Chairwoman, Committee on the Judiciary and Public Safety
RE: Request to Agendize Congressional Review Emergency Measures for the December 5, 2023 Legislative Meeting

I request that the following congressional review emergencies be agendized for the December 5, 2023 Legislative Meeting:

On September 19, 2023, the Council passed the Prioritizing Public Safety Temporary Amendment Act of 2023, which has a projected law date of February 6, 2024. This emergency legislation is necessary to prevent a gap in the law between the expiration of the first congressional review emergency and the effective date of the temporary act.

- **CJCC Data Collection Technical Correction Congressional Review Emergency Amendment Act of 2023**

On November 7, 2023, the Council passed the CJCC Data Collection Technical Correction Temporary Amendment Act of 2023, which does not yet have a projected law date. This emergency legislation is necessary to prevent a gap in the law between the expiration of the first congressional review emergency and the effective date of the temporary act.
