approval.

C. The presumptive standard tour of duty for all OAG employees is 8:45 a.m. to 5:15 p.m. Divisions, Sections, or Units may require employees to report earlier than 8:45 a.m. or stay later than 5:15 p.m. if their programmatic or court responsibilities warrant the earlier arrival or

later departure times. All employees participating in the AWS Program are required to be in attendance or engaging in official duties at a Telework site from 9:30 a.m. through 4:00 p.m.

D. If a participating AWS employee needs to use sick or annual leave, the employee will be charged sick or annual leave for each hour taken. For example, if a participating AWS employee takes a full day of sick leave or annual leave on a 10-hour day, he or she will be charged 10 hours leave. If a participating AWS employee takes a partial day, the employee's leave will be charged based on the number of scheduled work hours the employee is not on duty.

E. If a District government holiday falls on a participating employee's AWS day off, the employee may take another AWS day off during that same week with supervisor's approval. The total number of hours worked during that pay period cannot exceed 80 hours, including the holiday. If a District government holiday falls on a participating employee's Telework day, the participating AWS employee will only have that day off.

F. A participating AWS employee may not take a lunch break that exceeds 30 minutes unless they forego their respective morning and afternoon breaks (15 minutes each) and consolidate those breaks with their lunch to create a 60 minute lunch break. This arrangement requires supervisor's one-time approval.

G. Participating AWS employees on a Flexible Work Schedule or a Compressed Work Schedule (as described below) are subject to strict arrival and departure requirements. Participating AWS employees who are on a Telework schedule are subject to strict requirements for the times of day they must engage in official duties. If a participating AWS employee arrives beyond his or her AWS scheduled arrival time, the employee must make up that time that day in order to complete the AWS day.

H. Participating AWS employees must adhere to District, OAG, Division, Section, and Unit standards relating to work performance and customer service. Participating AWS employees who are on a Telework schedule shall monitor their work voicemail and email as if they were performing their functions at an OAG worksite.

#### V. Alternative Work Schedules Defined

There are three permissible Alternative Work Schedules for all staff: (1) a Flexible Work Schedule, (2) a Compressed Work Schedule, and (3) a Telework Schedule.

A. Flexible Work Schedule ("FWS"). Under a FWS, the employee works five 8-hour days each week where the established tour of duty begins earlier or ends later than the standard 8:45 a.m. to 5:15 p.m. tour. The schedule chosen must include OAG's core hours of 9:30 a.m. to 4:00 p.m. and a total of 8.5 hours each day to comprise eight hours of work and a 30-minute lunch break. The following are example work schedules under a FWS:

1. The participating AWS employee works from 7:30 a.m. until 4:00 p.m.
2. The participating AWS employee works from 9:30 a.m. until 6:00 p.m.

B. Compressed Work Schedule (“CWS”). Current law permits an employee to work more than 40 hours per week to accommodate a CWS. Under a CWS, the employee works an 80-hour bi-weekly pay period in fewer than 10 workdays.

1. A CWS plan has the following requirements:
  - a. Eighty hours of work must be scheduled on fewer than 10 days in a bi-weekly pay period.
  - b. The established work schedule of an employee working a CWS shall not exceed 10 hours for any workday.
2. The following options are available for CWS under the AWS Program:
  - a. A participating AWS employee works eight 9-hour days, one 8-hour day and takes one day off in a bi-weekly pay period.
  - b. A participating AWS employee works four 10-hour days per week and takes one day off each week in a bi-weekly pay period.
  - c. A participating AWS employee works four 9-hour days per week, one 4-hour day per week and takes 4 hours off each week in a bi-weekly pay period.
  - d. Any of the above options less frequently than every pay period during each 6-month period which must be set at the beginning of the CWS period.

C. Telework Schedule.

1. Regular Telework Schedule. A Telework schedule permits a participating AWS employee to perform some or all of the employee’s official duties at home or at another site (Telework site) approved by that employee’s supervisor, the Attorney General, or the Attorney General’s designee. An employee seeking a permanent Telework schedule must complete the AWS Request Form (Appendix A) and submit for supervisor’s signature. An employee who has been approved for Telework three or more days a week is not entitled to private workspace at the OAG office site, and may be assigned permanent, transitory (“hoteling”), or shared onsite workspace.
2. Ad Hoc Telework Schedule. Separate from a permanent Telework schedule, temporary Telework arrangements may be approved for circumstances such as inclement weather, special projects, or travel. These arrangements are approved by Division Deputies on an as-needed basis, with no expectation of ongoing continuance.
3. Other Schedules. Other informal, short-term arrangements may be made for employees on family or medical leave to the extent practical for the employee and OAG, and with the consent of the employee’s health care provider, if appropriate. All informal Telework arrangements are made on a case-by-case basis with approval by the applicable Division Deputy and based on OAG’s business needs.

4. **Dependent Care.** Telework is not a substitute for dependent care. Alternate arrangements must be made for someone other than the employee to care for dependents while the employee is performing official duties.
5. **Accessibility and Recall.** Employees participating in Telework plans must be accessible and available during their entire tour of duty and for recall to physically appear in the office. Employees shall make every effort to report as soon as possible. Generally, employees who telework must be able to physically return to the office within two hours of a call. The Attorney General or designee may grant, at his/her sole discretion, a request to telework temporarily outside the two-hour travel distance area. If the Attorney General or designee grants a request to work outside the two-hour travel distance area, the employee must physically return to the office within 48 hours of a call, or within such other period of time designated by the Attorney General or designee. Employees shall be responsible for travel costs incurred in returning to work.
6. **Completing Work.** Employees are solely responsible for completing assigned work after appropriate management review and shall comply with management's requirements regarding advance review of drafts prior to a final deadline.
7. **Commuter Cost.** The employee is solely responsible for commuter costs from Telework locations to first worksite of the day (i.e., the Telework location to OAG physical office or court) and from last worksite of the day back to Telework location.

D. Employees who are potential candidates for Telework must demonstrate:

1. The ability to work independently (minimal supervision required);
2. Performance at a level of Meets Expectations, Satisfactory, the equivalent or higher;
3. Self-motivation, dependability and reliability;
4. Effective time management skills;
5. The ability to communicate effectively in writing, by phone and via email; and
6. Proficiency in remote work software such as Microsoft Teams, Microsoft 365, Citrix or equivalent programs such that their remote performance capabilities approximate their in-person capabilities.

- E. Work duties that may be suitable for Telework include those that:
1. Can effectively be performed at an alternative worksite;
  2. Are predictable or results oriented such that the supervisor is able to monitor effectively the work accomplished; and
  3. Include research, reading, analysis, writing or processing tasks.
- F. Work duties not suitable for Telework include those that:
1. Require the employee to have extensive or regular face-to-face contact with the supervisor, other employees, the courts or the general public; or
  2. Require access to records, materials or equipment that cannot be removed from the official worksite or that cannot be accessed electronically from the alternate worksite without considerable expense to OAG.

G. Because a Telework schedule results in the participating AWS employee's performing the employee's official duties at a location other than at an OAG worksite, managers shall consider the following factors (in addition to those identified above) before approving a Telework work schedule:

1. Whether the employee has work activities that can be accommodated away from the OAG worksite location with equal efficiency as performed at the OAG worksite location;
2. Whether the employee can complete work activities without needing to engage in regular or frequent face-to-face contacts with, *inter alia*, other OAG or District employees, supervisors, the public, judges, judicial clerks, witnesses, or members of the private bar;
3. Whether the employee can schedule meetings without inconveniencing or impairing the performance of co-workers;
4. Whether the employee's regular presence is required in the Office to provide for unexpected emergencies in responding to court demands, court coverage, inquiries from clients, or court filings; and
5. Whether the employee can complete work activities without in-office coordination with attorneys or staff.

H. An employee with a Telework schedule shall take all necessary precautions in protecting confidential and/or privileged materials whenever said materials are within their possession. This includes, but is not limited to, leaving confidential and/or privileged information exposed so that someone who walks by can see the actual information. If the law does not allow

for removal of confidential and/or privileged materials, those materials shall remain at the OAG physical worksite. If an employee prints a hard copy of confidential documents or materials outside of the office (at home or at some other public printing location), the employee must ensure that the confidential materials are destroyed/shredded after use, or returned to the office for (1) retention in a hard copy file, or (2) shredding on site.

## VI. Management Rights, Duties, and Responsibilities

A. Supervisors shall carefully consider the request of each individual covered by this Office Order for AWS participation and sign the necessary = form (Appendix A).

B. In deciding whether to grant an AWS request or to permit a participating AWS employee to continue on an AWS schedule, a supervisor shall consider the following factors as well as those factors included in the evaluation of the AWS Request Form:

1. The demands of the requesting individual's work;
2. The need to maintain adequate staffing to handle unanticipated court matters or cover matters that are handled by the Unit, Section, or Division, even if that assignment is not being handled by the requesting employee;
3. The needs of the work unit, including the need to ensure sufficient staffing levels during core hours and availability of administrative/professional staff;
4. Whether granting an AWS request would result in the denial of annual or sick leave to other members of the Unit, Section, or Division;
5. The past performance of the requesting individual;
6. Equitable sharing of Office functions;
7. Whether work assignments can be performed effectively and efficiently by an employee on the type of AWS being requested;
8. Whether the requested AWS places an undue burden on others covered by this Office Order within a particular Unit, Section, or Division; and
9. Any other factor that may affect the quality or quantity of work accomplished by the Unit, Section, Division, or Office.

C. Given the limited resources of the Office and the variety of legal and programmatic responsibilities of OAG, every OAG Unit, Section and Division may not be able to support the AWS Program in the same fashion. If an employee's AWS request is disapproved, the supervisor shall provide a written explanation to the requesting employee with a copy to the president or shop steward of the employee's union (if any). If the first-line supervisor approves the request, it must then be sent to the Division Deputy or equivalent, if different from the first-line supervisor. A

decision denying an employee's participation in, or removing an employee from, the AWS Program at this level may be appealed under the grievance procedure in the collective bargaining agreement ("CBA"). For non-bargaining unit employees, the denial of a request may be appealed directly to the Attorney General.

D. A manager may require a participating AWS employee on a Flexible Work Schedule or Compressed Work Schedule to record that employee's arrival and departure times on a sign-in sheet, via e-mail, other electronic means, or by voicemail. A manager may require a participating AWS employee on a Telework schedule to record starting and stopping times electronically or by voicemail and to document the work performed while on a telework schedule.

E. Participating AWS employees may be required to work beyond their assigned hours to meet the needs of the Office; however, the entire period cannot exceed 10 hours per day. Requiring additional work on a particular day shall not affect or alter the remaining work hours required during the AWS bi-weekly pay period.

F. A participating AWS employee may be removed from the AWS Program with advance notice of one pay period when:

1. In the judgment of his or her supervisor, the participating AWS employee's continued participation is inconsistent with the needs of the Office, Division, Section, or Unit;
2. The participating AWS employee has had a disciplinary action taken against him or her; or
3. The participating AWS employee has been placed on a PIP (or equivalent) or the supervisor has other concerns about the participating AWS employee's work performance.
4. If an employee is removed from the AWS Telework Program, either voluntarily or involuntarily, the Telework Cancellation Form in Appendix A shall be completed and signed by both the employee and his/her supervisor and submitted to his/her timekeeper and Telework Coordinator.

G. Management shall provide training for timekeepers and interested employees on how to implement the AWS Program.

H. In response to a District of Columbia or national emergency, the Attorney General, in the Attorney General's sole and exclusive discretion, may require an employee to Telework to protect the health, safety and wellbeing of employees, volunteers, independent contractors, clients and customers.

I. The Attorney General may require an employee to partially or fully Telework if insufficient space is available for onsite individual office assignment.

J. No manager shall consider whether an employee Teleworks in preparing the employee's performance evaluation. Whether or how often an employee participates in the AWS Program shall not be a basis for reducing, raising or otherwise altering an employee's performance evaluation.

VII. Participating AWS Employee Rights, Duties and Responsibilities

A. Participating AWS employees must adhere to the approved AWS schedule and must work a total of 80 hours during each bi-weekly pay period.

B. A participating AWS employee must accomplish productive work during the entire workday including those longer than eight hours.

C. Participating AWS employees must anticipate their workload so as not to leave matters to be completed by others. A participating AWS employee's work schedule shall not create an undue burden on non-AWS participants.

D. Notwithstanding a participating AWS employee's schedule, all OAG work must be completed on time to meet District, Office, Division, Section, Unit, or client needs and court deadlines. This includes, but is not limited to, submission of written work for supervisory review prior to filing with the court when appropriate. Participating AWS employees may not request leave of the court or an administrative tribunal to accommodate AWS days (*e.g.*, motions for enlargement of time).

E. When a participating AWS employee is scheduled to appear in court on the employee's AWS day, the employee must appear in court, or obtain supervisory approval to arrange for another attorney to handle the matter. In the event that a participating AWS employee must appear in court on the employee's AWS day, the AWS employee may request to take a different AWS day(s) within the same pay period with supervisory approval.

F. A participating AWS employee may not switch AWS days except with supervisory approval.

VIII. Equipment for Telework

A. On a case-by-case basis, and, upon review of information supplied by the employee and his/her supervisor, OAG's Office of Information Technology (IT) will determine the appropriate equipment needs (including hardware and software) for each telework arrangement. IT's determinations on appropriate equipment is subject to change at any time.

B. OAG-issued equipment shall be maintained by IT but the employee must pick up and install the equipment. An employee may use his/her personal equipment for office use, if deemed appropriate by IT. An employee's personal equipment shall be maintained by the employee; and in no event shall OAG be responsible for damage or repairs to employee-owned equipment.

C. An employee must sign an inventory of all OAG property received and must agree to take appropriate action to protect the items from damage or theft. Upon termination of Telework, or OAG employment, the employee must return all OAG issued equipment IT, unless other arrangements have been made.

D. Upon request, OAG shall supply the employee with appropriate office supplies (pens, paper, etc.) as deemed necessary and consistent with OAG's normal supply distribution procedures. OAG will not reimburse an employee for business-related calls made on the employee's personal phones or for charges related to internet usage.

E. The employee shall establish an appropriate work environment for use when the employee is teleworking. OAG shall not be responsible for costs associated with the setup of the employee's home office, such as remodeling, furniture, or lighting, or for repairs or modifications to the home office space or for costs associated with the setup of office equipment. The employee shall also have sufficient internet capability to ensure their ability to access required networks and databases and to perform efficient remote work.

F. OAG-issued equipment shall be used for business purposes only. An employee shall not allow others to borrow or utilize OAG-issued equipment.

G. An employee must report instances of theft of OAG-issued equipment to the local police department within 24 hours, and provide a copy of the police report to OAG IT. Employees must report all technical problems to [itstaff@dc.gov](mailto:itstaff@dc.gov) or, as appropriate the Child Support IT helpdesk at 202-724-4144. Notification of damage to, or theft of any OAG-issued device shall be provided immediately and no later than one business day after the occurrence by contacting Mark Strong at [mark.strong@dc.gov](mailto:mark.strong@dc.gov).

H. Other than ordinary wear and tear, employees are responsible for protecting OAG-issued equipment. OAG may inspect the equipment for adherence to safety rules and may require an employee to bring equipment into the office for that purpose. If an employee's negligence (such as allowing children to play with equipment) results in damage to, or loss of OAG equipment, the employee will be responsible for reimbursement of the replacement cost of the equipment at the rate charged to OAG. By signing the telework agreement, an employee consents to a deduction from the employee's paycheck to pay for damaged or lost equipment. If an employee resigns from OAG before paying for the equipment, the employee agrees to a deduction from his or her last paycheck or will enter into a payment agreement to cover the cost of replacement.

I. Any employee who uses OAG-issued equipment for an inappropriate or illegal purpose may be subject to discipline in accordance with applicable rules, regulations or collective bargaining agreements.

## IX. Security

A. Consistent with OAG's expectations of information security for employees working in the office, teleworking employees must ensure the protection of confidential OAG and

customer information at all times, including by use of locked file cabinets and desks, where appropriate, regular password maintenance, and any other measures identified by OAG IT. Employees are prohibited from posting photographs of OAG-issued equipment on social media or including photographs of these items in personal email.

B. Employees shall not install unauthorized software on or deface OAG-issues equipment with stickers or markings.

#### X. Safety

Employees are expected to maintain their telework workspace in a safe manner, free from safety hazards. Upon request, teleworking employees must complete the OAG Safety Checklist in Appendix A. Teleworking employees are responsible for notifying OAG's worker's compensation coordinator (Tameya Postell at [tameya.postell@dc.gov](mailto:tameya.postell@dc.gov)) of any injuries that occurred in the home office as soon as practicable. The employee is responsible for any injuries sustained by third parties at the employee's Telework worksite.

#### XI. Time Worked

All teleworking employees must accurately report their time in PeopleSoft. Teleworking employees who are not exempt from the overtime requirements of the Fair Labor Standards Act will be required to accurately record all hours worked in PeopleSoft. Hours worked in excess of those hours scheduled per day and per workweek require the advance approval of the telecommuter's supervisor for overtime. Failure to comply with this requirement may result in the immediate termination of the telecommuting agreement.

#### XII. Additional Requirements for Child Support Services Division

Given Internal Revenue Service requirements applicable to our Child Support Services Division, the following additional procedures shall apply:

##### A. Authority

IRS Publication 1075 effective 09/30/2016

##### B. Procedures

1. All off-site telework locations are subject to in-person inspections in accordance with Secure Storage – IRC 6013 (p) (4) (B), Sections 4.5 and 4.7.
2. All CSSD employees approved for telework will have their non-OAG worksites inspected by OAG IT every 18 months as required by IRS security rules. Additionally, employees approved for telework are subject to random inspections by IRS personnel. The purpose of the in-person visit is to provide assurance that the workstation is compliant with the requirements of

participation in the voluntary telework program and meets the basic safety and security needs of the work to be performed.

3. Unit managers will then ensure that each teleworking employee attends telework on-boarding training. Telework on-boarding training will consist of a detailed review of all the requirements of and expectations for participating in this voluntary work arrangement.

C. Accountability

Each Unit Manager shall establish a unit staffing list of employees who are participating in a telework arrangement. The Unit Manager shall develop a regular duty schedule for on-site and off-site workdays to provide adequate on-site coverage for face-to-face customer service and interviews as needed. This will include duties and tasks, along with details of any expected outcomes to be completed, submission expectations, and will specify the quantity and quality expectations based on the unit, type of work assigned, and completed work logs along with sign-in and sign-out reporting practices.

D. Restrictions

1. All telework employees are required to use only OAG issued cellphones and laptops in the completion of work for CSSD unless otherwise approved by OAG IT and the employee may securely access Citrix and other databases. Failure to use assigned OAG-issued equipment or receive OAG IT's approval to use personal devices may result in the termination of the telework agreement.
2. Telework is subject to the following conditions, required to comply with CSSD and IRS information and document security policies:
  - a. Printing: Telework employees must route all print jobs to a central CSSD location.
  - b. Case files and other physical documents: No case files or other relevant documents are to be removed from OAG/CSSD offices.

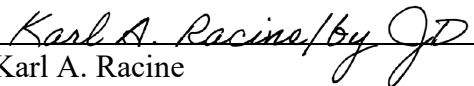

E. Supervision

1. Telework staff will be required to maintain access to their CSSD email and will be required to sign in and out by email/portal when their tour of duty begins and at the end of their tour of duty. Regular contact is to be maintained throughout the day. Office telephone numbers will be forwarded to the cell phone issued to the staff member so that communication is not interrupted due to telework.
2. Work productivity and accuracy are to be reviewed monthly for all telework staff and issues are to be addressed with staff at minimum, on a monthly basis. Should work quantity and quality not meet expectations, management

intervention, including termination of the telework arrangement per Section VI. F of this Order, may occur.

3. All assignments will be made available to the teleworker via the employee task list and or assigned by the Unit Manager. The assigned work will be available to the Telework employees during their tour of duty. Telework employees will be responsible for ensuring assigned work is completed in a timely manner.
  - a. Unit Managers are required to check or download monthly reports from DCCSES, Staff Dashboard's, and any other case reporting system designed to review the monthly productivity of the Telework employee.
  - b. The Unit Manager reserves the right to request or download additional reports for quality assurance purposes. These reports/statistics may be used to support employee evaluations.
4. All assigned work is to be made available to the teleworker by close of business the prior day. Teleworkers will be responsible for ensuring assigned work and needed equipment is available by close of business prior to the telework day.

Office Order No. 2020-06 is rescinded. This Order supersedes all other previous orders to the extent of any inconsistency.

  
Karl A. Racine  
Attorney General

Dated this 28<sup>th</sup> day of February 2021
