Council Chairman Phil Mendelson announces a public roundtable before the Committee of the Whole on *In Re: Bill 25-400, Contract No. CW101161 with Maxim Healthcare Staffing Services, Inc. Approval and Payment Authorization Emergency Act of 2023*. The roundtable will be held at **10:30 a.m. on Thursday, August 3, 2023**.

The purpose of this roundtable is to ask questions of executive agencies involved with the award and subsequent submission to Council of Contract Number CW101161. The Council was asked to approve the contract with Maxim Healthcare Staffing Services, Inc. at the July 11, 2023 legislative meeting even though the services were for the school year just ended. This one-year contract runs through August 1, 2023 and is not to exceed \$10.3 million. The services under the contract are to provide COVID-19 positive case response and immunization support services for students attending DC public charter schools. The contract was formally submitted to the Council on June 30, 2023 – 11 months after the execution of the underlying letter contract. To date, the Committee has seen finger pointing to explain the delay. This roundtable will attempt to identify the real responsibility for the 11 month delay of a 12-month contract.

This roundtable is limited to testimony from specified witnesses. However, written statements from the public will be accepted and made a part of the official record. Statements for the record should be submitted through the Council's Hearing Management System at <https://lims.dccouncil.gov/hearings> or left by voicemail by calling (202) 430-6948 (up to 3 minutes which will be transcribed). Testimony will be posted publicly to the Council's Hearing Management System. The record will close at 5:00pm on Thursday, August 17, 2023.
