Q10. All Pending Lawsuits in Which the Agency is Named as Defendants		
Case Name/Court/Docket No.	Description	Case Status
Milan Stevenson v. Charles R. Allen et al. Office of Administrative Hearings No. 2025-CAB-006852	Complainant is a former forensic consumer at St. Elizabeth. His complaint alleges among other things that while admitted at SEH, he was administered emergency medication which he believes was done illegally.	Remote Initial Scheduling Conference is set for January 16, 2025. Representation request was sent to OAG.
T And N Services Solutions v. DBH Office of Administrative Hearings 2025-DBH-00008	Decertification of SUD Operator for failure to complete a recertification application	Status hearing set for January 28, 2025
Joel Erickson Office of Administrative Hearings 2025-DBH-00006	Complainant is a former forensic consumer at St. Elizabeth. His complaint alleges among other things that he is suspicious about the forensic opinion made in his ongoing criminal case. DBH's motion to dismiss was granted for OAH being the improper jurisdiction; however, Respondent has been allotted time to respond to dismissal	Pending before OAH
Bread for the City v. DC United States District Court for the District of Columbia Civil Action No. 1:23-cv-01945-ACR	The District is defending a class action lawsuit in which Plaintiffs allege that the District is overusing MPD to respond to mental health crises. The parties continue to engage in discovery. Most of my time recently on this has been spent coordinating supplementation of discovery and clarifying the bounds of DBH's databases.	Ongoing

Angela Michelle Sydnor v. District of Columbia et al. Superior Court of District of Columbia 2023-CAB-000723	Pro Se complaint against DBH following plaintiff-consumer's FD-12. Liaised with OAG about the current status. On August 11, the Superior Court judge dismissed plaintiff's case without prejudice against DBH and DBH Employee Taylar Barnes (in her official capacity--the case will continue against her in her personal capacity).	Ongoing
DC v. TikTok Superior Court of District of Columbia 2024-CAB-006377	OAG filed a lawsuit on behalf of the District, alleging that Helping OAG prepare for discovery submissions pursuant to subpoena from counsel for TikTok. Not much has happened since we assisted OAG with responding to requests for production of documents in May.	The parties continue to engage in discovery.
MJ v. DC et al. v. District of Columbia, et. al. United States District Court for the District of Columbia Civil Action No. 1:18-cv-1901	OAG is defending a class action lawsuit on behalf of the District in which plaintiffs allege that the District does not have intensive community-based services for children at risk of hospitalization or institutionalization. Class status has still not been certified. The Judge was going to hold a non-evidentiary "science day" to aid with her decision about various legal and factual issues on September 5. We learned on August 28 that this date will likely be moved to September 11. OAG will keep us informed.	Ongoing
DC v. META Superior Court of District of Columbia 2023-CAB-006550	OAG is prosecuting a consumer protection case against META Platforms for its addictive hold on children and the harmful effects that social media has on children.	We are working and meeting with OAG to assist with development of discovery responses.

Holly Lewellyn v. DBH, 2023-DBH-00008 Office of Administrative Hearings	Former DBH consumer alleges broadly that, among other things, DBH is not providing adequate services to her. She is not a currently active DBH consumer. Filed my notice of appearance as counsel for DBH in consumer's complaint she is not receiving services from DBH. I tracked down, collected, and reviewed records related to this matter, represented DBH in the OAH hearing, argued our pending motion to dismiss. The matter is set for trial in October 2025.	Ongoing
Zina Hunter Office of Human Rights Docket No. 25-182 DC (CN) & EEOC: 10C-2025-00195	Zina Hunter is a longtime behavioral technician placed at the Hospital, who brought a discrimination claim based on age and sex, and claims that she was retaliated against when her request for an accommodation was denied. Mediation was unsuccessful, DBH statement of position submitted, and OHR to conduct investigation.	Pending with DC OHR
Avery L. Cato v. St. Elizabeths Hospital Superior Court of the District of Columbia 2025-CAB-000154	Civil complaint - anguish and loss due to malpractice. This may be another one to request representation from OAG that may be stale as his discharge date from SEH was over a year ago on August 18, 2023.	Requested OAG representation.
Malaika Lewis et al., v. District of Columbia, et al. United States District Court Case 1:22-cv-03369-RDM	Complaint against MPD. Alleged abuse of power.	Request for Production requested by OAG. Date of collection due 9/8/25.

Duane (Khari) Wilson v. DC Superior Court of District of Columbia Case No. 2023 CAB 002999	Plaintiffs 7th RFPD - Will settle; amount is pending. Relief requested is $10,000,000. Representation through OAG. In the midst of deposing DBH staff.	Pending with OAG
Beverly McElhaney v. Office of Risk Management & DBH Office of Administrative Hearings Case No. 2025-PSWC-00016	Workmen's Compensation Case. OAG representation assigned.	Pending through OAG
Beverly McElhaney v. District of Columbia Government - DBH - DOCKET NO.: 24-298 DC(CN) & EEOC NO.: 10C-2024-00289 Office of Human Rights	Notice of Charge of Discrimination. Mediation was unsuccessful, DBH statement of position submitted, and OHR to conduct investigation.	Pending with DC OHR
Kareemah Bell v CRT; Attorney General of US Superior Court of District of Columbia 2025-CAB-3589	Civil Complaint against US Attorney General but list ARC as defendant. Litigation Hold requested.	Remote scheduling conference 2/27/26 at 10:30am

Vinita Smith Office of Administrative Hearings 2024-DBH-00003	Complaint alleges Hospital's use of zoning violates prohibition against the use of restraint law. Evidentiary hearing held. Matter with OAH for ruling.	Pending with OAH
Elizabeth Olumese v. Office of Risk Management and DBH Office of Administrative Hearings 2025-PSWC-00014	Plaintiff is protesting that she is not receiving any more Workmen's Compensation benefits.	Pending with OAH
Paul Woodard v. DBH Housing Development Division Office of Human Rights OHR Case No. 24-327-H(CN)	Complaint against DBH Housing Division for reasonable accommodation request.	Pending with OHR
Crystal Davis v. D.C., et al. United States District Court for the District of Columbia 24-cv-00703	This is a wrongful death case of her father David Dowdell.	On 12/22/2025, the OAG sought settlement authority of up to $2 million and asked DBH's position. DBH agreed to go in $500K increments up to $2 million.
Helens Transitional House LLC v. DBH Office of Administrative Hearings Case No. 2025-DBH-0009	This case is an appeal of formal denial letter for certification.	Status conference scheduled for March 19, 2026.

Underspending in Federal Grants $15.7M is Medicaid Grant that is a placeholder for FY25 transactions. The available balance will be zeroed out, $1M is for a block grant that carries over, and $1.9M is for State Opioid Response that carries over.

70413 - Office of Comprehensive Psychiatric Emergency Services	
70415 - Access Helpline Office	24,044,468.00
	24,044,468.00

Purpose

Purpose
Funds were reprogrammed to resolve the Medicaid Match deficit.

Fiscal Year	Grant Number/Title	Approved Budget Authority	Funding source	Expenditures (including obligations and commitments)	Purpose of the grant
FY25	X06SM088807 PATH (41MHPH)	$262,924.78	DHHS/Substance Abuse and Mental Health Services Administration Center for Mental Health Services.	$262,924.78	Provides services to people with serious mental illness, including those with co-occurring substance use disorders, who are experiencing homelessness or are at imminent risk of becoming homeless.
FY25	H79TI085728 District of Columbia's Opioid Response 3 (41SORO)	$13,611,214.00	DHHS/Substance Abuse and Mental Health Services Administration Center for Mental Health Services.	$13,777,429.05	The District of Columbia's Opioid Response (DCOR) 3 initiative focuses on increasing access to medications for opioid use disorder (MOUD), reducing unmet treatment needs, and reducing opioid use, misuse, and overdose-related deaths through the provision of harm reduction, prevention, treatment, and recovery support services (RSS) to individuals with opioid use disorder (OUD). Expanded services and supports are also provided to individuals with stimulant use disorders (STUD).
FY25	B08TI087078 Substance Abuse Prevention, Treatment, and Recovery Services Block Grant (42APBG)	$570,989.80	DHHS/Substance Abuse and Mental Health Services Administration Center for Mental Health Services.	$1,587,752.49	The Substance Abuse and Prevention and Treatment (SAPT) block grant is used for the purpose of planning, carrying out, and evaluating activities to prevent and treat substance abuse and for related activities as authorized by the statute.

Provide a step-care program that offers young adults who are at risk for their first psychotic break treatments of differing intensity; maintain required staffing; provide outreach and engagement of young adults in need of CHR-P Services and submit program reporting and evaluation as required.	None Needed
Outcomes included: 1) reduced barriers to learning through a multi-tiered array of services 2) provided a foundation of services for all students 3) provided focused interventions for some students at high risk for behavioral health problems and 3) provided intensive services for the few that require that level of service and support.	None Needed
Outcomes included: 1) reduced barriers to learning through a multi-tiered array of services 2) provided a foundation of services for all students 3) provided focused interventions for some students at high risk for behavioral health problems and 3) provided intensive services for the few that require that level of service and support.	None Needed
Outcomes included: 2500 unique individuals, 800 Peer encounters, 30 peer interns	None Needed
Outcomes included: 1) reduced barriers to learning through a multi-tiered array of services 2) provided a foundation of services for all students 3) provided focused interventions for some students at high risk for behavioral health problems and 3) provided intensive services for the few that require that level of service and support.	None Needed
Outcomes included: 1) reduced barriers to learning through a multi-tiered array of services 2) provided a foundation of services for all students 3) provided focused interventions for some students at high risk for behavioral health problems and 3) provided intensive services for the few that require that level of service and support.	None Needed
Outcomes included: ID min of 4 SUD tx providers; Bring together 4-6 employers/providers; 20 new field experience sites (min 5 per quarter).	None Needed
Number of individuals enrolled in MOUD treatment; number of individuals with interruption of services; outreach contacts; treatment retention	None Needed

Outcomes included: 1) Number of individuals at each event 2) Number of individuals served by the program by activity and cumulatively 3) Number of individuals who received naloxone training 4) Number of individuals who were provided naloxone	None Needed
Number of individuals enrolled in MOUD treatment; number of individuals with interruption of services; outreach contacts; treatment retention	None Needed
Outcomes included: 1) Number of individuals at each event 2) Number of individuals served by the program by activity and cumulatively 3) Number of individuals who received naloxone training 4) Number of individuals who were provided naloxone	None Needed
Outcomes included: 1) Number of individuals at each event 2) Number of individuals served by the program by activity and cumulatively 3) Number of individuals who received naloxone training 4) Number of individuals who were provided naloxone	None Needed
Number of youth progressing through Tiers 1-3 Number of ATOD trainings Number of youth attendees to ATOD trainings Number of CADCA trainings Number of youth attendees to CADCA trainings Number of community outreach events	None Needed
Outcomes include: number of vacancies per month, number of applications per month, number of homes, number of individuals needing rental assistance, number of indivuals provided overdose prevention education, number of clients referred to services (recovery support and treatment)	None Needed
Outcomes included: 1) Number of individuals at each event 2) Number of individuals served by the program by activity and cumulatively 3) Number of individuals who received naloxone training 4) Number of individuals who were provided naloxone	None Needed
Number of families and youth reached through prevention activities, number of school-based and community events, number of naloxone kits distributed.	None Needed

Number of families and youth reached through prevention activities, number of school-based and community events, number of naloxone kits distributed.	None Needed
Number of individuals referred; Number of individuals served under 23 hours; Number of inidividuals who stayed over 23 hours; Number of individuals who stayed 48 hours and longer; Number of total nights	None Needed
Highest Needs Schools Funding supported resources to address the social determinants of health.	None Needed
Outcomes included: • Access to Care: The number of days elapsed between Emergency Department (ED) visits and admission to 3.7/3.5 level of care. • Readmission Rates: The number of individual patient readmissions to FCRS within 30, 60, and 90 days.	None Needed
Outcomes included: 1) reduced barriers to learning through a multi-tiered array of services 2) provided a foundation of services for all students 3) provided focused interventions for some students at high risk for behavioral health problems and 3) provided intensive services for the few that require that level of service and support.	None Needed

None Needed
Outcomes included: Goal was around planning and implementing care pathways for individuals receiving services	None Needed
Outcomes included: social media engagement 5000; 100 hs students engaged; 200 SUD vulnerable people engaged; 50 community based engagements; 60 narcan trainings	None Needed
Outcomes included: • Increase in enrollment by 5%; • Increase in number of individuals who engaged in SUD prevention activities by 5% • Increase number of naloxone kits distributed by 5%; • Increase number of individuals trained to administer naloxone by 5%;	None Needed
Outcomes included: 1)Transformers: Number of monthly attendees to sub awardees Number of that complete Transformation Phases I-III (unduplicated) Average pre/mid/post-test scores for youth participants 2) DC Strivin': Number of referrals, Number of Linkages, Number of	None Needed
Number of total contacts; number of unique individuals engaged; number of syringes collected;number of fentanyl test strips distributed; number of naloxone kits distributed; number of overdose reversals completed; number of naloxone trainings conducted; number of clients referred to treatment.	None Needed
number of syringes collected and distributed	None Needed
Outcomes include:number of individuals referred and accepted; number of individuals with OUD and/or STUD; number of inidividuals receiving recovery support services; number of individuals receiving overdose prevention education; number of voluntary discharges; etc	None Needed

Outcomes included: 1) Number of individuals at each event 2) Number of individuals served by the program by activity and cumulatively 3) Number of individuals who received naloxone training 4) Number of individuals who were provided naloxone	None Needed
Number of individuals with OUD/STUD enrolled in peer-led services; Number of individuals with OUD/STUD referred to and linked with behavioral health services: Number and percentage of individuals who demonstrate improved quality of life indicators: Number of naloxone kits distributed: Number of individuals trained to administer naloxone	None Needed
Number of individuals with OUD/STUD enrolled; linkages to treatment; treatment retention; overdose and follow-up after overdose; hospitalization and follow-up after hospitalization	None Needed
Number of individuals with OUD/STUD enrolled in peer-led services; Number of individuals with OUD/STUD referred to and linked with behavioral health services: Number and percentage of individuals who demonstrate improved quality of life indicators: Number of naloxone kits distributed: Number of individuals trained to administer naloxone	None Needed
Outcomes included: 1) Number of individuals at each event 2) Number of individuals served by the program by activity and cumulatively 3) Number of individuals who received naloxone training 4) Number of individuals who were provided naloxone	None Needed
Outcomes include number of individuals in each residence; number of individuals with OUD and/or STUD; number of vacancies; number of admissions; number of applications received each month; number of voluntary departures per residences; number of relapses at each residence; etc.	None Needed
Outcomes included: 1) Number of individuals at each event 2) Number of individuals served by the program by activity and cumulatively 3) Number of individuals who received naloxone training 4) Number of individuals who were provided naloxone	None Needed
Outcomes included: 1) Number of individuals at each event 2) Number of individuals served by the program by activity and cumulatively 3) Number of individuals who received naloxone training 4) Number of individuals who were provided naloxone	None Needed

Outcomes included: 1) Number of individuals at each event 2) Number of individuals served by the program by activity and cumulatively 3) Number of individuals who received naloxone training 4) Number of individuals who were provided naloxone	None Needed
Number of families and youth reached through prevention activities, number of school-based and community events, number of naloxone kits distributed.	None Needed
Number of families and youth reached through prevention activities, number of school-based and community events, number of naloxone kits distributed.	None Needed
Number of total contacts; number of unique individuals engaged; number of syringes collected;number of fentanyl test strips distributed; number of naloxone kits distributed; number of overdose reversals completed; number of naloxone trainings conducted; number of clients referred to treatment.	None Needed
SBIRT screenings, MOUD inductions, referrals and linkages to treatment, and outreach to patients in the community	None Needed
Outcomes included: 1) reduced barriers to learning through a multi-tiered array of services 2) provided a foundation of services for all students 3) provided focused interventions for some students at high risk for behavioral health problems and 3) provided intensive services for the few that require that level of service and support.	None Needed
Met deliverables, reached over 786 particpants through outreach and education activities and 559 of these particpants were youth. There were an estimated 42 outreach and engagement activities. Conducted 4 community conversations with 77 participants. Engaged and identified 10 new Community Prevention Networks and conducted action	None Needed
Outcomes included: 1) reduced barriers to learning through a multi-tiered array of services 2) provided a foundation of services for all students 3) provided focused interventions for some students at high risk for behavioral health problems and 3) provided intensive services for the few that require that level of service and support.	None Needed

Outcomes included: • Increase in enrollment by 5%; • Increase in number of individuals who engaged in SUD prevention activities by 5% • Increase number of naloxone kits distributed by 5%; • Increase number of individuals trained to administer naloxone by 5%; and	None Needed
Met deliverables, reached over 6847 particpants through outreach and education activities and 2180 of these particpants were youth. There were an estimated 64 outreach and engagement activities. Conducted 4 community conversations with 43 participants. Engaged and identified 5 new Community Prevention Networks and conducted action planning with 4 of	None Needed

Purpose of the grant	Organization or agency that received the grant
Provides services to people with serious mental illness, including those with co-occurring substance use disorders, who are experiencing homelessness or are at imminent risk of becoming homeless.	Department of Behavioral Health (RM0)
The District of Columbia's Opioid Response (DCOR) 3 initiative focuses on increasing access to medications for opioid use disorder (MOUD), reducing unmet treatment needs, and reducing opioid use, misuse, and overdose-related deaths through the provision of harm reduction, prevention, treatment, and recovery support services (RSS) to individuals with opioid use disorder (OUD). Expanded services and supports are also provided to individuals with stimulant use disorders (STUD).	Department of Behavioral Health (RM0)
The Substance Abuse and Prevention and Treatment (SAPT) block grant is used for the purpose of planning, carrying out, and evaluating activities to prevent and treat substance abuse and for related activities as authorized by the statute.	Department of Behavioral Health (RM0)
The purpose of the contract is to improve data quality for federal reporting	Department of Behavioral Health (RM0)

The Substance Abuse and Prevention and Treatment (SAPT) block grant is used for the purpose of planning, carrying out, and evaluating activities to prevent and treat substance abuse and for related activities as authorized by the statute.	Department of Behavioral Health (RM0)

Provides COVID emergency relief funding for the Community Mental Health Services Block Grant Program, in accordance with the Coronvirus Response and Relief Supplemental Act, 2021 (P.L. 116-260).	Department of Behavioral Health (RM0)
Provides COVID emergency relief funding for the Substance Abuse Block Grant and Treatment Block Grant Program, in accordance with the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (P.L. 116-260)	Department of Behavioral Health (RM0)
Provides additional funding to support states through Block Grants to address the effects of the COVID-19 pandemic for Americans with mental illness.	Department of Behavioral Health (RM0)
Funding is to expand access to mental health care as well as strengthen and enhance mental health preparedness and crisis response efforts.	Department of Behavioral Health (RM0)
Funding is used to develop and support community mental health services such as; Peer Support services, crisis services, recruiting and supporting child providers, as well as informing mental health professionals and community members about first episode psychosis.	Department of Behavioral Health (RM0)
Funding support states in developing and implementing certification systems for CCBHCs, establish Prospective Payment Systems (PPS) for Medicaid reimbursable behavioral health services, and prepare an application to participate in a four-year CCBHC Demonstration program.	Department of Behavioral Health (RM0)

Focus on wards 1 and 6 to increase the self-efficacy and meaningful participation in transition plans of young adults ages 16-25 who have mental health and/or co-occurring substance use disorders. Improve and expand treatment recovery and support services and strengthen evidenced-based practices that address all life domains.	Department of Behavioral Health (RM0)
The purpose is to (a) promote full integration and collaboration in clinical practices between physical and behavioral health care; (b) support the improvement of integrated care models for physical and behavioral health care to improve overall wellness and physical health status; and (c) promote the implementation and improvement of bidirectional integrated care services, including evidence-based or evidence-informed screening, assessment, diagnosis, prevention, treatment, and recovery services for mental and substance use disorders, and co-occurring physical health conditions and chronic diseases through integrated care.	Department of Behavioral Health (RM0)
Funding is to expand access to mental health care as well as strengthen and enhance mental health preparedness and crisis response efforts.	Department of Behavioral Health (RM0)
Funding is used to develop and support community mental health services such as; Peer Support services, crisis services, recruiting and supporting child providers, as well as informing mental health professionals and community members about first episode psychosis.	Department of Behavioral Health (RM0)
The SUPTRS block grant is used for the purpose of planning, carrying out, and evaluating activities to prevent and treat substance abuse and for related activities as authorized by the statute.	Department of Behavioral Health (RM0)
The SUPTRS block grant is used for the purpose of planning, carrying out, and evaluating activities to prevent and treat substance abuse and for related activities as authorized by the statute.	Department of Behavioral Health (RM0)
Funding is used to develop and support community mental health services such as; Peer Support services, crisis services, recruiting and supporting child providers, as well as informing mental health professionals and community members about first episode psychosis.	Department of Behavioral Health (RM0)

The District of Columbia's Opioid Response (DCOR) 4 initiative focuses on increasing access to medications for opioid use disorder (MOUD), reducing unmet treatment needs, and reducing opioid use, misuse, and overdose-related deaths through the provision of harm reduction, prevention, treatment, and recovery support services (RSS) to individuals with opioid use disorder (OUD). Expanded services and supports are also provided to individuals with stimulant use disorders (STUD). Develop and/or expand recovery housing for young adults with opioid and/or STUD.	Department of Behavioral Health (RM0)
The SUPTRS block grant is used for the purpose of planning, carrying out, and evaluating activities to prevent and treat substance abuse and for related activities as authorized by the statute.	Department of Behavioral Health (RM0)
Funding is used to develop and support community mental health services such as; Peer Support services, crisis services, recruiting and supporting child providers, as well as informing mental health professionals and community members about first episode psychosis. Grant amount	Grant deliverables
$300,000.00	Assistance in housing homeless individuals
$24,964,125.00	Continue to implement the city-wide opioid strategic plan. Support a comprehensive, data-driven surveillance and response infrastructure that addresses emerging trends in SUD and opioid-related overdoses. Educate District residents and stakeholders on the risk of OUD and STUD and their risks, and harm reduction approaches through coordinated community efforts. Support the awareness and availability of, and access to, harm reduction services in the District of Columbia consistent with evolving best and promising practices. Ensure knowledge of, and equitable access to, high-quality, trauma-informed, recovery-oriented, equity-based SUD treatment. Expand reach and impact of the highest quality recovery support services available and promote a recovery-oriented system of care. Implement a shared vision between justice and public health agencies to address the needs of individuals who come in contact with the criminal justice system.
$7,530,548.00	Substance abuse prevention, treatment, and recovery support services.
$31,976.00	Funds were used to hire a contractor who manages Extract, Transfer, and Load (ETL) processes to bring in and structure data

$25,166,719.00	Addresses the overdose crisis by increasing access to medication for opioid use disorder (MOUD), reducing unmet treatment needs, and reducing opioid overdose-related deaths through the provision of prevention, overdose prevention, treatment, and recovery support services (RSS) to individuals with opioid use disorder (OUD) and other concurrent substance use disorders. Expanded services and supports are provided to individuals with stimulant use disorders (STUD). Through other DCOR grants, the District has increased access to MOUD, including in the DC Jail, and has expanded the array of substance use disorder (SUD) treatment and RSS. The DCOR 4 continues many of these initiatives but increases entry points into the system of care and improves the coordination of care for individuals as they move through the system by expanding care management initiatives in the community and at the DC Jail. Additionally, peer support specialists are used throughout the continuum of care on. Workforce development is available to health care professionals. In addition, the District is implementing a coordinated approach at the neighborhood level by facilitating key stakeholders in each ward to work collaboratively. The DCOR 4 initiative is implemented in all eight Wards with particular focus on Wards 5, 7 and 8.
$137,362.64	Funds were used to support Survey Monkey licenses, a secure FTP for transferring data, and staff training
$7,528,736.00	Substance use prevention, treatment and recovery support services

$1,956,394.00	Outreach to District residents in need of mental health treatment services as a result of necessary quarantine, distancing and isolation precautions. Grant assists DBH in addressing needs in District's mental health services by providing services including, but not limited to Mobile Support Needs, Peer Support Workers and Care Coordination for Youth and Families.
$6,530,972.00	Outreach to District residents in need of substance abuse treatment services as a result of necessary quarantine, distancing and isolation precautions. Grant assists DBH in addressing needs in District's substance abuse services by providing serices, including but not limited to Electronic Medical Records Upgrade, Residential Treatment Program for Youth, Care Coordination Support and Data Collection.
$3,379,225.00	Support needs and gaps in mental health services continuum including prevention, intervention, access to crisis services, treatment, and recovery support services.
$135,367.00	Funding will support training in Illness Management and Recovery/Program Development and Implementation , training and certification for CIT, Mental Health First Aid and technology to support GPS-enabled mobile team dispatch.
$2,101,487.00	Support needs and gaps in mental health services continuum including prevention, intervention, access to crisis services, treatment, and recovery support services.
$1,000,000.00	Expand access to comprehensive,low barrier behavioral health services to individuals with SMI, SED, SUD and older adults with significant medical co-morbidities. Prepare up to four prospective CCBHCs for 2026 demonstration.

$400,000.00	Reducing reoccurrences of symptoms, determining the appropriate level of treatment for CHR-P young adults; offering early access to evidence-based treatments; helping CHR-P young adults build resiliency and skills that are vital to their recovery; and educating young adults, their families, and the community at large on SMI, SUD, and psychosis.
$1,842,659.00	Expand services for Medicaid-eligible and unisured adults with SMI and significant co-occurring physical health conditions, particulary focusing on older adults.
$136,814.00	Funding will support the training of community support workers, peers and other behavioral health professionals working with young adults with SMI. Crisis service projects such as Amazon Connect and technology to support GPS-enabled mobile team dispatch.
$2,101,487.00	Support needs and gaps in mental health services continuum including prevention, intervention, access to crisis services, treatment, and recovery support services.
$128,419.00	Equipment and supplies to support COVID Testing and Mitigation for St. Elizabeths Hospital.
$5,640,385.00	Substance use prevention, treatment and recovery support services
$125,000.00	Supplies to support COVID Testing and Mitigation for consumers residing in MHCRFs

$25,166,719.00	Addresses the overdose crisis by increasing access to medication for opioid use disorder (MOUD), reducing unmet treatment needs, and reducing opioid overdose-related deaths through the provision of prevention, overdose prevention, treatment, and recovery support services (RSS) to individuals with opioid use disorder (OUD) and other concurrent substance use disorders. To develop a short-term residential facility providing Temporary Housing with Wrap-Around Services for individuals struggling with opioid addiction, particularly those awaiting treatment entry or recently released from incarceration without safe housing. The initiative will establish an 18-bed respite housing facility, offering emergency shelter and
To outreach and adapt evidence-based Alcohol, Tobacco, and Other Drugs (ATOD) and Overdose Lifeline curriculums to train target audience leaders who are connected to religious institutions, and to disseminate harm reduction tools, opioid prevention information and other resources to prevent fatalities and reduce risk of opioid misuse.engaging parents
To provide outreach, engagement and referral services to individuals with opioid use disorder, targeting unsheltered individuals and African American men ages 45 to 54 years of age.
To activate 35 Medical Ascension Youth as 35 Medical Ascension: Level Up Against Opioid Epidemic Leaders for their peers, near-peers, community members, and family members.
To empowers youth in Wards 7 and 8 with evidence-based peer support training and leadership development, focusing on culturally responsive service delivery.
Implement school based behavioral health services in the District of Columbia Public Charter Schools
To fund staff to conduct sustained outreach, engagement, and case management services to individuals who appear to have unmet behavioral health needs especially alcohol and opioid use disorders and will include both housed and unhoused individuals.
To expand SOME's no-barrier drop-in program featuring Peer Support Services. The program connects homeless individuals with OUD to harm reduction services, peer outreach support and linkage to any additional primary care, dental care or behavioral health services.

Implement school based behavioral health services in the District of Columbia Public Charter Schools
To a) pilot walk-in hours for medication-assisted treatment (MAT) services at the agency's Behavioral Health Administration (BHA)-certified outpatient treatment program, located at 1949 4th Street NE, Washington, D.C. 20002, and b) to provide in-depth training on the topics of opioid use disorder (OUD) treatment; American Society of Addiction Medicine
To provide 10 abstinence-based housing with wrap-around services for female DC residents who are reentering their community.
To significantly address dire opioid crisis and enhance community resilience through the Innovative Peer-Led Strategies for Addressing Opioid Use Disorder in Washington DC" project.
To implement an education and prevention program in wards 6 & 7 that will focus on providing overdose prevention techniques to decrease the incidence of substance use disorder in youth, individuals, and families in the District of Columbia.
Implement school based behavioral health services in the District of Columbia Public Schools and District of Columbia Public Charter Schools
Implement school based behavioral health services in the District of Columbia Public Schools and District of Columbia Public Charter Schools
Implement school based behavioral health services in the District of Columbia Public Schools and District of Columbia Public Charter Schools

To maximize outreach by training leaders in the Be Strong Parent and Recovery Cafés who are connected to religious institutions, and to disseminate overdose prevention tools, opioid prevention information and other resources to prevent fatalities and reduce risk of opioid misuse.
Conduct outreach to individuals with opioid use disorder (OUD) and/or stimulant use disorder (STUD) in the community, with a primary emphasis on people who inject drugs (PWID).
Implement Peer-led recovery support strategies that include: providing programming for peers to support one another, making referrals and linkages to behavioral health services, conducting outreach, developing a team of Certified Peer Specialists and Recovery Coaches, distributing naloxone, and providing naloxone training.
Enhancement of SUD prevention and the coordination of strategies aimed at addressing opioid and stimulant misuse within the District in Wards 7 and 8.
Identify, connect with, and provide comprehensive case management services to DBH's most complex and high-acuity clients who are diagnosed with opioid use disorder (OUD) or stimulant use disorder (STUD)
Identify, connect with, and provide comprehensive case management services to DBH's most complex and high-acuity clients who are diagnosed with opioid use disorder (OUD) or stimulant use disorder (STUD)
Implement school based behavioral health services in the District of Columbia Public Schools and District of Columbia Public Charter Schools
Implement school based behavioral health services in the District of Columbia Public Schools and District of Columbia Public Charter Schools

Implement school based behavioral health services in the District of Columbia Public Schools and District of Columbia Public Charter Schools
To develop a short-term residential facility providing Temporary Housing with Wrap-Around Services for individuals struggling with opioid addiction, particularly those awaiting treatment entry or recently released from incarceration without safe housing.
Implement school based behavioral health services in the District of Columbia Public Schools and District of Columbia Public Charter Schools
Proactively re-engage clients with OUD who are enrolled in their MOUD program who have stopped attending treatment; and provide support to current clients to promte treatment retention
Implement Peer-led recovery support strategies that include: providing programming for peers to support one another, making referrals and linkages to behavioral health services, conducting outreach, developing a team of Certified Peer Specialists and Recovery Coaches, distributing naloxone, and providing naloxone training.
Proactively re-engage clients with OUD who are enrolled in their MOUD program who have stopped attending treatment; and provide support to current clients to promte treatment retention
Partner with eight acute care hospitals in the District of Columbia to hire peers to work in the emergency department (where applicable) and on inpatient units to conduct SBIRT. Peers will also follow up with individuals that are positive for OUD/STUD for 90 days who were not linked to treatment.
Implement school based behavioral health services in the District of Columbia Public Schools and District of Columbia Public Charter Schools

Clinical High Risk for Psychosis- Stepped Care Approach
Implement school based behavioral health services in the District of Columbia Public Schools and District of Columbia Public Charter Schools
Implement school based behavioral health services in the District of Columbia Public Schools and District of Columbia Public Charter Schools
To provide DC residents with 24/7 access to high-quality peer support while also developing the District's peer workforce through expanding the role of peers in the treatment and recovery system by combining traditional coaching from certified peers with on-demand access to a drop-in recovery community through the Marigold Health application.
Implement school based behavioral health services in the District of Columbia Public Schools and District of Columbia Public Charter Schools
Implement school based behavioral health services in the District of Columbia Public Schools and District of Columbia Public Charter Schools
To increase the DC Peer workforce capacity, quality and sustainability through the Jordan Peer Recovery peer workforce apprenticeship that will be expanded to mitigate the DC opioid crisis.
Proactively re-engage clients with OUD who are enrolled in their MOUD program who have stopped attending treatment; and provide support to current clients to promte treatment retention

Deliver OUD/STUD prevention, outreach, andrecovery services to diversepopulations in the District ofColumbia
Proactively re-engage clients with OUD who are enrolled in their MOUD program who have stopped attending treatment; and provide support to current clients to promte treatment retention
Deliver OUD/STUD prevention, outreach, andrecovery services to diversepopulations in the District ofColumbia
Deliver OUD/STUD prevention, outreach, andrecovery services to diversepopulations in the District ofColumbia
To expand the work of the Youth Prevention Leadership Corps by providing the Youth Prevention Leadership Certification program, a multi-tiered approach to youth development and community prevention leadership.
Operate recovery residences and sustain existing residences; Provide housing and recovery support services to at least 75 individuals with OUD/STUD including rental assistance
Deliver OUD/STUD prevention, outreach, andrecovery services to diversepopulations in the District ofColumbia
Enhancement of SUD prevention and the coordination of strategies aimed at addressing opioid and stimulant misuse within the District

Enhancement of SUD prevention and the coordination of strategies aimed at addressing opioid and stimulant misuse within the District
Up to four (4) crisis stabilization beds for clients with OUD and/or STUD to determine most appropriate level of care
Implement school based behavioral health services in the District of Columbia Public Schools and District of Columbia Public Charter Schools
To expand residential SUD treatment and medication-assisted treatment for youth (24 beds).
Implement school based behavioral health services in the District of Columbia Public Schools and District of Columbia Public Charter Schools
Implement school based behavioral health services in the District of Columbia Public Schools and District of Columbia Public Charter Schools
Implement school based behavioral health services in the District of Columbia Public Schools and District of Columbia Public Charter Schools
Implement school based behavioral health services in the District of Columbia Public Schools and District of Columbia Public Charter Schools

Implement school based behavioral health services in the District of Columbia Public Schools and District of Columbia Public Charter Schools
To assess current workflows and develop new care pathways to enhance the identification and treatment of patients with OUD and SUD; ensure that patients receive necessary harm reduction education, low-barrier MOUD initiation, and naloxone.
Duplicate entry, information found on row 118
To enhance the capacity of community organizations, businesses, and schools to respond to the opioid crisis; increase community awareness and preparedness for substance use disorders; and create stronger support networks for individuals facing substance use challenges.
To enhance the ability of the POC to engage their communities and increase the workforce development of the POCs, particularly regarding care coordination, wraparound services and mental health first aid training.
To a) implement a pilot service referral program to help provide the coordination of much needed services for trauma, housing, utility assistance, employment, income, food, mental health, youth services, and substance use disorder treatment modeled on a successful program in Jackson County, Missouri; and b) implement a wholistic approach to decrease opioid
Conduct outreach to individuals with opioid use disorder (OUD) and/or stimulant use disorder (STUD) in the community, with a primary emphasis on people who inject drugs (PWID).
Conduct outreach to individuals with opioid use disorder (OUD) and/or stimulant use disorder (STUD) in the community, with a primary emphasis on people who inject drugs (PWID).

Provide housing for returning citizens (women) and case management to support individuals recovery and provide linkages to treatment and recovery support services
Deliver OUD/STUD prevention, outreach, andrecovery services to diversepopulations in the District ofColumbia
Implement Peer-led recovery support strategies that include providing programming for individuals with OUD/STUD, and their family and friends that allows peers to support one another. Provide referrals and linkages to behavioral health agencies, including medication for OUD (MOUD) providers/prescribers. Develop a team of Certified Peer
Grantee will identify, connect with, and provide comprehensive case management services to DBH's most complex and high-acuity clients who are diagnosed with opioid use disorder (OUD) or stimulant use disorder (STUD)
Implement Peer-led recovery support strategies that include providing programming for individuals with OUD/STUD, and their family and friends that allows peers to support one another. Provide referrals and linkages to behavioral health agencies, including medication for OUD (MOUD) providers/prescribers. Develop a team of Certified Peer
Deliver OUD/STUD prevention, outreach, andrecovery services to diversepopulations in the District ofColumbia
Provide recovery residences with intensive case management for individuals with opioid and/or stimulant use disorder
Deliver OUD/STUD prevention, outreach, andrecovery services to diversepopulations in the District ofColumbia

Deliver OUD/STUD prevention, outreach, andrecovery services to diversepopulations in the District ofColumbia
Deliver OUD/STUD prevention, outreach, andrecovery services to diversepopulations in the District ofColumbia
Enhancement of SUD prevention and the coordination of strategies aimed at addressing opioid and stimulant misuse within the District
Enhancement of SUD prevention and the coordination of strategies aimed at addressing opioid and stimulant misuse within the District
Conduct outreach to individuals with opioid use disorder (OUD) and/or stimulant use disorder (STUD) in the community, with a primary emphasis on people who inject drugs (PWID).
Partner with acute care hospitals including Children's Hospital in the District of Columbia to hire peers to work in the emergency department (where applicable) and on inpatient units to conduct SBIRT. Peers will also follow up with individuals that are positive for OUD/STUD for 90 days who were not linked to treatment
Implement school based behavioral health services in the District of Columbia Public Schools and District of Columbia Public Charter Schools
To serve as substance use prevention hubs aimed at delaying and preventing the onset of alcohol, tobacco, and other drug use (ATOD).

Implement school based behavioral health services in the District of Columbia Public Schools and District of Columbia Public Charter Schools
To enhance the ability of the POC to engage their communities and increase the workforce development of the POCs, particularly regarding care coordination, wraparound services and mental health first aid training.
To serve as substance use prevention hubs aimed at delaying and preventing the onset of alcohol, tobacco, and other drug use (ATOD).
To serve as substance use prevention hubs aimed at delaying and preventing the onset of alcohol, tobacco, and other drug use (ATOD).
To expand the work of the Youth Prevention Leadership Corps by providing the Youth Prevention Leadership Certification program, a multi-tiered approach to youth development and community prevention leadership.

The purpose of the Community Approaches to Prevention (CAP) grant is to identify, select and implement appropriate evidence-based interventions and environmental strategies for youth at greater risk for engaging in substance use.
To enhance the ability of the POC to engage their communities and increase the workforce development of the POCs, particularly regarding care coordination, wraparound services and mental health first aid training.
Implement school based behavioral health services in the District of Columbia Public Charter Schools
Implement school based behavioral health services in the District of Columbia Public Charter Schools

Implement school based behavioral health services in the District of Columbia Public Charter Schools
Grantee will identify, connect with, and provide comprehensive case management services to DBH's most complex and high-acuity clients who are diagnosed with opioid use disorder (OUD) or stimulant use disorder (STUD)
Implement school based behavioral health services in the District of Columbia Public Charter Schools
Deliver OUD/STUD prevention, outreach, andrecovery services to diversepopulations in the District ofColumbia
Implement school based behavioral health services in the District of Columbia Public Charter Schools
To expand access to substance use disorder services to children and adolescents in the District of Columbia. Grant funding is to support initiative start-up costs and other services that are not Medicaid-billable. This funding cannot be used to support any service provision that can be paid for by Medicaid.
Implement school based behavioral health services in the District of Columbia Public Schools and District of Columbia Public Charter Schools
Implement school based behavioral health services in the District of Columbia Public Charter Schools

Implement school based behavioral health services in the District of Columbia Public Charter Schools
Proactively re-engage clients with OUD who are enrolled in their MOUD program who have stopped attending treatment; and provide support to current clients to promte treatment retention
To expand two initiatives to support individuals with substance use disorder (SUD)–the emergency department medications for opioid use disorder (MOUD) Bridge program and Mother Baby-SBIRT program–to MedStar Washington Hospital Center (MWHC) and MedStar Georgetown University Hospital (MGUH).
Provide recovery housing to returning citizens with opioid use disorder (OUD)and stimulant use disorder(STUD) for healthcareprofessionals;Provide intensive case management to individuals with OUD/STUD.
Grantee will identify, connect with, and provide comprehensive case management services to DBH's most complex and high-acuity clients who are diagnosed with opioid use disorder (OUD) or stimulant use disorder (STUD)
Deliver OUD/STUD prevention, outreach, andrecovery services to diversepopulations in the District ofColumbia
Freedman's Medicine (Freedman's) is a Home-based Primary care and Telehealth clinic, focusing on low-income older adults and individuals with disabilities who have SMI or substance use disorder (SUD), in addition to chronic medical conditions or a functional impairment. DBH already partners with Freedman's to serve about 500 consumers annually who have
Housing Care Support Management (HCSM)

Hillcrest Children and Family Center (Hillcrest) is a DBH-certified behavioral health provider that served 813 adults in FY23. In addition, Hillcrest is also a Certified Community Behavioral Health Clinic (CCBHC) working to deliver fully integrated behavioral health and primary care services to its patients.
To create a second drop-in center in Ward 5. CFLS will expand supportive services within the drop-in center to include access to employment case management, a starter kit program, substance use support, linkage to care and case management, and increased HIV testing and preventative care supports.
To expand its 20+ bed transitional housing program to support up to 100 clients with comprehensive wrap-around services for 6 months.
Grantee will identify, connect with, and provide comprehensive case management services to DBH's most complex and high-acuity clients who are diagnosed with opioid use disorder (OUD) or stimulant use disorder (STUD)
Enhancement of SUD prevention and the coordination of strategies aimed at addressing opioid and stimulant misuse within the District
Conduct outreach to individuals with opioid use disorder (OUD) and/or stimulant use disorder (STUD) in the community, with a primary emphasis on people who inject drugs (PWID).
Conduct outreach to individuals with opioid use disorder (OUD) and/or stimulant use disorder (STUD) in the community, with a primary emphasis on people who inject drugs (PWID).
Implement school based behavioral health services in the District of Columbia Public Schools and District of Columbia Public Charter Schools

Launch First Episode Psychosis (FEP) program in the Distict of Columbia
Launch First Episode Psychosis (FEP) program in the Distict of Columbia
Offers educational and workforce development training to returning citizens. Provides returning citizens with supported employment opportunities and support for up to six months.
Provides all three forms of MOUD for individuals in DC Jail (including those not in the Wellness Units). Wellness Units offer specific housing within the DC Jail for individuals with behavioral health needs, including but not limited to individuals with OUD and STUD. In addition to MOUD, counseling, supportive programming, and links to community resources
Offers educational and workforce development training to returning citizens. Provides returning citizens with supported employment opportunities and support for up to six months.
Offers educational and workforce development training to returning citizens. Provides returning citizens with supported employment opportunities and support for up to six months.
Implement Peer-led recovery support strategies that include providing programming for individuals with OUD/STUD, and their family and friends that allows peers to support one another. Provide referrals and linkages to behavioral health agencies, including medication for OUD (MOUD) providers/prescribers. Develop a team of Certified Peer
To assist the District of Columbia and DBH with conducting annual compliance checks to ensure the District merchants are compling with the District's tobacco laws.

Deliver OUD/STUD prevention, outreach, andrecovery services to diversepopulations in the District ofColumbia
Grantee will identify, connect with, and provide comprehensive case management services to DBH's most complex and high-acuity clients who are diagnosed with opioid use disorder (OUD) or stimulant use disorder (STUD)
Conduct outreach to individuals with opioid use disorder (OUD) and/or stimulant use disorder (STUD) in the community, with a primary emphasis on people who inject drugs (PWID).
Grantee will identify, connect with, and provide comprehensive case management services to DBH's most complex and high-acuity clients who are diagnosed with opioid use disorder (OUD) or stimulant use disorder (STUD)
Grantee will identify, connect with, and provide comprehensive case management services to DBH's most complex and high-acuity clients who are diagnosed with opioid use disorder (OUD) or stimulant use disorder (STUD)
Grantee will identify, connect with, and provide comprehensive case management services to DBH's most complex and high-acuity clients who are diagnosed with opioid use disorder (OUD) or stimulant use disorder (STUD)
Grantee will identify, connect with, and provide comprehensive case management services to DBH's most complex and high-acuity clients who are diagnosed with opioid use disorder (OUD) or stimulant use disorder (STUD)
Grantee will identify, connect with, and provide comprehensive case management services to DBH's most complex and high-acuity clients who are diagnosed with opioid use disorder (OUD) or stimulant use disorder (STUD)

Offers educational and workforce development training to returning citizens. Provides returning citizens with supported employment opportunities and support for up to six months.
The purpose of this project is to remove transportation as a barrier for people seeking to access treatment services for opioid use disorder (“OUD”). Individuals with OUD may be ready for treatment but do not have the time, resources, or energy to travel via public transportation. This project will allow individuals to request transportation to treatment
Implement strategies that reduce barriers to accessing treatment for prospective patients with OUD or STUD, re-engage patients who have unexpectedly or prematurely discontinued their treatment, support current patients to promote retention, and provide whole-person care.
Deliver OUD/STUD prevention, outreach, andrecovery services to diversepopulations in the District ofColumbia
Grantee will identify, connect with, and provide comprehensive case management services to DBH’s most complex and high-acuity clients who are diagnosed with opioid use disorder (OUD) or stimulant use disorder (STUD)
Develops and delivers online SUD screening protocol and related materials for pregnant and post-partum women to maternal and child health care providers in the District.
Evidenced Based Supported Employment Work Force Stabilization and Development Initiative
Evidenced Based Supported Employment Work Force Stabilization and Development Initiative

Deliver OUD/STUD prevention, outreach, andrecovery services to diversepopulations in the District ofColumbia
To assist the District of Columbia and DBH with conducting annual compliance checks to ensure the District merchants are compling with the District's tobacco laws.
Evidenced Based Supported Employment Work Force Stabilization and Development Initiative
The establishment of an American Society of Addiction Medicine (ASAM) Level 3.5 youth residential treatment facility. Youth receiving services must meet the ASAM criteria requiring services at a 3.5 level facility.
Implement school based behavioral health services in the District of Columbia Public Charter Schools
The purpose of the intiative is to implement stategies that: 1. Expand capacity amongst smaller community-based organizations and service providers implementing evidence-based or promising practices at the neighborhood level. 2. Strengthen the continuum of care of prevention, treatment and recovery. 3. Enhance existing behavioral health-focused
The purpose of the intiative is to implement stategies that: 1. None Needed
Outcomes included: Goal was around planning and implementing care pathways for individuals receiving services	None Needed
	None Needed
Outcomes included: social media engagement 5000; 100 hs students engaged; 200 SUD vulnerable people engaged; 50 community based engagements; 60 narcan trainings	None Needed
Outcomes included: • Increase in enrollment by 5%; • Increase in number of individuals who engaged in SUD prevention activities by 5% • Increase number of naloxone kits distributed by 5%; • Increase number of individuals trained to administer naloxone by 5%;	None Needed
Outcomes included: 1)Transformers: Number of monthly attendees to sub awardees Number of that complete Transformation Phases I-III (unduplicated) Average pre/mid/post-test scores for youth participants 2) DC Strivin': Number of referrals, Number of Linkages, Number of	None Needed
Number of total contacts; number of unique individuals engaged; number of syringes collected;number of fentanyl test strips distributed; number of naloxone kits distributed; number of overdose reversals completed; number of naloxone trainings conducted; number of clients referred to treatment.	None Needed
number of syringes collected and distributed	None Needed

Outcomes include:number of individuals referred and accepted; number of individuals with OUD and/or STUD; number of inidividuals receiving recovery support services; number of individuals receiving overdose prevention education; number of voluntary discharges; etc	None Needed
Outcomes included: 1) Number of individuals at each event 2) Number of individuals served by the program by activity and cumulatively 3) Number of individuals who received naloxone training 4) Number of individuals who were provided naloxone	None Needed
Number of individuals with OUD/STUD enrolled in peer-led services; Number of individuals with OUD/STUD referred to and linked with behavioral health services: Number and percentage of individuals who demonstrate improved quality of life indicators: Number of naloxone kits distributed: Number of individuals trained to administer naloxone	None Needed
Number of individuals with OUD/STUD enrolled; linkages to treatment; treatment retention; overdose and follow-up after overdose; hospitalization and follow-up after hospitalization	None Needed
Number of individuals with OUD/STUD enrolled in peer-led services; Number of individuals with OUD/STUD referred to and linked with behavioral health services: Number and percentage of individuals who demonstrate improved quality of life indicators: Number of naloxone kits distributed: Number of individuals trained to administer naloxone	None Needed
Outcomes included: 1) Number of individuals at each event 2) Number of individuals served by the program by activity and cumulatively 3) Number of individuals who received naloxone training 4) Number of individuals who were provided naloxone	None Needed
Outcomes include number of individuals in each residence; number of individuals with OUD and/or STUD; number of vacancies; number of admissions; number of applications received each month; number of voluntary departures per residences; number of relapses at each residence; etc.	None Needed
Outcomes included: 1) Number of individuals at each event 2) Number of individuals served by the program by activity and cumulatively 3) Number of individuals who received naloxone training 4) Number of individuals who were provided naloxone	None Needed

Outcomes included: 1) Number of individuals at each event 2) Number of individuals served by the program by activity and cumulatively 3) Number of individuals who received naloxone training 4) Number of individuals who were provided naloxone	None Needed
Outcomes included: 1) Number of individuals at each event 2) Number of individuals served by the program by activity and cumulatively 3) Number of individuals who received naloxone training 4) Number of individuals who were provided naloxone	None Needed
Number of families and youth reached through prevention activities, number of school-based and community events, number of naloxone kits distributed.	None Needed
Number of families and youth reached through prevention activities, number of school-based and community events, number of naloxone kits distributed.	None Needed
Number of total contacts; number of unique individuals engaged; number of syringes collected;number of fentanyl test strips distributed; number of naloxone kits distributed; number of overdose reversals completed; number of naloxone trainings conducted; number of clients referred to treatment.	None Needed
SBIRT screenings, MOUD inductions, referrals and linkages to treatment, and outreach to patients in the community	None Needed
Outcomes included: 1) reduced barriers to learning through a multi-tiered array of services 2) provided a foundation of services for all students 3) provided focused interventions for some students at high risk for behavioral health problems and 3) provided intensive services for the few that require that level of service and support.	None Needed
Met deliverables, reached over 786 particpants through outreach and education activities and 559 of these particpants were youth. There were an estimated 42 outreach and engagement activities. Conducted 4 community conversations with 77 participants. Engaged and identified 10 new Community Prevention Networks and conducted action	None Needed

Outcomes included: 1) reduced barriers to learning through a multi-tiered array of services 2) provided a foundation of services for all students 3) provided focused interventions for some students at high risk for behavioral health problems and 3) provided intensive services for the few that require that level of service and support.	None Needed
Outcomes included: • Increase in enrollment by 5%; • Increase in number of individuals who engaged in SUD prevention activities by 5% • Increase number of naloxone kits distributed by 5%; • Increase number of individuals trained to administer naloxone by 5%; and	None Needed
Met deliverables, reached over 6847 particpants through outreach and education activities and 2180 of these particpants were youth. There were an estimated 64 outreach and engagement activities. Conducted 4 community conversations with 43 participants. Engaged and identified 5 new Community Prevention Networks and conducted action planning with 4 of	None Needed

Recommended outcomes or actions	*Date completed*
1.Within 30 days, SEH security personnel (SOs and SPOs) should be trained on DBH's MUI policy to ensure proper and timely notification of incidents. SEH security personnel should immediately cease the use of the Security Logbook to document Major and Unusual Incidents in accordance with DBH Major Unusual Incident policy §480.1. 2. Within 30 days SEH security personnel should develop a standard operating procedure (SOP) for SOs and SPOs, that defines specific duties and responsibilities. This SOP should also identify what specific incident require MPD notification. A copy of the of this SOP should be submitted to DBH General Council for review. 3. Within 30 days, SEH staff should receive Workplace Violence training. A copy of this report shall be forwarded to DBH Leadership, General Counsel, and SEH Leadership.	10/3/2024
1. Within thirty (30) days SEH Housekeeping management should ensure that their staff receive MUI training. 2. Within thirty (30) days, SEH Housekeeping management should receive Workplace Violence training. Staff interviewed could not recall receiving Workplace Violence training. 3. SHE Housekeeping management should also meet with their subordinates to address the allegations of favoritism, nepotism, and unequal treatment and opportunities. 4. The Division of Incident Management and Investigations will send a copy of this to the DBH Director, Senior Deputy Director, General Counsel, and SEH CEO.	3/9/2025

1. Within 30 days CRT leadership should retrain all CRT staff on DBH policies related to HIPAA and PHI. 2. Within 30 days CRT should develop a standard operating procedure (SOP) for handling all FD-12 documentation. All CRT staff should receive training on the SOP. Upon completion of this training, CRT should provide copies of the staff attendance to DIMI. 3. CRT leadership should immediately ensure that staff do not utilize personal electronics to access or store PHI. 4. Within 60 days, CRT leadership should designate an interim supervisor for their evening shift (4:30 p.m. till 12:30 a.m.). 5. CRT should designate a secure location to store PHI. 6. A copy of this report will be forward to DBH's Interim Chief of Crisis Services, Human Resources, Health Information Management and Privacy Officer, and General Counsel, for their review and recommendations.		11/28/2025
A copy of this report shall be provided to DBH's Ombudsman office. The Ombudsman should share the findings of this investigation with Ms. Murphy within 30 days. 2. A copy of this report shall be provided to DBH Interim Chief of Crisis Services 3. Within 60 days, CRT/Crisis Services should update their Standard Operating Procedures to include procedures related to youth mobile crisis, screening calls, and deployment.		11/20/2025
Substantiated allegations referred to DHCF	Throught FY 25	
1. A copy of this Investigative Report shall be immediately forwarded to DBH Leadership, General Counsel, and Human Resources for necessary actions. 2. Within 30 days, CPEP staff should receive triage and admissions training.		4/11/2025
None		8/13/2025

Within 30 calendar days, SEH should conduct PHI training for all staff involved in patient care. This training should be conducted annually. SEH should ensure that attendance is documented. This training should provide examples of PHI violations such as the use of phones used to take photographs of patients, the unauthorized use of unencrypted devices and e-mails. 2. A copy of this report shall immediately forward to DBH's General Counsel, DBH Human Resources, and SEH CEO for further actions	9/5/2025
1. A copy of this Investigative Report shall be immediately forwarded to DBH Leader	7/15/2025
1. A copy of this report shall be provided to DBH's Ombudsman office. The Ombudsman should share the findings of this investigation with Ms. Murphy within 30 days. 2. A copy of this report shall be provided to DBH Interim Chief of Crisis Services 3. Within 60 days, CRT/Crisis Services should update their Standard Operating Procedures to include procedures related to youth mobile crisis, screening calls, and deployment.	11/20/2025

1. Within 60 days, SEH policies should clarify the "debriefing" that should occur after a Code 13 and Seclusions and Restraints. The Code 13 Response policy references a Post-Event Analysis Debriefing, and the Seclusions and Restraints policy refers to Debriefing and Post-Event Analysis as separate events. 1. Within 60 days, SEH policies should clarify the [CS1.1][EB1.2][CS1.3]"debriefing" that should occur after a Code 13 and Seclusions and Restraints. The Code 13 Response policy references a Post-Event Analysis Debriefing, and the Seclusions and Restraints policy refers to Debriefing and Post-Event Analysis as separate events.
2. Within 30 days, SEH should provide BHT and security staff with training a policy and respective training for Shield Use.
3. Within 30 days, SEH Management should ensure that door leading to the staff portion of 2TR is not easily penetrable and can provide adequate safety and security.
4. Within 30 days, SEH should provide staff, responsible for patient care, with training on the Levels of Special Observation Policy

1. Within 30 days CRT leadership should retrain all CRT staff on DBH policies related to HIPAA and PHI. 2. Within 30 days CRT should develop a standard operating procedure (SOP) for handling all FD-12 documentation. All CRT staff should receive training on the SOP. Upon completion of this training, CRT should provide copies of the staff attendance to DIMI. 3. CRT leadership should immediately ensure that staff do not utilize personal electronics to access or store PHI. 4. Within 60 days, CRT leadership should designate an interim supervisor for their evening shift (4:30 p.m. till 12:30 a.m.). 5. CRT should designate a secure location to store PHI. 6. A copy of this report will be forward to DBH's Interim Chief of Crisis Services, Human Resources, Health Information Management and Privacy Officer, and General Counsel, for their review and recommendations.	11/24/2025

(i) Services that are not provided and documented in accordance with these certification standards;

(j) Services that are not behavioral health services as described in these rules; and

(k) Services furnished to persons other than the consumer, when those services are not directed primarily to the well-being and benefit of the consumer.

22-A3436 Intensive Care Coordination

3436.1 ICC is a comprehensive, holistic, child/youth, and family-driven approach to case management for children and youth experiencing behavioral health challenges. ICC services shall be delivered according to the National Wraparound Initiative (NWI) High Fidelity Wraparound model. ICC services shall be provided to fidelity to the NWI model. Each ICC provider shall maintain a passing fidelity score using the Wraparound Fidelity Index.

3436.2 ICC services shall be delivered through a Wraparound Team Meeting (WTM) process. ICC shall support the child/youth and their family in defining a family vision and goals and in developing creative and individualized services and supports to help the family achieve their goals and vision. The Wraparound Team shall work directly with the child/youth and their family (including biological, kin, foster, adoptive, and fictive) to develop, implement, track, and adapt a family-driven and child/youth-guided individualized plan of care (IPC) that identifies goals and the appropriate strategies to reach the goals.

3436.3 ICC services shall be customized to each child/youth and their family and responsive to the family's strengths, using a combination of formal and informal supports. ICC services shall involve the coordination, to the extent consistent with applicable law, of a broad range of services and supports across multiple systems, including the behavioral health system, the child welfare system, and the juvenile justice system.

3436.4 ICC services may include the coordination of Medicaid-reimbursable services such as MHRS, SUD Treatment and Recovery Services, Crisis Services, peer supports, social services, and educational services; and non-Medicaid reimbursable services paid through a child/youth's flexible funding allotment.

3436.5 ICC service components shall include:

(a) A comprehensive assessment;

(b) Child/youth and family-driven identification of appropriate members for the Wraparound Team;

(c) Development of the IPC in collaboration with the child/youth, family, and collateral contacts;

(d) Development of a Crisis Safety Plan;

(e) Regular contact between the care coordinator and the family, the child/youth (where appropriate) and other relevant persons in the child/youth's life;

(f) Facilitation of WTM at least monthly;

(g) Face to face contact with the child/youth and family, and the ICC Care Coordinator, weekly;

(h) Referrals to other appropriate behavioral health services and supports including housing;

(i) Identification and development of natural supports, such as family and friends;

(j) Assistance with navigation of other services, including social services, medical services, and educational services;

(k) Family engagement and orientation, including family education and advocacy services and support; and

(l) Monitoring, reviewing, and updating the IPC to reflect the changing needs of the child/youth and family.

3436.6 ICC providers shall be community-based, culturally and linguistically competent and able to meet the changing needs of a child/youth and their family.

3436.7 Children/youth eligible to receive ICC services shall:

(a) Be under age twenty-two (22);

(b) Exhibit significant functional impairment across life domains as reflected in the Department-designated standardized assessment tool; and

(c) Exhibit at least one (1) of the following criteria:

(1) Be at risk of placement outside of their home to include foster care, shelter care through the juvenile justice system, or a Psychiatric Residential Treatment Facility due to behavioral health needs as assessed by an independently licensed behavioral health practitioner or a school psychologist. In evaluating risk of being placed outside of home, the assessment shall evaluate the child/youth's impairment in the following areas:

(i) Self-Care - Basic hygiene, grooming or nutritional needs which are consistent with the maintenance of general health and wellness;

(ii) Community Functioning - Behaviors observed in the community related to personal judgement abilities and decision-making skills;

(iii) Social Relationships - The ability to maintain positive and effective relationship with peers and adults;

(iv) Family Functioning - The ability to maintain positive, healthy relationships with family members; or

(v) School/Vocational/Work Functioning - The ability to function in the school or vocational setting. Impairment may be evidenced by poor school attendance, decline in productivity or maladaptive behavior in the school/vocational/work setting.

(2) Be returning from a placement outside-of-home;

(3) Receiving services or supports from two (2) or more District government agencies; or

(4) Have had three (3) or more behavioral health hospitalizations within a six (6) month period.

3436.8 The ICC provider shall convene a Wraparound Team, which shall consist of, at a minimum, the following members:

(a) The child/youth;

(b) The ICC care coordinator;

(c) The child/youth's family, including fictive kin;

(d) Any interested person the family wishes to include as a member of the team, which may include clergy members, family friends, and other informal support resources;

(e) The child/youth's medical, behavioral, and community-based providers;

(f) A clinical staff member who is directly involved in the treatment of the child/youth for whom the IPC is being developed, if desired by the family;

(g) Representation from outside agencies with which the child/youth is involved, including current providers of services, parole/probation officers, or educators that the child/youth and their family agree to include; and

(h) The Child and Family Services Agency (CFSA) social worker assigned to the child/youth, if the child/youth is receiving services from CFSA.

3436.9 Each ICC team shall be staffed by an ICC care coordinator and an ICC supervisor.

3436.10 The ICC provider shall assign an ICC care coordinator to a child/youth within seventy-two (72) hours of receipt of an approved referral for ICC services from the Department or its authorized designee.

3436.11 Within fourteen (14) calendar days of the child/youth's referral to ICC services, the ICC care coordinator shall complete a comprehensive family narrative inclusive of family strengths.

3436.12 The ICC provider shall complete a comprehensive assessment for the child/youth at the initiation of ICC services and reassess the child/youth at least annually. The assessment shall include a comprehensive history for the child/youth with information from relevant third-party sources as appropriate. The assessment shall determine the child/youth's need for linkages to medical, educational, or social services.

3436.13 Within thirty (30) calendar days of the child/youth's referral to ICC services, the ICC care coordinator shall convene an initial WTM and complete an IPC. The IPC shall be based on findings of the comprehensive assessment and integrate individualized set of community services and natural supports to be wrapped around the child/youth and their family to achieve the desired outcomes. The Wraparound Team shall review and update the IPC during each monthly WTM, following any comprehensive assessment, and following any crisis, to ensure that it remains appropriate to meet the family's goals and that services are furnished in accordance with the IPC. The IPC shall include a list of the child/youth's goals and the medical, educational, and social services actions and referrals needed to achieve them.

3436.14 The ICC care coordinator will identify and actively assist the child/youth and family to obtain and monitor the delivery of available services to support the goals established in the child/youth's IPC, including medical, educational, social, therapeutic, or other services. The ICC care coordinator will collaborate with the other service providers and agencies (if involved) on the behalf of the child/youth and family to facilitate service delivery.

3436.15 The ICC care coordinator shall meet at least weekly with the child/youth and their family to discuss progress towards the goals established in the IPC.

3436.16 The ICC provider shall work with the child/youth and family to develop an individualized Crisis Safety Plan for each child/youth within fourteen (14) calendar days of the child/youth's initiation of ICC services, which may include utilization of twenty-four (24) hour Crisis Services through the Child Adolescent Mobile Psychiatric Services Crisis Team. The ICC provider shall respond twenty-four (24) hours a day seven (7) days a week to crises for child/youth and their family, including assisting in implementing the child/youth's Crisis Safety Plan during a crisis.

3436.17 Each child/youth receiving ICC services may receive up to a one thousand dollar ($ 1,000.00) flexible funding allotment per calendar year as needed for non-Medicaid reimbursable services and supports that are included in their treatment plan. The ICC provider shall manage these funds to ensure they are used only to support individualized needs identified and delineated in the child/youth's IPC.

3436.18 ICC shall be provided in natural settings including the child/youth's home, school, community, the ICC provider site, or in any out of home placement where the child/youth is currently placed and pending discharge. The ICC provider shall accommodate WTM at times that are reasonably convenient for the child/youth and their family.

3436.19 The ICC provider shall discharge the child/youth from ICC services when:

(a) ICC services are no longer indicated for the child/youth pursuant to the District-approved functional assessment tool;

(b) The child/youth's clinical presentation indicates that ICC services are no longer appropriate; or

(c) The child/youth or their family refuses to continue with ICC.

3436.20 The Wraparound Team shall begin transition planning from the start of enrollment in ICC. Within sixty (60) calendar days prior to a discharge, the Wraparound Team shall update the transition plan to ensure it aligns with the

current IPC, the child/youth and family's goals and preferences, and the availability of culturally responsive and appropriate community-based services for the child/youth and their family to support continued progress and/or maintenance. Transition services may include services and support already in place while involved in ICC.

3436.21 The ICC supervisor shall:

(a) Provide clinical and administrative oversight to the ICC team; and

(b) Ensure that ICC services are delivered according to NWI fidelity standards and the ten (10) NWI Principles of Wraparound, available from https://nwi.pdx.edu/NWI-book/Chapters/Bruns-2.1-(10-principles-of-wrap).pdf.

3436.22 The ICC care coordinator shall ensure that the plan of care reflects the decisions of the Wraparound Team and detail tasks to complete to ensure that the child/youth and their family receive the supports identified in the IPC. The ICC care coordinator shall have a maximum case load of ten (10) children/youth at any time.

3436.23 ICC care coordinators shall:

(a) Possess a Bachelor of Arts or a Bachelor of Science degree in social work, psychology or related field and have a minimum of three (3) years of experience in a human services profession; or

(b) Have at least four (4) years of employment in a human services profession.

3436.24 ICC supervisors shall:

(a) Possess a master's degree in social work, psychology, or other related profession;

(b) Be an independently licensed behavioral health practitioner;

(c) Have at least five (5) years of experience in case management;

(d) Have at least two (2) years of supervisory experience; and

(e) Have a supervisory certification from the National Wraparound Implementation Center (NWIC) or be enrolled and completing the certification process while employed as an ICC supervisor.

3436.25 ICC providers shall ensure that all ICC care coordinators and ICC supervisors meet all training requirements established by the Department in this chapter and are certified by NWIC, and shall not utilize an ICC care coordinator or ICC supervisor who does not meet those requirements or does not maintain that certification.

3436.26 ICC providers shall not deliver services before receiving prior authorization from the applicable payor.

3436.27 ICC services may include contacts with individuals other than the child/youth that are directly related to at least one (1) of the following:

(a) Identifying the child/youth's needs and care to help the child/youth access services;

(b) Providing the ICC case coordinator or ICC supervisor with feedback; or

(c) Alerting the ICC case coordinator or ICC supervisor to changes in the child/youth's needs.

3436.28 ICC providers shall maintain case records that document the following for all children/youth receiving ICC services:

(a) The name of the child/youth receiving ICC services;

(b) The dates that the child/youth received ICC services;

(c) The name of the person(s) providing ICC services;

(d) The nature, content, units of the case management services received and whether goals specified in the care plan have been achieved;

(e) Whether the child/youth and family has declined services in the care plan;

(f) The need for, and occurrences of, coordination with other case managers;

(g) A timeline for obtaining needed services; and

(h) A timeline for reevaluation of the plan.

3436.29 ICC providers shall submit all data to the Department in the form and format required by the ITE Provider Extract Companion Guide, which outlines the instructions for network providers to submit BHSD (available at https://dbh.dc.gov/).

3436.30 ICC providers whose services are reimbursable under Medicaid shall be reimbursed at a per member per month rate established by the DHCF on the Medicaid Fee Schedule (available at https://dhcf.dc.gov/).

22-A3499. Definitions.

3499.1 The following terms in this chapter have the meaning ascribed in this section:

Advanced Practice Registered Nurse ("APRN") - A person licensed as an advanced practice registered nurse in accordance with applicable laws and regulations of the District or jurisdiction where services are delivered.

Assertive Community Treatment team ("ACT team") - A mobile inter-disciplinary team of qualified practitioners and other staff involved in providing ACT to a consumer.

Authorized - MHRS services that are prior authorized or reauthorized by the Department, in accordance with these standards.

Behavioral Concern - A behavioral and emotional reaction of childhood and adolescence that can range from normal to severe responses and can be categorized as troubling, disruptive, or threatening. Behavioral concerns can have varying ranges of manifestations by children that include but are not limited to poor concentration, changes in social interactions, sadness, poor academic performance, high levels of irritability, acting out aggressively, expressing anger inappropriately, and engaging in a variety of antisocial and destructive acts, including violence towards people and animals, destruction of property, lying, stealing, truancy, and running away from home.

Certified Addiction Counselor ("CAC") - A person certified as a Certified Addiction Counselor I or II in accordance with applicable laws and regulations of the District or jurisdiction where services are delivered.

Certification- The written authorization from the Department rendering an entity eligible to provide MHRS. The Department grants certification to community-based organizations that submit an approved certification application and satisfy the certification standards.

Certification Application - The application and supporting materials prepared and submitted to the Department by a community-based organization requesting a new certification or renewal of an existing certification to provide MHRS.

Certification Standards - The minimum requirements established by the Department in this chapter that a provider shall satisfy to obtain and maintain certification to provide MHRS and receive reimbursement from the District for MHRS.

Certified Peer Specialist - An individual who has completed the Peer Specialists Certification Program requirements and is approved to deliver Peer Support Services within the District's public behavioral health network.

Certified Recovery Coach - An individual with any DBH-approved recovery coach certification.

Child and Family Services Agency ("CFSA") - The District agency responsible for the coordination of foster care, adoption, and child welfare services and services to protect children against abuse or neglect.

Child-Parent Psychotherapy or CPP Fidelity Audit - A process by which the implementation of CPP, in accordance with the established standards and guiding principles, are annually evaluated.

Clinical Care Coordination - Coordination of care between the behavioral health clinician and the clinical personnel of an external provider (e.g., primary care, another behavioral health provider, payors, behavioral health authority, hospital).

Collateral Contact - A contact by a qualified practitioner or credentialed staff with any person other than the consumer.

Community Based Intervention Team ("CBI team") - The interdisciplinary team of qualified practitioners and other staff involved in providing CBI to a consumer.

Consumer - A person eligible to receive MHRS as set forth in this chapter.

Core Services- The following six (6) categories of MHRS: Diagnostic Assessment, Medication/Somatic Treatment, Counseling, Community Support, Crisis/Emergency Services, and Clinical Care Coordination.

Bulletin Title: ICC Flex Funds

Bulletin ID: 152
Issued Date: June 6, 2025
Effective Date: June 6, 2025

Intensive Care Coordination (ICC) is a comprehensive, holistic, child/youth and family-driven approach to case management for children and youth experiencing behavioral health challenges. ICC services shall be delivered according to the National Wraparound Implementation Center (NWIC) High Fidelity Wraparound model. ICC services may include the coordination of Medicaid-reimbursable services like MHRS, SUD Treatment and Recovery Services, and Crisis Services, peer supports, social services, and educational services; and non-Medicaid reimbursable services paid through a child/youth's flexible funding allotment. Non-Medicaid reimbursable services (3435.1) include the following:

-Room and board residential costs;

-Inpatient hospital services

-Transportation services

-Educational, vocational, and job training services

-Servies rendered by parents or other family members

-Social or recreational services

-Screening and provision services

Each child/youth receiving ICC services may receive up to a one-thousand dollar ($1,000.00) flexible funding allotment per calendar year as needed for non-Medicaid reimbursable services and supports that are included in their Individualized Plan of Care (IPC). The ICC provider shall manage these funds to ensure they are used only to support individualized needs identified and delineated in the child/youth's IPC.

When ICC providers submit flex funds requests to DBH for approval, each flex funds request must include the following:

- Youth's name
- Youth's Medicaid Number
- ICC Provider Agency
- Name Of Care Coordinator
- Date of request
- Amount requested
- Detailed justification of how flex funds are connected to the child/youth's IPC
- Documentation that the provider has exhausted all other community resources for providing these services without utilizing flexible funds and/or that the utilization of flex funds does not duplicate District dollars already covered for the child/youth with another District Agency.
- Copy of the Child/Youth's IPC referencing utilization of flex funds
- Attached receipts for all activities covered by flexible funds

Please contact Amina Smith, Evidence-Based Practices Program Manager, with questions about this bulletin. She can be reached at (202) 673-7758 or amina.smith@dc.gov.

Project Purpose/Aim
A Little More Support DC (ALMSDC) aims to significantly address die opioid crisis and enhance community resilience through the Innovative Peer-Led Strategies for Addressing Opioid Use Disorder in Washington DC" project. This initiative focuses on training and certifying peer recovery specialists and peer supervisors to support transitional age youth (TAY), Black, Indigenous, and People of Color (BIPOC), and justice-impacted populations in Washington, DC. By leveraging culturally responsive training methodologies and robust partnerships, ALMSDC eeks to build a skilled workforce dedicated to supporting individuals in recovery and improving health outcomes for underserved communities.
Anacostia Coordinating Council (ACC) will use DBH funding for two programs, First, DC Strivin. DC Strivin' is a pilot service referral program to help provide the coordination of much needed services for trauma, housing, utility assistance, employment, income, food, mental health, youth services, and substance use disorder treatment modeled on a successful program in Jackson County, Missouri. Second is the Transformers Rite of Passage. Transformers Rite of Passage Program is a trauma-informed strategy that includes early substance use intervention to serve 200 young people aged 12-24 who live East of the RiverThe purpose is to implement a wholistic approach to decrease opioid harm in the District of Columbia, particularly in Wards 7 & 8. The program is focused on helping East of The River youth overcome the trauma they have experienced resulting from systemic violence and substance use. In addition to helping them learn how to develop more optimal well-being to enable themselves to make healthier choices for their lives.
The purpose of this grant competition is to expand the work of the Youth Prevention Leadership Corps by providing the Youth Prevention Leadership Certification program, a multi-tiered approach to youth development and community prevention leadership. Through this certification program, we hope to expand youth perspective of their role in the community, enhance substance prevention knowledge and leadership, cultivate development/life skills acquired through formal education as well as the experience of being a resident in the District of Columbia, and create a positive outlet for self-expression. At the culmination of this experience, youth participants will be presented with a Youth SUD Prevention Leader certificate, acknowledging their completion of all requirements for the certification.

The purpose of the Faith-Based Grant Modification is to contribute to the District's response to the opioid crisis. Qualified faith-based organizations will support the District to increase outreach and education around prevention, treatment, recovery, and harm reduction to families and communities, including naloxone distribution for those most affected.
Empowering faith-based organizations; educating school personnel; CenterPoint Baptist Church will support the District to increase outreach and education around prevention, treatment, recovery, and harm reduction and increase harm reduction education to families and communities, including naloxone distribution for those most affected. CenterPoint will maximize outreach and adapt evidence-based Alcohol, Tobacco, and Other Drugs (ATOD) and Overdose Lifeline curriculums to train target audience leaders who are connected to religious institutions, and to disseminate harm reduction tools, opioid prevention information and other resources to prevent fatalities and reduce risk of opioid misuse.engaging parents
The purpose of this initiative is to expand access to substance use disorder services to children and adolescents in the District of Columbia. Grant funding is to support initiative start-up costs and other services that are not Medicaid-billable. This funding cannot be used to support any service provision that can be paid for by Medicaid.

To create a second drop-in center in Ward 5. CFLS will expand supportive services within the drop-in center to include access to employment case management, a starter kit program, substance use support, linkage to care and case management, and increased HIV testing and preventative care supports.
Community Bridges, Inc. will provide a targeted outreach program to provide wraparound services to those with opioid use disorders and who experience homelessness as a result. Services will be available from 8 am – 4 pm Monday through Friday all year round, responding to referrals from community members, police, FEMS, and the DC Stabilization Center. Community Bridges, Inc. will also target hot spots and spikes as determined by city officials. Outreach will consist of rapport-building, engagement with naloxone bags, and provision of connections to services, among others.
Leveraging the success of Medical Ascension, CompuRecycling Center, Incorporated (CRC) will activate 35 Medical Ascension Youth as 35 Medical Ascension: Level Up Against Opioid Epidemic Leaders for their peers, near-peers, community members, and family members. Through a multi-tiered framework that leverages youth leadership and authentic youth engagement, CRC's Medical Ascension: Level Up Leaders will engage their peers, near-peers, family members, and community members in prevention, awareness, and education activities in efforts to reduce opioid overdose-related deaths. The intended outcomes for the Medical Ascension: Level Up Against Opioid Epidemic Leaders project are 1) improve knowledge of opioid abuse 2) reduce risk factors and increase protective factors and 3) change perceptions, attitudes, and behaviors to reduce opioid misuse.
To support DC HEALTH in procuring the technology licensing and development costs related to the implementation and creation of reports and visualizations in the Data Lakehouse in support of opioid abatement activities for FY25. Data Lakehouse is not a public-facing system. DC HEALTH proposes the development of a secure, modern data platform to help the District respond more effectively to the opioid crisis. This centralized system, called Data Lakehouse, will collect and connect data from across multiple agencies, including the DC HEALTH, DBH, Fire and Emergency Medical Services (FEMS), the Office of the Chief Medical Examiner (OCME), and other state, local and federal partners.

To enhance the ability of the POC to engage their communities and increase the workforce development of the POCs, particularly regarding care coordination, wraparound services and mental health first aid training.
Deeds of Kindness Outreach Services will provide outreach, engagement and referral services to individuals with opioid use disorder, targeting unsheltered individuals and African American men ages 45 to 54 years of age. These services will be conducted by substance use peers where outreach will help to promote and guide the target population to a drop-in center where individuals can receive further peer support and mentoring, in addition to access other services such as harm reduction and specialized workshops (entrepreneurship, self-awareness, physical fitness, nutritious food demonstrations, etc.).

To enhance the ability of the POC to engage their communities and increase the workforce development of the POCs, particularly regarding care coordination, wraparound services and mental health first aid training.
The purpose of the Faith-Based Grant Modification is to contribute to the District's response to the opioid crisis. Qualified faith-based organizations will support the District to increase outreach and education around prevention, treatment, recovery, and harm reduction to families and communities, including naloxone distribution for those most affected.

ERPHealth and its GRO+ Systems Infrastructure will provide digital contingency management services (DCM), tech-enabled local peer support, and on-demand outcomes reports to the District of Columbia Department of Behavioral Health and its Providers to reduce harm caused by the opioid crisis which will benefit all of District residents in need.

To implement dedicated and targeted outreach, engagement, and case management services to individuals who appear to have unmet behavioral health needs especially alcohol and opioid use disorders to include both housed and unhoused individuals.

To expand residential SUD treatment and medication-assisted treatment for

This agreement will support the existing DBH/FEMS Mobile Integrated Health

management services to individuals who appear to have unmet behavioral

basic harm reductions services to individuals with OUD and other SUDs.

harm-reduction

Prevention Leadership Corps by providing the Youth Prevention Leadership

support while also developing the District's peer workforce. The funded grant

Grant is to contribute to the District's opioid response strategy. Matthew's

the Jordan Peer Recovery peer workforce apprenticeship that will be expanded

(SUD)–the emergency department medications for opioid use disorder (MOUD)

To expand the work of the Youth Prevention Leadership Corps by providing the Youth Prevention Leadership Certification program, a multi-tiered approach to youth development and community prevention leadership. At the culmination of this experience, youth participants will be presented with a Youth SUD Prevention Leader certificate, acknowledging their completion of all requirements for the certification.

To launch of a targeted media campaign aimed at individuals and communities most affected by substance use disorders (SUD). Octane Public Relations & Advertising has been contracted to design and execute this campaign, which aims to raise awareness about the signs of SUD, provide information on available resources, and deliver essential support to individuals and communities in need.
To sustain the Office of the Chief Medical Examiner's ("OCME") forensic toxicology testing capabilities and to develop innovative forensic testing methods. This testing provides crucial data on suspected opioid-related fatalities, which is included in the OCME's monthly surveillance reports. It includes the analysis of tissue, blood, and other samples from persons suspected to have died from an opioid overdose. OCME has previously funded this work with a federal grant that was not re-awarded. Without this work, we will be unable to fully understand the role of opioids and other toxic substances in District fatalities.
To operate a Free-Standing Mental Health Clinic that will function as an Urgent Care Clinic at the D.C. Superior Court (

To a) pilot walk-in hours for medication-assisted treatment (MAT) services at the agency's Behavioral Health Administration (BHA)-certified outpatient treatment program, located at 1949 4th Street NE, Washington, D.C. 20002, and b) to provide in-depth training on the topics of opioid use disorder (OUD) treatment; American Society of Addiction Medicine (ASAM) levels of care criteria; and cultural competence in healthcare to the agency's medical, clinical, and client-facing staff.
The Sober & Chic initiative, led by Red Sprinkle, tackles opioid use disorder (OUD) among youth in Wards 7 and 8 of Washington, DC. The program empowers youth with evidence-based peer support training and leadership development, focusing on culturally responsive service delivery. Key activities include comprehensive training and certification programs from Jordan Peer Recovery, covering the 50-hour Core Peer Recovery Specialist (CPRS) curriculum, the 16-hour ASK Model Curriculum, and the 24-hour Family Peer Recovery specialty course. Participants will also complete the Recovery Specialist Employability Score (RSES) Assessment for individualized Professional Development Plans. Leadership workshops and community projects will further engage youth and strengthen community support systems.
Reynolds & Associates (R&A) will provide 10 abstinence-based housing with wrap-around services for female DC residents who are reentering their community. Housing services will include 24-hour house staff, dorm-style living, nutritional support, access to community support, substance use disorder counseling services, and life skills. Services have been created to assist in addressing the opioid epidemic in the District.
The Nehemiah Project DC (TNPDC) will develop a short-term residential facility providing Temporary Housing with Wrap-Around Services for individuals struggling with opioid addiction, particularly those awaiting treatment entry or recently released from incarceration without safe housing. The initiative will establish an 18-bed respite housing facility, offering emergency shelter and comprehensive support services, to enhance access to treatment, increase engagement, and improve safety and well-being, ultimately reducing overdose incidents.

The purpose of this grant competition is to expand the work of the Youth Prevention Leadership Corps by providing the Youth Prevention Leadership Certification program, a multi-tiered approach to youth development and community prevention leadership. Through this certification program, we hope to expand youth perspective of their role in the community, enhance substance prevention knowledge and leadership, cultivate development/life skills acquired through formal education as well as the experience of being a resident in the District of Columbia, and create a positive outlet for self-expression. At the culmination of this experience, youth participants will be presented with a Youth SUD Prevention Leader certificate, acknowledging their completion of all requirements for the certification.
To expand its 20+ bed transitional housing program to support up to 100 clients with comprehensive wrap-around services for 6 months.
The ABLE Program is SOME's no-barrier drop-in program featuring Peer Support Services. The program connects homeless individuals with OUD to harm reduction services, peer outreach support and linkage to any additional primary care, dental care or behavioral health services.
To develop a short-term residential facility providing Temporary Housing with Wrap-Around Services for individuals struggling with opioid addiction, particularly those awaiting treatment entry or recently released from incarceration without safe housing. The initiative will establish an 18-bed respite housing facility, offering emergency shelter and comprehensive support services, to enhance access to treatment, increase engagement, and improve safety and well-being, ultimately reducing overdose incidents.

To enhance the ability of the POC to engage their communities and increase the workforce development of the POCs, particularly regarding care coordination, wraparound services and mental health first aid training.
Assess current workflows and develop new care pathways to enhance the identification and treatment of patients with OUD and SUD; ensure that patients receive necessary harm reduction education, low-barrier MOUD initiation, and naloxone. and fentanyl/xylazine test strips distribution by introducing dedicated nurse care coordinators and peer recovery coaches who will provide individualized resource navigation and community outreach to address barriers such as homelessness, lack of transportation, and food insecurity, which hinder patient retention in treatment and overall health care.
Us Helping Us initiative Bishop Rainey Cheeks Center of Excellence in Harm Reduction (RaCCE/HR) will focus on emphasizing harm reduction training, technical assistance/capacity building, social marketing campaigns, and hosting an annual District-wide summit. The program is designed to enhance the capacity of community organizations, businesses, and schools to respond to the opioid crisis; increase community awareness and preparedness for substance use disorders; and create stronger support networks for individuals facing substance use challenges. These efforts aim to build a resilient community infrastructure capable of addressing and mitigating the effects of substance use in the District. Anticipated short-term impacts include increased knowledge and resource availability, while long-term goals aim to reduce opioid misuse rates and increase successful interventions.
To train and supervise a team of students who operate within their schools. The objective is to empower students to improve access to behavioral health services and resources while educating their peers on various behavioral health topics, including opioid and drug prevention.

The purpose of this funding is intended to build on lessons learned from the Columbia Heights Civic Plaza community ecosystem demonstration and other recent place-based efforts. Funds will be used to fund HIPS, Family Medical Counseling Services and Us Helping Us to implement dedicated and targeted outreach, engagement, and case management services to individuals who appear to have unmet behavioral health needs especially alcohol and opioid use disorders to include both housed and unhoused individuals.

Metrics or Oucomes
80 peer recovery train 40 PRS training
Transformers: Number of monthly attendees to sub awardees Number of that complete Transformation Phases I-III (unduplicated) Average pre/mid/post-test scores for youth participants (If applicable) DC Strivin': Number of referrals, Number of Linkages, Number of referral partners, Number of resource guide entries, Number of hits to resource guide
Number of youth progressing through Tiers 1-3 Number of ATOD trainings Number of youth attendees to ATOD trainings Number of CADCA trainings Number of youth attendees to CADCA trainings Number of community outreach events Number of attendees to outreach events

• Number of individuals at each event • Number of individuals served by the program by activity and cumulatively • Number of individuals who received naloxone training • Number of individuals who were provided naloxone
•Conduct 20 training sessions for diverse faith leaders and members (150 total) •Deliver 20 training sessions for school principals, teachers, and administrators (150 total) •Provide 8 training sessions to parents of youth and adolescents (100 total),
Number of individuals actively enrolled in SUD treatment services Number of individuals actively enrolled in MOUD treatment services Number of newly enrolled individuals in SUD treatment services in the month; Number of individuals discharged from SUD treatment services in the month; Number of newly enrolled individuals in MOUD treatment services in the month; Number of individuals discharged from MOUD treatment services in the month; Number of unexpected hospitalizations among individuals in treatment; 8. Number of overdoses among individuals in MOUD treatment; 9. Number of fatal overdoses among individuals in SUD treatment. 10. Number of fatal overdoses among individuals in MOUD treatment.

Ceate 1 outreach plan; staff one PRSS; Ongoing case management; 1 list of referrals and resources; access to harm reduction; ongoing prof development
150 Individuals served; 150 individuals received naloxone; treatment connections 150
80 Peers attend Jepoardy; 120 community members at community health stations; 5000 individual engagements on Social media
Providing regular data surveillance reports

• Increase in enrollment by 5%; • Increase in number of individuals who engaged in SUD prevention activities by 5% • Increase number of naloxone kits distributed by 5%; • Increase number of individuals trained to administer naloxone by 5%; • Increase in number of participants who achieve one or more of their written goals by 5%
weekly pop-ups in ward 8 (52); monthly pop ups in wards 2 and 3 (12) 2 comm convos; 4 comm outreach events; 1 national recovery mo. event

• Increase in enrollment by 5%; • Increase in number of individuals who engaged in SUD prevention activities by 5% • Increase number of naloxone kits distributed by 5%; • Increase number of individuals trained to administer naloxone by 5%; and • Increase in number of participants who achieve one or more of their written goals by 5%
• Number of individuals at each event • Number of individuals served by the program by activity and cumulatively • Number of individuals who received naloxone training • Number of individuals who were provided naloxone

Complete discovery and data collection to prepare for onboarding Substance Use Providers by Month 2. Onboard and train 100% of participating Providers within 3 months of discovery phase completion. Provide ongoing support to ensure 70%+ provider adherence and continuous improvement post-implementation. Number of participants enrolled Number of health screens completed Number of wellness checks completed Monthly score on participant satisfaction level Monthly improvement based on assessment(s)
Daily outreach, assessment, and referral services, In person/virtual professional development courses, referral services, Linkages to services
• Access to Care: The number of days elapsed
• Number of individuals who refuse transport after
person/virtual professional development courses,
management; 1 list of referrals and resources;
presentation; 20 harm reduction comm presentation;
Number of ATOD trainings
peer interns
12-step groups
employers/providers; 20 new field experience sites
implementation
Number of youth progressing through Tiers 1-3 Number of ATOD trainings Number of youth attendees to ATOD trainings Number of CADCA trainings Number of youth attendees to CADCA trainings Number of community outreach events Number of attendees to outreach events

Media campaign materials produced, media campaign rollout for public use, engagement on social media materials, engagement on media campaign website
Providing data for online Opioid Data Dashboard: Number of fatal overdoses; Number of nonfatal overdoses
• Identifying the behavioral health, housing, and support service needs of individuals who come in contact with the criminal, civil, probate, and/or family legal system who require on-going treatment services. • Conducting behavioral health screening, assessment, and referral services. • Conducting housing needs assessments and make referrals to services. • Providing urgent care triage and treatment services to stabilize individuals identified by the Court. • Referring identified individuals to appropriate community-based or residential treatment services. • Providing on-going mental health treatment and aggressive case management services to individuals who prefer to receive their services at the UCC; and to • Providing care coordination and intervention management services for high utilizers of D.C.'s behavioral health and criminal justice systems.

Complete facility upgrades, Increased clincal staff, Improved workforce readiness, increased staff trainings, Lower staff turnover, increased staff wellness, Increase 2 days per week 2 hour timeslots; provide education on MOUD; Serve 860 clients; 5% staff retention
Train 5 particpant in Peer Specialist training; 5 min in ASK Model; 5 participants in Family Peer Recovery; 5 complete RSES Assessment; 10 youth family events facilitated
provide housing for 10 woman; provide 24 hour access to comm services, abstinence housing
provide 14 beds for tenants to lease; 95% will attend 12 step meetings; 60% will find employments; 50% decrease levels of anxiety depression and trauma using GAD7

Number of youth progressing through Tiers 1-3 Number of ATOD trainings Number of youth attendees to ATOD trainings Number of CADCA trainings Number of youth attendees to CADCA trainings Number of community outreach events Number of attendees to outreach events
• 80% of clients who start the program will be successfully discharged • 60% of clients in the program will be successfully placed in housing • 80% of clients in the program will achieve employment OR ongoing, recurring and consistent income sources • 90% of clients in the program will be connected to community resources and supports

• Number of clients served (Target: Minimum of 100)
• Number of individual Peer Support Sessions (Target: Minimum of 25)
• Number of group Peer Support Sessions. (Target: Minimum of 6)
• Number of Warm Handovers to related services. (Target: Minimum of 40)
• Number of clients successfully engaged in related services.

Establish program building and supplies; Provide 18 bed respite care

• Increase in enrollment by 5%; • Increase in number of individuals who engaged in SUD prevention activities by • Increase number of naloxone kits distributed by 5% • Increase number of individuals trained to administer naloxone by 5% • Increase in number of participants who achieve one or more of their written goals by 5%
Goal was around planning and implementing care pathways for individuals receiving services
social media engagement 5000; 100 hs students engaged; 200 SUD vlunerable people engaged; 50 community based engagements; 60 narcan trainings
Youth Mental Health & Wellness Survey

Daily outreach, assessment, and referral services, In person/virtual professional development courses, referral services, Linkages to services

Oversight Q#55

55. How many children and youth (age 0-21) received a service through MHRS during FY 2025 and FY 2026, to date? Please include a breakdown by service, age, race, gender, ethnicity, and ward.

Reporting Period: FY2025

FY 25 Oversight Question 62

For each of the services listed in Q61, please provide the following data for FY 2025 and FY 2026:

Following data is for Youths only

b. Number of unique youth referred to the service

Service Details	2025	2026
ACT	17	0
CBI	167	51
TACT*	27	14

*Please note: TACT is ACT for Transition Aged Youth (TAY)

c. Number of unique youth who received the service

Service Details	2025	2026
ACT	15	12
CBI Level I (MST)*	22	0
CBI Level II/III	175	49
CBI Level IV (FFT)	40	12
TACT	26	25
TIP	209	75
ICC	212	140
Community Support	3,973	1,983
CPP	10	14
TF-CBT	46	53
TST	17	17

*Please note: MST-MBI closed their MST program in March 2025

d. Average wait time from request to receipt and from referral to receipt in FY 2025

Service Details	Average Wait Time (Days)
ACT	26
CBI	23
TACT	21

e. Number of youth who received more than one of these services

FY	2025	2026
Total clients receiving combination of services	13	0

f. Duration of service received*

Service Details	2025 - Total Clients			2026 - Total Clients
	0-90 days	180+ days	91-180 days	0-90 days
ACT		8	5

SSWP #590 | ACADEMY OF HOPE ADULT PCS | SBHC: Leigh Castillo

School-Centric Assessment

School-Centric Assessment & SSWP

The School Strengthening Work Plan is an internal process completed by an existing or newly formed school behavioral health team which includes school-based staff and key community stakeholders. After completing a self-assessment using data resources pertinent to your school, the School Behavioral Health Coordinator and school behavioral health team collaboratively develop a School Strengthening Work Plan to guide the school's implementation of multi-tiered behavioral health supports. This process is driven by the School Behavioral Health Coordinator and other school staff, and supported by the full school behavioral health team of providers at each school.

The School Strengthening Work Plan should be developed after the team has completed the self-assessment process. Resources to support your school team with the School Strengthening process can be found on the Dashboard.

Data Source

Data Table Source

The purpose of this section is to identify and list the data resources used to inform your School Strengthening Self-Assessment. Consider data, goals, and action items from plans already in progress when developing this work plan (i.e., comprehensive school plans, Community Schools, Connected Schools, Local Wellness policy, restorative practices, etc.).

At least one (1) data resource is required for each of the four applicable areas (School Counseling, Individual and Group(SC); Social and Emotional Climate (SEC); Educator Wellness (EW); and Family Engagement (FE). Please see below for guidance on how to complete the table:

- **Data Source: Select all of the data resources that apply**
- **The type of Data Category: Use this list to select the type of data in this report: Attendance; Behavioral Health Referrals; Discipline; Educator Wellness; Family Engagement or Satisfaction; Health Education; Physical Health; School Climate; Student Satisfaction; Other: [fill in topic]**
- **Brief Description of Findings: Provide a brief description of the findings related to the Data Sources selected (e.g., Our Panorama survey found that 32% of students most felt a sense of belonging, while 24% said they felt a little sense of belonging)**
- **Metrics Used: Select the specific metrics that will be used to inform your work plan.**
- **Applicable Areas: Place an "x" in the category that the data applies to - School Counseling, Psychological & Social Services (SC); Social and Emotional Climate (SEC); Educator Wellness (EW); and Family Engagement (FE)**

School Strengthening Planning Questions

Open-Ended Planning Questions

What are the behavioral health needs of the students in your school? *In what ways are these needs being met? Not being met?*

Note: When discussing this question consider ... What are the behavioral health needs of your students, and how are these needs being met or unmet? Consider any factors unique to your school community, including the impact of community and/or gun violence, the unique needs of newcomers to your school, etc.

Enter response here

What behavioral health topics would be useful to present to staff/teachers for an in-service (professional development) at school?	Enter response here
What kinds of resources or information would be most useful to families of youth attending your school?	Enter response here
How will the goals of this work plan align to your school's overall plan for the current school year? Note for DCPS, this refers to the Comprehensive School Plan, or CSP.	Enter response here

SSWP Instructions

SSWP Instructions

The School Strengthening Work Plan should be developed after the team completes a self-assessment in the areas of: School Counseling, Psychological, and Social Services; Social and Emotional Climate; Employee Wellness and Health Promotion; and Family Engagement.

Goals and action items should be developed across all tiers of intervention:

Tier 1: Engagement

Tier 1: Mental and behavioral health promotion and prevention for all students.

Tier 2: Focused group and individual interventions for students at-risk of mental health challenges.

Tier 3: Intensive support and interventions for individual students (via individual, group, or family treatment).

For each goal to be effective, it needs to be:

Strategic: Concrete, detailed, and well defined so that you know where you are going and what to expect when you arrive.

Measurable: Numbers and quantities provide means of measurement and comparison.

Achievable: Feasible and easy to put into action.

Realistic: Considers constraints such as resources, personnel, cost, and time frame.

Time-bound: A time frame helps to set boundaries around the objective.

Inclusive: Brings traditionally marginalized people—particularly those most impacted—into processes, activities, and decision/policy-making in a way that shares power.

Equitable: Includes an element of fairness or justice that seeks to address systemic injustice, inequity, or oppression.

SSWP Sample Goals by Tier

Glossary of Key Terms

SSWP Engagement

Engagement

Enter the engagement activities the school uses to promote behavioral health services.

Q21 Tier 1 Engagement Activities

Partner Clinician (i.e. CBO and/or DBH):
What activities and initiatives to support relationship building and promotion of behavioral health services will the CBO and/or DBH Clinician make available to the school community?

Q23 Partner Engagement CBO DBH

What already exists to support this plan of action?
Are there existing practices that could be expanded or resources to leverage to achieve greater visibility and knowledge of services?

Q22 What already exists to support this plan of action

Additional Resources:
What external resources may be needed to support goal achievement?

Q25 Engagement Additional Resources

TIER 1 – ENGAGEMENT

Data overwhelmingly demonstrates that intentional relationship building and maintaining routines fosters resilience.

What engagement and communication strategies does the school use to promote behavioral health services to all youth and families? Where do youth and families go to learn about activities and services at the school?

Example of Engagement Activities

Tier 1 Engagement Activities: *The school mental health team will be assigned classrooms to consistently spread the word about the mental health supports available to students, the importance of emotional wellness, and where to find the team if a student should like/need to. During each "pop-in" they will introduce themselves, share where to find mental health team, and in age-appropriate language, why a student may want to talk to someone. These greetings will take 10 minutes or less and will take place every other week for the duration of the school year.*

School Team:
What initiatives and activities to support relationship building and promotion of behavioral health services will the school team make available to the school community?

Q24 Engagement School Team

Tier 1 - Promotion and Prevention

Tier 1

Type in a Tier 1 Prevention Goal. Please use the example below as a guide.

Example of a Tier 1 Prevention Goal:

Tier 1 Prevention Goal: *The team will support the development and use of classroom/school "calm-down corners," providing students designated space(s) to practice emotional regulation. The first two quarters of the school year will be dedicated to professional development and design; the final 2 quarters will be dedicated to coaching.*

Tier 1 Prevention Goal:

Tier 1 Prevention Goal

Partner Clinician (i.e. CBO and/or DBH):

What activities and initiatives to support goal achievement will the CBO Clinician and/or the DBH clinician make available to the school community?

Q27 Partner Prevention CBO DBH

School Team:

What initiatives and activities to support goal achievement will the school team make available to the school community?

Q28 School Team Tier 1

What already exists to support this Tier 1 goal?

Are there existing resources in the school community that could be leveraged to support school behavioral health?

Q26 What already exists to support this Tier 1 goal

Additional Resources:

What external resources may be needed to support goal achievement?

Q29 Tier 1 Additional Resources

Tier 2 Early Intervention

Tier 2 Early Intervention Goal

Partner Clinician (i.e. CBO and/or DBH):

What activities and initiatives to support goal achievement will the CBO Clinician and/or DBH clinician make available to the school community?

Q31 Partner Tier 2 CBO DBH

School Team:

What initiatives and activities to support goal achievement will the school team make available to the school community?

Q32 Tier 2 School Team

What already exists to support this Tier 2 Goal?

Are there existing resources in the school community that could be leveraged to support school behavioral health?

Q30 What already exists to support this Tier 2 Goal

Type in a Tier 2 Early Intervention Goal. Please use the example below as a guide.

Example of a Tier 2 Early Intervention Goal:

Tier 2 Goal: *The team will develop and facilitate short-term groups on a quarterly basis. The content of focus for the Quarter 1 group(s) will be grief and loss. The content of the Q2-Q4 groups will be determined by trends identified by the team and may include group support for students newly arrived to the United States, and attendance promotion group(s) for students experiencing homelessness.*

Tier 2 - Early Intervention Goal:

Tier 2 EP Goal

Additional Resources:

What external resources may be needed to support goal achievement?

Q33 Tier 2 Additional Resources

Tier 3 Treatment

Tier 3 Treatment Goal

Tier 3 Treatment Goal:

Tier 3 Treatment Goal

Partner Clinician (i.e. CBO and/or DBH):

What activities and initiatives to support relationship building and promotion of behavioral health services will the CBO and/or DBH Clinician make available to the school community?

Q35 Partner Tier 3 CBO DBH

What already exists to support this Tier 3 Goal?

Are there existing practices that could be expanded or resources to leverage to achieve greater visibility and knowledge of services?

Q34 What already exists to support this Tier 3 Goal

Type in a Tier 3 Treatment Goal. Please use the example below as a guide.

Example of a Tier 3 Treatment Goal:

Tier 3 Goal: *By September 30, the team will develop a crisis response rotation, designating each team member to respond to school-based crisis incidents on their specific day(s). This will ensure that there is systematic response, and that no one member is being pulled away from other duties several days per week. In addition, the team will design and hold at least 1 table-top exercise per quarter, allowing collaboration and discussion on current protocols.*

School Team:

What initiatives and activities to support relationship building and promotion of behavioral health services will the school team make available to the school community?

Q36 Tier 3 School Team

Additional Resources:

What external resources may be needed to help promote the school's behavioral health services?

Q37 Tier 3 Additional Resources

Monitor each CBO's compliance with the MOU, specifically, adherence to required assurances, background checks, data collection and submission, and maintenance of active agreements. Communicate and report on expansion efforts, both internally and externally, with specific focus on partnership sustainability, process and outcomes, in collaboration with the DBH Evaluation vendor. Promote DCPS participation in the District Expansion School-based Behavioral Health Community of Practice and application support at the school level. Actively ensure communication alignment across schools, CBOs and other District agencies about expansion. Support school leaders in leveraging the expertise and appropriate services of the CBOs to meet the needs of students and their families. Manage QR code referral distribution for the LEA. Liaise with schools and CBOs to resolve partnership challenges. Serve as the point of contact for all school behavioral health coordinators within the LEA, including monthly meetings for information sharing and role navigation. Serve as the point of contact for Community Based Organizations administrators partnered with the LEA. Provide orientation to Community Based Organization service providers.	Local Dollars

1 FTE	School Behavioral Health Outreach Specialist DBH-funded at OSSE)/Other Support to School Leaders and Stakeholders	The School Behavioral Health (SBH) Outreach Specialist coordinates with the SBH positions at DBH and DCPS to identify and collaborate around supports for the implementation of the Comprehensive School Behavioral Health System. Areas of partnership include: • Contributing updates to the School Strengthening Work Plan (SSWP), • Coordinating a back-to-school communications series to School Behavioral Health Coordinators (SBHCs) and school leaders regarding the SSWP, • Presenting at SBHC meetings to promote SBH resources, • Collaborating with the DBH Clinical Specialists to identify needs and resources that would support SBHCs in the SSWP process, • Facilitating the First Year Cadre through OSSE's ARROW (Advancing the Recruitment and Retention of Our Workforce) initiative. • Implements the Youth Mental Health Ambassador program for DC public charter high schools, • Routinely coordinates with the DC Charter Alliance to promote resources and supports for DC public charter schools, and • Ensures alignment of various OSSE initiatives with the citywide vision for the Comprehensive SBH System.	Local Dollars
1 FTE	Staff Assistant	Provides staff support within the Prevention and Early Intervention Division. Provides support for the logistics and minutes of the Coordinating Council on School Behavioral Health. Creates and monitors the routing process for vetting documents for final approval and signature.	Local Dollars

1 FTE	Program (Fiscal) Monitor	Responsibility of conducting financial reviews and internal and external audits of provider services, within the District's expansion of school-based behavioral health services, to identify program and fiscal violations and deficiencies, and to recommend methods of resolution. Identifies and collects data regarding violations of grant agreements and other violations relative to school placements and clinician credentialing noncompliance with applicable federal and District Government laws, rules and regulations. Provides recommendations for corrective actions, and monitors implementation of recommendations as dictated by program modalities.	Local Dollars
1 FTE	Program (Fiscal) Monitor	Responsibility of conducting financial reviews and internal and external audits of provider services, within the District's expansion of school-based behavioral health services, to identify program and fiscal violations and deficiencies, and to recommend methods of resolution. Identifies and collects data regarding violations of grant agreements and other violations relative to school placements and clinician credentialing noncompliance with applicable federal and District Government laws, rules and regulations. Provides recommendations for corrective actions, and monitors implementation of recommendations as dictated by program modalities.	Local Dollars

1 FTE	DBH School Behavioral Health Branch Ch	Responsible for managing operational elements of the implementation of School Behavioral Health and working under the Director of Prevention and Early Intervention to provide leadership in the overall planning, organization, direction, coordination, monitoring implementation and evaluation of the school behavoral health services. Exercises responsibility for making decisions and recommendations on program operations, including projects, resources, program changes, and shifts in priorities. Reviews the progress of performance and monitors and revises planning processes. Provides leadership amd supervision and serves as a member of management team. Provides leadership and oversight of the comprehensive crisis response services to DC Public Charter Schools after a school community has been impacted by a death or some type of community violence that impacts the functioning of the school community. DC Public Schools (DCPS) has created their own internal crisis response model to address traumatic events in their schools. If additional resources are needed, DCPS will request support from DBH to supplement their crisis response. Crisis services at DC Public Charter Schools are initiated by the principal/administrator of the school by contacting the DBH School Behavioral Health Branch Chief directly or by contacting the Access Helpline who will connect the caller with the manager on call. A needs assessment is completed on the initial call which determines the needed services for the school. Ensures that the workforce is adequately staffed, and staff are adequately trained and ensures employee growth and development, enhances professional skills, and teaches sound principles of clinical practice. Meets monthly with the DCPS Expansion Outreach Director in support of the active Memorandum of Agreement which formalizes the partnership that places DBH-hired clinicians in assigned school placements within DCPS. Additionally, the DBH School Behavioral Health Branch Chief serves as an Executive level advisor and attends quarterly meetings of the OSSE managed Community Schools Advisory Committee.	Local Dollars
1 of 5 FTEs	Supervisory Social Worker	Provide clinicial supervision (individual and group). Creates annual clinician performance plans and completes annual performance evaluations. Participates in monthly principal meetings with principal or principal designee. Provides oversight of staff activities and provides guidance to the supervisees. Ensures compliance with DBH and District policies and rules.	Local Dollars

2 of 5 FTEs	Supervisory Social Worker	Provide clinicial supervision (individual and group). Creates annual clinician performance plans and completes annual performance evaluations. Participates in monthly principal meetings with principal or principal designee. Provides oversight of staff activities and provides guidance to the supervisees. Ensures compliance with DBH and District policies and rules.	Local Dollars
3 of 5 FTEs	Supervisory Social Worker	Provide clinicial supervision (individual and group). Creates annual clinician performance plans and completes annual performance evaluations. Participates in monthly principal meetings with principal or principal designee. Provides oversight of staff activities and provides guidance to the supervisees. Ensures compliance with DBH and District policies and rules.	Local Dollars
4 of 5 FTEs	Supervisory Social Worker	Provide clinicial supervision (individual and group). Creates annual clinician performance plans and completes annual performance evaluations. Participates in monthly principal meetings with principal or principal designee. Provides oversight of staff activities and provides guidance to the supervisees. Ensures compliance with DBH and District policies and rules.	Local Dollars
5 of 5 FTEs	Supervisory Social Worker	Provide clinicial supervision (individual and group). Creates annual clinician performance plans and completes annual performance evaluations. Participates in monthly principal meetings with principal or principal designee. Provides oversight of staff activities and provides guidance to the supervisees. Row ID	Milestones & Tasks
	PROJECT OWNER:
	PROJECT MANAGER:
	PHASE ONE
	Milestone 1: Submit Comprehensive Plan to the Mayor and Council
	Milestone 2: Execute 12 CBOs grants
	Create and publish RFA
	Award Grant Agreements to CBO SBHP providers to implement SBHP services
	Execute NOGAS
	Create POs
	Milestone 3: Execute 2 LEAs (3 schools) grants
	Create and Publish RFA
	Award Grant Agreements to specific charter school to implement SBHP services
	Execute NOGAS
	Create POs
	Milestone 4: Conduct Case Study Analysis
	Identify an expert to conduct analysis
	Create SOW
	FInalize Contract
	Complete Analysis
	Milestone 5: Hire 24 new FTEs
	Create PD for Prevention Specialist
	Create PD for Clinician
	Administrative Tasks needed prior to posting (TO changes)
	bi-weekly meeting with HR
	Post Positions
	Recruit and hire positions
	Milestone 6: Complete Telehealth RFA
	Write and release telehealth grant
	accept and review applications
	award grant; contract for telehealth services
	Milestone 7: Request 59 new FTE positions through the new FY27 budget
	requested positions during formulation
	Milestone 8: Provide TA and monitor CBOs for compliance
	Reach out to all coordinators to schedule visits
	Discuss trends in supervisor and CEO meetings
	Use data to problem solve barriers to access to services
	Milestone 9: Engage Community
	Hold 3 community meetings

Provide updates at monthly supervisor and CEO meetings

Provide updates at monthly coordinator meetings

Provide updates at monthly Coordinating Council meetings

Hold Informational Sessions for Schools: hold multiple meetings, both in-person and virtually to provide information and answer questions about the transition

Milestone 10: Secure CBOs for SY26-27

Create/Finalize criteria for CBO selection

Distribute criteria for CBO selection

Select 3-4 CBOs to continue providing services in SY26-27: Use data and selection criteria to determine which CBOs will be chosen to continue to receive grant funding to provide SBH services

Work with schools losing CBO clinician and create plan moving forward regarding services

End remaining CBO grants
