2. The Union and employees recognize that workload and scheduling considerations will not always allow for the immediate release of employees from their assignments. The Division Manager may deny access based on workload or staffing reasons, but will

provide access at the earliest feasible opportunity. The Agency agrees that, while discretion for release lies with the employee's Division Manager, such permission for release shall not be unreasonably delayed.

Section H:

A Union representative, when leaving work to transact permissible official union business as defined by this Agreement during work hours, first shall request permission and receive approval from his/her Division Manager. If no reply is received from the Union's representative's division manager, the request for official time shall be deemed approved. During this trial period, the Agency agrees to provide the Union with 416 hours of official time annually to be used in the calendar year for the purpose of conducting union representational duties that are directly related to HSEMA bargaining unit members' terms and working conditions. The hours may be distributed by the Union President as deemed necessary. If it becomes necessary during this trial period for the use of more than the 416 official time hours, additional official time may be granted on a case-by-case basis. Reasonable request for official time beyond the 416 hours will not be unreasonably denied. During this trial period, labor management, safety committee meetings or meeting requests initiated by management will not count against official time hours.
2. Upon conclusion of the trial period, the Agency and the Union agree that the undisputed number of official time hours used during the trial period will be the annual allotment for the duration of the contract.

Section K:

The Union may select five (5) employees from the list of written elected officials and shop stewards who will each receive up to 40 hours of official time annually for the purpose of training to enhance labor management relations. The Union will provide 14 days' notice when requesting such leave. The Agency will respond to this request within seven (7) days.

The Agency will not prevent Union representatives from representing employees at reasonable times consistent with the provisions of this Agreement.

Section M:

The Agency shall make every reasonable effort to notify the Union and the steward no later than 14 working days prior to placing Union representatives on details or making shift changes. In no case shall such action be taken as a means of retaliation.
