OCFO May 2022

Here is the information I received from the OCFO's Office of Finance and Treasury:

These are the participation numbers as of 12/31/21:

Agency Code	Agency	457(b) Enrollees	Total Agency Employee	Penetration Percentage
Grand Total	ALL	21091	36817	57%
Grand Total	Without DCPS and UDC	17556	25901	68%

UDC & DCPS also each have a separate 403(b) contribution plan (in addition to being able to participate in the 457 plan) which is why we look at 457(b) plan participation percentages with and without them. The participation numbers have steadily increased over the last several years.

The percentage of auto enrollees that stay in the plan have been high, with a retention rate over 90 percent.

Here is the information for the Office of Tax and Revenue

32 presentations in FY22 on consumer protection and advocacy by DISB

There were 54,732 taxpayers with Federal AGI of \$20,000 or less who did not file the Schedule H for 2020. For the same tax year, there were 9,330 taxpayers with Federal AGI of \$20,000 or less who did file the Schedule H with their Income Tax Form D40.

- DBH's self-paced training for health workers is under development.
- DBH identified a behavioral health screening tool (DL8 20) and it is currently being vetted.

Emergency Preparedness and Resilience – *A city that ensures the readiness, immediate safety and resilience of all residents and communities before, during and after an emergency.*

Co-chairs: Joe Lenz and Chris Rodriguez
Progress:

- Red Cross responded to 172 disaster incidents and opened 305 cases helping 792 people.
- Despite COVID Red Cross continued blood drives that resulted in thousands of units collected in DC.
- 13 Villages across DC have continued to work to keep the neighbors across DC informed about protection from COVID. <http://dcvillages.org/volunteering>. Membership in all Villages grew in FY22 to 2,399 members.
- 141 adults and 46 youth completed ServeDC's CERT training
- The HSEMA Interagency High-Rise Building Evacuation Task Force released its Recommendation report on how the District can improve its approach to evacuating individuals with disabilities and older adults from high-rise buildings. This group is currently writing an implementation plan for that report.
- HSEMA in partnership with various District agencies was awarded \$23 million in mitigation funding in FY22 from FEMA. These projects will support resilience by addressing flooding in residents homes and at the District's Wastewater Treatment Plant. It will also support building a framework for Resilience Hubs.
- In FY22 HSEMA's Resilience Bureau conducted 118 community preparedness trainings or events with District residents and stakeholders.
