RE: Request to Agendize Measures for the July 9, 2024 Legislative Meeting
DATE: July 3, 2024

I request that the following measures be agendized for the July 9, 2024 Legislative Meeting.

Emergency Contract Legislation at the request of the Mayor:

- **Multiyear Contract No. CW108413 with Acme Auto Leasing, LLC Emergency Declaration Resolution of 2024**
- **Multiyear Contract No. CW108413 with Acme Auto Leasing, LLC Emergency Approval Resolution of 2024**

The following summary has been provided by the Executive:

The DPW ACME Leasing contract serves as a critical procurement mechanism for the District, providing access to short-term vehicle rentals for agencies that lack capital replacement funds and have immediate operational needs. This contract ensures that DPW can support these agencies by quickly obtaining the necessary vehicles to fulfill their missions effectively and efficiently.

Additionally, short-term leasing offers several key benefits for DPW- *Flexibility*: Agencies can quickly adapt to changing operational demands without long-term financial commitments, *Cost-Effectiveness*: removing large upfront capital expenditures, allowing for better budget management and allocation of funds, and *Scalability*: The leasing model allows agencies to scale their vehicle fleet up or down based on immediate needs, ensuring optimal resource utilization. In summary, the ACME Leasing contract not only provides timely access to necessary vehicles but also enhances operational efficiency, financial management, and overall mission success for District agencies.

I understand that the measures have been filed by the Executive in the Secretary's office, and drafts of the measures are attached.

Confirmation Resolution:

- **PR25-0696, the “Director of the Office of Veterans Affairs Charlette K. Woodard Confirmation Resolution of 2024”**

This resolution would confirm the Mayoral appointment of Charlette K. Woodard as Director of the Office of Veterans Affairs. The resolution was approved unanimously by the Committee on Public Works & Operations on June 28th and filed timely with the Office of the Secretary.
