Councilmember Christina Henderson, Chair of the Committee on Health, announces a public oversight roundtable on Medicaid Renewal and Redetermination. The roundtable will be held at 9:30 a.m. on Monday September 11, 2023.

The stated purpose of this roundtable is to assess the Medicaid program's renewal and redetermination process, which recommenced on April 1, 2023. Points of discussion with the Department of Health Care Finance will encompass: the current renewal outcomes data for enrollees; the Department's efforts to reach out to enrollees requiring renewal submissions; the involvement of the District's Medicaid Managed Care Organizations and healthcare providers in motivating enrollees to extend their Medicaid coverage; and an update on the District's ongoing unwinding plan.

The roundtable will have a hybrid format, with the government appearing in-person, and the public witnesses appearing virtually using the Zoom platform. Public witnesses will have 5 minutes to speak if they are representing an organization, and 3 minutes if they are speaking for themselves. The public should sign up at <https://lims.dccouncil.gov/Hearings>. Witnesses who anticipate needing spoken language interpretation, or require sign language interpretation, are requested to inform the Committee office of the need as soon as possible but no later than five business days before the proceeding. We will make every effort to fulfill timely requests, although alternatives may be offered. Requests received in less than five business days may not be fulfilled.

If you have additional questions, please email Ashley Strange, Legislative Assistant at astrange@dccouncil.gov.

Testimony should be submitted through the Council's Hearing Management System <https://lims.dccouncil.gov/hearings> in advance of the hearing. Testimony will be publicly accessible upon Committee review. If you are unable to testify at the hearing, written statements are encouraged and will be made a part of the official record. Statements for the record should be submitted through the Hearing Management System or left by voicemail by calling (202) 430-6046. The record will close at 5:00pm on Thursday September 7, 2023.
