EXCLUSIVE RECOGNITION AND BARGAINING UNIT

This Contract duly approved, constitutes a Collective Bargaining Agreement ("CBA") between the American Federation of Government Employees (AFGE), Local 631, hereinafter referred to as "the Union" and the District of Columbia Government, hereinafter referred to as "the Employer," as applicable under the D.C. Comprehensive Merit Personnel Act.

The District of Columbia Comprehensive Merit Personnel Act (D.C. Law 2-139, Title 1, Chapter 6, Subchapter XVIII, D.C. Code Section 1-617.01 states, the District of Columbia Government finds and declares that an effective collective bargaining process is in the general public interest and will improve the morale of public employees and the quality of service to the public.

AFGE Local 631 has been certified and /or recognized as the exclusive representative for employees in the bargaining unit.

Accordingly, AFGE Local 631 and the District enter into this Agreement, which shall have as its purpose:

1. Promotion of a positive policy of labor-management relations between the District of Columbia Government and its employees;

2. Improvement of morale of employees in the service of the District of Columbia Government;

3. Enhancement of the quality of public service to the citizens of the District of Columbia;

4. Creation of a government that works better and to establish an equitable and orderly procedure for the resolution of differences;

5. Promotion of the rights of District of Columbia Government employees to express their views without fear of retaliation and protection of the rights and interests of the employee, the Union and the District of Columbia Government; and

6. Promotion of the efficient operations of the District of Columbia Government.

The Preamble is intended to provide the background information and purpose of the CBA. Alleged violations of the Preamble per se will not be cited as contract violations.

ARTICLE 2

NO STRIKE NO LOCKOUT

During the term of this Agreement the bargaining unit employees shall not strike and the Employer shall not lock out employees. The term strike as used herein means a concerted refusal to perform duties or any unauthorized concerted work stoppage.

ARTICLE 3

UNION SECURITY AND UNION DUES DEDUCTIONS

Section A:

The terms and conditions of this Agreement shall apply to all employees in the bargaining unit without regard to union membership. Employees covered by this Agreement have the right to join or refrain from joining the Union.

Section B:

1. The Employer agrees to deduct Union dues from each employee's bi-weekly pay upon authorization of the D.C. Form 277. Union dues withholding authorization may be cancelled upon written notification to the Union and the Employer. When Union dues are cancelled, the Employer shall withhold a service fee in accordance with Section C of this Article.

2. When Management takes an employee out of the certified bargaining unit permanently, Management shall notify the Union within two pay periods.

Section C:

Because the Union is responsible for representing the interests of all unit employees without discrimination and without regard to Union membership (except as provided in Section E below), the Employer agrees to deduct a service fee from each non-union member's bi-weekly pay without written authorization. The service fee and/or Union dues withheld shall be transmitted to the Union, minus a collection fee of five cents per deduction per pay period. Upon a showing by the Local Union that sixty percent (60%) of the eligible employees for which it has certification are Union members, the Employer shall begin withholding, no later than the second pay period after this Agreement becomes effective and showing of sixty percent (60%) is made, a service fee applicable to all employees in the bargaining unit(s) who are not Union members. The service fee withholding shall continue for the duration of this Agreement. Payment of dues or service fees though wage deductions shall be implemented in accordance with the procedures established by the Employer and this article. Employees who entered the bargaining unit where a service fee is in effect, shall have the service fee or Union dues

withheld within two (2) pay periods of his/her date of entry on duty or form 277 authorization.

Section D:

The service fee applicable to non-union members shall be equal to the bi-weekly union membership dues that are attributable to representation.

Section E:

Where a service fee is not in effect, the Union may require that any employee who does not pay dues or service fee shall pay all reasonable costs incurred by the Union in representing such employee(s) in grievances or adverse action proceedings in accordance with the provisions of the CMPA.

Section F:

The Employer shall be indemnified or otherwise held harmless for any good faith errors or omissions in carrying out the provisions of this Article.

Section G:

1. Payment of dues or service fees shall not be a condition of employment.

2. The Union retains the sole responsibility to develop and maintain procedural safeguards required by existing applicable law with regard to the administration for the payment of service fees. The Union shall be solely responsible for notifying employees that they have certain constitutional rights under Hudson v. Chicago Teachers Union Local No. 1, 743 F.2d 1187, 1191, 117 LRRM 2314 (7th Cir. 1984), and related cases.

ARTICLE 4

RELATIONSHIP OF THIS AGREEMENT TO DEPARTMENT POLICIES AND PRACTICES

Section A: Employer Obligation

In exercising authority to establish regulations relating to Department policies in matters affecting working conditions of employees covered by this Agreement, the Employer shall have due regard for the obligations set forth in this Agreement.

Section B: Authority of this Agreement

Where any Employer regulation or policy, in effect and/or developed after the effective date of this Agreement conflicts with this Agreement and/or any supplemental agreement, this Agreement shall prevail and/or govern.

Section C: Understanding of Agreement

It is understood that this Agreement contains the full understanding of the parties as to all existing matters subject to collective bargaining during the life of this Agreement. However, nothing herein shall preclude the parties, upon mutual agreement, to negotiate on matters arising after entering into this Agreement.

Section D: Bargaining

No Employer regulation or policy that is a negotiable issue is to be adopted or changed without first bargaining with the Union.

ARTICLE 5

MANAGEMENT RIGHTS

Management rights are provided in D.C. Official Code Section 1-617.08(a) as amended.

Management rights are not subject to negotiations. In accordance with D.C. law, the Employer shall bargain with the Unions over the impact and effect of its exercise of Management rights. In addition, the employer shall bargain over subjects that have otherwise been deemed negotiable under D.C. law.

ARTICLE 6

EMPLOYEE RIGHTS

During working hours Union Officials and Stewards shall not use official time to conduct internal union business, such as Union general membership meetings, solicitation of membership, etc.

Section B: List of Union Officers and Stewards

The Union shall supply the Agency in writing, annually, a complete list of all authorized Union officers and Stewards together with the designation of the group of employees each Union officer and/or Steward is authorized to represent which shall be posted on appropriate bulletin boards. It shall be the duty of the Union to notify the Agency of any changes of Union officer(s) and Stewards.

Section C: Shift Workers

Employees who normally work shift work or weekends shall have their hours changed to the day shift on days they are required to perform Union activities related to representation as described in this Article.

The Union also shall be consulted prior to any permanent change in shift assignment of Union Officers and Stewards, prior to implementation.

Section D: Leave of Absence

Employees elected or appointed to a district, council, union national or international office that requires them to be away from their job, may upon request, be allowed to take a leave of absence for up to one (1) year. This leave may be extended on a case by case basis. No more than two (2) employees may be on leave of absence at any point in time, under this provision.

Section E: Shift Change for Union Officials

The Union will be consulted prior to any permanent change in shift assignments of union officers and stewards. The Union will also be consulted prior to the organization of new shifts that will affect the members of the units. The Union will have the right to select a union official and/or Steward for each newly organized shift. In the event a union officer

and/or Steward is reassigned, he/she will be given reasonable time to complete all pending matters in which he/she is involved. Nothing in this Article shall prevent the Union from bargaining over any changes that affect the terms and conditions of employment for bargaining unit employees.

Section F: Procedures for Performance of Union Duties for Union Officials

Union officials shall notify their immediate supervisors when they desire to leave work assignments to properly and expeditiously carry out their duties in connection with this Agreement. Such Union officials shall notify their immediate supervisor when they return. When contacting an employee, the Union Official shall first report to and notify the supervisor of the need to see the employee. Notification by Union officials to meet with an employee and/or an employee to meet with the Union official shall not require prior explanation to the immediate supervisor of the problems involved, other than to identify the area to be visited.

Union officers shall record official time used on the Official Time Report attached in Appendix B. The Official Time Report will be submitted weekly to the immediate supervisor of the Union officer.

The Agency agrees that there shall be no unlawful restraint, interference, coercion, or discrimination against a Union Official for the performance of duties relating to the administration and enforcement of this Agreement.

Union Officials who are required to wear their uniforms while on duty shall not be required to wear their uniforms when they are on official time at official meeting(s), arbitrations(s), and/or administrative proceedings.

Section G: Procedures for Performance of Union Duties for Stewards

Stewards shall obtain permission from their supervisors when they desire to leave work assignments to properly and expeditiously carry out their duties in connection with the Collective Bargaining Agreement. When contacting an employee, the Steward will first report to and obtain permission to see the employee from his/her supervisor, and such permission will be requested from the supervisor of the area to be visited. Requests by Stewards to meet with an employee and/or an employee to meet with Stewards will not require prior explanation to the supervisor of the problem involved other than to identify the area to be visited. Stewards thus engaged will report back to their supervisors upon completion of such duties and return to their jobs. They will suffer no loss of pay or other benefits as a result thereof.

Union stewards shall record official time used on the Official Time Report attached in Appendix B. The Official Time Report will be submitted weekly to the immediate supervisor of the Union steward.

The Agency agrees that there shall be no unlawful restraint, interference, coercion, or discrimination against a Steward for the performance of duties relating to the administration and enforcement of this Agreement.

Stewards who are required to wear their uniforms while on duty shall not be required to wear their uniforms when they are on official time at official meetings, arbitrations, and/or administrative proceedings.

The Employer agrees that permission for stewards to leave their work assignments to participate in representational matters shall not be unreasonably denied.

If a request is denied, the union officer and/or steward shall be released as soon as possible thereafter, but normally no later than the next workday.

Section H: Work Areas Where a Shop Steward is not Available

The Agency agrees a union officer and/or steward will be permitted to go to another steward's work area, when a steward is not available, in a work area different from the union officer or steward's work area. However, the union recognizes that workload and scheduling considerations will not always allow for immediate release of employees from their assignments.

If a request is denied, the union officer and/or steward shall be released as soon as possible thereafter, but normally no later than the next workday.

Section I: Administrative Leave to Attend a Union Function or Convention

The Agency recognizes that the Union may designate employee members, selected or appointed to a Union Office or delegate to a Union function, i.e., a convention or conference, and agrees that, upon request, two (2) persons from each Agency shall be granted 20 hours each of administrative leave per year for the period of time required to be away from his/her job. The employee may be given a reasonable amount of time to improve job performance and/or attendance. If the employee demonstrates satisfactory improvement in job performance and/or attendance, for ninety days, after the completion of an EAP approved plan, the matter held in abeyance shall be rescinded. GRIEVANCE AND ARBITRATION PROCEDURES

Section A: Scope

The purpose of this Article is to provide a mutually acceptable method for the prompt and equitable settlement of grievances and to enable the parties to resolve grievances at the lowest possible administrative level.

Section B: Presentation of Grievances

A grievance is a complaint by employee(s) and/or the Union that there has been:

1. Violation, misapplication or misinterpretation of this Agreement and/or the Compensation Agreement;

2. Violation, misapplication, and/or misinterpretation of any laws, rules, regulations, and policies affecting the terms and conditions of employment.

Section C: Categories of Grievances

Questions of procedural grievability/arbitrability are for the arbitrator to decide and shall be decided by the same arbitrator selected to hear the merits of the grievance. Questions of substantive arbitrability/grievability will be pursued in accordance with applicable law.

2. If the Agency does not respond within the time limits specified in each step, the employee or the Union may invoke the next step, treating the lack of response as a denial of the grievance.

3. All time limits shall be strictly observed unless the parties mutually agree in writing to extend the time limits. Days shall mean calendar days, unless stated otherwise.

4. The presentation and discussion of grievances shall be conducted at a time and place that shall afford a fair and reasonable opportunity for both parties and their witnesses to attend. During arbitration, no witness shall be heard if the

arbitrator determines his/her testimony is not relevant. When discussions and hearings are required under this procedure and are held during the work hours of the Department or Agency, participants and witnesses shall be considered in a pay status for this purpose. The Agency shall make witnesses available for testifying at arbitration(s). The Agency may stagger the release of employees to accommodate operational demands. In the case of a class grievance involving employees from more than one unit, division, or office, the Union representatives for all affected units shall be allowed to attend the arbitration hearings.

4. Witnesses shall be sequestered upon request of either party.

5. Either party may have the arbitration proceedings recorded stenographically or otherwise. The cost of the transcript will be borne by the party requesting the stenographic recording, unless the parties mutually agree to equally share the cost. If a party, who has not requested a stenographic recording, subsequently requests a copy of the transcript, the party shall be charged the copy cost for the transcript and will pay for one-half of the cost of the arbitrator's copy of the transcript.

6. Hearings shall be held in the Office of Labor Relations and Collective Bargaining, or at the District building that contains the Grievant's work site, or at another mutually agreeable location. Section A: General

Discipline shall be administered in a fair, equitable, consistent, objective and nondiscriminatory manner. Disciplinary action shall not be taken in a manner that is retaliatory or constitutes harassment. Employees shall not be subject to restraints, interference, coercion or reprisals in the disciplinary process.

Discipline shall be imposed on employees for cause and shall be progressive in nature.

An employee may appeal a corrective action or adverse action through the grievance process. Adverse actions may be appealed through the grievance process or the employee may elect to file an appeal at the Office of Employee Appeals ("OEA"). For an adverse action, the submission of a written grievance or the filing of a petition with the Office of Employee Appeals, whichever event is earlier shall be considered an election by the employee. The choice of one avenue of relief forfeits access to the other.

Section C: Progressive Discipline

1. Discipline shall be corrective rather than punitive in nature, and shall reflect the severity of the infraction, consistent with the principles of progressive

discipline. It is also acknowledged that immediate adverse action up to discharge is sometimes appropriate.

2. In selecting the appropriate penalty to be imposed in a corrective or adverse action, the Agency shall consider relevant factors, including any mitigating or aggravating circumstances. The results of such consideration shall be in writing and placed in the corrective or adverse action file. An employee's prior disciplinary record may be considered. However, the following time limits on prior disciplinary actions shall apply when determining the appropriate discipline:

a. A reprimand and/or a suspension of less than ten (10) days shall be considered a prior offense and may be cited only within two (2) years of the effective date of the reprimand, and only if it was not withdrawn earlier by the deciding official issuing the action by a court, or by other competent authority.

b. An adverse action shall be considered a prior offense and may be cited only within three (3) years from the effective date of the action, and only if not withdrawn earlier by the deciding official issuing the action, by a court, or by other competent authority.

3. Consideration may be given to correcting the problem through the use of the Employee Assistance Program ("EAP"). For purposes of disciplinary actions and penalties, days are defined as calendar days, unless otherwise stated herein.

Section D: Time Frame for Proposing Disciplinary Action

After discovery of the incident, an investigation shall be conducted in a timely manner, and discipline shall be imposed upon the conclusion of any investigation.

Section E: Grievance Process

Employees may grieve disciplinary actions through the negotiated grievance procedure set forth in Article 38 Grievance and Arbitration Procedure, of this Agreement at the step of the next higher level manager than the deciding official, within fifteen (15) workdays of the receipt of the final decision. If the deciding official is the Director of the Agency, the grievance shall be filed at Step 4 of Article 38.

Section F: Probationary Employees

This Article shall govern disciplinary actions imposed on probationary employees. However, the removal of an employee during his/her probationary period is neither grievable nor appealable, and shall be done in accordance with the DPM.

Section G: Privacy

If a supervisor has reason to discipline an employee, it shall be done in private and in a manner that shall not embarrass the employee before other employees or the public.

Section H: Notice of Proposed Disciplinary Action

1. An employee for whom adverse action is proposed shall be entitled to at least 15 calendar days advance written notice of a proposed adverse action, or ten (10) calendar days if corrective action is proposed. The notice shall identify the cause and the reason(s) for the proposed action.

2. A notice of proposed corrective or adverse action shall contain the following information:

a. The violation or infraction allegedly committed by the employee and where the employee/union can obtain the supporting documentation;

b. The Agency shall give specific description of the incident(s), including the date(s) of the occurrence that resulted in the Agency proposing disciplinary action;

c. The name and telephone number of the hearing officer and/or disinterested designee;

d. A statement that the employee is represented by AFGE Local 631 and should seek assistance from the Union.

A response to the proposed disciplinary action is due ten (10) workdays after the employee receives the notice of proposed discipline.

Recognizing that the Union is the exclusive representative of the employees covered by this Agreement, the Agency shall notify the Union of proposed disciplinary actions. A written notice shall be provided to the Union President identifying the name of the employee, the date the employee received the proposed action and the proposed penalty. This notice to the Union shall be mailed to the Union President at the time the document(s) is issued to the employee. The parties may mutually agree, in writing, to other methods of delivery of the notice to the Union.

The materials upon which the proposed discipline is based shall be made available to the employee and his/her authorized representative for review. The employee and his/her authorized representative shall be provided with copies upon request.

Any information that cannot be disclosed to the employee and/or his/her representative at the time the proposal is issued shall not be used as support for the proposed action and final decision.

2. If the proposed action is sustained in whole or in part, the written decision shall identify the reason for the decision and shall describe whether the proposed penalty has been sustained or reduced, and inform the employee of his/her right to appeal or grieve regarding the decision, and the right to be represented. The final decision shall also specify the effective date of the action.

Section L: Final Decision

A Notice of Final Decision, dated and signed by the deciding official, shall be delivered to the employee on or before the date that the action is to be effective. If the employee is not in a duty status at that time, the notice shall be sent to the employee's last known address by certified or registered mail before the effective date.

If a final decision is grieved through the negotiated grievance procedure, a written grievance shall be filed within fifteen (15) workdays of the receipt of the final decision, as provided for in Section E of this Article.

MEMORANDUM

TO: Persons Issued Tickets While Operating Government Vehicles

FROM: Lucinda Babers
Interim Director

DATE: April 9, 2007

SUBJECT: Adjudication of Parking Tickets Incurred During Government Service

The Department of Motor Vehicles revised its guidelines for adjudicating tickets issued to government and public service vehicles on March 20, 1994. Working with police agencies and other officials, the Department created exceptions to liability for some cars and trucks operated by government employees during the course of official government business. There are, however, still misunderstandings on the part of some employees about the range and scope of exceptions permitted for government and public service vehicles.

There are no exceptions for citations that are issued for blocking traffic or for other activities that impact upon public safety.

There also appears to be a misunderstanding about the proper use of the "Authorized Parking Permit" issued by the Department of Motor Vehicles.

- **The "Authorized Parking Permit" does not convert a private vehicle into an official government vehicle.**

- **Vehicles with private license plates cannot park free at meters, even if they do display an "Authorized Parking Permit", and such vehicles may not occupy parking spaces that are reserved for "Government Vehicles Only".**

The following "Guidelines for Exceptions" may be useful in helping government employees avoid tickets and other enforcement action:

1. Government Employees - District and Federal vehicles may be excused from parking infractions incurred during the course of urgent government business if there was no other legal space available, provided the parking violation did not block traffic or cause a safety problem.

Ex. 34

5/15/09

The defense of being a government employee on urgent business will not excuse the following violations:

- violation of no parking/standing anytime regulations
- rush hour violations
- blocking a crosswalk
- parking in a fire lane/fire hydrant
- loading zone violation
- parking in a bus stop or bus zone
- violation of school zone regulations
- parking on a sidewalk
- blocking a driveway or alley

2. Law Enforcement Vehicles – Law enforcement vehicles carry with them the presumption that their business is urgent. It is recognized that from time to time law enforcement duties require personnel to violate exceptions to established rules. In these cases hearing examiners weigh a respondent's violation against the duties the agent performs and makes a decision in consideration of the public interest.

3. Utility Vehicles – Utility vehicles are treated as though they were government vehicles. The actual work vehicle is treated in much the same manner as a law enforcement vehicle. For example, an electric repair truck may have to park in a bus zone because that is where the manhole to be re-wired is. A supervisor's car will, however, be held to the provisions of paragraph one. Government ticket writers will look for work cones to denote activity, and if work cones are not displayed, a citation can be issued.

4. Procedures for Adjudication – Each agency should designate one or two persons to review tickets issued to vehicles operated by their employees. Drivers may be held responsible for tickets that do not fall within government adjudication guidelines.

- Tickets that are disapproved by a Department's certifying official may be presented for a hearing by the individual driver, or else they should be paid. When citations are adjudicated by a hearing examiner and a respondent is found liable, the citation is expected to be paid.

- If a reviewing official believes that a ticket issued to a government vehicle falls within government adjudication guidelines described above, the completed file should be directed to the Government Fleet Specialist at Adjudication Services, 301 C Street, NW, Washington, D.C. 20001. An accompanying letter should be sent describing the nature of the driver's business, why that business was urgent, and what the driver did to seek out available legal parking space.

- It is important that a full explanation of the circumstances surrounding a ticket is presented when one is seeking an exception to liability. Vehicle operators who are denied processing under your Department's screening procedures may walk in for an in-person hearing at 301 C Street, NW on any business day between the hours of 8:30 a.m. to 4:00 p.m.

SBX 5/15/09

- The signature of your Department's certifying official should be on file at Adjudication Services. The person authorized to seek an exception for vehicles on a Department's registry should be known to our officials, as we can not process requests submitted by individual employees.

The purpose of this Agreement is:

1. To promote fair and reasonable working conditions;

2. To promote harmonious relations between the parties;

Each party affirms without reservation the contents of this Agreement. Now therefore, in consideration of mutual covenants and promises contained herein, the Department and the Union do hereby agree as follows:

ARTICLE 1 RECOGNITION

Section A:

Section D:
The Union and the Employer may file a Joint Petition with the Public Employee Relations Board to clarify and correct inaccuracies contained on the current unit certifications. Prior to filing of the joint petition, the Union and Employer shall confer on the revised unit descriptions.

3. To bargain collectively through representatives of their own choosing as provided in this subchapter; and,

4. To refrain from any or all such activities under paragraphs (1) and (2) and (3) of this subsection, except to the extent that such right may be affected by an agreement requiring membership in a labor organization as a condition of employment as authorized in §1-617.11.

Section B:

It is understood that employees in the bargaining unit shall have full protection of all articles in this Agreement as long as they remain in the unit.

Section C:

Each employee shall have the right to bring matters of personal concern to the attention of the appropriate officials in accordance with applicable laws, regulations and procedures.

d. The Agency's internal security practices.

6. To determine the qualifications of employees for appointment, promotion and to set standards of performance and conduct.

and

8. To take whatever actions may be necessary to carry out the mission of the Agency in emergency situations.

Section B:

An act, exercise, or agreement of the respective personnel authorities (management) shall not be interpreted in any manner as a waiver of the sole management rights as codified in the D.C. Official Code §1-617.08 and as outlined in this Article.

Section C:

Notwithstanding Sections A and B above, the Union may grieve, if in exercising management's rights, the Department violates any procedures contained in this Agreement.

Section D:
In the event Management changes the standard of performance applicable to bargaining unit employees, the employees and the Union will be notified in writing of those change(s);

ARTICLE 5 DISTRIBUTION OF AGREEMENT AND ORIENTATION OF EMPLOYEES

The Department shall provide each new employee with a copy of this Agreement and other relevant Agency information.

Section C:

The Department shall provide the Union with reasonable written advance notice of the date, time and place of each orientation session.

ARTICLE 6 NON-DISCRIMINATION

Section A:

The Department recognizes its responsibility to promote and ensure equal employment for all persons and to promote the full realization of EEO through positive programs of affirmative action at every level within the Department.

Section B:

In the development and implementation of its affirmative action plan, and in accordance with District laws and regulations, the Department agrees to consider the following:

The EEO complaint regulations and procedures will be published, posted and made available to each employee as well as included in the Affirmative Action Plan. The parties agree that EEO complaints shall be processed in accordance with District law, rules and regulations. This does not preclude the non-EEO aspects of mixed grievances (where clear distinction can be made and where such complaints are within the scope of the grievance procedure as defined within this Agreement) from going through the negotiated procedure.

Section D:

The Union recognizes its responsibility as bargaining agent and agrees to represent all employees in the unit without discrimination.

Section E:

The Department agrees that the Union may submit names of employees to the Department for consideration for appointment to EEO Counselor positions, using the same criteria as are used for any other nominee consistent with the procedures used by the Office of Human Rights for selecting EEO counselors. The Union shall be promptly notified in writing of the names and telephone numbers of the EEO Counselors. The names and telephone numbers of the EEO Counselors shall be posted and/or distributed.

Section F:

The Department shall ensure that all EEO Counselors have access to education and training necessary to effectively perform the duties and responsibilities of the position of EEO Counselor.

Section G:

Through the procedures established for Labor-Management cooperation, each party shall advise the other of equal employment opportunity programs of which they are aware. The Department shall ensure that problems brought to its attention under this Article shall be promptly remedied.

ARTICLE 7 UNION SECURITY AND DUES

Section A:

The terms and conditions of this agreement shall apply to all employees in the bargaining unit without regard to Union membership. Employees covered by this agreement have the right to join or refrain from joining the Union. Pursuant to D.C. Official Code §1-617.11(a), the Union shall have the right to act for and negotiate agreements covering all

employees in the unit and shall be responsible for representing the interest of all such employees without discrimination and without regard to membership in the labor organization, provided, however, that the employees pays dues or service fees consistent with law.

Official Code §1-617.07 (2001 ed.), Management shall deduct dues from the bi-weekly salaries of those members who execute an appropriate membership/union dues deduction authorization form. The dues checkoff authorizations may be cancelled by the employee at any time upon written notification to the Union and the Employer. The Union retains the sole responsibility to develop and maintain procedural safeguards required by existing applicable law with regard to the administration for the payment of service fees. The Union shall be solely responsible for notifying employees, prior to obtaining their authorization, that they have certain constitutional rights under Hudson v. Chicago Teachers Union Local No. 1, 743 F.2d 1187, 1191, 117 LRRM 2314 (7th Cir. 1984), and related cases.

Section C:

Employees who do not pay Union dues shall pay a service fee amount (not to exceed Union dues) consistent with law.

Section D:

The service fee and/or Union dues withheld shall be transmitted to the Union, minus a collection fee of fifty (.10) cents per deduction per pay period. Union representatives shall obtain advance permission (by submitting an Official Time Form) from their immediate supervisor or their immediate supervisor's designee when leaving work to transact permissible labor-management business (as defined by this Agreement) during work hours. The Union representative shall provide sufficient information on the "Official Time Form" to permit the supervisor to grant or deny the request. ARTICLE 9 GRIEVANCE PROCEDURE

Section A:

The purpose of this Article is to provide a mutually acceptable method for the prompt and equitable settlement of grievances.

Therefore, Management and the Union retain the right to settle any grievance in the enforcement of this Agreement through and including Step 4 of the grievance process. Management shall ensure that all settlements reached with respect to grievance resolution shall be implemented in a timely manner.

Section B:

A grievance is a complaint by a party or parties that:

1. There has been a violation, misapplication or misinterpretation of this Agreement;

2. That there has been a violation or misapplication of appropriate term(s) and condition(s) of the Compensation Agreement for Units 1 & 2;

3. No complaint of a violation of Article 6 (Non-Discrimination) of this Agreement may be asserted as a grievance under this procedure. Appeals/complaints concerning Equal Employment Opportunity matters shall be handled exclusively by the appropriate legal authority having jurisdiction over such appeals/complaints;

4. Alleged violations or misapplications of any law, District-wide rule or regulation are not subject to this grievance procedure and should be handled exclusively by the appropriate administrative agency or body having jurisdiction over such issues.

Section C: Presentation of Grievance

1. This procedure is designed to enable the parties to settle grievances at the lowest possible administrative level.

2. Categories of Grievance:

a. Personal: A grievance of a personal nature which requires signature of the aggrieved employee at Step 2 even if the grievant is represented by the Union. In the case of an individual grievant proceeding without Union representation, the Union shall be given the opportunity pursuant to advance notification to be present and offer its view at any meeting(s) held to adjust the grievance. A copy of any settlement

agreement reached between the parties or adjustment, decision or response made by the Department must be sent to the Union.

b. Class: A grievance involving all the employees in the bargaining unit which must be filed and signed by the Union President directly at Step 4 of the grievance procedure. Grievances so filed will be processed only if the issue raised is common to all unit employees. A class grievance must contain all information specified in Step 2 of the grievance procedure. The Department Head or his designee shall respond in writing within twenty (20) workdays of its receipt.

c. Group: A grievance involves a group of bargaining unit employees within the Department. A group grievance may be filed by the group of employees at the appropriate step of the grievance procedure where resolution is possible. The signature of each member of the group is required at the initial step for grievance(s) filed at Step 2 or beyond.

In the event the group is not represented by the Union, the Union must be given opportunity pursuant to advance notification to be present and offer its view at any meeting(s) held to adjust the grievance. A copy of any settlement agreement reached between the parties as adjustment, decision or response made by the Department must be provided to the Union upon request.

Section D: Procedure

1. Step 1: The aggrieved employee, with or without a Union representative, shall orally present and discuss the grievance with the employee's immediate supervisor within ten (10) workdays of the occurrence of the event giving rise to the grievance, or within ten (10) workdays of the employee's knowledge of the event giving rise to the grievance. The immediate supervisor shall make a decision on the grievance and respond to the employee and his/her representative within ten (10) work days after oral presentation of the grievance.

2. Step 2: If the grievance is not settled at Step 1, the employee with or without his/her Union representative, shall submit a signed, written grievance to the Division Chief (DPW and DDOT), the Call Center Manager at the Office of Unified Communications or the appropriate management official for the other agencies within ten (10) workdays following the immediate supervisor's oral response or the date said response was due. The grievance at this and subsequent steps shall contain:

1. Description of the nature of the grievance;

2. The date(s) on which the alleged violation occurred;

3. A complete citation to the contract provisions allegedly at issue;

4. A statement of the remedy or adjustment sought;

5. Authorization by the employee if Union representation is desired;

6. The signature of the aggrieved employee(s) and the Union representative, if applicable, according to the category of the grievance.

Should the grievance not contain the required information, the grievant/Union shall be so notified in writing and given five (5) workdays from receipt of notification to resubmit the grievance.

The appropriate management official shall submit a signed, written response to the grievance to the employee and his/her Union representative within ten (10) work days of its receipt. If the aggrieved employee is not represented by the Union, the management official responding to the grievance must send a copy of the Step 2 response to the Union within ten (10) workdays of receipt of the Step 2 grievance.

3. Step 3: If the grievance remains unsettled, the grievance shall be submitted to the Administrator at DPW, the Associate Director at DDOT or the designated Management official at the other agencies in his/her division within seven (7) workdays following receipt of the appropriate Management official's Step 2 response or the date said response was due.

The designated Management official in the division shall respond in a signed, written statement to the employee and his/her representative within ten (10) workdays of receipt of the Step 3 grievance. If the aggrieved employee is not being represented by the Union, the designated Management official of the division must send a copy of the Step 3 response to the Union within ten (10) work days of receipt of the Step 3 grievance.

4. Step 4: If the grievance remains unsettled, the employee or the Union on the employee(s) behalf shall submit the grievance to the Director of the respective agency or the Chairperson of the Taxicab Commission within seven (7) workdays following receipt of the Step 3 response. Within fifteen (15) work days of receipt of the Step 4 grievance the Director/Chairperson or his designee may meet with the aggrieved employee and his/her representative to attempt to resolve the grievance or must respond in writing. If a meeting occurs, the Director/Chairperson shall respond in writing to the employee and his/her representative within ten (10) work days following the Step 4 meeting. If the employee is not being represented by the Union, the Director/Chairperson must send a copy of the Step 4 response to the Union within ten (10) work days of the Step 4 meeting or the date the meeting was due.

5. Step 5: If the grievance remains unsettled, the Union within fifteen (15) workdays from receipt of the Director's/Chairperson's response, shall notify the Director/Chairperson and the OLRCB in a signed statement indicating whether the Union intends to request arbitration consistent with the Arbitration Procedures or mediation consistent with the Mediation Procedures outlined in this Article. Only the Union or management can refer a grievance to arbitration and mediation.

If the Union intends to share the cost of the record of the hearing it must notify the OLRCB at the time of the request for arbitration.

Section E: Grievance Mediation

1. Should the parties fail to resolve the grievance utilizing the grievance procedure set forth above (Section D, Subsections 1-4), by mutual agreement, the parties may, within ten (10) workdays after the receipt of the Step 4 response, submit the matter to mediation utilizing the services of the Federal Mediation and Conciliation Services. If the parties mutually agree to mediate the matter, the following procedures will be utilized to mediate the matter.

2. Selection

a. A joint request shall be submitted to the Federal Mediation and Conciliation Services (FMCS). The mediator selected must have demonstrated expertise in public sector labor relations and in grievance mediation.

b. The mediation session(s) must commence within thirty (30) days of the agreement to mediate. If the matter is not successfully resolved through mediation or is not scheduled for a mediation session within the thirty (30) day period, the OLRCB and the Union shall select an arbitrator consistent with the terms of this Agreement.

3. Mediation Procedure

a. Each party shall have representation at the mediation session.

b. The grievant(s) shall be present and may participate at the mediation session. In the case of a class or group grievance, a maximum of three (3) grievants shall be present as representatives of the class or group.

c. Mediation sessions shall be informal; the rules of evidence shall not apply.

d. The mediation session shall be confidential. No record of the session shall be made.

e. During the session, the mediator may meet individually or jointly with participants, however, he/she is not authorized to compel or impose a settlement.

f. The mediation session shall not exceed one (1) day unless the parties agree otherwise.

4. Mediation Conclusion

a. The parties shall sign their respective copies of any settlement agreement as a result of mediation.

b. Should both parties accept any settlement achieved through mediation it shall not have precedent setting value unless mutually agreed to on a case-by-case basis. Absent mutual agreement neither party may cite any settlement achieved through mediation in any other proceeding.

c. Should mediation and any further negotiations among the parties fail to resolve the matter, the arbitration proceedings in accordance with Section D, Step 5 may be invoked by the Union or the Agency within five (5) calendar days of the conclusion of the mediation session.

d. The mediator shall be barred from arbitrating the grievance in a subsequent proceeding or testifying in a subsequent arbitration proceeding.

e. Documentation pertaining solely to the mediation process including evidence, settlement offers or the mediator's advisory opinion shall be inadmissible as evidence in any arbitration proceeding.

f. The parties shall share the fees and expenses of the mediator equally.

Section F: Arbitration

1. Selection of an Arbitrator:

a. Except in cases of mutual agreement as to the appointment of an arbitrator, a panel of seven (7) arbitrators shall be requested by the party demanding arbitration from the Federal Mediation and Conciliation Service (FMCS) from which an arbitrator shall be selected after receipt of the panel by both parties. The request shall require the FMCS to refer only arbitrators (a) who are on the roster of labor arbitrators maintained by the American Arbitration Association (AAA), and (b) whose primary offices are located in the District of Columbia or a contiguous jurisdiction in Virginia (Alexandria, Arlington, or Fairfax Counties, or wholly incorporated municipalities within those counties) or Maryland (Montgomery or Prince Georges Counties, or wholly incorporated municipalities within those counties). When either party requests a panel, the FMCS shall be provided with the name and address of the Office of Labor Relations and Collective Bargaining as the representative of the Employer. The party requesting arbitration shall be required to bear the fees associated with the panel request and any initial administrative fees. Both the Employer and the Union may strike three (3) names from the list using the alternate strike method. The decision as to which party selects

first will be determined by the toss of a coin. The arbitration hearing shall be conducted pursuant to the American Arbitration Association guidelines unless modified by this Agreement.

b. If, before the selection process begins, either party maintains that the panel of arbitrators is unacceptable, a request for a new panel from FMCS shall be made. Subsequent requests can be made until the parties receive an acceptable panel.

c. Once an arbitrator has been selected, the party requesting arbitration will provide a copy of the section of the grievance procedure requiring the arbitrator to render his/her decision within thirty (30) days after the conclusion of the hearing or within thirty (30) days after the arbitrator receives the briefs, if filed, whichever is later and requests that the arbitrator confirm in writing that he or she will be able to render a decision within thirty (30) days after the stated events, as required by the parties Agreement. Should the arbitrator selected cannot confirmed that he/she will be able to render a decision within thirty (30) days or within a reasonable time thereafter, the parties may mutually agree to select a different arbitrator.

2. Either party may refuse to arbitrate because of its assertion that no valid collective bargaining agreement exists between the parties or that the substantive matter in dispute is not within the scope of collective bargaining. The party disputing the assertion may request the D.C. Superior Court to compel arbitration of the matter.

3. Hearings shall be held in the Office of Labor Relations and Collective Bargaining or another mutually agreeable location. If any additional costs are involved, they shall be borne equally by the parties.

4. The arbitrator shall hear and decide only one (1) grievance in each case unless the parties mutually agree to consolidate grievances.

5. The arbitration hearing shall be informal and the rules of evidence shall not strictly apply.

6. The hearing shall not be open to the public or persons not immediately involved.

7. Witnesses shall be sequestered upon request of either party. The principal representative of a party shall not serve as a witness in the proceeding. The principal representative may retain one witness or a non-witness, as the client representative, to assist him or her during the course of the hearing. A client representative, who is also a witness in the proceeding, must testify first and may also testify on rebuttal.

8. Either party has the right to have a verbatim stenographic record made at its own expense. The expense may be shared upon mutual agreement. The stenographic company shall provide the Arbitrator a copy of the record. Stenographic records are not producible pursuant to a request by either party unless that party has paid for all or part of the cost of said record pursuant to a mutual agreement. If the Union intends to share the costs of the record of the hearing it must notify the Office of Labor Relations and Collective Bargaining at the time of the request for arbitration.

9. The parties shall attempt to submit a joint written statement of the issue or issues to the arbitrator.

10. The parties shall exchange witness lists 5 days in advance of the hearing, unless mutually agreed otherwise. District employees will be on-call and will be released to testify only on an "as-needed" basis.

11. Either party may file a written brief in lieu of closing argument after the closing of the hearing at a time set by the Arbitrator.

12. The arbitrator's award shall be in writing and shall set forth the arbitrator's findings, reasoning and conclusions within thirty (30) days after the receipt of the stenographic record. If no stenographic record was made, the arbitrator shall issue his decision with thirty (30) days after the conclusion of the hearing.

13. The arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Agreement through the award. The arbitrator shall confine his/her award to the issue(s) presented. The Arbitrator's award shall not conflict with any provision of applicable law.

14. The arbitrator shall have full authority to award appropriate remedies.

15. The arbitrator's award shall be binding upon both parties, however, either party may exercise its right to obtain review of the Arbitrator's award in an appropriate forum.

16. A statement of the arbitrator's fee and expenses shall accompany the award. The fees and expenses of the arbitrator shall be borne equally by the parties.

17. The arbitrator's decision shall be subject to the Federal Back Pay Act.

Section G: General

1. All time limits shall be strictly observed unless the parties mutually agree to extend said time limits.

2. The presentation and discussion of grievances shall be conducted at a time and place which will afford a fair and reasonable opportunity for both parties and

their witnesses to attend. Such witness(s) shall be present only for the time necessary for them to present evidence. When discussions and hearings required under this procedure are held during the work hours of the participants, all unit employees entitled to be present shall be excused with pay for that purpose.

3. Issues of procedural arbitrability shall be presented first at the arbitration proceeding and must be decided before a hearing on the merits. A party does not waive its rights to present procedural defenses by failing to raise the issue before the start of the arbitration hearing.

4. The Agency, including the labor liaison, shall ensure that grievances are addressed and responded to in a timely manner.

To contribute to overall work efficiency and to enable approval of leave to the employee's convenience, leave should be requested in advance. Management agrees to provide employees in the Unit the opportunity to use all of the annual leave earned. Denial of use of leave will be based upon factors which are reasonable, equitable, and do not discriminate against any employee or group of employees.

Section C:

1. Requests for leave shall be submitted in writing on Form SF 71 by the employee to his/her immediate supervisor or designee in advance of the leave requested. The request will indicate the type of leave being requested, as well as the duration requested. Management will notify employees of the disposition of his/her request for leave as soon as possible after submission of the request, but no later than twenty-four (24) hours in advance of the leave requested is to begin. Failure to request and secure proper approval for leave in advance may result in a charge to absence without leave.

2. When leave is requested in advance, Management will not cancel or reschedule leave previously approved except for emergency reasons or where the employee's service cannot be spared. Where leave must be canceled or rescheduled, Management shall provide the affected employee(s) with the reasons for the cancellation or the need to reschedule. Employees calling in to request unscheduled leave must indicate the type of leave requested and estimate the duration of the request at the time of the call. In the event the employee is still unable to return to work at the end of the duration requested, the employee must call in at least two (2) hours prior to the beginning of their tour of duty to request additional time. If any employee is incapacitated and unable to call in to request unscheduled sick or annual leave, the request for leave may come from another person. In such cases, the supervisory official will treat the request as though it had come from the employee. Employees are not required to call in daily unless their prior request was for only one day of unscheduled leave. In exceptional circumstances, consideration will be afforded employees who for reasons beyond their control may not be able to comply with the two (2) hour call-in/advance notice requirement.

3. All requests shall be called in to the employee's immediate supervisor. Management reserves the right to cancel leave previously approved for circumstances such as workload or emergencies. In the event it is necessary to cancel advance requests, the supervisor will promptly advise the employee concerned, and in such cases the employee's circumstances will be given due to consideration. Every effort will be made to reschedule the vacation period for the employee's convenience.

Such request to furnish a doctor's certificate for each absence shall be reviewed within ninety (90) days. Where improvement has been shown such documented request shall be rescinded.

The District of Columbia Comprehensive Merit Personnel Act (D.C. Law 2-139, Title I, Chapter 6, Subchapter 1, D.C. Official Code § 1-601.02) states that the Council of the District of Columbia declares that it is the purpose and policy of this act to assure that the District of Columbia Government shall have a modern flexible system of public personnel administration, which shall "provide for a positive policy of labor-management relations including collective bargaining between the District of Columbia and its employees . . . ."

The District of Columbia Comprehensive Merit Personnel Act (D.C. Law 2-139, Title 1, Chapter 6, Subchapter XVIII, (D.C. Official Code) Section 1-617.01) states [t]he District of Columbia Government finds and declares that an effective collective bargaining process is in the general public interest and will improve the morale of public employees and the quality of service to the public.

The District of Columbia Comprehensive Merit Personnel Act (D.C. Law 2-139, Title 1, Chapter 6, Subchapter XVIII, (D.C. Official Code) Section 1-617.01(b) provides for collective bargaining between the Mayor of the District of Columbia and labor organizations accorded exclusive recognition for employee representation for employees of the District of Columbia Government.

Pursuant to the District of Columbia Comprehensive Merit Personnel Act (D.C. Law 2-139, Title 1, Chapter 6, Subchapter XVIII, (D.C. Official Code) Section 1-617.10), various local unions or District Council 20 of the American Federation of State, County and Municipal Employees, AFL-CIO, (herein "AFSCME" or the "Union") have been certified and/or recognized as the exclusive collective bargaining agent for employees of the District of Columbia Government (hereinafter the "District" or the "Employer").

Accordingly, AFSCME and the District enter into this Agreement, which shall have as its purposes:

(1) Promotion of a positive policy of labor-management relations between the District of Columbia Government and its employees;

(2) Improvement of morale of employees in service to the District of Columbia Government;

(3) Enhancement of the quality of public service to the citizens of the District of Columbia;

(4) Creation of a government that works better; and

(5) Promotion of the rights of District of Columbia Government employees to express their views without fear of retaliation.

AFSCME and the District of Columbia Government declare that each party has been afforded the opportunity to put forth all its non-compensation proposals and to bargain in good faith. Both parties agree that this Agreement is the result of their collective bargaining and each party affirms its contents without reservation. This Preamble is intended to provide the background and purpose of the Collective Bargaining Agreement. Alleged violations of the Preamble per se will not be cited as contract violations.

In either case the employee request must be supported by a statement from his/her physician attesting that the employee has a serious disability or ailment and is incapacitated for duty and stating the period of time expected to be involved. The request should be denied only if the requirements of Section 3 (a) and (b) are not met or there is a reason to believe that the employee will not return to duty or that he/she has abused the sick leave privilege in the past.

C. All accrued and accumulated sick leave must be exhausted before the advance sick leave is credited. Accrued and accumulated annual leave may remain standing to the credit of employees. The Employer will use its best efforts to answer an employee's request for advanced sick leave within fifteen (15) working days. However, an employee is responsible for applying advance sick leave in writing as far in advance as possible. If the request is denied, the reasons for such denial shall be given in writing. Further, the employee will be given consideration for LWOP consistent with the provisions of personnel rules and regulations.

Section 4 – Other Paid Leave:

A. Military Leave: Full-time employees are entitled to leave as reserve members of the armed forces or as members of the National Guard to the extent provided in D.C. Official Code Section 1-612.03(m) and applicable rules and regulations and the Compensation Units 1 & 2 Agreement, which provide in part the following:

1. Members of the D.C. National Guard are entitled to unlimited military leave without loss of pay for any parade or encampment with the D.C. National Guard when ordered by the Commanding General, excluding weekly drills and meetings.

2. Additional military leave with pay will be granted to full-time employees who are members of the reserve components of the Armed Forces or the National Guard for the purpose of providing military aid to enforce the law for a period not to exceed 22 workdays per calendar year.

B. Court Leave: Employees shall be granted leave of absence with pay anytime they are required to report for jury duty or to appear as a witness on behalf of the District of Columbia Government, or the Federal or a State or Local Government, in accordance with personnel rules and regulations.

C. Voting Leave: Where the polls are not open at least three hours either before or after an employee's regular hours of work, he/she may, upon request, be granted an amount of excused time which will permit him/her to report to work three hours after the polls open or leave work three hours before the polls close, whichever requires the lesser amount of time off. Leave for voting will be allowed in accordance with the personnel rules and regulations.

D. Funeral Leave: Funeral leave shall be granted in accordance with the Compensation Units 1 & 2 Agreement.

E. Civic Duty: Upon advance request and adequate justification employees required to appear before a court or other public body on public business in which they are not personally involved shall be granted leave of absence with pay unless paid leave is prohibited by Federal or District Regulations or Statutes.

F. Examinations: Employees shall be excused without charge to leave in accordance with personnel rules and regulations for the purpose of taking an employment medical examination and examination for induction or enlistment in the active Armed Forces, a District Government owned vehicle operator examination, a civil service examination or other examination which his/her department has requested him/her to take in order to qualify for reassignment, promotion, or continuance of his/her present job, but not for the reserve Armed Forces. An employee shall also be excused without charge to leave for the purpose of taking an examination whenever, in the judgment of the Department or agency head, the District Government will benefit thereby. Absence from duty in order to take an examination primarily for the employee's own benefit and not connected to the District Government must be requested in accordance with the general leave provisions.

Section 5 - Leave Without Pay:

A. General: Leave of absence without pay for a limited period may be granted at the supervisor's discretion for a reasonable purpose if requested in advance in writing.

B. Union: Employees elected to any Union office or selected by the Union to do work which takes them from their employment with the Employer shall at the written request of the employee and the Union be granted a leave of absence without pay; provided the written request states the purpose and duration of the absence, and is submitted thirty (30) calendar days in advance of the commencement of the desired period of absence. If the Employer indicates that the requested leave will unduly hamper its operations, it may offer an alternative for consideration by the Union.

C. The initial leave of absence shall not exceed one (1) year. Leaves of absence for Union officials may be extended for similar periods. No more than one employee from a bargaining unit shall be on such extended leave at the same time.

D. Parenthood Leave: Maternity leave before and following childbirth shall be granted at the request of the employee. The employee is obligated to advise her supervisor substantially in advance of the anticipated leave date. This period of absence shall be determined by the employee, her physician and her supervisor. Maternity leave is chargeable to sick leave or any combination of sick leave, annual leave, or leave without pay. Paternity leave may be granted for a period of up to two (2) weeks following childbirth, and may be extended at the supervisor's discretion. Such leave shall be a combination of annual leave or leave without pay.

E. Leave may be granted for a period of up to two (2) weeks to an employee who is adopting a child, with extensions made at the discretion of the supervisor. Such leave shall be a combination of annual leave or leave without pay.

F. Union Officer Leave: Attendance at Union sponsored programs may be approved annual leave or leave without pay in accordance with normal leave practices unless Administrative Leave has been approved.

G. Educational Leave: After completing one (1) year of service an employee upon request may be granted a leave of absence for educational purposes provided that successful completion of the course will contribute to the work of the Department. The period of leave of absence may not exceed one (1) year, but may be extended at the discretion of the Employer. If an employee is returning from educational leave during which he/she has acquired the qualification of a higher rated position he/she shall not have lost any of his/her rights in being evaluated for the higher graded position.

ARTICLE 17
ADMINISTRATION OF OVERTIME

Section 1 -Distribution:

Overtime work shall be equally distributed among employees. Specific arrangements for the equitable distribution of overtime shall be agreed to at Union Management Cooperation Meetings. Individual employee qualifications shall be considered when decisions are made on which employees shall be called for overtime work.

Section 2:

Management will solicit volunteers when overtime work is required. In the event a sufficient number of qualified volunteers are not available to perform the job functions, overtime work will be assigned to equally qualified employees in inverse order of seniority, unless a different system is worked out on a local-by-local basis. Instances of hardship should be presented to the supervisor and shall be considered on a case-by-case basis.

ARTICLE 18
WAGES

Section 1:

The salaries and wages of employees shall be paid bi-weekly. In the event the scheduled payday is a holiday, the preceding day shall be the payday. If, for any reason, an employee's paycheck is not available on the prescribed day, or if it does not reflect the full amount due, that employee will be paid as quickly thereafter as is possible, and under no circumstances will he or she be required to wail until the next regular payday.

Section 2:

If an employee's paycheck is delayed, the employee shall immediately notify his/her supervisor. The supervisor shall initiate efforts through the agency controller to obtain a supplemental payment. Supplemental payments will not effectuate normal payroll deductions. Appropriate payroll deductions will be deducted from the employee's subsequent paycheck. (Except DHS, see Attachment 6.)

ARTICLE 19
REDUCTION-IN-FORCE

Section 1 - Definition:

The term reduction-in-force, as used in this Agreement means the separation of a permanent employee, his/her reduction in grade or pay, or his/her reduction in rank because of (a) reorganization, (b) abolishment of his/her position, (c) lack of work, (d) lack of funds, (e) new equipment, (f) job consolidation or (g) displacement by an employee with greater retention rights who was displaced because of (a) through (f) above.

Section 2 – Consultation:

The Employer agrees to consult in advance with the Union prior to reaching decisions that might lead to a reduction-in-force in the bargaining unit. The Employer further agrees to minimize the effect and such reduction-in-force on employees and to consult with the Union toward this end.

Section 3 - Procedure:

A reduction-in-force will be conducted in accordance with the provisions set forth in the Comprehensive Merit Personnel Act [(CMPA), D.C. Official Code § 1-624].

Section 4 – Impact and Effects Bargaining:

In the event of a reduction-in-force, the Employer shall, upon request, provide the Union with appropriate information to insure that the Union can engage in impact and effects bargaining over the reduction-in-force.

Section 5 - Review of Procedures:

In the event of reduction-in-force, the affected employee will receive credit for his/her performance in accordance with the Comprehensive Merit Personnel Act, [D.C. Official Code Ann., Title 1, Section 1-624 (2001 Edition)].

ARTICLE 20
CONTRACTING OUT

Section 1:

During the term of this Agreement the Department shall not contract out work traditionally performed by employees covered by this Agreement, except where Manpower (including expertise and technology) and/or Equipment in the department/agency are not available to perform such work, when it is determined by the Mayor that budgetary conditions exist requiring contracting out, or when it is determined by the Department that emergency conditions exist requiring such contracting out (provided however that the contracting out is for a period of time that the emergency exists). The Agency shall consult with the Union prior to any formal notice to contract out bargaining unit work.

Section 2:

When there will be adverse impact to bargaining unit employees, the Employer shall consult with the Union thirty (30) days prior to final action, except in emergencies. The Union shall have full opportunity to make its recommendations known to the Employer who will duly consider the Union's position and give reasons in writing to the Union for any contracting out action. The Agency shall consult with the Union to determine if the needs of the Government may be met by means other than contracting out work traditionally performed by bargaining unit employees.

ARTICLE 21
STRIKES AND LOCKOUTS

Section 1 - Definition:

The term strike as used herein means any unauthorized concerted work stoppage or slowdown.

Section 2 - Strikes:

It shall be unlawful for any District Government employee or the Union to participate in, authorize or ratify a strike against the District.

Section 3 - Lockouts:

No lockout of employees shall be instituted by the Employer during the term of this Agreement except that the Employer in a strike situation retains the right to close down any facilities to provide for the safety of employees, equipment or the public.

Section 4 - Other Considerations:

At no time however, shall employees be required to act as strikebreakers.

ARTICLE 22
GRIEVANCE PROCEDURES

Section 1:

Any grievance or dispute which may arise between the parties involving the application, meaning or interpretation of this Agreement, shall be settled as described in this Article unless otherwise agreed to by the parties.

Section 2 - Procedure:

This procedure is designed to enable the parties to settle grievances at the lowest possible administrative level. Therefore, grievances should be filed at the lowest level where resolution is possible. Accordingly, a grievance may be filed at the Step in the grievance procedure where the alleged action, which precipitated the grievance, occurred.

Step 1: The employee and/or the Union shall take up the grievance or dispute with the employee's immediate supervisor as soon as is practicable, but no later than fifteen (15) working days from the date of the occurrence or when the Union and/or the employee first had knowledge of or should have known of the occurrence. The supervisor shall attempt to adjust the matter and shall respond to the Steward as soon as is practicable, but not later than fifteen (15) working days after the receipt of the grievance.

Step 2: If the grievance has not been settled, it shall be presented in writing by the employee and/or the Union to the second level supervisor within ten (10) working days after the Step 1 response is due or received, whichever is sooner. The written grievance shall be clearly identified as a grievance submitted under the provisions of this Article, and shall list the contract provision violated, a general description of the incident giving rise to the grievance, the date or approximate date and location of the violation and the remedy sought. The second level supervisor shall respond to the Union and/or employee in writing within ten (10) working days after receipt of the written grievance.

Step 3: If the grievance is still unresolved, it shall be presented in writing by the employee and/or Union to the third level supervisor within ten (10) working days after the Step 2 response is due or received, whichever is sooner. The third level supervisor shall respond in writing (with a copy to the Local President) within ten (10) working days after receipt of the written grievance.

Step 4: If the grievance is still unresolved, it shall be presented by the employee and/or the Union to the Office of the Director or his/her designated representative, in writing within fifteen (15) working days after the Step 3 response is due or received, whichever is sooner. The office of the Director, or his/her designated representative shall respond in writing (with a copy to the Local President) within fifteen (15) working days after the receipt of the written grievance and a copy to the Office of Labor Relations and Collective Bargaining.

Step 5: If the grievance is still unresolved, the Union may by written notice request arbitration within twenty (20) days after the reply at Step 4 is due or received, whichever is sooner.

Section 3 - Union Participation:

A. The Employer shall notify the Union in writing of all grievances filed by the employees, all grievance hearings and determinations when such employees present grievances without the Union. The Union shall have the right to have a representative present at any grievance hearing and shall be given forty-eight (48) hours notice of all grievance hearings.

B. Any grievance of a general nature affecting a large group of employees and which concerns the misinterpretation, misapplication, violation or failure to comply with the provisions of the Agreement shall be filed at the option of the Union at the Step or level of supervision where the grievance originates without resorting to previous steps.

Section 4 - Who May Grieve:

Either an employee or the Union may raise a grievance, and if raised by the employee, the Union may associate itself therewith at any time if the employee so desires. Whenever the Union shall raise or is associated with a grievance under this procedure, such a grievance shall become the Union's grievance with the Employer. If raised by the Union, the employee may not thereafter raise the grievance him/herself, and if raised by the employee, he/she may not thereafter cause the Union to raise the same grievance independently.

Section 5 - Selection of the Arbitrator:

A. The arbitration proceeding shall be conducted by an arbitrator to be selected by the Employer, through the Office of Labor Relations and Collective Bargaining, and by the Union as soon as possible after notice of intent to arbitrate is received. If the parties fail to select an arbitrator, the Federal Mediation and Conciliation Service (FMCS) or the American Arbitration Association (AAA) shall be requested to provide a list of seven (7) arbitrators from which an arbitrator shall be selected within seven (7) days after receipt of the list by both parties.

B. Both the Employer and the Union may strike three (3) names from the list using the alternate strike method. The party requesting arbitration shall strike the first name. The arbitration hearing shall be conducted pursuant to the American Arbitration Association guidelines unless modified by this Agreement.

Section 6 - Decision of the Arbitrator:

The decision of the arbitrator shall be final and binding on the parties and shall not be inconsistent with the terms of this Agreement. The arbitrator shall be requested to render his/her decision in writing within thirty (30) days after the conclusion of the arbitration hearing.

Section 7 - Expenses of the Arbitrator:

Expenses for the arbitrator's services and the proceeding shall be borne equally by the Employer and the Union. However, each party shall be responsible for compensating its own representatives and witnesses. If either party desires a record of the arbitration proceedings, it may cause such a recording to be made, providing it pays for the record and make copies available without charge to the other party and the arbitrator.

Section 8 - Time Off For Grievance Hearings:

The Employee, Union Steward and/or Union representative shall upon request, be permitted to meet and discuss grievances with designated management officials at each step of the Grievance Procedure within the time specified consistent with Section 3 of Article 6 on Union Stewards.

Section 9 – Time Limits:

All time limits set forth, in this Article may be extended by mutual consent, but if not so extended, must be strictly observed. If the matter in dispute is not resolved within the time period provided for in any step, the next step may be invoked.

Section 10:

Matters not within the jurisdiction of the department/agency will not be processed as a grievance under this Article unless the matter is specifically included in another provision of this Agreement or the Compensation Agreement.

Section 11:

A. The parties agree that a process of grievance mediation may facilitate satisfactory solutions to grievances prior to arbitration. Therefore, on an experimental basis and when mutually agreed to by the parties, a mediator may be selected and utilized to facilitate settlements. The mediator may not impose a settlement on the parties, and any settlement reached will not be precedential unless otherwise agreed to by the parties on a case-by-case basis.

B. Grievances may be combined for the purpose of mediation upon mutual agreement by the parties.

ARTICLE 23
EMPLOYEE RIGHTS

Employees of the Unit shall have and shall be protected in the exercise of the right, freely and without fear of penalty or reprisal, to form, join and assist the Union or to refrain from any such activity. Except as expressly provided herein, the freedom shall be recognized as extending to participation in the management of the Union and acting for it in the capacity of a union representative, including representation of its views to the officials of the Mayor, D.C. Council or Congress.

ARTICLE 24
NEW TECHNOLOGY AND EQUIPMENT

Section 1:

Whenever new equipment or technological changes will significantly affect operations, the Employer shall provide notice to the Union at least 60 days in advance. This time limit does not apply to the introduction of equipment or technological changes on an experimental basis. When the Employer introduces such equipment or technological changes on an experimental basis the Employer will notify the Union upon introduction as where the experiment is being conducted and its nature and intended duration and will provide 60 days notice if the experiment is to be instituted permanently.

Section 2:

The Employer shall provide any reasonable training for affected employees to acquire the skills and knowledge necessary for new equipment or procedures. The training shall be held during working hours, when reasonably available. The Employer shall bear the expense of the training.

Section 3:

If training is required by the Agency for employment and the training is held outside the employee's normal tour of duty, the employee shall receive compensatory time.

ARTICLE 25
JOB DESCRIPTIONS

Each employee within the unit shall receive a copy of his/her current job description upon request. When an employee's job description is changed, the employee and the Union shall be provided a copy of the new job description.

ARTICLE 26
SAVINGS CLAUSE

In the event any Article, Section or portion of the Agreement shall be held invalid and unenforceable by any court or higher authority of competent jurisdiction, such decision shall apply only to the specific Article, Section, or portion thereof specified in the decision, and upon issuance of such a decision, the Employer and the Union agree to immediately negotiate a substitute for the invalidated Article, Section or portion thereof.

ARTICLE 27
DURATION AND FINALITY

Section 1 - Duration of Agreement:

This Agreement shall be implemented as provided herein subject to the requirements of Section 1715 of the CMPA (Section 1-617.15(a), D.C. Official Code, 2001 Edition). This Agreement shall be effective as of the day of final approval, and shall remain in full force and effect until the 30th day of September, 2010. Should either party desire to renegotiate, renew, extend or modify this Contract, notice will be given in writing in accordance with the requirements of the Comprehensive Merit Personnel Act. This Agreement shall remain in full force and effect during the period of negotiations.

Section 2 - Finality:

This Agreement was reached after negotiations during which the parties were able to negotiate on any and all negotiable non-compensation issues, and contains the full agreement of the parties as to all such non-compensation issues that were or could have been negotiated. The Agreement shall not be reconsidered during its life unless by mutual consent or as required by law.

On this _____ day of October, 2006 and in witness to this Agreement, the parties hereto set their signatures.
