MEMORANDUM OF AGREEMENT

AMONG

OFFICE OF THE DEPUTY MAYOR FOR PLANNING AND ECONOMIC DEVELOPMENT

AND THE

DISTRICT OF COLUMBIA HOUSING FINANCE AGENCY

AND THE

DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT

1. INTRODUCTION

This Memorandum of Agreement ("MOA") is entered into between the Office of the Deputy Mayor for Planning and Economic Development ("DMPED"), the District of Columbia Housing Finance Agency ("DCHFA"), an instrumentality of the District of Columbia, and the Department of Housing and Community Development ("DHCD") (each individually a "Party" and collectively the "Parties").

2. BACKGROUND

Private activity bonds

Each year the District of Columbia (the "District") receives a formula-based private activity bond allocation from the Internal Revenue Service, which enables tax-exempt bonds to be issued to support the production and preservation of affordable multifamily housing. Historically, DMPED has allocated the entirety of this allocation to DCHFA ("The Agency"). DCHFA, in turn, issues bonds to provide financing to affordable multi-family housing projects and support single-family homeownership through the Mortgage Credit Certificate ("MCC") program, which allows borrowers to afford a higher mortgage than would otherwise be possible.

Historically, the demand for private activity bond cap has not exceeded the annual allocation. As such, DMPED has assigned carryover bond allocation following the end of each calendar year – rather than current calendar year allocation. However, substantially increased investment in the District's Housing Production Trust Fund in recent years alongside other market changes have increased demand for private activity bonds for affordable housing production, prompting the need to adjust the bond allocation process. This MOA outlines the new process governing the use of the District's private activity bond allocation by the DCHFA.

To address the increased need for bond cap, DCHFA will work with DMPED, DHCD and other Housing Agency Partners, where applicable, to make the following changes:

¹ DCHFA has put \$100 million per year towards the Mortgage Credit Certificate program since 2017.

Allocate calendar year volume. DMPED has historically assigned carryover private activity bond allocation to DCHFA in approximately February of each year. DMPED will allocate calendar year 2022 allocation to DCHFA so that bond cap can be deployed to ready projects.

Focus private activity bond volume cap exclusively on affordable multifamily housing projects. In recent years, DCHFA has funded the MCC program with bonds. DCHFA has already allocated \$30MM in private activity bond cap from the CY2021 allocation. No remaining bond allocation and no calendar year 2022 allocation shall be used to support the MCC program. DCHFA will use its best efforts to fund this program at the current level with non-private activity bond resources but in no circumstance provide MCC with District's allocation of Private Activity Bonds (PAB) without District approval.

Implement a coordinated application process for bond capital. Projects in the DCHFA bond pipeline are currently sourced in the following ways:

- Projects awarded through the DHCD's Consolidated RFP process (which awards Housing Production Trust Fund loans as well as 9% Low Income Housing Tax Credits among other gap financing sources). Development proposals are evaluated as prescribed in the Consolidated RFP which is based by the Qualified Application Plan ("QAP"), a document required by the United States Department of Treasury that describes a jurisdiction's selection criteria for housing projects to receive low-income housing tax credits. The QAP is informed by public input and currently articulates policy priorities aligned with the District's affordable housing goals (to create 36,000 net new units by 2025, 12,000 of them affordable) and Housing Equity Report.
- Redevelopment projects awarded through DMPED's competitive solicitations.
- Projects that apply directly to DCHFA, which can include both new affordable housing production and preservation of existing affordable properties.

These projects are typically induced for bonds on a first-come, first-served basis; that is, as they are ready to close. Moving forward, to fully align bond cap utilization with the District's affordable housing priorities and create a more coordinated resource allocation process, all projects must take the following steps to receive tax credits and bonds:

- Threshold review (DHCD RFP): Apply for threshold review and initial scoring through DHCD. Projects that apply shall be evaluated for alignment with the QAP and priorities articulated in the most recent RFP. DHCD will conduct a threshold review of applications to assess alignment with policy priorities and administer this process semi-annually.
- Bond & tax credits application (DCHFA bond readiness application): Projects that pass the DHCD threshold review will be eligible to apply to DCHFA for bonds and tax credits when they are ready. DCHFA shall review applications and sequence approved projects for inducement based on project readiness and degree of alignment with policy priorities, as scored by DHCD. Projects that do not pass DHCD's threshold review will not be eligible to apply to DCHFA for bond cap and tax credits.

Unless projects meet one of the following criteria, they must submit to DHCD for threshold review prior to applying for bond volume cap through DCHFA.

- Has already been induced as of September 1, 2022;
- Has been selected for underwriting via DHCD's consolidated RFP as of September 1, 2022:
- Has been selected for development by DMPED RFP as of September 1, 2022; or Will deliver at least 400 total units by 2025.

Starting in CY23, all projects must submit to DCHFA for bond cap when they are ready.

Establish an expiration period that a project may reserve volume cap. DCHFA will limit the duration of the inducement resolution to 180 Calendar days from the date of inducement resolution approval by the DCHFA Board. This will require a final bond resolution to be approved by the DCHFA Board within 6 months from inducement. If a final bond resolution has not been approved as set forth above, the project will have to resubmit in DCHFA's next application window.

Limit the amount of tax-exempt bonds per issued per project to 20% of the District's annual allocation. To conserve available bond cap, DCHFA shall make no more than 20% of the District's annual allocation (\$67 million for CY2022) of bond cap available to any one project using allocation from calendar years 2021 through 2022.

DCHFA will work with sponsors to identify, whenever reasonably possible, capital structures that satisfy the need of the transaction that will not require volume cap more than the limit as defined above. These sources may include taxable bonds, or any other tools that DCHFA may develop or adopt.

Communicate to stakeholders. DCHFA shall issue guidance immediately to project sponsors indicating its shift to an application window process. That guidance shall include that

- Any projects that do not meet one of the criteria described above (page 3) must submit to DHCD for threshold review prior to applying for bonds via DCHFA's project bond readiness review); and
- All bond volume cap allocation awards using allocations remaining from CY20- CY22 will be limited to up to and not exceeding 20% of the District's annual private activity bond allocation (or approximately \$67 million) per project, effective immediately.

Initiate regular reporting by DCHFA to DMPED. To monitor bond cap utilization, DCHFA shall submit quarterly reports beginning on January 2, 2023 to DMPED showing bond cap utilized to date by project, projects in pipeline, available bond cap and other information as requested by DMPED. DHCD shall validate relevant information contained in the report to DMPED and be copied on the transmittal.

Implement strategies to conserve bond cap. DCHFA, consistent with its enabling statute, shall work with DHCD and DMPED as needed to implement the strategies to contain costs and identify additional resources for affordable housing projects.

- Implement DHCD underwriting standards and requirements where possible according to DCHFA statutory requirements
- Commission a third-party review of DCHFA fees compared to other states, discuss the findings of such review with DMPED and DHCD and provide updated fee and soft cost schedule based on the aforementioned findings and discussions.
- In accordance with DCHFA enabling statute and in collaboration with District agencies, develop additional strategies to conserve bond cap, such as establishing a policy to limit supplemental bond issuance to projects that have legitimate cost increases and related 50% test issues, or removing land cost from aggregate basis through District purchase and ground lease, if and where possible.

BY AND BETWEEN THE DISTRICT OF COLUMBIA, ACTING BY AND THROUGH

THE DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT

AND

THE DISTRICT OF COLUMBIA HOUSING FINANCE AGENCY

Article I. Introduction

This Agreement For Delegation of Low Income Housing Tax Credits Determination and Administration ("Agreement") is entered into as of this 14th day of May, 2015, by and between the District of Columbia, a municipal corporation (hereinafter "District"), acting by and through the Department of Housing and Community Development (hereinafter the "Department" or "DHCD") and the District of Columbia Housing Finance Agency (hereinafter "HFA"), a corporate body and instrumentality of the District.

Article II. Overview/Program Goals and Objectives Recitals

WHEREAS, the Tax Reform Act of 1986, as amended, established the federal Low Income Housing Tax Credit ("LIHTC") Program (the "Program") to encourage private investment for the construction and rehabilitation of housing to benefit low and moderate income individuals and families; and

WHEREAS, to implement the Program in the District, the Mayor of the District assigned, by Mayor's Order # 87-72 (the "Mayor's Order"), the authority and responsibility of administering the Program to DHCD; and

WHEREAS, DHCD, in an attempt to better utilize LIHTCs to benefit the citizens of the District, hereby delegates to the HFA limited authority to underwrite projects that are eligible to receive LIHTCs under the Internal Revenue Code § 42(h)(4) (the "Four Percent Credits"), a copy of which is attached hereto as Exhibit A, in conjunction with the issuance of tax-exempt bonds by the HFA; and

WHEREAS, the award of Four Percent Credits are not subject to the "State Ceiling" and are not subject to competitive rounds; and

WHEREAS, DHCD and the HFA agree that the HFA will conduct the underwriting of projects receiving Four Percent Credits and financed with tax exempt bonds issued by the HFA in accordance with the provisions of Section 42 of the Internal Revenue Code and the applicable regulations; and

WHEREAS, DHCD and the HFA also agree that the HFA shall calculate the amount of Four Percent Credits to be allocated to the projects that participate in the Program, as required under the Internal Revenue Code § 42(h) (4) and the District's Qualified Allocation Plan, as prepared and approved by DHCD, and as may be amended from time to time ("QAP"), attached hereto as Exhibit B and made a part hereof; and

WHEREAS, notwithstanding any provision of this Agreement to the contrary, it is understood and agreed between DHCD and the HFA, that all of the obligations contained herein, as defined to be those of HFA, shall be the only delegated authority from DHCD, as delegated to DHCD by the Mayor's Order, and such delegation to the HFA may, if the HFA shall fail or is unable to perform the duties and responsibilities hereunder delegated, be withdrawn or terminated in accordance with Article V of this Agreement.

NOW THEREFORE, DHCD and the HFA, for and in consideration of the mutual promises, herein contained, for which the receipt and sufficiency are herein acknowledged by both parties, desire to amend their respective policies and procedures, as memorialized in this Agreement, concerning the duties and responsibilities of the parties relating to LIHTCs under Section 42 of the Internal Revenue Code and the applicable regulations, the QAP, and the laws of the District, more particularly as such laws relate to the authority and obligations of both parties.

Article III. Scope and Implementation

DHCD and the HFA, as each is legally authorized, do understand and agree as follows:

- 1. The above Recitals are incorporated into and made a part of this Agreement.
- 2. DHCD does hereby, insofar as it is legally permitted to so do, delegate and authorize the HFA to underwrite and calculate the amount of Four Percent Credits to be allocated to housing projects in the District receiving Four Percent Credits and financed with tax exempt bonds, issued by the HFA in accordance with the provisions of Section 42(m)(2) of the Internal Revenue Code, a copy of which is attached hereto as Exhibit A and made a part hereof, and the terms and conditions of this Agreement. DHCD does hereby, insofar as it is legally permitted to do, further delegate and authorize the HFA to conduct subsidy layering review on projects financed with tax exempt bonds, Four Percent Credits and Department of Housing and Urban Development (HUD) housing assistance as required by Section 102(d) of The Housing and Community Development Reform Act of 1989, Section 911 of The Housing and Community Development Act of 1992 and Section 42 of the Internal Revenue Code.
- 3. On June 30th and December 30th of each year, the HFA shall submit semi-annual reports to DHCD on the processing of projects that anticipate an allocation of Four Percent Credits. These reports shall include a project description, the underwriting data utilized, the amount of tax-exempt bond financing, the estimated project construction schedules and the projected time for the expected award of Four Percent Credits pursuant to such construction schedule. DHCD may make additional reasonable requests for reports as needed. Not more than ten (10) business days after the receipt of the District of Columbia Council's approval of proposed HFA tax-exempt bond / 4% LIHTC transactions, the HFA shall transmit to DHCD a copy of said approval.

- 4. The HFA shall utilize underwriting standards that at a minimum include all of the guidelines set forth in the QAP, the provisions of Section 42 of the Internal Revenue Code, and the implementing regulations to determine the financial feasibility and eligibility of housing projects that are eligible to receive Four Percent Credits in the District. DHCD will provide updates, which updates may include links to DHCD's website or other electronic version, to the HFA of the Qualified Allocation Plan (QAP) within ten (10) business days after they are approved.
- 5. The HFA shall provide or cause to be provided to DHCD sufficient information, data, and other documentation to allow DHCD to determine the eligible and qualified basis, the calculation of the percentage of the aggregate basis of the project financed by the HFA with tax exempt bonds and the amount of Four Percent Credits to be allocated to the particular project.
- 6. The HFA shall ensure that all housing projects affected by the Program meet the requirements of the QAP as prescribed under Internal Revenue Code § 42; provided, however, this is not to imply that the HFA is to perform any file reviews, physical inspections or any other compliance monitoring functions under Section 42 of the IRS Code.
- 7. Not less than two (2) weeks prior to the expected closing date of an HFA-financed taxexempt bond housing project using Four Percent Credits, the HFA shall provide or cause the housing sponsor to provide to DHCD for review and approval: (i) the final DHCD-approved application for LIHTCs ("DHCD LIHTC Application"), (ii) Form 202, (iii) draft Indenture of Restrictive Covenants in a form prescribed by DHCD; and, HFA shall make the determination required under Code Section 42(m)(2) and shall send a letter documenting such determination with the DHCD LIHTC Application. DHCD shall have no more than ten (10) business days from the date of receipt of the DHCD LIHTC Application to review and approve the same. If DHCD shall fail to approve the DHCD LIHTC Application, it shall provide HFA, in writing, the reasons for its failure to approve the same, and if DHCD shall provide no writing of its disapproval, the DHCD LIHTC Application shall be deemed approved. Following an approval of the DHCD LIHTC Application, DHCD shall issue an initial determination letter (the "Determination Letter") of a conditional Four Percent Credit allocation, as prescribed in Internal Revenue Code § 42(m). DHCD shall provide the Determination Letter to the HFA no later than two (2) days before the closing of any such project. As one of the conditions precedent to the allocation of Four Percent Credits, the developer or the owner of the project shall record the Indenture of Restrictive Covenants, executed by DHCD and the owner of the project, running with the land, setting forth a restriction on the use of the subject property during the 15-year LIHTC Compliance Period and the 30-year Extended Use Period (which run concurrently) as provided under the Internal Revenue Code.

In addition to the DHCD LIHTC Application and attachments thereto, the HFA shall provide or cause the housing sponsor to provide to DHCD not less than two (2) weeks prior to the expected closing date the following:

- 10. Within ten (10) business days of execution, DHCD shall provide the HFA with a copy of the approved IRS form 8609 for each project so approved. The approved IRS form 8609 should be sent to the attention of DCHFA's Director of Compliance and Asset Management.
- 11. The HFA shall, in addition to the semi-annual reporting, make available to DHCD, upon request, all HFA files, containing all information relevant to projects that have either received an allocation of Four Percent Credits or that expect to receive an allocation of Four Percent Credits.
- 12. On an annual basis and as of the effective date of this Agreement, DHCD shall, in accordance with Section 42 of the Internal Revenue Code and the applicable regulations, conduct physical inspections and file reviews of all projects and units, financed with tax-exempt bonds issued by the HFA, that have been allocated Four Percent Credits.

The HFA shall report, in writing, to DHCD, in a reasonably timely manner, any knowledge of noncompliance or allegation of non-compliance with the Program of any project that received Four Percent Credits in the financing structure. The HFA will only report on projects that are Placed in Service as evidenced by the HFA receiving an IRS Form 8609. The HFA understands that any such non-compliance or allegation of noncompliance of which it is aware shall be reported to DHCD, in writing, within (10) days from the date the HFA has actual knowledge of a noncompliance or an allegation of noncompliance.
- 15. In the event the HFA shall, as of the effective date of this Agreement, fail to underwrite a Four Percent Credit project in keeping with the requirements described in this Agreement, DHCD shall inform the HFA in writing of such failure and provide the HFA with no less than sixty (60) days to cure, if such failure is capable of being cured; provided, however, if the

- HFA fails to cure after the expiration of the sixty (60) day period or such other time as agreed upon by the parties, DHCD may perform the underwriting, if feasible, at the HFA's cost and expense in such reasonable amount to be determined by the parties.
- 16. The HFA, as of the effective date of this Agreement, shall include in its financing documents, for any tax-exempt bond transaction that utilizes Four Percent Credits in the financing structure, a provision describing the monitoring fees (the "Monitoring Fees"), and payment of said fees to DHCD for performing the Four Percent Credit monitoring of the project, which shall be billed and collected by DHCD.
- 17. The HFA shall also include, as a condition precedent to closing on any project that utilizes Four Percent Credits a certification from the owner/sponsor/developer, that to the best of their respective knowledge, information and belief, the project satisfies all Internal Revenue Code requirements and the owner/sponsor/developer has received a current DHCD Compliance and Monitoring Manual attached as Exhibit C and made a part hereof.

Upon the occurrence of a breach of this Agreement and the HFA's failure to cure the breach within sixty (60) days or such other period as mutually agreed upon by the parties, DHCD may terminate this Agreement as provided under Article V hereof.
- 20. DHCD shall provide the HFA with a copy of the Four Percent Credit monitoring reports on a quarterly basis for all projects reviewed for LIHTC compliance during the review period. MEMORANDUM OF UNDERSTANDING

BETWEEN THE DISTRICT OF COLUMBIA DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT AND THE DISTRICT OF COLUMBIA HOUSING FINANCE AGENCY

I. INTRODUCTION

This Memorandum of Understanding ("MOU") is entered into between the District of Columbia, a municipal corporation, acting by and through the Department of Housing and Community Development ("DHCD") and the District of Columbia Housing Finance Agency, a corporate body and an instrumentality of the District of Columbia ("DCHFA"); (individually referred to herein as the "Party" and collectively referred to herein as the "Parties").

II. LEGAL AUTHORITY FORMOU

D.C. Official Code§ 1-301.01(k) (2016 Supp.).

III. OVERVIEW OF PROGRAM GOALS AND OBJECTIVES

DCHFA has established the Housing Investment Platform ("HIP") for the purpose of investing equity capital in development projects that produce for-sale single family housing units affordable to households making workforce incomes 60 – 120% of the Median Family Income ("MFI"). DCHFA enters into joint ventures or fee developer contracts with qualified developers that will develop workforce housing.

DHCD administers the Property Acquisition and Disposition Division ("PADD") that disposes of vacant and abandoned properties in DHCD's inventory by selling the properties to individuals or developers to be constructed or rehabilitated into high- quality, affordable single-family and/or multifamily housing in District of Columbia ("District") neighborhoods. The Parties desire to enter into this MOU for the purpose of providing a framework that establishes a collaborative effort between the HIP and PADD to develop certain PADD disposition property sites that are suitable for development of more than one single-family dwelling.

DCHFA, through HIP, and DHCD would like the property located at 3401 13th Street, SE, Washington, DC 20032 (Square 5936, Lot 0802) ("Property") to be developed into single family for-sale housing that is subject to the affordability requirements of the HIP. DHCD and Stack Eight LLC ("Stack Eight") entered into a Property Disposition Agreement, dated July 20, 2018, ("PDA"), whereby DHCD

agreed to sell the Property to Stack Eight for the purpose of Stack Eight developing the Property into three-bedroom for-sale housing units reserved for and sold to households with incomes limited to 80% MFI and 50% MFI.

DCHFA entered into a McKinney Act Savings Loan with Stack Eight LLC ("Stack Eight"), dated November 27, 2018, ("McKinney Act Loan"), to reimburse Stack Eight for predevelopment expenses incurred to develop the Property into for-sale housing, with two (2) of the homes reserved for households making no more than 50% MFI for a period of ten (10) years. Stack Eight entered into a loan agreement ("McKinney Act Loan Agreement") and a promissory note ("McKinney Act Note") with DCHFA, all dated November 27, 2018, to evidence the McKinney Act Loan. Flywheel Development LLC ("Flywheel") provided a guaranty dated November 27, 2018, ("Guaranty") to DCHFA to guaranty the performance of the McKinney Act Loan. The McKinney Act Loan was originally set to mature on November 27, 2019, however, Stack Eight requested, and was granted two (2) one-year extensions of the McKinney Act Loan, resulting in a final maturity date of November 27, 2021 (the "Maturity Date"). Additionally, DHCD approved Stack Eight pledging the PDA to DCHFA as collateral for the McKinney Act Loan, under the condition that the Property be developed by DCHFA, through its HIP program, subject to the Vacant to Vibrant affordability requirements.

DHCD entered into a Letter of Commitment with Stack Eight, dated June 16, 2021, ("DHCD LOC"), to provide predevelopment, construction, and permanent financing to develop the Property into homes reserved for and affordable to sixteen (16) households making no more that 80% MFI, two (2) households making no more than 50% MFI for a period of fifteen years, and designating two (2) homes as Inclusionary Zoning ("IZ") Units.

On November 8, 2021, DHCD sent a letter to Stack Eight and Flywheel, notifying them that DHCD was terminating the PDA and would not be renewing the DHCD LOC, which expired on October 21, 2021. Stack Eight and Flywheel also did not repay the McKinney Act Loan on the Maturity Date, and the McKinney Act Loan is currently in default. DHCD entered into a letter agreement with Stack Eight and Flywheel, dated November 23, 2021, whereby DHCD agreed to pay off and satisfy the McKinney Act Loan in exchange for Stack Eight, Flywheel and DHCD mutually releasing all rights, claims or liabilities incurred in connection with the DHCD LOC or PDA.

The Parties have further agreed that a joint venture or fee developer selected by the HIP program will develop the Property and upon execution of the MOU, DCHFA shall release Stack Eight and Flywheel from all of its obligations regarding the McKinney Act Loan.

MEMORANDUM OF UNDERSTANDING BETWEEN THE DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT AND DISTRICT OF COLUMBIA HOUSING FINANCE AGENCY

RESIDENTIAL ACCESSORY APARTMENT PROGRAM FISCAL YEAR 2022

I. INTRODUCTION

This Memorandum of Understanding ("MOU") is entered into between the Department of Housing and Community Development ("DHCD"), and the District of Columbia Housing Finance Agency ("HFA") (each a "Party" or collectively referred to herein as the "Parties").

The mission of HFA is to be the District of Columbia's principal catalyst for housing finance and neighborhood investment.

The mission of DHCD is to produce and preserve opportunities for affordable housing and economic development and to revitalize underserved communities in the District of Columbia ("District").

In 2019, Mayor Muriel Bowser set a goal to deliver an additional 36,000 units of housing — including at least 12,000 units of affordable housing — by 2025. The Executive Office of the Mayor and DHCD have created new initiatives to bring new affordable homes to the District in Fiscal Year 2022 including the Residential Accessory Apartments Program ("RAAP"). The RAAP will provide grants to homeowners to build residential accessory apartments on their properties. These efforts further opportunities for owners of single-family, semi-detached or rowhouses to help the District further its goal of achieving 12,000 new affordable homes by 2025. These grants are funded with allocations made by the Bowser Administration in the Fiscal Year 2022 budget.

II. PROGRAM GOAL AND OBJECTIVES

The RAAP will provide grants to homeowners totaling \$1,650,000 for the development of residential accessory apartments, also known as Accessory Dwelling Units ("ADUs").

This MOU facilitates the transfer of \$1,650,000 of District funds ("MOU Funds") from DHCD to HFA to support the RAAP grants, through which at least fifteen (15) ("Homeowner Grant(s)") will be offered to homeowners.

- 2. HFA will charge an administration fee of 1% of the total MOU Funds.
- 3. The MOU Funds shall be transferred via one (1) wire transfer from DHCD to HFA based on the total amount of this MOU.
- 4. Homeowner Grant Funds advanced from HFA to the RAAP Grantee for the services to be provided by the RAAP Grantee shall not exceed the actual Homeowner Grant Funds made to the RAAP Grantee plus administrative expenses in accordance with the RAAP Grant.
- 5. The Parties' Directors or their designees shall use their best efforts to resolve all adjustments and disputes arising from services performed by each Party under this MOU. In the event that the Parties are unable to resolve a financial issue, the matter shall be referred to the D.C. Office of Financial Operations and Systems.

B. ANTI-DEFICIENCY CONSIDERATIONS

The Parties acknowledge and agree that their respective obligations to fulfill financial obligations of any kind pursuant to any and all provisions of this MOU, or any subsequent agreement entered into by the Parties pursuant to this MOU, are and shall remain subject to the provisions of (i) the federal Anti-Deficiency Act, 31 U.S.C. §§ 1341, 1342, 1349, 1351; (ii) the District of Columbia Anti-Deficiency Act, D.C. Official Code §§ 47-355.01-355.08; (iii) D.C. Official Code § 47-105; and (iv) D.C. Official Code § 1-204.46, as the foregoing statutes may be amended from time to time, regardless of whether a particular obligation has been expressly so conditioned.

VIII. PROCUREMENT PRACTICES REFORM ACT

If a District of Columbia agency or instrumentality plans to utilize the goods or services of an agent, contractor, consultant or other third party to provide any of the goods or services specified under this MOU, then the agency or instrumentality shall abide by the provisions of the District of Columbia Procurement Practices Reform Act of 2010 (D.C. Law 18-371; D.C. Official Code § 2-351.01 et. seq.) to procure the goods or services of the agent or third party.

IX. RECORDS AND REPORTS

The Parties shall maintain records and receipts for the expenditure of all MOU Funds provided for a period of no less than three years from the date of expiration or termination of the MOU, and upon request, make these documents available for inspection by duly authorized representatives of either party and other officials as may be specified by the District of Columbia at its sole discretion.

X. CONFIDENTIAL INFORMATION

The Parties to this MOU shall use, restrict, safeguard, and dispose of all information related to services provided by this MOU in accordance with all relevant federal and District statutes, regulations, and policies.

XI. TERMINATION

Either Party may terminate this MOU in whole or in part by giving sixty (60) calendar days advance written notice to the other Party.
