

New DPR Programs in FY23 & FY24

Program Name	Description	# of Participants
MLS GO Gameday	Working in partnership with the Major League Soccer (MLS) GO program, DPR hosted our first youth recreation soccer league for ages 7-10 at the Randall Recreation Center.	89
Kayaking Awareness & Safety	This course equips students with a deeper understanding of our local waterways, specifically on the Anacostia River, and how they can use paddling skills to expand their river exploration. Students will learn to properly maneuver a boat in all directions, prepare for a kayaking excursion, and use the tools necessary to keep them safe on the river. The goal of the class is to empower students to take their kayaking to the next level by helping them take action to support their local environments or preparing them to engage in kayak competitions.	31
Kayaking Experience: Diamond Teague	This program allows participants to paddle along the Anacostia River from Diamond Teague docks. The DPR Kayaking Experience is open to people with beginner-level experience and above. Although this paddle is accessible to paddlers of all experience levels, we recommend prior experience.	11
Girls/Boys Lacrosse	This program provides a positive athletic experience for all players and instructs them on safe and effective lacrosse techniques.	307
Volleyball	This DPR program teaches volleyball skills to youth and includes playing volleyball games against other participating recreation centers.	284
Girls Flag Football	In partnership with the DC Divas, DPR presents an exhilarating football camp dedicated exclusively to women and girls aged 6 and up. This camp invites participants to explore the exciting world of football, regardless of their experience. It's not just about the sport; it's about empowerment, building confidence, and becoming part of an inspiring community.	150

Gymnastics	DPR Gymnastics ensures participants learn proper skills safely and increase strength, flexibility, coordination, balance, body awareness, and fitness levels. Our goal is for participants to become hardworking, self-confident, and healthy individuals.	885
Bridging the Gap	This program focuses on teens to help build and strengthen their swimming skills.	27
Daddy & Me Cooking Workshop	This program connects families while learning and teaching life skills, such as healthy eating habits, cooking, and dining etiquette. The program takes place at the Kenilworth Recreation Center demonstration kitchen.	97
Passport for Your Palate Series	This program gives participants the opportunity to explore Black and Native American Cuisine at the Kenilworth Recreation Center demonstration kitchen.	38
DPR Junior Lifeguard Academy	DPR has a Junior Lifeguard Academy Program for DC residents ages 12- 19 years old. Participants will learn about conditioning, water safety, the drowning process, the importance of lifeguarding, CPR and more. This new program will help bolster the District's roster of trained, available lifeguards, promote safe swimming, water confidence and provide students with the skills and training to become lifeguards in the future.	45

PREAMBLE

This Agreement is entered into between the District of Columbia (hereinafter referred to as the Employer) and the American Federation of Government Employees, District of Columbia Locals (hereinafter referred to as the Union).

The Employer and the Union recognize the need to provide efficient service to the public and to maintain and increase the quality of service. Both parties further agree to the need for establishing and maintaining a sound labor-management relationship and mutually agree to continue working toward this goal. Each side has been afforded the opportunity to put forth all its proposals and to bargain in good faith. Both parties agree this Agreement expresses the results of their negotiations. Each party declares without reservation the contents of the Agreement. Therefore, to ensure the stability of the Agreement, no new provisions shall be proposed during the term of this Agreement, unless provided for elsewhere in this Agreement or such proposal is entertained by mutual agreement of the parties.

The Preamble is intended to provide the background and purpose of the collective bargaining agreement. Alleged violations of the Preamble per se will not be cited as contract violations.

ARTICLE 1 RECOGNITION

The District of Columbia Government (Metropolitan Police Department, Office of Planning, Office of Energy, Department of Administrative Services, Department of Recreation and Parks, and Department of Human Services), pursuant to the appropriate Employer recognition, certifications of the Public Employee Relations Board (PERB) and its predecessor, the Board of Labor Relations, hereby recognizes for the purposes of collective bargaining the following American Federation of Government Employees, District of Columbia Locals: 383, 2737, 2741, 3406, 3444 and 3871.

ARTICLE 2 GOVERNING LAWS AND REGULATIONS

SECTION 1:

In the event any D.C. Government-wide rule or regulation or Department rule, issuance or policy is in conflict with this Agreement, the terms of this Agreement shall prevail.

SECTION 2:

Except in emergency situations, the Department will consult with the Union prior to implementing any Department-wide rule, regulation or policy which is in conflict with this Agreement.

ARTICLE 3
UNION SECURITY AND DUES DEDUCTION

SECTION 1:

The terms and conditions of this Agreement shall apply to all employees in the bargaining unit without regard to Union membership. Employees covered by this Agreement have the right to join or refrain from joining the Union.

SECTION 2:

The Employer agrees to deduct Union dues from each employee's bi-weekly pay upon authorization of D.C. Form 277. Union dues withholding authorization may be canceled upon written notification to the Union and the Department thirty (30) days prior to each annual anniversary date (effective date) of this Agreement, regardless of the provisions of D.C. Form 277. When Union dues are canceled, the Department shall withhold a service fee in accordance with Section 3 of this Article. This provision shall supersede any other dues deduction agreement in effect prior to the effective date of this Agreement.

SECTION 3:

Because the Union is responsible for representing the interests of all bargaining unit employees without discrimination and without regard to Union membership, Management agrees to deduct a service fee from each non-Union member's bi-weekly pay, without written authorization. Upon the showing of the Local Union that sixty percent (60%) of the eligible employees in the bargaining unit for which it has certification, are Union members, the Department shall begin withholding, not later than the second pay period after this Agreement becomes effective and the showing of sixty percent (60%) is made, a service fee applicable to all employees in the bargaining unit(s) who are not Union members. The service fee and/or Union dues withheld shall be transmitted to the Union, minus a collection fee of five cents (\$.05) per deduction per pay period. The service fee withholding shall continue for the duration of this Agreement. Payment of dues or service fees through wage deductions shall be implemented in accordance with procedures established by the Department and this Article. Employees who enter the bargaining unit where a service fee is in effect shall have the service fee or Union dues withheld by the appropriate Department after the sixty percent (60%) showing is made.

SECTION 4:

The service fee applicable to non-Union members shall not exceed the amount of the Union dues. Payment of dues or service fees shall not be a condition of employment.

SECTION 5:

When a service fee is not in effect, the Union may require that an employee who does not pay dues or service fee shall pay all reasonable costs incurred by the Union in representing such employee(s) in grievance, adverse actions or appeal proceedings in accordance with the provisions of the Comprehensive Merit Personnel Act (CMPA).

SECTION 6:

The Union shall indemnify, defend and otherwise hold the Department harmless for any good faith errors, or omissions in carrying out the provisions of this Article.

SECTION 7:

When an employee is permanently separated from the bargaining unit, he/she will submit a request to have Union dues or service fee deductions canceled. Upon request, on a quarterly basis, Management will provide the Union with a list of names of bargaining unit members.

The Employer agrees to take necessary steps to ensure the safety of employees who are required to work alone. The Employer agrees to immediately and periodically review all present security/safety measures affecting the employees and to ensure that these procedures are known and carried out by all employees. Where necessary, the Employer agrees to revise and/or implement security measures for the protection of the employees. A continuous review of security safety measures shall be the joint responsibility of Management and the Union.

SECTION 18:

- A. The Employer shall provide full yearly physical examinations to all employees upon request of the employee, who because of the nature of their work may be exposed to biological or man made health risks.
- B. The Employer shall provide full yearly physical, hearing and optical examinations to all employees, who because of the nature of their work may suffer physical or optical damage.
- C. The examinations in A and B above shall be on official time and at no cost to the employee.

SECTION 19:

The Employer will institute measures to control the spread of occupationally acquired infectious diseases. The Employer will consider all patients and clients as potentially infected and will rigorously apply infection control precautions to minimize the risk of exposure to blood and body fluids of all clients and patients. Rubber gloves and other appropriate equipment will be provided to all employees who may be subject to exposure.

ARTICLE 24
CORRECTIVE AND ADVERSE ACTION

SECTION 1:

1. Corrective and Adverse Actions, as defined in Personnel regulations, may be imposed on employees only for cause, in accordance with the provisions of the Comprehensive Merit Personnel Act (CMPA) D.C. Law 2-139, as amended and the DPM.
2. Corrective and Adverse Actions will be appropriate to the circumstances, with due regard to the principles of progressive discipline in accordance with Chapter 16 of the DPM.
3. Employees may either grieve these actions through the negotiated grievance procedure or appeal them to the Office of Employee Appeals (OEA), but not both. Employees shall select either of these procedures in writing and once the selection is made, it cannot be changed. Adverse Action grievances shall be filed in accordance with Article 16, Section 5.

SECTION 2:

1. It is understood that correction and discipline by supervisors will be done in accordance with the circumstances so as not to subject the employee to unnecessary embarrassment, i.e., privacy.
2. An employee and the Union shall be notified in writing of any proposed disciplinary or adverse action within forty-five (45) days, no including Saturdays, Sundays, or legal holidays, after the date that the Employer knew or should have known of the act or occurrence.

In the event that the act or occurrence allegedly constituting cause for discipline is the subject of an ongoing criminal investigation, the 45-day limit imposed by the previous paragraph of this section shall be tolled until the conclusion of the criminal investigation.

The failure of the Employer to issue such notice shall preclude the discipline pursuant to the law.

Employees are also entitled to a written final decision of the proposed action within 45 calendar days of the date charges are preferred against the employee, except that in the event there is an ongoing criminal prosecution.

3. Employees requested to reply during investigative or proposal stages of a disciplinary action shall be informed of their right to have a Union representative present.

4. Employees shall not be required to write or sign incident statements in regard to possible disciplinary actions.
5. Employees shall be given a copy of the Report of Findings Determination made by the disinterested designee at the time of its issuance.
6. The removal of an employee during his/her probationary period is not grievable and shall be done in accordance with the DPM.

ARTICLE 30
GRIEVANCE PROCEDURE

SECTION 1 - PURPOSE:

A. The purpose of this grievance procedure is to establish an effective procedure for the fair, expeditious and orderly adjustment of grievances. Grievances may be settled informally at any step of the process. Therefore, the parties or their authorized representatives have the authority to settle a grievance at any stage of the grievance procedure.

B. Most grievances arise from misunderstandings or disputes which can be settled promptly and satisfactorily on an informal basis at the immediate supervisory level. The Employer and the Union agree that every effort will be made by Management and the aggrieved party(ies) to settle grievances at the lowest possible level. Inasmuch as dissatisfactions and disagreements arise occasionally among people in any work situation, the filing of a grievance shall not be construed as reflecting unfavorably on an

employee's good standing, his/her performance, or his/her loyalty or desirability to the organization. Reasonable time during working hours will be allowed for employees and the Union representative to discuss, prepare for and present grievances, including attendance at meetings with Employer officials.

C. All time limits may be extended by mutual consent.

SECTION 2 - SCOPE:

A grievance is any alleged violation of this Agreement or applicable provision of the Compensation Agreement, or any misapplication or misinterpretation of Personnel rules, regulations or statutes that affect terms and conditions of employment. It is agreed that EEO complaints shall not be grievable.

SECTION 3 - PRESENTATION OF GRIEVANCES:

A. This procedure is designed to enable the parties to settle grievances at the lowest possible administrative level.

B. Grievances not responded to by Management in a timely manner may be advanced to the next level by the Union.

C. Categories of Grievances:

1. **PERSONAL** - A grievance of a personal nature requires the consent of the aggrieved employee at Step 2 of this procedure even if the Grievant is represented by his/her Union. In the case of an individual Grievant proceeding without Union representation, the Union must be given an opportunity to be present and offer its views at any meeting held to adjust the grievance.

2. **GROUP** - A grievance involving a number of employees in the unit may be filed at whatever step resolution is possible.

3. **UNION/CLASS** - A grievance involving employees in the bargaining unit may be filed and signed by the Union President or designee directly at Step 3 of the grievance procedure. Grievances so filed will be processed only if the issue raised is common to bargaining unit employees. A class grievance must contain all information specified in Section 4 of the grievance procedure and the Administrator or his/her designee shall respond in writing within twenty-one (21) working days of receipt.

SECTION 4 - PROCEDURAL STEPS/PERSONAL AND GROUP GRIEVANCES:

A. STEP 1:

Grievances (except Adverse Action and Union/Class) shall first be taken up orally or in writing by the concerned employee or Union representative with the appropriate Employer representative in an attempt to settle the matter. Grievances must be presented within twenty (20) work days from the date the employee or Union became aware of the grievance. The Union representative must be present if the employee so desires. However, if an employee(s) presents a grievance directly to the Employer for adjustment consistent with the term of this Agreement, the Union shall have an observer present. The Employer representative shall communicate the decision within ten (10) working days from the presentation of the grievance. The Employer shall present a written response when the grievance is presented in writing and an oral response when the case is presented orally.

B. STEP 2:

If the matter is not satisfactorily settled at Step 1 of the presentation of grievance, the employee(s) or the Union representative may, within ten (10) working days, submit the matter in writing to the next level Employer representative. The Employer representative will meet with the Union representative and the aggrieved employee(s) within five (5) working days after receipt of the grievance. The Employer representative shall give the employee(s) and the Union her/his written response within five (5) working days after the meeting.

The grievance at this and at every further step shall contain:

1. A statement of the specific provision(s) of the Agreement alleged to be violated.
2. The date(s) on which the alleged violation occurred.
3. A brief description of how the alleged violation occurred.
4. The specific remedy or adjustment sought.
5. Authorization by the employee if Union representation is desired.

Should the grievance not contain the required information, the Grievant or Union representative shall be so notified and given fifteen (15) working days from receipt of notification to resubmit the grievance. Failure to resubmit the grievance within the fifteen (15) day period shall void the grievance.

C. STEP 3:

If the grievance is not settled at Step 2, the employee(s) or the Union may within ten (10) working days forward the grievance to the Department Head for further consideration. The Department Head will review the grievance, consult with the employee(s) and the Union, and give the employee(s) and the Union his/her written answer within ten (10) working days after receipt of the grievance.

D. STEP 4:

If the grievance is not satisfactorily settled at Step 3, the Union may refer the matter to arbitration.

SECTION 5 - ADVERSE ACTION GRIEVANCES:

A. STEP 1:

A grievance which involves an adverse action, a removal or reduction in grade based on unacceptable performance shall be presented in writing by the concerned employee and the Union representative with the Agency Head within forty-five (45) calendar days of the final notice of action. The Employer will have fifteen (15) working days in which to answer the complaint in writing.

B. STEP 2:

If the matter is not satisfactorily settled at Step 4, the Union can invoke arbitration within twenty (20) working days of receipt of the Employer's decision at the Step 4 level.

The Union may, prior to the implementation of the penalty, request that the deciding official consider delay of the implementation of the decision pending the outcome of the arbitration. The Union and Management agree that such arbitrations will be scheduled and heard within 30 days after the Agency Head's decision to delay implementation. A withdrawal of the arbitration or delay in scheduling of such arbitration by the Union will result in the immediate implementation of the penalty. If the Agency Head denies the request to consider the delay of the implementation of the penalty, then Steps 1 and 2 of this Section shall apply.

SECTION 6 - UNION/CLASS GRIEVANCES:

STEP 1: The Employer and the Local President or his/her designee will meet within five (5) working days after receipt of the grievance to discuss the grievance.

STEP 2: The Department Head shall give the Local President his/her written response within ten (10) working days after the meeting. If the grievance is not settled by this method, the Union may refer the matter to arbitration. Nothing herein will preclude

either party from attempting to settle such grievances informally at the appropriate level.

SECTION 7 - ARBITRATION:

A. SELECTION OF AN ARBITRATOR: The parties agree that a panel of arbitrators will be selected by the parties within thirty (30) working days of the signing of this Agreement to hear arbitrations. The panel will consist of seven (7) arbitrators who will be selected alternately to hear cases.

B. A committee of Union representatives and Management officials that are party to this agreement will meet quarterly to review the status of grievances, the selection of arbitrators and other issues related to this grievance procedure.

C. When mutually agreed by both parties, the following expedited arbitration procedures shall be used:

1. The arbitration will be held within thirty (30) working days of the request to arbitrate.

2. There shall be no stenographic record of the proceedings.

3. The hearing shall be conducted by the Arbitrator in whatever manner that will most expeditiously permit full presentation of the evidence and arguments of the parties. The Arbitrator shall make appropriate minutes of the proceedings. Normally, the hearing shall be completed within one (1) day. In unusual circumstances and for good cause shown, the Arbitrator may schedule an additional hearing to be held within seven (7) days.

4. There shall be no posthearing briefs.

5. Time of Award - The award shall be rendered promptly by the Arbitrator and unless otherwise agreed by the parties, no later than seven (7) days from the date of the closing of the hearing.

6. Form of Award - The award shall be in writing and shall be signed by the Arbitrator. If the Arbitrator determines that an opinion is necessary, it shall be in summary form.

D. The parties agree that arbitrations not heard under the expedited arbitration procedure will be scheduled and heard within ninety (90) days unless the parties mutually agree to extend the time limits.

SECTION 8 - GENERAL:

1. Witnesses shall be sequestered upon request of either party.
2. If either party desires a verbatim record of the proceedings, it may order such record. The party desiring the record shall make the record available to the other party and pay full costs of the transcript. Upon mutual agreement, the expenses may be shared.
3. The parties shall request that the arbitration award be in writing and set forth the Arbitrator's findings, reasoning and conclusions, within thirty (30) days after the conclusion of the hearing. Time limits may be extended by mutual agreement except in the case of expedited arbitrations.
4. The Arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Agreement through the award.
5. The Arbitrator's award shall be binding upon both parties. Nothing in this Section prevents either party from appealing an award pursuant to the negotiated grievance procedure, in accordance with D.C. Code §1-605.2. Either party may submit the award for reconsideration by filing an Arbitration Review Request with the Public Employee Relations Board (PERB) within the time prescribed by law and regulation. Whenever an Arbitrator's decision is appealed, the decision shall remain in effect pending the outcome of the appeal process.
6. A statement of the Arbitrator's fee and expenses shall accompany the award. The fee and expense of the Arbitrator shall be born by the losing party. In cases where it is unclear whether or not a party has lost the case, the Arbitrator will make the determination.
7. Any dispute over the application of an Arbitrator's award, the Arbitrator shall retain jurisdiction.

SECTION 9 - APPEAL AND GRIEVANCE OPTIONS:

An aggrieved employee affected by a removal or reduction in grade based on unacceptable performance, or adverse action may at his/her option raise the matter under a statutory appellate procedure or the negotiated grievance procedure, but not both.

For the purpose of this Section and employee shall be deemed to have exercised his/her option under this Section when the employee files a notice of appeal under the appellate procedure or files a grievance in writing under the negotiated grievance procedure.

SECTION 10 - QUESTIONS OR GRIEVABILITY:-

In the event either party should assert a grievance non-grievable or non-arbitrable, the original grievance shall be considered amended to include this issue. Any dispute of grievability or arbitrability shall be referred to arbitration as a threshold issue(s).

ARTICLE 31
MANAGEMENT RIGHTS

The Department shall retain the sole right, authority and complete discretion to maintain the order and efficiency of the public service entrusted to it, and to operate and manage the affairs of the District in all aspects, including but not limited to, all rights and authority held by the Employer prior to the signing of this Agreement.

Such management rights shall not be subject to the negotiated grievance procedure or arbitration, unless specifically abridged and abrogated in a separate distinctive Article of this Agreement. The Employer retains the following rights, which in accordance with applicable laws, rules and regulations which in no way are wholly inclusive:

6. To take whatever actions may be necessary to carry out the mission of the District government in emergency situations.

ARTICLE 32
NO STRIKE OR LOCKOUT

SECTION 1:

Under the provisions of D.C. Code Section 1-618.5, it is unlawful to participate in, authorize or ratify a strike.

The term "strike," as used herein means a concerted refusal to perform duties/attend work or any unauthorized concerted work stoppage or slowdown.

SECTION 3:

The Union agrees to disarm any strikes or any unauthorized concerted work stoppage or slowdown.

SECTION 4:

No lockout of employees shall be instituted by the Employer during the term of this Agreement, except that the Department in a strike situation retains the right to close down any facilities to provide for the safety of employees, property or the public.

ARTICLE 33
SAVINGS CLAUSE

In the event any Article, Section or portion of the Agreement shall be held invalid and unenforceable by any court or higher authority of competent jurisdiction, such decision shall apply only to the specific Article, Section or portion thereof specified in the decision, and upon issuance of such a decision, the Employer and the Union agree to negotiate a substitute Article, Section or portion thereof.

The Agreement was reached after negotiations during which the parties were able to negotiate on any and all negotiable compensation issues, and contains the full agreement of the parties as to all such compensation issues. The Agreement shall not be reconsidered during its life nor shall either party make any changes in compensation for the duration of the Agreement unless by mutual consent or as required by law.

2. A portion of the cost of the District's proposal to increase wages for FY 18 – 3%, FY 19 – 2%, FY 20 – 3%, and FY 20 – 3.5% will be paid for from a portion of the funds set aside by the Bowser Administration for Compensation and Classification Reform. As a result, the Union will withdraw its Compensation and Classification Reform grievances in their entirety (both master and individual grievances).

ARTICLE 2: METRO PASS

The District of Columbia Government shall subsidize the cost of monthly transit passes for personal use by employees by not less than fifty (\$50.00) per month for employees who purchase and use such passes to commute to and from work. The metro transit benefit will roll over from month to month for employees who access the benefit. Any benefit not accessed by the end of the calendar year will revert back to the District of Columbia government.

ARTICLE 3: PRE-PAID LEGAL PLAN

SECTION A:

The Employer shall make a monthly contribution of twelve dollars and fifty cents (\$12.50) in FY 2018 for each bargaining unit member toward a pre-paid legal services plan. The Employer shall make a monthly contribution of fifteen dollars (\$15.00) in FY 2019 for each bargaining unit member toward a pre-paid legal services plan. The Employer shall make a monthly contribution of seventeen dollars and fifty cents (\$17.50) in FY 20 for each bargaining unit member toward a pre-paid legal services plan. For each fiscal year, the Employer shall make monthly contributions directly to the designated provider of the legal services program.

The District may present a proposed contract which shall be evaluated on the same basis as other bidders. The contract shall provide that the Employer will be held harmless from any liability arising out of the implementation and administration of the plan by the benefit provider, that the benefit provider will supply utilization statistics to the Employer and the Union upon request for each year of the contract, and that the benefit provider shall bear all administrative costs.

To be selected for a contract under this Article, the benefit provider must maintain an office in the District of Columbia; be incorporated in the District and pay a franchise tax and other applicable taxes; have service providers in the District; and maintain a District bank account.

SECTION E:

The Employer's responsibility under the terms of this Article shall be as outlined in Section C of this Article and to make premium payments as is required under Section A of this Article. ARTICLE 4: DISTRICT OF COLUMBIA NEGOTIATED EMPLOYEE ASSISTANCE HOME PURCHASE PROGRAM

SECTION A:

The Parties shall continue the Joint Labor-Management Taskforce on Employee Housing.

SECTION B:

Pursuant to the DPM, Part 1, Chapter 3 §301, the District provides a preference for District residents in employment. In order to encourage employees to live and work in the District of Columbia, a joint Labor-Management Task Force on Employee Housing was established during previous negotiations with Compensation Units 1 & 2. The Taskforce strives to inform employees of the programs currently available for home ownership in the District of Columbia. Additionally, the Taskforce collaborates with other government agencies including the Department of Housing and Community Development and the District's Housing Finance Agency to further affordable housing opportunities for bargaining unit employees, who have been employed by the District Government for at least one year.

SECTION C:

The parties agree that \$500,000.00 will be set aside to be used toward Negotiated employee Assistance Home Purchase Program (NEAHP) for the duration of the Agreement. If at any time the funds set aside have been depleted, the Parties will promptly convene negotiations to provide additional funds for the program.

SECTION D:

ARTICLE 16: NEWLY CERTIFIED BARGAINING UNITS

For units placed into a new compensation unit, working conditions or non-compensatory matters shall be negotiated simultaneous with negotiations concerning compensation. Where the agreement is for a newly certified collective bargaining unit assigned to an existing compensation unit, the parties shall proceed promptly to negotiate simultaneously any working conditions, other non-compensatory matters, and coverage of the compensation agreement. There should not be read into the new language any intent that an existing compensation agreement shall become negotiable when there is a newly certified collective bargaining unit. Rather, the intent is to require prompt negotiations of non-compensatory matters as well as application of compensation (e.g., when pay scale shall apply to the newly certified unit).

ARTICLE 17: TERM AND TEMPORARY EMPLOYEES

The District of Columbia recognizes that many temporary and term employees have had their terms extended to perform permanent services. To address the interests of current term and temporary employees whose appointments have been so extended over time and who perform permanent services, the District of Columbia and the Union representing the employees in Compensation Units 1 and 2 agree to the following:

SECTION A:

Joint labor-management committees established in each agency/program in the Compensation Units 1 and 2 collective bargaining agreement shall continue and will identify temporary and term employees whose current term and or temporary appointments extend to September 30, 2021, and who perform permanent services in District agency programs.

SECTION B:

Each Agency and Local Union shall review all term appointments within the respective agencies to determine whether such appointments are made and maintained consistent with applicable

law. The Union shall identify individual appointments it believes to be contrary to applicable law and notify the Agency. The Agency shall provide the Union reason(s) for the term or temporary nature of the appointment(s), where said appointments appear to be contrary to law. If an employee has been inappropriately appointed to or maintained in a temporary or term appointment, the Agency and the Union shall meet to resolve the matter.

SECTION C:

The agency shall convert bargaining unit temporary and term employees identified by the joint labor-management committees, who perform permanent services, who are in a pay status as of September 30, 2017, and are paid from appropriated funding to the career service prior to the end of the FY 2018 – FY 2021 Compensation Agreement.

SECTION D:

Prior to the end of the FY 2018 – FY 2021 Compensation Agreement, to the extent not inconsistent with District or Federal law and regulation, the District shall make reasonable efforts to convert to the career service temporary and term bargaining unit employees identified by the joint labor-management committees who perform permanent services, are in a pay status as of September 30, 2017, are full-time permanent positions, and are paid through intra-district funding or federal grant funding.

SECTION E:

Employees in term or temporary appointments shall be converted to permanent appointments, consistent with the D.C. Official Code.

SECTION F:

District agencies retain the authority to make term and temporary appointments as appropriate for seasonal and temporary work needs.

SECTION G:

A Joint-Labor Management Committee shall consist of one (1) representative from each national union comprising Compensation Units 1 and 2. The District shall appoint an equal number of representatives. The Committee will facilitate the implementation of this Article should difficulties arise in the Joint-Labor Management Committees set forth in Section A.

SECTION H:

District agencies will first post vacant career service positions internal to the Agency for bargaining unit term and temporary employees to apply and compete before posting the positions externally. There shall be no direct appointments.

- B. The purpose of the OAG LMC, which shall meet monthly unless canceled in advance by the chairs, is to provide a forum for the exchange of views on working conditions, terms of employment, risk assessment, matters of common interest or other matters, which either party believes will contribute to improvement in the relations between the Union and the Employer within the framework of this Agreement.

C. Performance evaluation appeals, grievances and disciplinary matters shall not be the subject of discussions at these meetings, nor shall the meeting be for any other purpose, which would modify, add to or detract from the provisions of this Agreement. The Committee shall adopt rules for meetings including rules for notices, agendas, times and locations.

Section 1-B - Composition and Function of the MOLC Labor-Management Committee:

Section 2 – Subcommittees:

The parties may mutually agree to establish subcommittees of the LMCs to study problems and conditions.

Nothing herein shall be construed to limit the Union's right to request impact and effects bargaining over any proposed organizational changes.

Section 5 - Labor-Management Meetings:

- A. In mutual recognition of the parties' joint desire to discuss and resolve matters of concern at the lowest possible level, the Union steward and first-level supervisor, should meet periodically for the purpose of meaningful consultation and communication on the problems and policies of the organization in their working unit, and if appropriate, the steward may meet with supervisors of a higher level. Such meetings between supervisors and stewards shall be on duty time, shall be brief, and shall cover matters of concern between them and appropriate to their relationship.

Section 6 - Organizational Changes:

**ARTICLE 3
ADMINISTRATION OF LEAVE**

Except as otherwise provided in this Agreement or the corresponding Compensation Agreement, the parties shall adhere to all applicable law and District government rules and regulations in the administration of leave. Annual leave must be requested reasonably in advance except in an emergency (unanticipated event). Employer's decision to grant or deny annual leave shall be made within 72 hours of the request, excluding Saturdays, Sundays, holidays, and any other day that the District government is closed and will be based solely on mission (including coverage) requirements. Except in emergency situations, the Employer shall not consider the reason for the annual leave request in making the leave determination. If requested by the employee, the supervisor shall discuss the reason for the denial of any request, and discuss when the employee will be able to take the requested leave. Requests for annual leave shall be approved when possible.

**ARTICLE 4
ALTERNATIVE WORK SCHEDULES**

Section 1 – Definitions:

A. Except as provided in this Article, the professional workday for full-time employees shall consist of eight (8) hours of work within a 24-hour period. The normal hours of work shall be consecutive except that they may be interrupted by a lunch period.

B. Professional Workweek:

Attorneys work a professional work week on a salaried basis consisting of a minimum of forty (40) hours. The normal workweek for full-time attorneys shall consist of five (5) consecutive days, at least eight (8) hours of work, Monday through Friday. Management may vary the workweek of attorneys in order to meet work load requirements or emergency situations and must provide the employees with at least a two (2) day advance notice, if possible. Attorneys are exempt from the overtime restrictions under the Fair Labor Standards Act. However, in the event an employee is asked to work more than 8 hours per day or 40 hours per week, management will attempt to give as much notice as possible and reasonably consider any request for compensatory time covered elsewhere in this agreement.

Section 2 Fair Labor Standards Act:

Attorneys are excluded from the overtime provisions of the Fair Labor Standards Act (FLSA) and no overtime pay or compensatory time is authorized for work performed unless authorized elsewhere in this Agreement.

Section 3 Flexible/Alternative Work Schedules:

Employer shall maintain, to the extent already in effect, or establish at least the following three Alternative Work Schedules (AWS) for covered employees: (1) a Flexible Work Schedule, (2) a Compressed Work Schedule, and (3) a Flexiplace/Telecommuting Schedule, including Ad Hoc Telecommuting. AWS may be combined, except that a Compressed Work Schedule may only be combined with Ad Hoc Telecommuting. The existing AWS policies of all agencies are hereby incorporated by reference into this Agreement provided that they include the three AWS described in this Section. In the event that any agency does not currently have an AWS policy that includes the three AWS described in this Section, the OAG Office Order # 2015-03 shall apply until such time as the agency establishes its policy. The normal work hours shall be adjusted, consistent with a supervisor's discretion set forth in the applicable Office Order or other governing policy, rule, regulation or law to allow for AWS schedules, with appropriate adjustments in affected leave. In deciding whether to grant an employee's request to use an alternative work schedule, the employee's supervisor shall consider, but is not limited to the following factors:

- A. The demands of the requesting individual's work;
- B. The need to maintain adequate staffing to handle unanticipated matters or cover

matters that are handled by the Office, Unit, Section, or Division, even if that assignment is not assigned to the requesting employee;

- (1) The needs of the work unit, including the need to ensure sufficient staffing levels during core hours and availability of office staff or government officials;
- (2) Whether granting an AWS request results in the denial of annual or sick leave to other members of the Office, Unit, Section, or Division;
- (3) The past performance of the requesting individual;
- (4) Equitable sharing of Office functions;
 - a. Whether work assignments can be performed effectively and efficiently by an employee on the type of AWS being requested;
 - b. Whether the requested AWS places an undue burden on others covered by this Office Order within a particular Unit, Section, or Division; and
 - c. Any other factor that may affect the quality or quantity of work accomplished by the Office, Unit, Section or Division.

Such schedules maybe appropriate where:

1. It is cost effective;
2. It increases employee morale and productivity; or
3. It better serves the needs of the public.

The Union shall be given advance notice when flexible/alternative work schedules are proposed and shall be given the opportunity to consult. A flexible/alternative work schedule shall not affect the existing leave system. Leave will continue to be earned at the same number of hours per pay period as for employees on five (5) day, forty (40) hour schedules and will be charged on an hour-by-hour basis.

Section 4 Flexiplace/Telecommuting:

Supervisors may permit employees to use flexiplace/telecommuting plans. Employees participating in flexiplace/telecommuting plans must be accessible and available during their entire tour of duty and for recall to physically appear in the office. Employees should make every effort to report as soon as possible, generally within 2 hours. Employees are solely responsible for completing assigned work after appropriate management review and shall comply with management's requirements with regard to advance review of drafts prior to a final deadline.

Section 5 Supervisor's Authority:

An attorney's request for AWS shall not be unreasonably denied. An immediate supervisor must provide written justification for the denial of an AWS request. An attorney may seek review of the denial of an alternative work schedule to the manager of his/her immediate supervisor. OAG employees may appeal a manager's denial of his/her AWS request to the Attorney General. Agency employees may appeal a manager's denial of his/her AWS request to the Director of the MOLC. A supervisor may require AWS participants to provide additional information about conformance with their approved tours, such as the use of sign-in sheets, or other time accountability systems or methods.

Section 6 Impact and Effect Bargaining:

The Attorney General shall not change its existing AWS Office Order # 2015-03 without advance notice to the union and an opportunity to engage in impact and effects bargaining. Agencies shall not implement an alternate work schedule policy without advance notice to the union, an opportunity to engage in impact and effects bargaining and an opportunity to make substantive suggestions to any AWS policy before the policy's effective date.

**ARTICLE 5
EMPLOYEE ASSISTANCE PROGRAM**

Section 1 – General:

The parties recognize that alcoholism, drug abuse, and emotional and mental illness are health problems that may affect job performance. To this end, the Employer will, at least annually, make employees aware of the District's Employee Assistance Program (DPM Chapter 20B, Section 2050, EAP) and available services provided under it. The provisions of the DPM govern except as provided below.

Section 2 - Use of Sick Leave:

Employees undergoing a prescribed program of treatment for alcoholism, drug abuse, emotional illness, or mental illness will be allowed to use available sick leave for this purpose on the same basis as any other illness with appropriate documentation of attendance.

**ARTICLE 6
UNION STEWARDS/OFFICAL TIME**

Section 1 - Number of Stewards:

A. The Union may designate, other than the Chief Steward, no more than five (5) stewards, or one (1) steward for every fifty (50) bargaining unit employees, whichever is greater.

B. The Union will endeavor, whenever possible, to limit the number of Union Representatives working in the same division, to a number that will not cause a significant work disruption in that work unit.

Section 2 - Designation of Representatives:

A. Union Officers, Stewards and Other Representatives

1. Union Officers and Stewards: The Union agrees to provide the Employer and the Office of Labor Relations and Collective Bargaining (OLRCB) with a written list of its officers and stewards within two (2) workdays after the date this Agreement is executed and within five (5) working days after each general election.
2. Other Representatives: The Union will also notify the Employer and OLRCB, in writing, of other Union representatives who may request official time, along with a description of their individual Union assignments.

B. Changes in the list will be submitted to the Employer's designated official(s) at least two (2) workdays prior to the assumption of representational responsibilities by any new officers, stewards or other representatives. If a Union official is not on the list of designated representatives and is needed prior to the two (2) days notice, the Union President shall notify the Employer's designated official(s) by phone and/or e-mail before the official will be recognized. The Employer shall recognize any Union official designated pursuant to this section.

C. The Employer will not recognize any Union official or representative who is not listed as required or for whom notification was not provided in accordance with this section.

D. Except where explicitly provided, this Agreement shall not be interpreted in any manner that interferes with the Union's right to designate representatives of its own choosing on any particular representational matter.

E. The Union will be notified prior to any change in tours of duty of duly appointed Stewards. The Union shall also be notified prior to the organization of tours of duty that would affect the members of the unit.

F. Employer recognizes that the Union may designate employee members, selected or appointed to a Union office or delegated to a Union function and agrees that, upon request, the employee may be granted annual leave or leave without pay for the period of time required to be away from his/her job. Such requests will be submitted as far in advance as possible, but not less than one (1) working day prior to the day the leave is to begin in the event the leave request is eight (8) hours or less, or five (5) working days in advance, in the event the leave request exceeds eight (8) hours. The Union shall be notified of a disapproval of leave in writing together with the Employer's justification. Leave contemplated under this article shall not be denied except for good cause.

Section 3 - Performance Appraisals:

A. No Union representative will be disadvantaged in the assessment of his/her performance based on his/her participation in Union activities and/or use of official time to conduct labor-management business authorized by this Agreement. However, performance problems unrelated to participation in Union activities and/or the use of official time may be addressed in accordance with other relevant provisions of this Agreement.

B. At the beginning of the rating year or when the Union representative is initially appointed, workload and performance expectations will be established that consider the actual use of official time and the impact on performance of the duties of the employee's position. Additionally, the designated supervisor and the Union representative will meet at least quarterly to discuss needed adjustments to workload and representational needs.

Section 4 - Official Time for Representational Activity:

A. Pursuant to the statutory right and responsibility of the Union to represent bargaining unit employees, representatives of the Union will be granted reasonable amounts of official time to investigate, prepare for, and conduct representational functions in accordance with the provisions of this Article as follows. The Union President will be assigned a caseload equal to no greater than 50% of the average caseload of an attorney with his or her grade level and experience in the Division which employs the Union President. The Union Vice President # 1 will be assigned a caseload equal to no greater than 80% of the average caseload of an attorney with his/her grade level and experience in the Division which employs the Union Vice President #1. The Union Vice President # 2 will be assigned a caseload equal to no greater than 85% of the average caseload of an attorney with his/her grade level and experience in the office which employs the Union Vice President #2. The Union represents that Union Vice President # 1 will primarily represent OAG employees and Union Vice President # 2 will primarily represent employees in subordinate agencies. No other Union members or officer will be assigned a reduced caseload. However, other Union members or officers shall be granted reasonable amounts of official time to investigate, prepare for, and conduct representational functions as needed, including necessary travel time. Employer will not be required to grant or approve official time for any Union shop steward, officer or other representative who has not complied with the Employer notification requirements of Section 2 of this Article.

B. For the purpose of this Article, "representational functions" means those authorized activities undertaken by employees on behalf of other employees or the Union pursuant to representational rights under the terms of this Agreement and District of Columbia law. Examples of activities for which reasonable amounts of official time will be authorized include:

- (1) collective bargaining negotiations;
- (2) discussions with Employer representatives concerning personnel policies, practices, and matters affecting working conditions;
- (3) any proceeding in which the Union is representing an employee or the Union pursuant to its obligations under this Agreement;

- (4) grievance meetings and arbitration hearings;
- (5) a disciplinary or adverse action oral reply meeting, if the Union is designated as representative of the employee;
- (6) any meetings for the purpose of presenting replies to the proposed termination of probationers, if the Union is designated as representative of the employee;
- (7) any meeting for the purpose of presenting reconsideration replies in connection with the denial of within-grade increases, if the Union is designated as representative of the employee;
- (8) attendance at an examination of an employee who reasonably believes he or she may be the subject of a disciplinary or adverse action;
- (9) informal consultation meetings between the Employer and the Union;
- (10) conferring with affected employees about matters for which remedial relief is available under the terms of this Agreement;
- (11) attendance at meetings of committees on which Union representatives are authorized members by the Employer or this Agreement;
- (12) attendance at labor-management committee meetings or other joint labor-management cooperative efforts;
- (13) attendance at Employer recognized or sponsored activities to which the Union has been invited;
- (14) attendance at public hearings of the District of Columbia City Council or other legislative/administrative bodies of the District or federal government relating to matters that affect either the Employer or labor relations/labor matters in the District of Columbia that impact or may impact the Union;
- (15) necessary travel to any of the activities listed above;
- (16) training related to the representational functions of Union officials and stewards which the parties agree is to their mutual benefit and for which management is given notice and provided with an agenda and course description; and
- (17) new employee orientation meetings.

C. Official time shall not include time spent on internal Union business, including, but not limited to:

- (1) Attending Local, Regional, or National Union meetings;
- (2) Soliciting members;
- (3) Collecting dues;

- (4) Posting notices of Union meetings; administering elections;
- (5) Preparing and distributing internal Union newsletters or other such internal documents; and,
- (6) Internal Union strategy sessions, except for representational functions.

Section 5 - Requesting Official Time:

A. All use of official time by any Union officer, official, steward or other representative must be recorded on the Employer-approved Official Time Report Form and submitted on a monthly basis to Employer's designee.

B. Official time for Union representatives should be requested on the approved "Official Time Report" form. The Union representative will request authorization for official time from his or her supervisor in advance and as is consistent with workload requirements except when circumstances do not allow for advance approval (e.g., unscheduled meetings called by management where the Union's attendance is requested; or representation of employees in investigatory interviews; or circumstances where the employee might be subject to discipline). Failure to properly request and obtain approval of official time may result in disciplinary action depending on the circumstances.

C. All advance requests for official time are understood to be estimates.

D. If a request for official time is denied, the manager or supervisor refusing such permission shall give the reasons for refusal in writing to the individual who was so denied, if the individual involved makes such a request.

E. Employee Union representatives, except the Union President, in light of his 50% reduced caseload, Vice President #1, in light of his or her 20% reduced caseload, and Vice President #2, in light of his or her 15% reduced caseload, will complete the "Official Time Report" form (attached to this Agreement as Exhibit "A") provided by the Employer to accurately depict the actual official time used in a timely manner each pay period.

F. Management shall not prevent Union representatives from representing employees at reasonable times consistent with the provisions of this Agreement. The Union and employees recognize that workload and scheduling considerations will not always allow for the immediate release of employees from their assignments. However, the Employer agrees that such permission for release shall not be unreasonably delayed or denied. Workload needs will be balanced with official time needs prior to approval based on the following standard: official time requests shall be granted unless they hinder the accomplishment of essential workload requirements that cannot otherwise be accommodated.

G. All affected employees (e.g., grievants, representatives, witnesses, and appellants) whose presence has been determined to be necessary, by either the Union or the Employer, as the case may be, at relevant proceedings (including hearings, meetings, arbitrations, oral replies, or other labor-management business) will receive necessary official/duty time to participate in and travel to and from the proceedings.

Section 6:

A. The parties agree that Union officials and stewards are entitled to take a reasonable amount of official time and the officials and stewards requesting/using official time shall be treated with civility and shall not be discriminated against because they participate in Union activities and/or take official time. Likewise, Union officials and stewards shall treat supervisors with civility in regard to their supervisors need to have information about the amount and type of official time being requested so that the supervisor can effectively manage their personnel and allotted workload. The parties agree that there is a need for flexibility to enable managers to effectuate the mission of the government and, at the same time, to enable Union officials and stewards of the bargaining unit to take care of Union business expeditiously.

B. In cases of alleged abuse of official time by the Union, or alleged improper restriction of official time or discrimination by the Employer, the parties shall endeavor to resolve the matter at the lowest possible level. If efforts to resolve the matter between the first line supervisor and the Union official or representative fail, then the party alleging the abuse or improper restriction shall bring the matter to the attention of the appropriate management and Union representatives. If the matter is not resolved then either party may seek assistance from the D.C. Office of Labor Relations and Collective Bargaining.

Section 7:

The parties shall conduct separate training concerning use of official time for members and managers and supervisors.

**ARTICLE 7
UNION USE OF EMPLOYER FACILITIES AND SERVICES**

Section 1:

Upon request, the Union may have access to meeting space by following established Employer procedures. Except as provided elsewhere in this Agreement, the Union shall attempt to hold meetings during the non-work time of employees attending the meetings. Employees will be advised of verbal and written work rules that they are required to follow. The Employer agrees that proposed new written work rules and the revision of existing written work rules shall be subject to notice and consultation with the Union.

Employer will afford the Union the advance opportunity to consult over the design of new office space at each step of the design process. The parties acknowledge that this does not interfere with management's final authority to determine the final design.

**ARTICLE 27
COMPUTATION OF TIME**

All time frames referenced in this Agreement shall be interpreted as business days, unless otherwise specified.

**ARTICLE 28
GRIEVANCE AND ARBITRATION PROCEDURES**

Section 1 – Definitions:

A grievance under this section is an allegation that the other party has violated a provision of this Agreement. RIFs, furloughs, disciplinary actions and performance rating appeals are excluded from the definition of grievance under this section and such disciplinary actions and ratings are not subject to challenge, review or arbitration under the grievance and arbitration procedures of this section. The grievability of disciplinary actions and performance evaluations is governed by other parts of this Agreement and the Compensation Agreement.

Section 2 – Performance Ratings:

Any performance rating may be appealed within thirty (30) calendar days of receipt by the employee to a three-person committee established by the Attorney General or the Mayor's Office of Legal Counsel. The committee shall be empowered to review the basis for a direct

supervisor's rating, conduct a hearing, receive written briefs, and issue a written decision which shall approve, modify, or reject a performance rating. Any decision by the Committee shall be appealable to the Attorney General or agency head, as applicable, within thirty (30) calendar days of receipt of the decision by the employee. The Attorney General's decision or agency head's decision, as applicable, shall be final and no further appeal shall be allowed under this Agreement. If the committee does not act within thirty (30) calendar days of the appeal, the evaluation may be appealed to the Attorney General or the agency head, as applicable who shall issue a decision within fifteen (15) calendar days thereafter. If the Attorney General or agency head, as applicable, does not act within fifteen (15) calendar days, unsatisfactory evaluations may be appealed under the provisions of this Article within fifteen (15) calendar days. The Attorney General and the Mayor's Office of Legal Counsel shall establish procedures for appeals under this Article to the committee and to the Attorney General and agency head, respectively.

Section 3 – General Provisions:

Any grievance that may arise between the parties involving an alleged violation of this Agreement shall be settled as described in this Article unless otherwise agreed to in writing by the Union President and the Attorney General or agency head, as applicable, or his/her designee.

Section 4 – Information Requests:

Both parties shall provide all information determined to be reasonable and needed by the other party for processing of a grievance after a request by the other party within a reasonable amount of time.

Section 5 – Procedure:

A. This procedure is designed to enable the parties to settle grievances at the lowest possible administrative level. Grievances must be filed at the lowest level where resolution is possible. Therefore, all grievances shall ordinarily be presented to the immediate supervisor unless it is clear that the immediate supervisor does not have authority to deal with the grievance and that it should be filed elsewhere. The Union may request a face-to-face meeting with the appropriate management representative who is delegated authority to deal with the grievance at each step. The parties agree to endeavor to engage in productive meetings to resolve a grievance.

B. Nothing in this Agreement shall be construed as precluding discussion between an employee, the Union and the appropriate supervisor over a matter of interest or concern to any of them prior to the initiation of a grievance. Once a matter has been made the subject of a grievance under this procedure, nothing herein shall preclude any party (the Union, the Employer or the Employee) from attempting to resolve the grievance informally at the appropriate level.

Step 1: The employee and/or the Union shall take up the grievance, in writing, with the employee's immediate supervisor within fifteen (15) business days from the date of the occurrence or when the employee or the Union knew or should have known of the occurrence. The written grievance shall be clearly identified as a grievance submitted under the provisions of this Article, and shall list the name of the grievant or grievants, the contract provisions allegedly

violated, the basic facts, issues, or concerns giving rise to the grievance, the date or approximate date and location of the violation and the remedy sought. The supervisor shall address the matter and shall respond, in writing, to the Steward and/or the employee within fifteen (15) business days after the receipt of the grievance.

Step 2: If the grievance has not been settled, or the supervisor has failed to respond, it may be presented in writing by the Union to the second level supervisor within ten (10) business days after the Step 1 response is due or received, whichever is sooner. The second level supervisor shall respond to the Union in writing within ten (10) business days after receipt of the written grievance.

Step 3: If the grievance is still unresolved, or the supervisor has failed to respond, it may be presented in writing by the Union to the Attorney General or agency head, as applicable, or his/her designee, within twenty (20) working days after the Step 2 response is due or received, whichever is sooner. The Attorney General or agency head, as applicable, or his/her designee, shall respond in writing to the Union within twenty (20) business days after receipt of the written grievance.

Step 4: If the grievance is still unresolved, or the Attorney General, or agency head, as applicable, or his/her designee has failed to respond, the Union may by written notice request arbitration within twenty (20) business days after the reply at Step 3 is due or received whichever is sooner.

A grievance filed by the Union on a matter involving more than one division within OAG, may be filed with the Attorney General or his/her designee at Step 3. The grievance must be filed within fifteen (15) business days from the date of the occurrence giving rise to the grievance or when the Union knew or should have known of the occurrence.

When mutually agreed by the parties, grievances on the same matter on behalf of two (2) or more employees may be processed as a single grievance for the purpose of resolving all the grievances.

A grievance filed by the Union which does not seek personal relief for a particular employee or a group of employees, but rather expresses the Union's disagreement with management's interpretation or application of the Agreement and which seeks an institutional remedy shall be filed at Step 3 within fifteen (15) business days from the date of the occurrence or when the Union knew or should have known of the occurrence to the extent reasonably possible.

A grievance filed by the Employer should be filed directly with the Union President within fifteen (15) business days from the date of the occurrence or when the Employer knew or should have known of the occurrence giving rise to the grievance. The Union President shall have fifteen (15) business days to respond. If the Employer's grievance is still unresolved, or the Union President or his/her designee has failed to respond, the Employer may by written notice request arbitration within twenty (20) business days after the Union's reply is due or received whichever is sooner.

A grievance concerning a continuing violation of this Agreement may be filed at any time during the existence of the alleged violation of this Agreement.

Section 6 - Selection of the Arbitrator:

The arbitration proceeding shall be conducted by an arbitrator selected by the Employer and the Union. The Federal Mediation and Conciliation Service (FMCS) shall be requested to provide a list of seven (7) arbitrators from which an arbitrator shall be selected within seven (7) calendar days after receipt of the list by both parties. Both the Employer and the Union may strike three (3) names from the list using the alternate strike method. The party requesting arbitration shall strike the first name. The arbitration hearing shall be conducted pursuant to the FMCS guidelines unless modified by this Agreement.

Section 7 – Authority of the Arbitrator:

The jurisdiction and authority of the arbitrator and his/her opinion and award shall be confined exclusively to the interpretation or application of the express provisions of this Agreement at issue between the Union and the Employer consistent with applicable law and regulation. He/she shall have no authority to add to, detract from, alter, amend, or modify any provision of this Agreement; or to impose on either party a limitation or obligation not explicitly provided for in this Agreement. The written award of the arbitrator on the merits of any grievance adjudicated within his jurisdiction and authority shall be final and binding on the aggrieved employee, the Union and the Employer, subject to either party's appeal rights to the Public Employee Relations Board and the Superior Court of the District of Columbia.

Section 8 - Decision of the Arbitrator:

The arbitrator shall be requested to render his/her decision in writing within thirty (30) calendar days after the conclusion of the arbitration hearing.

Section 9 - Expenses of the Arbitrator:

Expenses for the arbitrator's services and the proceeding shall be borne equally by the Employer and the Union. However, each party shall be responsible for compensating its own representatives and witnesses. If either party desires a record of the arbitration proceedings, it may cause such a recording to be made, providing it pays for the record and makes copies available without charge to the other party and the arbitrator.

Section 10 - Time Off For Grievance Hearings:

The employee, Union Steward and/or Union representative shall, upon request, be permitted to meet and discuss grievances with designated management officials at each step of the Grievance Procedure within the time specified consistent with Section 4 of Article 6 on Union Stewards.

Section 11 – Time Limits:

All time limits following the initiation of any grievance set forth in this Article may be extended by mutual consent, but if not so extended, must be strictly observed. If the matter in dispute is not resolved within the time period provided for in any step, the next step may be invoked. The appropriate representative of either party shall not unreasonably deny a request for an extension of time if the request is made in writing by the original deadline date. The parties may mutually agree in writing to waive Steps 1 and/or 2 of the procedure described in this Article.

Section 12 – Termination of Grievance:

A grievance shall terminate when either party terminates its own grievance, when both parties consent or for failure to meet contractual time limits. The termination of a grievance shall not prejudice either party from reinstating a grievance at a later date.

Section 13 – Exclusions:

Matters not within the jurisdiction of the Employer will not be processed as a grievance under this Article unless the matter is specifically included in another provision of this Agreement or the Compensation Agreement.

**ARTICLE 29
DISCIPLINE AND DISCHARGE**

Section 1 -- Disciplinary Actions:

A. Assistant Attorneys General ("AAG") in the bargaining unit are appointed to serve the District of Columbia consistent with the provisions of the Legal Service Act. An AAG may be subject to disciplinary action, including reprimand, suspension (with or without pay), reduction in grade or step, or removal for unacceptable performance or for any reason that is not arbitrary or capricious. Disciplinary actions shall be processed in accordance with Section 3614, Chapter 36 of the D.C. Personnel Regulations. The Employer shall provide the Employee with ten (10) calendar days advance notice, consistent with the notice provisions of Chapter 36 of the D.C. Personnel Regulations, of any proposed discipline, with the exception of summary removal. The proposed notice of discipline will also be sent to the Union.

B. Notwithstanding Section 1A herein, the Attorney General or an agency head, may summarily suspend or remove a bargaining unit member, in accordance with Sections 1616 and 1617 of the DPM, when the employee's conduct:

1. Threatens the integrity of government operations;
2. Constitutes an immediate hazard to the agency, to other District employees, or to the employee; or

3. Is detrimental to public health, safety, or welfare.

C. Upon request, an employee subject to any disciplinary action shall be allowed access to his or her office, at a mutually agreeable time, to retrieve personal items.

D. If there is no appeal pursuant to the provisions herein, the Attorney General's decision or agency head's decision, as applicable, shall be the final agency decision.

Section 2 -- Appeal Procedures:

After the Attorney General or agency head issues an administrative decision in accordance with §3614, Chapter 36 of the D.C. Personnel Regulations, the Union, on behalf of the Employee, may appeal the Attorney General's or agency head's suspensions of ten days or more, including demotions and terminations, within ten (10) business days of the Attorney General's or agency head's decision. This time limit may be extended by mutual consent of the parties, but if not so extended, must be strictly observed. An appeal to the nonbinding arbitrator shall stay the time limits for invoking a review by the Mayor under Section 3614, Chapter 36 of the D.C. Personnel Regulations. The Attorney General's or the agency head's decision in connection with a suspension of less than ten days or any other corrective action is final and not subject to appeal.

Section 3 -- Stay of Disciplinary Action:

The filing of an appeal shall not serve to stay or delay the effective date of the Attorney General's or agency head's final administrative decision.

Section 4 -- Standard of Review and Authority of the Arbitrator:

A. The arbitrator's jurisdiction and authority and opinion shall be confined exclusively to suspensions of ten days or more, and shall be an advisory, nonbinding decision concerning whether the Employer's decision to discipline is: (1) a result of the Employee's unacceptable performance, (2) for any reason that is not arbitrary or capricious in accordance with § 106.56(a) of the Legal Service Act, or (3) both.

B. The arbitrator does not have authority to modify, amend, or rescind any disciplinary action or to impose any back-pay or other financial obligation on the Employer resulting from the disciplinary action.

Section 5 -- Time Limits:

All time limits set forth in this Article must be strictly observed. If the Union fails to pursue any step within the time limit then it shall have no further right to continue the appeal.

Section 6 -- Extension of Time Limits:

All time limits set forth in this Article may be extended by mutual consent, but if not so extended, must be strictly observed. If the matter in dispute is not resolved within the time

period provided for in any step, the next step may be invoked. However, if a party fails to pursue any step within the time limit, then he/she shall have no further right to continue the grievance. The appropriate representative of either party shall not unreasonably deny a request for an extension of time if such request is made in writing by the original deadline date. The parties may mutually agree in writing to waive Steps 1 and or 2 of the procedure described in this Article.

Section 7 -- Substitution of Binding Arbitration Procedures:

In the event that the Council of the District of Columbia legislatively establishes a binding arbitration process concerning discipline and discharge for any unit employees in the Legal Service, the parties agree to reopen negotiations solely to rescind this Article to the extent of any conflict and incorporate the binding arbitration process into this Agreement to the maximum extent possible.

**ARTICLE 30
SAVINGS CLAUSE**

SECTION 1:

In the event any article, section or portion of this Agreement is held to be invalid and unenforceable by any court or other authority of competent jurisdiction, such decision shall apply only to the specific article, section, or portion thereof specified in the decision; and upon issuance of such a decision, the Employer and the Union agree to immediately negotiate a substitute for the invalidated article, section or portion thereof to the extent possible.

SECTION 2:

The terms of this Agreement supersede any subsequently enacted D.C. laws, District Personnel Manual (DPM) regulations, or departmental rules concerning non-compensation covered herein for the term of this agreement.

**ARTICLE 31
INCORPORATION OF COMPENSATION AGREEMENT TERMS**

The terms and conditions of the Compensation Agreement between the District of Columbia and the American Federation of Government Employees, Local 1403, AFL-CIO, effective October 1, 2017, through September 30, 2020 (Compensation Agreement), are incorporated by reference into this Agreement. The provisions of the Compensation Agreement shall control to the extent of any inconsistency.

This agreement shall be implemented as provided herein subject to the requirements of Section 1715 of the District of Columbia Comprehensive Merit Personnel Act D.C. Official Code, § 1-617.15(a), (2012 Repl.). This Agreement shall be effective on the date provided by law (i.e., when it is approved by the Council or as otherwise effective pursuant to D.C. Notice to reopen the Agreement shall be provided as required by D.C. Official Code § 1-617.17 (f)(1)(A)(i) (2012 Repl.).

Section 2 – Finality

Services: DPR provides a wide range of recreational activities to individuals and groups of all ages throughout the District of Columbia, including aquatics, athletics, fitness, urban camps, therapeutic recreation, environmental education and food and nutrition programs. To offer such diversified activities and services, DPR promotes recreation and leisure at over 851 acres of parkland, 80 recreation and community centers, 35 aquatic facilities, and several additional recreational facilities including playgrounds, athletic fields and play courts.

2 2023 ACCOMPLISHMENTS

Accomplishment	Impact on Agency	Impact on Residents
DPR successfully implemented a summer camp lottery system.	The agency obtained valuable information and feedback on the most desirable camps. Additionally, DPR now feels more confident in applying this tool in other high demand program areas.	Any resident that applied was able to receive a summer camp placement. The process made camp selection more equitable and accessible. This year over 10,000 camp slots were made available to the public, and more residents took advantage of reduce rate waivers.

5 2023 STRATEGIC INITIATIVES

In FY 2023, Department of Parks and Recreation had 3 Strategic Initiatives and completed 100%.

Title	Description	Update
Gun Violence Prevention	The Department of Parks and Recreation will continue the monthly delivery of its expanded services project through FitDC3, Mobile Rec Centers and Late-Night Operating Hours during FY-2023. The agency will report on the programmatic planning, and metrics associated with the activations and participation rates on a quarterly basis.	Completed to date: Complete FitDC3 concluded its summer programming with activations all over the city. Late-Night Hype executed its busy summer schedule with 11 Friday night events with between 300-800 attendees per event. It was reported that during the various activations the immediate communities saw no or low violent crime, which may be attributed to the Late Night-Hype deterring youth from undesirable behaviors. Mobile Recreation continued with its signature Roving Leaders Day and other activations engaging over 8500 residents.
Summer Plus	The Department of Parks and Recreation will plan, develop, and execute specialized summer learning camps (e.g. STEAM focused) during 2023. The goals of the camps will be to provide a robust recreational and learning support model for students experiencing learning loss as a result of the pandemic. The agency will also produce a program evaluation report measuring goal achievement in the program by participants.	Completed to date: Complete Summer Plus concluded with over 900 participants across is specialty camps, learn to swim sessions, and multiple programs for teens and tweens. Such campus included rocket , aeronautics, journalism, challenge, and Dream teams. This is the last year for Summer Plus via federal funding, the agency is absorbing this program through a new inclusive summer plus.
Recreation for A.L.L.	The Department of Parks and Recreation will develop and expand its programmatic offerings to include a new women's sports sub-division, e-gaming, golf, routine camp riverview activations, 7 day-pool service, under the banner of Recreation for A.L.L. The agency will execute multiple programs, clinics, and activations throughout the year culminating in a year-end report and presentation on the success of the program.	Completed to date: Complete DPR completed their summer program operations with the first Rec4ALL Summer in the books. The agency had a 25% increase in camps offered and 388 Camp Riverview participants across its 5 one-week overnight sessions. There were record numbers of visits to our pools, with a 13% increase for outdoor and 34% for indoor. Rec4ALL supported the senior games, and other senior programming during Q4. DPR is continuing Rec4ALL in FY-24 with expansion of its women's sports, golf, tiny tots sports programs.
