

MEMORANDUM

TO: Chairman Phil Mendelson
FROM: Councilmember Christina Henderson
RE: Request for the December 17, 2024, Additional Legislative Meeting
DATE: December 12, 2024

Motion to Reconsider:

- **B25-1047**, the Entertainment Establishment Employee Safety Emergency Amendment Act of 2024

I intend to make a motion for reconsideration at next week's legislative meeting. At the December 3, 2024, Legislative Meeting, an amendment was incorporated into the legislation that expanded the intended scope of the measure. To conform the legislative language with legislative intent, it is essential that the Council reconsider this measure so that I may offer an amendment.
