On **Wednesday, December 11, 2024**, Councilmember Brianne K. Nadeau, Chairperson of the Committee on Public Works and Operations, will convene a public hearing to consider B25-0922, the “Strategic Parking Enforcement Enhancement Act of 2024” and B25-0924, the “Opening Worker-Ownership: A New Economic Resilience Strategy (OWNERS) Amendment Act of 2024.” The hearing will be held in person in the John A. Wilson Building and virtually via the Zoom platform beginning at 9:30am.

B25-0922, the “Strategic Parking Enforcement Enhancement Act of 2024,” would establish a reimbursable detail program for parking enforcement officer assignments at the Department of Public Works. This reimbursable detail would be a group of parking enforcement officers assigned to patrol a designated area for the purpose of enforcing parking violation and managing curbside access.

B25-0924, the “Opening Worker-Ownership: A New Economic Resilience Strategy (OWNERS) Amendment Act of 2024,” would direct the Department of Licensing and Consumer Protection to survey the District’s business ecosystem and co-create a citywide strategy for helping and incentivizing business owners to sell to their employees – a process called a worker cooperative conversion..
