The Committee invites the public to provide live and written testimony. Public witnesses seeking to provide testimony at the Committee’s roundtable must thoroughly review the following instructions:

- If you would like to provide live testimony during the roundtable or submit written testimony for the record, please use the Council’s Hearing Management System at

<https://lims.dcccouncil.gov/hearings/>. HMS is a universal, centralized way to find out about upcoming hearings, register to testify, submit testimony, download testimony, and see how many witnesses have registered. **The deadline to register to provide testimony through HMS is Monday, June 24, 2024, at 5:30 p.m. The hearing record closes on Friday, July 12, at 5:30 p.m., after which you will be unable to submit written testimony.**

- Once you have identified the roundtable at which you want to testify on the Hearing Management System, read the Hearing Notice at the bottom of the page for additional details. The roundtable page also shows how many witnesses have already registered under the “Witnesses” heading.
- Click the “Register to Testify” button at the upper right of the page to register to testify at the roundtable. If the deadline to sign up for a roundtable has already passed, or if there is no public testimony at the roundtable, the button will not be available.
- If there are multiple topics to be considered, select which one you would like to speak to by placing a checkmark next to the relevant topic or legislation. If you are testifying on behalf of an organization, select “Organization” and include your title and the organization’s name. If you are testifying on your own behalf, select “Individual.” There may be additional fields included by a Committee to gather further details.
- Select “Live Testimony” or “Record Testimony.” Select “Live Testimony” if you previously registered to testify at the roundtable. If your testimony is only for the written record, choose “Record Testimony.” Please use the same name, organization information, and email address that you used if you registered to testify.
- If you are trying to submit testimony, click the “Submit Testimony” button in the upper right on the roundtable page. If the deadline to submit testimony has already passed, the button will not be available.
- You can upload testimony in either Adobe PDF, Microsoft Word, Apple Pages, or a plain text file by clicking “Upload My Testimony.” You can also type your testimony from this page by selecting “I will type my testimony here.”
- After completing the web form, you should receive a confirmation email from noreply@dcccouncil.gov. Prior to the roundtable, you will receive an email from noreply@dcccouncil.gov from the Committee with additional details on testifying, including the access link.
- The Committees will approve witnesses’ registrations based on the total time allotted for public testimony. The Committees will also determine the order of witnesses’ testimony.
- Representatives of organizations will be allowed a maximum of five minutes for oral testimony, and individuals will be allowed a maximum of three minutes. If more than one witness is testifying on behalf of the same organization, the first witness will have five minutes, and all subsequent witnesses will have three minutes. To accommodate additional

public witnesses, the Committee may reduce witnesses' allotted time for testimony but will inform witnesses if it plans to do so.

- Witnesses are not permitted to yield their time to or substitute their testimony for the testimony of another individual or organization.
- Witnesses who anticipate needing language interpretation, including ASL interpretation, are requested to inform the Committee as soon as possible, but no later than five business days before the roundtable. Please include this request in the additional field for this purpose when you register to testify. The Committee will make every effort to fulfill timely requests; however, requests received fewer than five business days before the roundtable may not be fulfilled.
