Council Chairman Phil Mendelson announces a public oversight hearing of the Committee of the Whole on “**Early Childhood Educator Equitable Compensation**” The hearing will be held on **Tuesday, June 13, 2023 at 3:30pm**. This notice has been revised to reflect a delay in the starting time of the hearing pursuant to Council Rule 421(d)(1).

As part of the Fiscal Year 2022 Budget Support Act of 2021, the Council established an Early Childhood Educator Equitable Compensation Task Force (“Task Force”) charged with proposing an employee compensation scale for early childhood development providers that accounts for employee roles, credentials, and experience. This compensation scale will be offset by local funding that is set aside in the Early Childhood Educator Pay Equity Fund. Last year the Task Force submitted a report to the Mayor that proposes a mechanism of direct payment to educators in Fiscal Years 2022 and 2023, with amounts totaling \$53,920,878 and \$72,889,092 respectively. The Office of the State Superintendent (“OSSE”) has successfully distributed funds to all qualified applicants. The Task Force proposes that beginning in Fiscal Year 2024, OSSE will shift to distributing funds totaling \$73,883,680 to child development facilities, rather than directly to the educators. In turn, the facilities that accept the funds will be required to pay their eligible early childhood educators wages that reflect the recommendations of the Task Force. The purpose of this public oversight hearing is to not only hear public opinion on this updated compensation scale, but also on how OSSE intends to implement the proposed compensation scale in Fiscal Year 2024 and beyond.
