

A PROPOSED RESOLUTION

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

To declare the existence of an emergency with respect to the need to continue authorization for Advisory Neighborhood Commissions to meet remotely.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the “Advisory Neighborhood Commissions Remote Operations Emergency Declaration Resolution of 2023”.

Sec. 2. (a) Since 2020, the Council has amended existing law to provide Advisory Neighborhood Commissions with the necessary flexibility and authority to continue their important work.

(b) Among other things, these amendments permitted Advisory Neighborhood Commissions to meet and vote remotely.

(c) These provisions were incorporated into the Coronavirus Support Temporary Amendment Act of 2021.

(d) Subsequently, the Council passed the Advisory Neighborhood Commissions Pandemic Provisions Extension Temporary Amendment Act of 2022, which expired on November 19, 2022 and the Advisory Neighborhood Commissions Pandemic Provisions

1 Extension Second Temporary Amendment Act of 2022, which is anticipated to expire on
2 October 6th.

3 (g) The experience of Advisory Neighborhood Commissions during the pandemic
4 demonstrated that the procedures established by this emergency and temporary legislation have
5 improved both the efficiency and efficacy of Commissions and should continue.

6 (h) Emergency and temporary legislation is needed now out of an abundance of
7 caution to ensure no gap in coverage.

8 Sec. 3. The Council of the District of Columbia determines that the circumstances
9 enumerated in section 2 constitute emergency circumstances making it necessary that the
10 “Advisory Neighborhood Commissions Remote Operations Emergency Amendment Act of
11 2023” be *adopted after a single reading*.

12 Sec. 4. This resolution shall take effect immediately.
