# 1 DISTRICT OF COLUMBIA PUBLIC SCHOOLS

---

**Mission:** Our mission is to ensure that every school guarantees students reach their full potential through rigorous and joyful learning experiences provided in a nurturing environment.

**Services:** DCPS delivers all services required to provide students with a quality education. These include: 1. Operating schools that provide a consistent foundation in academics, strong support for social/emotional needs, and challenging themes and programs 2. Hiring, developing, and rewarding teachers, principals, aides, and other staff; 3. Developing and implementing academic programs that provide all students with meaningful options for life 4. Collecting data and providing decision- and policy-makers with accurate information about how our students and the school district are performing 5. Providing schools the administrative and operational support they need to foster student achievement; creating forums for interaction and continued dialogue between DCPS and its community stakeholders.

# 2 2022 ACCOMPLISHMENTS

---

Accomplishment	Impact on Agency	Impact on Residents
DCPS continues its commitment to ensure all students in the district have equitable access to up-to-date technology. DCPS refreshed over 12,000 student and staff devices and every school in need of additional devices to maintain a 1:1 student-to-device ratio in grades 3 through 12 and 3:1 ratio in grades PK-2 was provided with devices.	DCPS has also worked to ensure that students have access to high speed internet not only at school but also at their home environments. By ensuring tech equity across students and schools, DCPS educators and staff are more equipped to prioritize learning strategies and curriculum implementation.	At DCPS, technology can greatly contribute to creating equity in schools. It removes barriers to learning materials, supports students where they are across varied learning contexts and needs, and gives educators more insight into the learning environments they're creating.

Accomplishment	Impact on Agency	Impact on Residents
<p>DCPS launched Readers Next Door, a series largely written and illustrated by DCPS educators and create exclusively for DCPS that includes more than 100 individual books featuring ten characters living and going to school in the District. The books that comprise the DCPS Readers Next Door series are decodable, texts that help students practice certain sound-letter patterns taught as part of phonics. The DCPS Readers Next Door series goes further to build early literacy skills, content knowledge, and language comprehension through inclusive content that represents the unique backgrounds, identities, and locales that represent DC.</p>	<p>The series reflects the district’s commitment to providing culturally relevant learning experiences to all students. This will continue to put DCPS at the forefront of building literacy skills among young students and developing a life-long love of reading.</p>	<p>It is important for our students to have engaging content in the classroom that also aligns with foundational literacy skill development based on the science of reading. These books give children the chance to build a strong foundation to become motivated, proficient readers.</p>
<p>Focused Supports for Students- Over 18,000 students (38% of DCPS students) received individual or small group interventions to support their academics, social emotional development, and encourage regular attendance at school. This includes 8% of DCPS students who received High Impact Tutoring (HIT) from a DCPS staff member or trusted partner. These interventions complement strong classroom instruction and best practices for student success.</p>	<p>These additional supports ensure our students furthest from opportunity have the support and resources needed to reach their full potential.</p>	<p>Residents that are DCPS students were provided with high quality interventions and supports to maximize student outcomes.</p>

## 5 2022 STRATEGIC INITIATIVES

In FY 2022, the District of Columbia Public Schools had 8 Strategic Initiatives and completed 100%.

Title	Description	Completion to Date	Update	Explanation for Incomplete Initiative
Acceleration	DCPS is committed to taking a whole child, anti-racist approach to accelerating student learning. This year, we will leverage a Multi-Tiered System of Support (MTSS) to ensure all students and adults have the supports they need to thrive in our schools. Additionally, all schools will implement School Year Acceleration Academies and High Impact Tutoring to provide additional learning time for students.	Complete	In Summer 2022, DCPS provided expanded K-8 summer programming, including more than doubling the number of elementary summer sites since pre-COVID (from 8 to 18 sites), providing non-academic enrichment at each elementary summer site (e.g., sports, music, drama), and providing expanded middle school enrichment options (e.g., band camp, outdoor pursuits). For SY22-23, DCPS is continuing our focus on Multi-Tiered System of Support (MTSS) to ensure all students and adults have the supports they need to thrive in school. We are also piloting five High Impact Tutoring (HIT) partners across 22 schools; these pilots will provide needed supports for schools and students in alignment with MTSS.	
Talent	We aim to recruit, select, and develop the highest caliber of talent. Simultaneously, we continue to fortify our internal talent mechanisms- specifically our principal pipeline. Leadership Development	Leadership development is committed to ensuring that we nurture aspiring and sitting school leaders by supporting their school improvement efforts, strengthening their practice through coaching, and sustaining their leadership through holistic retention efforts. We do this work proactively, by providing 2 years of induction support for new assistant principals and principals, as well as by being responsive to the emergent needs of individual school communities. We also work, continually, to ensure that we have a strong bench of assistant principals who are ready to pursue the principalship and that they are afforded the hands-on experiences necessary to grow prior to assuming the role. Additionally, we secured an \$8 million Wallace grant over the next 5 years to strengthen our efforts to build equity-centered leadership in DCPS.	Complete	DCPS utilized Principal in Residence positions to help support school leader transitions and medical leaves to maintain a continuity of leadership while also working to develop school leader candidate pools for off-cycle vacancies and the coming school year. DCPS held our first successful Leadership Academy with principals on October 19! And we held our first retreat for our 6 RISE Resident Principals and they are making strong progress to be in the pool for the spring.

Additionally with every teacher at Anacostia HS implementing at least 1 project per semester, additional time was spent planning for projects with one of their anchor partners, New Tech Network.	
Technology	Technology is key to our acceleration plan. In particular, technology is especially key for ensuring that struggling readers, students with IEPs, and students learning English can access and understand grade level content. For school year 2021-2022/FY22, DCPS will provide devices for every student grades 3 and up and invest in new devices for all teachers.	Complete	DCPS continues its commitment to ensure all students in the district have equitable access to up-to-date technology. DCPS refreshed over 12,000 student and staff devices in July through August 2022 in preparation for SY22-23. Every school in need of additional devices to maintain a 1:1 student-to-device ratio in grades 3 through 12 and 3:1 ratio in grades PK-2 was provided with devices. Instructional and student support staff at schools have also been provided with devices centrally to ensure they are equipped with a robust, in-lifecycle device. DCPS also outfitted classrooms across the district with over 1,300 interactive boards in Q3 and plans to complete an additional 1,500 boards in SY22-23. We remain on track to complete a districtwide refresh of interactive boards in all classrooms in the district by July 2024.

<b>Educate the Whole Child (1 Strategic Initiative)</b>							
Acceleration	DCPS is committed to taking a whole child, anti-racist approach to accelerating student learning. SY22-23 is the second year that all DCPS schools will implement a Multi-Tiered System of Support to ensure all students and adults have the supports they need to thrive in our schools. Schools will ensure all students have access to rigorous, engaging instruction and supportive relationships (Tier 1). They will also provide layered, differentiated interventions for students who may benefit from additional supports to be successful. This year, we anticipate that at least 20% of DCPS students will receive a Tier 2 intervention (a targeted, typically small group support), and at least 5% will receive a Tier 3 intervention (a personalized, typically 1:1 support like High Impact Tutoring). All of these Tier 2 and Tier 3 interventions are documented and progress monitored using a centralized data system that allows schools to support implementation and reflect on progress.	09-30-2023	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	✓	Add Initiative Update
<b>Empower our People (2 Strategic Initiative records)</b>							
Leadership Development	DCPS is committed to ensuring that it nurtures aspiring and current school leaders by supporting their school improvement efforts, strengthening their practice through coaching, and sustaining their leadership through holistic retention efforts. DCPS does this work proactively by providing 2 years of induction support for new assistant principals and principals, as well as by being responsive to the changing needs of individual school communities. DCPS also works continually to ensure that we have a strong bench of assistant principals who are ready to pursue the principalship and that they are afforded the hands-on experiences necessary to grow prior to assuming a principal role. In FY 23, DCPS will continue to support school leaders through targeted leadership trainings and assessing changing school needs, so that all students across the district can benefit from strong leadership.	09-30-2023	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	✓	Add Initiative Update
Talent	DCPS aims to recruit, select, and retain top instructional talent in its pursuit to leverage talent as a lever for equity. Our priority this year is to ensure we have the quantity and quality of instructional talent (i.e., teachers, educational aides, related service providers) to meet the needs of our school communities. Through our strategic recruitment, marketing, and selection efforts, we will work to provide a deep pool of teacher talent ahead of the 2023-24 school year. We will also strengthen our efforts around pipeline development, credentialing oversight, and retention as we know they are key components of a sustainable talent strategy.	09-30-2023	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	✓	Add Initiative Update
<b>Engage Families (1 Strategic Initiative)</b>							
Family Engagement and Communication	DCPS will engage and communicate broadly around the next iteration of the five-year Capital Commitment strategic plan including disseminating surveys, hosting townhalls, listening sessions and speak-outs for students, staff, families, community members and more.  DCPS will provide a two-way communication tool, Remind, to all schools in FY23. The launch will include training for school administrators and staff and turnkey materials that can be shared with families. This is the expansion of a smaller Remind Pilot that included 35 schools.  DCPS' Engagement and Communications Teams will prioritize sharing information with and engaging Wards 5, 7, and 8 and Spanish-speaking families. <b>Ensure Excellent Schools (2 Strategic Initiative records)</b>							
Enrollment	Bolstering and growing enrollment remains a top focus for DCPS in SY22-23. In FY23, DCPS is focused on re-enrollment, especially in key entry grades 6 and 9th, and PK3 enrollment. Strategies include Feeder School Meet and Greets and stronger collaboration with sister agencies and programs including DPR and SYEP. By prioritizing enrollment, DCPS is working to ensure that students have access to a quality education and that all schools have the resources they need to provide joyful and rigorous learning.	09-30-2023	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	✓	Add Initiative Update
Capital Projects	In the 22-23 school year, DCPS will focus on successful modernizations including the opening of a modernized facility at Raymond Elementary School and the new MacArthur Blvd High School. DCPS will continue to complete and prioritize modernizations in line with the Capital Improvement Plan. This process evaluates key criteria, inclusive of equity, such as percent of schools in the ward that have been modernized, percentage of at-risk students, percentage of special education students, and percentage of English language learner students. DCPS will continue to work on small capital projects across the district. Consistent engagement with our DGS partners ensures work orders are prioritized equitably for all schools to ensure all students have a safe, welcoming school to learn within. Examples of small capital projects include the HVAC replacement at Langley, elevator installation at Tyler and Whitter, and new playgrounds at Barnard and Brightwood.	09-30-2023	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	✓	Add Initiative Update
<b>Promote Equity (2 Strategic Initiative records)</b>							
East of the River Supports Focused on Anacostia and Ballou Community	DCPS will continue to support Anacostia and Ballou as they implement their redesign models. The redesign model continues to focus on initiatives like professional development for teachers, improved career pathways and certifications, and partnerships with local organizations and companies to support project-based learning. All students at Ballou and Anacostia will have the opportunity to benefit from a variety of social-emotional learning and wraparound services.	09-30-2023	✓	<input type="checkbox"/>	<input type="checkbox"/>	✓	Add Initiative Update
Technology	For school year SY22-23, DCPS will continue to maintain a 1:1 device to student ratio for grades 3rd to 12th and a 3:1 device for grades PK3 to 2nd and ensure teachers and school staff have the devices they need. We are continuing to utilize and adapt best practices learned from virtual learning to build tech-rich classrooms that immerse our students in their curricula and build critical digital citizenship skills. DCPS will also continue to ensure device access, responsible use protocols and rigorous integrated academic experiences at all our schools. Through these efforts, DCPS will continue to work to remove technology as a barrier to educational equity.	09-30-2023	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	✓	Add Initiative Update
