On Thursday, June 22, 2023, Councilmember Kenyan R. McDuffie, Chairperson of the Committee on Business and Economic Development will hold an oversight roundtable on the implementation of the District Integrated Financial System (DIFS). This roundtable is limited to government witnesses.

The subject of the roundtable is the status of DIFS implementation by the Office of the Chief Financial Officer (OCFO). DIFS is the new financial management system for District government. Although brought online in October 2022, several deficits in the system remain. Recently, OCFO submitted to Council for approval a new proposed contract (CA25-0164). This roundtable will examine this proposed contract within the context of the broader DIFS implementation project.

Witnesses are encouraged to submit their written testimony in writing in advance to BusinessEconomicDevelopment@dccouncil.gov. To be included in the record, please indicate that you are submitting testimony for this roundtable in the subject line of the e-mail. **The record for this roundtable will close at 5:00 p.m. Friday, June 23, 2023.**

For accommodation requests, including spoken language or sign language interpretation, please BusinessEconomicDevelopment@dccouncil.gov of the need as soon as possible, but no later than five (5) business days before the proceeding. The Council will make every effort to fulfill timely requests. However, requests received less than five (5) business days prior to the roundtable may not be fulfilled and alternatives may be offered.
