Section 3 - Meetings

The Union shall be given the opportunity to be present at any meeting between the Employer and employees in the bargaining unit concerning any personnel practice, any grievance, and any investigatory interview which the employee reasonably believes may result in disciplinary action against him/her.

ARTICLE 3 MANAGEMENT RIGHTS

Section 1 - Management Rights in Accordance with the Comprehensive Merit Personnel Act (CMPA)

D.C. Official Code § 1-617.08 establishes management rights as follows:

- (a) The respective personnel authority (management) shall retain the sole right, within applicable laws and rules and regulations:

An act, exercise, or agreement contained herein or between the parties shall not be interpreted in any manner as a waiver of the sole management rights contained in Section 1, above, pursuant to D.C. Official Code § 1-617.08(a-1).

Section 3 - Impact of the Exercise of Management Rights

Management rights set forth in D.C. Official Code § 1-617.08 are not subject to negotiations. However, in the course of the Employer's exercise of such rights, the Union may request the opportunity to bargain implementation and effects, and the Employer will not unreasonably deny such request, where there is an impact upon employees regarding terms and conditions of employment or the Union may grieve a specific violation of a separate article of this agreement.

ARTICLE 4 LABOR/MANAGEMENT RELATIONS

Section 1 - Labor-Management Cooperation/Partnership Committee

The parties agree to establish a structure for meaningful consultation and communication. In furtherance of that goal, a Labor-Management Cooperation/Partnership Committee will be established within 90 days of the execution of this contract and will be constituted of equal number of Union and Employer representatives. All decisions must be made by a consensus of the parties. It is understood that appeals or grievances shall not be the subject of discussions at these meetings, nor shall the meetings be for any purpose, which will modify, add to, or detract from the provisions of this Agreement.

Section 2 - Labor-Management Meetings

A. In mutual recognition of the parties' joint desire to discuss and resolve matters of concern at the lowest possible level, the Union steward and first-level supervisor should meet periodically for the purpose of meaningful consultation and communication on the problems and policies of the organization in their working unit, and if appropriate, the steward may meet with supervisors of a higher level. Such meetings between supervisors and stewards shall be on duty time, shall be brief, and shall cover matters of concern between them and appropriate to their relationship.

B. Appropriate Management and Union representatives shall meet at either party's request to discuss problems covering the implementation of this Agreement. Each party shall furnish the other with an itemized agenda setting forth the topics of discussion within a reasonable time before the meeting.

Section 3 - Requests for Information

Upon request, the Employer will provide the Union information relevant and necessary to the performance of the Union's duties as the exclusive bargaining representative, as long as such requests are in accordance with 45 C.F.R. § 164.SIO(b), the Health Insurance Portability and Accountability Act's (HIPAA) Privacy Rule.

ARTICLE 5 ADMINISTRATION OF LEAVE

The parties will adhere to all applicable laws and District Government-wide rules and regulations in the administration of leave.

ARTICLE 6 EMPLOYEE ASSISTANCE PROGRAM

Section 1 - General

The parties recognize that alcoholism, drug abuse, and emotional and mental illness are health problems that may affect job performance. To this end, the Employer will, at least annually, make employees aware of the District's Employee Assistance Program (DPM Chapter 20, Section 2010, EAP) and available services provided under it.

Section 2 - Use of Sick Leave

Employees undergoing a prescribed program of treatment for alcoholism, drug abuse, emotional illness, or mental illness will be allowed to use available sick leave for this purpose on the same basis as any other illness when absence from work is medically necessary.

C. Non-recognition. The Employer will not recognize any official/representative who is not listed as required or for whom notification was not provided in accordance with this section.

D. Except where explicitly provided, this Agreement shall not be interpreted in any manner which interferes with the Union's right to designate representatives of its own choosing on any particular representational matter.

E. The Union will be notified prior to any change in tours of duty of duly appointed stewards.

F. Management recognizes that the Union may designate employee members, selected or appointed to a Union office or delegated to a Union function and agrees that, upon request, the employee may be granted annual leave or leave without pay for a reasonable period of time to be away from his/her job. The Employer shall retain the sole right to approve or deny such requests. Requests for time off will be submitted as far in advance as possible, but no less than five (5) working days prior to the day the leave is to begin. The Union steward will be notified of a disapproval of leave in writing together with the Employer's justification. The Union steward also will be notified prior to the reorganization of tours of duty that would affect the members of the Union.

G. Employees required to appear at meetings and conferences at the request of Employer officials, or pursuant to a request from the D.C. Office of Personnel, a committee of or at a public hearing of the D.C. Council, the Office of Personnel Management or the U.S. Congress, shall not be charged annual leave for such purposes and shall be provided administrative leave to the extent consistent with D.C. Code § 1-612.03 and other applicable regulations. The Union representative will request authorization from his or her supervisor. The Union will indicate to the supervisor or designee on the leave request form attached hereto as Appendix A the general nature of the representational activity he or she wishes to carry out and approximate length of time he or she believes is required.

B. If a request for official time is denied, the manager or supervisor refusing such

permission shall give the reasons for refusal in writing to the individual who was so denied if the individual makes such a request.

Before attempting to see an employee, the Steward will obtain permission from the employee's supervisor. Such permission will be granted unless the employee cannot be immediately relieved from his assigned duties, in which case permission will be granted as soon as possible thereafter. If the immediate supervisor is unavailable, permission will be requested from the next highest level of supervision. Requests by Stewards for permission to meet with employees and/or by employees to meet with Stewards will not require prior explanation to the supervisor of the problems involved other than to identify the area to be visited and the general purpose of the visit i.e., grievance investigation, labor-management meetings, negotiation sessions, etc.

The Employer agrees that representatives of the American Federation of State, County and Municipal Employees whether local, Union representatives, District council representatives, or International representatives shall have full and free access except in secured areas, to the premises of the Employer at any time during working hours to conduct Union business. Section 3:

Discipline will be appropriate to the circumstances, and shall be primarily corrective, rather than punitive in nature. After discovery of the incident, the investigations shall be conducted in a timely manner and discipline shall be imposed upon the conclusion of any investigation or the gathering of any required documents, consistent with the principle of progressive discipline.

Section 4:

If a supervisor has reason to discipline an employee, it shall be done in a manner that will not embarrass the employee before other employees or the public.

Section 5:

Unless there is a reasonable cause to believe that an employee's conduct is an immediate hazard to the Employer, the employee or other employees, or is detrimental to public health, safety or welfare, an employee against whom adverse action is proposed shall be entitled to at least fifteen (15) days advance written notice of proposed adverse action (or seven (7) days if corrective action is proposed). The notice will identify the causes and the reasons for the proposed action.

Section 6:

Recognizing that the Union is the exclusive representative of the employees in the bargaining unit, the Employer shall in good faith attempt to notify the Union of proposed disciplinary actions. Further, the Employer agrees to notify the employee of his or her right to representation in corrective or adverse actions. The material upon which the proposed discipline is based shall be made

available to the employee and his/her authorized representatives for review. The employee or his/her authorized representative will be entitled to receive a copy of the material upon written request.

Any information that cannot be disclosed to the employee, his representative, or physician shall not be used to support the proposed action.

Section 7:

Except in the special circumstances referred to in Section 5 above, an employee shall be entitled to at least five (5) workdays to answer the notice of proposed corrective or adverse action. If the proposed action is removal, the employee shall upon request, be granted an opportunity to be heard prior to a final decision. This opportunity to be heard shall be afforded by a person designated by the Employer. This person shall not be in the supervisory chain between the proposing and/or deciding official(s) and shall not be subordinate to the proposing official. This person shall review the employee's answer, discuss the proposed action with the employee and/or his representative and appropriate representatives of the Employer and make a recommendation to the deciding official who will act upon the recommendation, as he/she deems proper.

Section 8:

The person proposing a disciplinary action shall not be the deciding official unless the proposing official is the Chairman of the Employer or its Chief Human Resource Officer.

Section 9:

Except in the special circumstances referred to in Section 5 above, an employee against whom a corrective or adverse action has been proposed shall be kept in an active duty status during the notice period.

Section 10:

The deciding official shall issue a written decision within forty-five (45) calendar days from the date of receipt of the notice of proposed action, which shall withdraw the notice of proposed action or sustain the proposed action in whole or in part. The forty-five (45) day period for issuing a final decision may be extended by agreement of the employee and the deciding official. If the proposed action is sustained in whole or in part, the written decision shall identify which causes have been sustained and which have been dismissed, describe whether the proposed penalty has been sustained or reduced and inform the employee of his or her right to appeal or grieve the decision, and the right to be represented. The final decision shall also specify the effective date of this action.

Section 11:

In any circumstance in which the Employer has reasonable cause to believe that an employee's conduct is an immediate hazard to the Employer, to the employee involved or other employees, or is detrimental to the public's health, safety or welfare; the Employer may place an employee on administrative leave with or without notice of the proposed action to the employee.

Section 12:

Notice of final decision, dated and signed by the deciding official, shall be delivered to the employee on or before the time the action is effective. If the employee is not in a duty status at that time, the notice shall be sent to the employee's last known address by certified or registered mail.

Section 13:

Except as provided in Section 14 of this Article, employees may grieve actions through the negotiated grievance procedure, or appeal to the Office of Employee Appeals (OEA) in accordance with OEA regulations but not both. Once the employee has selected the review procedure, that choice shall be the exclusive method of review.

Section 14:

The removal of an employee during his or her probationary period is neither grievable nor appealable and shall be done in accordance with the Employer's policies.

Section 15:

If a final decision is grieved through the negotiated grievance procedure a written grievance shall be filed with the deciding official within fifteen (15) workdays after the effective date of the action.

Section 16:

In appropriate cases, consideration shall be given to referring troubled employees to an employee assistance program sponsored by the Government of the District of Columbia.

Section 17:

Whenever an employee is questioned by a supervisor with respect to a matter for which a disciplinary action is intended against the employee, the employee may, upon request, consult with a union official or other representative. Upon such request, the supervisor will stop the questioning until the employee can consult with such representative, but in no event will such questioning be delayed beyond the end of the employee's following shift. When and if questioning is resumed, an employee may have a union official or other representative present.

SENIORITY**

Section 1 - Definition:

Seniority means an employee's length of continuous service within job classification and function with the Employer from his/her date of hire for purposes of this Article only. Employees hired on the same day shall use alphabetical order of surname in determining seniority.

Section 2 - Breaks in Continuous Service:

An employee's continuous service shall be broken by voluntary resignation, discharge for cause or retirement. If an employee returns to his former, or a comparable, position within one year, the seniority he had at the time of his/her departure will be restored but he/she shall not accrue additional seniority during his/her period of absence.

Section 3 - Seniority Lists:

The Employer shall provide the Union semiannually with list of names of employees represented by the Union. The list will be in seniority order as defined by Section 1 of this Article. The Employer shall supply the Union semi-annually with lists of new hires in bargaining unit positions and the names of unit employees who have left employment.

Section 4 - Reassignments:

A reassignment requested by an employee to a position in the same classification within the Commission may be effected by mutual agreement.

Section 5 - Promotions:

A. Whenever a job opening occurs, in any existing job classification or as the result of the development or establishment of a new job classification, a notice of such opening shall be posted on all bulletin boards or communicated electronically for ten (10) working days prior to the closing date. A copy of the notices of job openings will be given to the appropriate Union Steward at the time of posting.

B. During this period, employees who wish to apply for the open position or job including employees on layoff may do so. The application shall be in writing, and it shall be submitted to the appropriate Human Resources Office.

C. Management has the right to determine job qualifications, provided they are limited to those factors directly required to satisfactorily perform his/her job. Where all job factors are relatively equal, the employee with the greatest relevant seniority within the unit shall be promoted.

Section 6 - Change to Lower Grade:

A. The term "change to lower grade", as used in this provision means change of assignment from a position in one job classification to a lower paying position in the same job classification.

B. Demotions may be made to avoid laying off employees, to provide for employees who request a change to lower grade for personal convenience, or to change an employee to a lower grade when he/she is unable to perform satisfactorily the duties of his/her position.

Section 7 - Individual Work Schedules:

Work schedule changes initiated by the Employer affecting an individual employee shall be in accord with seniority, except where specific skills are needed.

Section 8 - Pay for Work Performed in Higher Graded Position:

A. Employees detailed or assigned to perform the duties of a higher graded position for more than four (4) pay periods in any calendar year shall receive the pay of the higher graded position. Assignment to a higher graded position for periods of at least one (1) pay period shall count toward the accumulation of the four (4) pay period requirement. The applicable rate of pay will be determined by application of D.C. government procedures concerning grade and step placement for temporary promotions, and will be effective the first pay period beginning after the qualifying period has passed. An employee on detail to a lower graded position shall maintain the pay for his/her original position. Advance notice will be given to the Union of any detail exceeding one pay period.

B. This provision shall not apply to training programs.

C. Issues involving changed or additional duties assigned to an employee, within his/her present position, shall be considered in accordance with position classification procedures.

**ARTICLE 14
INCLEMENT WEATHER CONDITIONS**

Section 1 - Reporting Time:

A. During inclement weather where the Employer has declared an emergency, employees (other than those designated emergency employees) will be given a reasonable amount of time to report for duty without charge to leave. Those employees required to remain on their post until relieved will be compensated at the appropriate overtime rate or compensatory leave for the time it takes his/her relief to report for duty.

B. The Employer agrees to dismiss all non-emergency employees when early dismissal is authorized by higher officials during inclement weather.

**ARTICLE 15
HOURS OF WORK**

Section 1 - Workday:

Except as provided in this Article, the normal workday for full-time employees shall consist of eight (8) hours of work within a 24-hour period. The normal hours of work shall be consecutive except that they may be interrupted by a lunch period.

Section 2 - Workweek:

Except as provided in this Article, the workweek for full-time employees shall normally consist of five (5) consecutive days, eight (8) hours of work, Monday through Friday, totaling forty (40) hours. Special schedules will be established for employees, other than employees in continuous operations, who are required to work on Saturday, Sunday or seasonal schedules as part of their regular workweek.

Section 3 - Continuous Operations and Shifts:

The workday for employees in 24-hour continuous operations shall consist of eight hours of work. Work schedules for employees assigned to shifts, showing the employee's workdays, and hours, shall be posted on appropriate bulletin boards. All employees shall be scheduled to work regular work shifts i.e., each work shift shall have a regular starting and quitting time.

Section 4 - Changes in Work Schedules:

Except in emergencies, regular work schedules shall not be changed without ten (10) working days advance notice.

Section 5 - Flexible/Alternative Work Schedules:

A. The normal work hours may be adjusted to allow for flexible/alternative work schedules, with appropriate adjustments in affected leave and compensation items (e.g., overtime, premium pay, compensatory leave, etc.). Such schedules may be appropriate where: (1) it is cost effective, (2) it increases employee morale and productivity, or (3) it better serves the needs of the public. The Union will be given advance notice (when flexible/alternative work schedules are proposed) and shall be given the opportunity to consult.

B. An alternative work schedule will provide that overtime compensation will not begin until the regularly scheduled workday or tour of duty has been completed. Other premiums will be based on the regularly scheduled workday of the employees. An alternative work schedule shall not affect the existing leave system. Leave will continue to be earned at the same number of hours per pay period as for employees on five (5) day, forty (40) hour schedules and will be charged on an hour-by-hour basis.

ARTICLE 16
ADMINISTRATION OF LEAVE

Section 1— General:

Employees shall be eligible to use leave in accordance with the personnel rules and regulations. Any request for a leave of absence shall be submitted in writing by the employee to his/her immediate supervisor. The request shall state the length of time off the employee desires, the type of leave requested and the reason for the request. An excused absence is an absence from

duty without loss of pay and without charge to leave when such absence is authorized by statute or administrative discretion.

Section 2 - Annual Leave:

A. Normal Requests for Leave: A request for a short leave of absence, not to exceed three days, shall be requested in writing on the proper form and answered before the end of the work shift in which the request is submitted. A request for a leave of absence between four to seven days must be submitted five (5) calendar days in advance and answered within five days, except for scheduled vacations, as provided for in Section 2 of this Article. If the request is disapproved, the supervisor shall return the SF-71 with reasons for the disapproval indicated. Requests for annual leave shall not be unreasonably denied.

B. Emergency Requests: Any employee's request for immediate leave due to family death or sickness shall be granted or denied immediately.

C. Carryover: Annual leave, which is not used, may be accumulated from year to year. In general, the maximum allowable leave is thirty (30) days, unless the employee had a greater amount of allowable leave at the beginning of the leave year. Employees shall receive a lump sum leave payment for all accrued annual leave not used at the time of retirement, resignation or other separation from the employer, consistent with the negotiated Compensation Agreement.

D. Vacation Schedules: Every effort will be made to grant employees leave during the time requested. If the operations would suffer by scheduling all requests during a given period of time, a schedule will be worked out with all conflicts to be resolved by the application of seniority. After vacations are posted, no changes shall be made unless mutually agreeable or an emergency arises. Employees will be encouraged to schedule vacations through the year.

Section 3 - Sick Leave:

A. Requests:

1. Supervisors shall approve sick leave of employees incapacitated from the performance of their duties. Employees shall request sick leave as far in advance as possible prior to the start of their regular tour of duty on the first day of absence.

2. Sick leave shall be requested and approved in advance for visits to and/or appointments with doctors, dentists, practitioners, opticians, and chiropractors for the purpose of securing diagnostic examinations, treatments and x-rays.

3. Employees shall not be required to furnish a doctor's certificate to substantiate requests for approval of sick leave unless such sick leave exceeds three work days continuous duration. However, if Management has given written notice to an employee that there is a good reason to believe that the employee has abused sick leave privileges, then the employee must furnish a doctor's certificate for each absence from work, which is

claimed as sick leave regardless of its duration. The Union will encourage employees to conserve sick leave for use during periods of extended illness.

4. Advance sick leave requests will be given prompt consideration by the Employer consistent with Section 3(b) of this Article when the following provisions are met:

(a) The request must be submitted in writing and must be supported by acceptable medical certificates.

(b) All available accumulated sick leave to the employee's credit must be exhausted. The employee must use annual leave he/she might otherwise forfeit.

(c) In the case of employees serving under temporary appointments, or under probationary or trial periods, advance sick leave should not exceed an amount which is reasonably assured will be subsequently earned during such period.

(d) The amount of sick leave advanced to an employee's account will not exceed 240 hours at any time. Where it is known that the employee is to be separated, the total sick leave advanced may not exceed an amount, which can be liquidated by subsequent accrual prior to the separation.

(e) There must be a reasonable assurance that the employee will return to duty.

B. Advance Sick Leave: Advance sick leave may be granted to permanent or probationary employees in amounts not to exceed 240 hours. Furthermore, an employee may not be indebted for more than 240 hours of sick leave at any one time. Sick leave may be advanced to employees holding a limited appointment or one expiring on a specific date, but not in excess of the total sick leave that would accrue during the remaining period of such appointment. In either case the employee request must be supported by a statement from his/her physician attesting that the employee has a serious disability or ailment and is incapacitated for duty and stating the period of time expected to be involved. The request should be denied only if the requirements of Section 3 (a) and (b) are not met or there is a reason to believe that the employee will not return to duty or that he/she has abused the sick leave privilege in the past.

C. All accrued and accumulated sick leave must be exhausted before the advance sick leave is credited. Accrued and accumulated annual leave may remain standing to the credit of employees. The Employer will use its best efforts to answer an employee's request for advanced sick leave within fifteen (15) working days. However, an employee is responsible for applying advance sick leave in writing as far in advance as possible. If the request is denied, the reasons for such denial shall be given in writing. Further, the employee will be given consideration for LWOP consistent with the provisions of personnel rules and regulations.

Section 4 — Other Paid Leave:

A. Military Leave: Full-time employees are entitled to leave as reserve members of the armed forces or as members of the National Guard to the extent provided in D.C. Official Code Section 1-612.03(m) and applicable rules and regulations., which provides in part the following:

B. Court Leave: Employees shall be granted leave of absence with pay anytime they are required to report for jury duty or to appear as a witness on behalf of the District of Columbia Government, or the Federal or a State or Local Government, in accordance with personnel rules and regulations.

C. Voting Leave: Where the polls are not open at least three hours either before or after an employee's regular hours of work, he/she may, upon request, be granted an amount of excused time which will permit him/her to report to work three hours after the polls open or leave work three hours before the polls close, whichever requires the lesser amount of time off. Leave for voting will be allowed in accordance with the personnel rules and regulations.

D. Funeral Leave: Funeral leave shall be granted in accordance with the District of Columbia Compensation Units 1 & 2 Agreement.

E. Civic Duty: Upon advance request and adequate justification employees required to appear before a court or other public body on public business in which they are not personally involved shall be granted leave of absence with pay unless paid leave is prohibited by Federal or District Regulations or Statutes.

F. Examinations: Employees shall be excused without charge to leave in accordance with personnel rules and regulations for the purpose of taking an employment medical examination and examination for induction or enlistment in the active Armed Forces, a District Government owned vehicle operator examination, a civil service examination or other examination which his/her the Employer has requested him/her to take in order to qualify for reassignment, promotion, or continuance of his/her present job, but not for the reserve Armed Forces. An employee shall also be excused without charge to leave for the purpose of taking an examination whenever, in the judgment of the Employer it will benefit thereby. Absence from duty in order to take an examination primarily for the employee's own benefit and not connected to the District Government must be requested in accordance with the general leave provisions.

Section 5: Leave Without Pay:

A. General: Leave of absence without pay for a limited period may be granted at the supervisor's discretion for a reasonable purpose if requested in advance in writing.

B. Union: Employees elected to any Union office or selected by the Union to do work which takes them from their employment with the Employer shall at the written request of the employee and the Union be granted a leave of absence without pay; provided the written request states the purpose and duration of the absence, and is submitted thirty (30) calendar days in advance of the commencement of the desired period of absence. If the Employer indicates that the requested leave will unduly hamper its operations, it may offer an alternative for consideration by the Union.

C. The initial leave of absence shall not exceed one (1) year. Leaves of absence for Union officials may be extended for similar periods. No more than one employee from a bargaining unit shall be on such extended leave at the same time.

D. Parenthood Leave: Maternity leave before and following childbirth shall be granted at the request of the employee. The employee is obligated to advise her supervisor substantially in advance of the anticipated leave date. This period of absence shall be determined by the employee, her physician and her supervisor. Maternity leave is chargeable to sick leave or any combination of sick leave, annual leave, or leave without pay. Paternity leave may be granted for a period of up to two (2) weeks following childbirth, and may be extended at the supervisor's discretion. Such leave shall be a combination of annual leave or leave without pay.

E. Leave may be granted for a period of up to two (2) weeks to an employee who is adopting a child, with extensions made at the discretion of the supervisor. Such leave shall be a combination of annual leave or leave without pay.

F. Union Officer Leave: Attendance at Union sponsored programs may be approved annual leave or leave without pay in accordance with normal leave practices unless Administrative Leave has been approved.

G. Educational Leave: After completing one (1) year of service an employee upon request may be granted a leave of absence for educational purposes provided that successful completion of the course will contribute to the work of the Employer. The period of leave of absence may not exceed one (1) year, but may be extended at the discretion of the Employer. If an employee is returning from educational leave during which he/she has acquired the qualification of a higher rated position he/she shall not have lost any of his/her rights in being evaluated for the higher graded position.

ARTICLE 17
ADMINISTRATION OF OVERTIME

Section 1: Distribution:

Overtime work shall be equally distributed among employees, when appropriate. Individual employee qualifications shall be considered when decisions are made on which employees shall be called for overtime work.

Section 2:

Management will solicit volunteers when overtime work is required. In the event a sufficient number of qualified volunteers are not available to perform in the job functions, overtime work will be assigned to equally qualified employees in inverse order of seniority, unless a different system is worked out on a local-by-local basis. Instances of hardship should be presented to the supervisor and shall be considered on a case-by-case basis.

ARTICLE 18
WAGES

Section 1:

The salaries and wages of employees shall be paid bi-weekly. In the event the scheduled payday is a holiday, the preceding day shall be the payday. If, for any reason, an employee's paycheck is not available on the prescribed day, or if it does not reflect the full amount due, that employee will be paid as quickly thereafter as is possible, and under no circumstances will he or she be required to wait until the next regular payday.

Section 2:

If an employee's paycheck is delayed, the employee shall immediately notify his/her supervisor. The supervisor shall initiate efforts to obtain a supplemental payment. Supplemental payments will not effectuate normal payroll deductions. Appropriate payroll deductions will be deducted from the employee's subsequent paycheck. (Except DHS, see Attachment 6.)

ARTICLE 19
REDUCTION-IN-FORCE

Section 1: Definition:

The term reduction-in-force, as used in this Agreement means the separation of a permanent employee, his/her reduction in grade or pay, or his/her reduction in rank because of (a) reorganization, (b) abolishment of his/her position, (c) lack of work, (d) lack of funds, (e) new equipment, (f) job consolidation or (g) displacement by an employee with greater retention rights who was displaced because of (a) through (f) above.

Section 2: Consultation:

The Employer agrees to consult in advance with the Union prior to reaching decisions that might lead to a reduction-in-force in the bargaining unit. The Employer further agrees to minimize the effect and such reduction-in-force on employees and to consult with the Union toward this end.

Section 3: Procedure:

A reduction-in-force will be conducted in accordance with the provisions set forth in the Comprehensive Merit Personnel Act [(CMPA), D.C. Official Code § 1-624].

Section 4: Impact and Effects Bargaining:

In the event of a reduction-in-force, the Employer shall, upon request, provide the Union with appropriate information to insure that the Union can engage in impact and effects bargaining over the reduction-in-force.

Section 5: Review of Procedures:

During the term of this Agreement the Employer shall not contract out job positions traditionally performed by employees covered by this Agreement, except where manpower (including expertise and technology) and/or equipment is not available to perform such work, when it is determined by the Employer that budgetary conditions exist requiring contracting out, or when it is determined by the Employer that emergency conditions exist requiring such contracting out (provided however that the contracting out is for a period of time that the emergency exists). The Employer shall consult with the Union prior to any formal notice to contract out a bargaining unit job.

Section 2:

When there will be adverse impact to bargaining unit employees, the Employer shall consult with the Union thirty (30) days prior to final action, except in emergencies. The Union shall have full opportunity to make its recommendations known to the Employer who will duly consider the Union's position and give reasons in writing to the Union for any contracting out action. The Employer shall consult with the Union to determine if the needs of the Employer may be met by means other than contracting out work traditionally performed by bargaining unit employees.

ARTICLE 21
STRIKES AND LOCKOUTS

Section 1 - Definition:

The term strike as used herein means any unauthorized concerted work stoppage or slowdown.

Section 2 - Strikes:

It shall be unlawful for any employee or the Union to participate in, authorize or ratify a strike against the District.

Section 4 - Other Considerations:

At no time however, shall employees be required to act as strikebreakers.

ARTICLE 22
GRIEVANCE PROCEDURES

Section 1:

Any grievance or dispute that may arise between the parties involving the application, meaning or interpretation of this Agreement, shall be settled as described in this Article unless otherwise agreed to by the parties.

Section 2 - Procedure:

This procedure is designed to enable the parties to settle grievances at the lowest possible administrative level. Therefore, grievances should be filed at the lowest level where resolution is possible. Accordingly, a grievance may be filed at the Step in the grievance procedure where the alleged action, which precipitated the grievance, occurred.

Step 1: The employee and/or the Union shall take up the grievance or dispute with the employee's immediate supervisor as soon as is practicable, but no later than fifteen (15) working days from the date of the occurrence or when the Union and/or the employee first had knowledge of or should have known of the occurrence. The supervisor shall attempt to address the matter and shall respond to the Steward as soon as is practicable, but not later than fifteen (15) working days after the receipt of the grievance.

Step 2: If the grievance has not been settled, it shall be presented in writing by the employee and/or the Union to the second level supervisor within ten (10) working days after the Step 1 response is due or received, whichever is sooner. The written grievance shall be clearly identified as a grievance submitted under the provisions of this Article, and shall list the contract provision violated, a general description of the incident giving rise to the grievance, the date or approximate date and location of the violation and the remedy sought. The second level supervisor shall respond to the Union and/or employee in writing within ten (10) working days after receipt of the written grievance.

Step 3: If the grievance is still unresolved, it shall be presented by the employee and/or the Union to the Chairman or his/her designated representative, in writing within fifteen (15) working days after the Step 2 response is due or received, whichever is sooner. The Chairman, or his/her designated representative shall respond in writing (with a copy to the Local President) within fifteen (15) working days after the receipt of the written grievance.

Step 4: If the grievance is still unresolved, the Union may, by written notice, request arbitration within twenty (20) days after the reply at Step 4 is due or received, whichever is sooner.

Section 3 - Union Participation:

A. The Employer shall notify the Union in writing of all grievances filed by the employees, all grievance hearings and determinations when such employees present grievances without the Union. The Union shall have the right to have a representative present at any grievance hearing and shall be given forty-eight (48) hour notice of all grievance hearings.

Section 4 - Who May Grieve:

Either an employee or the Union may raise a grievance, and if raised by the employee, the Union may associate itself therewith at any time if the employee so desires. Whenever the Union shall raise or is associated with a grievance under this procedure, such a grievance shall become the Union's grievance with the Employer. If raised by the Union, the employee may not thereafter raise the grievance him/herself, and if raised by the employee, he/she may not thereafter cause the Union to raise the same grievance independently.

Section 5 - Selection of the Arbitrator:

A. The arbitration proceeding shall be conducted by an arbitrator to be selected by the Employer, through the Office of Labor Relations and Collective Bargaining, and by the Union as soon as possible after notice of intent to arbitrate is received. If the parties fail to select an arbitrator, the Federal Mediation and Conciliation Service (FMCS) or the American Arbitration Association (AAA) shall be requested to provide a list of seven (7) arbitrators from which an arbitrator shall be selected within seven (7) days after receipt of the list by both parties.

B. Both the Employer and the Union may strike three (3) names from the list using the alternate strike method. The party requesting arbitration shall strike the first name. The arbitration hearing shall be conducted pursuant to the American Arbitration Association guidelines unless modified by this Agreement.

Section 6 - Decision of the Arbitrator:

The decision of the arbitrator shall be final and binding on the parties and shall not be inconsistent with the terms of this Agreement. The arbitrator shall be requested to render his/her decision in writing within thirty (30) days after the conclusion of the arbitration hearing.

Section 7 - Expenses of the Arbitrator:

Expenses for the arbitrator's services and the proceeding shall be borne equally by the Employer and the Union. However, each party shall be responsible for compensating its own representatives and witnesses. If either party desires a record of the arbitration proceedings, it may cause such a recording to be made, providing it pays for the record and make copies available without charge to the other party and the arbitrator.

Section 8 - Time Off For Grievance Hearings:

The Employee, Union Steward and/or Union representative shall upon request, be permitted to meet and discuss grievances with designated management officials at each step of the Grievance Procedure within the time specified consistent with Section 3 of Article 6 on Union Stewards.

Section 9 — Time Limits:

All time limits set forth, in this Article may be extended by mutual consent, but if not so extended, must be strictly observed. If the matter in dispute is not resolved within the time period provided for in any step, the next step may be invoked.

Section 10:

Matters not within the jurisdiction of the Employer will not be processed as a grievance under this Article unless the matter is specifically included in another provision of this Agreement, or any compensation agreement executed between the parties.

Section 11:

A. The parties agree that a process of grievance mediation may facilitate satisfactory solutions to grievances prior to arbitration. Therefore, on an experimental basis and when mutually agreed to by the parties, a mediator may be selected and utilized to facilitate settlements. The mediator may not impose a settlement on the parties, and any settlement reached will not be precedential unless otherwise agreed to by the parties on a case-by-case basis.

B. Grievances may be combined for the purpose of mediation upon mutual agreement by the parties.

ARTICLE 23
EMPLOYEE RIGHTS

Employees of the Unit shall have and shall be protected in the exercise of the right, freely and without fear of penalty or reprisal, to form, join and assist the Union or to refrain from any such activity. Council or Congress.

ARTICLE 24
NEW TECHNOLOGY AND EQUIPMENT

Section 1:

When the Employer introduces new equipment or technological changes on an experimental basis the Employer will notify the Union upon introduction as to where the experiment is being conducted and its nature and intended duration. The Employer will provide a 60 day notice if the experiment is to be instituted permanently.

Section 2:

The Employer shall provide any reasonable training for affected employees to acquire the skills and knowledge necessary for new equipment or procedures. The training shall be held during working hours, when reasonably available. The Employer shall bear the expense of the training.

Section 3:

If training is required for employment and the training is held outside the employee's normal tour of duty, the employee shall receive compensatory time.

ARTICLE 25
JOB DESCRIPTIONS

Each employee within the unit shall receive a copy of his/her current job description upon request. When an employee's job description is changed, the employee and the Union shall be provided a copy of the new job descriptions.

ARTICLE 26
SAVINGS CLAUSE

In the event any Article, Section or portion of the Agreement shall be held invalid and unenforceable by any court or higher authority of competent jurisdiction, such decision shall apply only to the specific Article, Section, or portion thereof specified in the decision, and upon issuance

of such a decision, the Employer and the Union agree to immediately negotiate a substitute for the invalidated Article, Section or portion thereof.

ARTICLE 27
DURATION AND FINALITY

Section 1 - Duration of Agreement:

This Agreement shall be implemented as provided herein subject to the requirements of Section 1715 of the CMPA (Section 1-617.15(a), D.C. Official Code, 2001 Edition). This Agreement shall be effective as of the day of final approval, and shall remain in full force and effect for three years from the final approval date. Should either party desire to renegotiate, renew, extend or modify this Contract, notice will be given in writing in accordance with the requirements of the Comprehensive Merit Personnel Act. This Agreement shall remain in full force and effect during the period of negotiations.

Section 2 - Finality:

This Agreement was reached after negotiations during which the parties were able to negotiate on any and all negotiable non-compensation issues, and contains the full agreement of the parties as to all such non-compensation issues that were or could have been negotiated. The Agreement shall not be reconsidered during its life unless by mutual consent or as required by law.
