

FY 2025 PERFORMANCE INITIATIVES ACCOUNTABILITY REPORT

Office of the Attorney General

MISSION

The Office of the Attorney General (OAG) is the chief legal office of the District of Columbia. OAG enforces the laws of the District and promotes the public interest. OAG's mission is to provide the District government with the highest level of legal advice and service, and to promote the interests of District residents. OAG seeks to be the nation's premier public law office.

SUMMARY OF SERVICES

OAG is responsible for conducting the District's legal business in a manner that is in the public interest. The Attorney General is the chief legal officer of the District of Columbia. The Attorney General's opinions on legal questions have the force of law unless overruled by a court or legislatively by the District of Columbia Council. OAG represents the District in virtually all civil litigation and represents the District in a variety of administrative hearings and other proceedings. OAG prosecutes juvenile and certain criminal offenses on the District's behalf, using evidence-based practices to increase public safety and support youth back onto successful life paths. OAG advises the Executive Office of the Mayor, the Council of the District of Columbia, the District of Columbia Courts, and various boards and commissions. OAG also reviews legislation, regulations, land dispositions, and contracts for legal sufficiency to ensure the legality of the government's actions. OAG provides legal and litigation support in procurement, tax and finance, bankruptcy, land use, and public works. The Office advocates on behalf of children by seeking to establish parentage and create an opportunity for financial stability as well as intervening on behalf of abused and neglected children when their safety and wellbeing is at risk. OAG also takes legal action to protect and promote the public interest. This includes protecting children, seniors, and developmentally disabled adults, bringing affirmative litigation to promote the interests of District consumers, taxpayers, tenants, and workers, and enforcing the District's consumer protection, civil rights, antitrust, false claims, elder financial exploitation, and environmental laws, among others. All told, the Attorney General supervises the legal work of about 337 attorneys and an additional 312 administrative and professional staff.¹

PERFORMANCE INITIATIVES ACCOUNTABILITY REPORT DIVISIONS AND OFFICES

The purpose of the yearly performance initiatives accountability report is to ensure that each year, the agency evaluates its progress, reflects on its goals, and holds itself accountable for the initiatives it set out to achieve from the prior year. In this Performance Initiatives Accountability Report, each of OAG's offices and divisions set forth initiatives to accomplish during the year that would help them better achieve their specific missions. Unless otherwise specified, the deadline for each initiative is the end of the fiscal year (September 30, 2025). This year's plan includes initiatives for the following offices and divisions:

¹ As of 12/31/2025.

- Immediate Office
- Child Support Services Division
- Civil Litigation Division
- Commercial Division
- Family Services Division
- Legal Counsel Division
- Office of the Solicitor General
- Personnel, Labor and Employment Division
- Public Advocacy Division
- Public Safety Division
- Support Services Division

Immediate Office

The Immediate Office sets the direction for OAG. This includes ensuring that the agency provides high quality legal services to the District government, communicating and engaging with the public, and setting OAG’s policy priorities. The Immediate Office seeks to build a best-in-class public law office.

INITIATIVE 1: Maximize Impact of OAG’s Grantmaking

Since receiving grant-making authority, OAG has been committed to supporting community-based organizations providing critical frontline services, and this initiative builds upon that foundation. Specifically, OAG aims to enhance the effectiveness of our grantmaking to further empower these organizations and amplify their positive impact. To streamline the grant application process, we will review and update existing materials, implement an online grant management system, provide clear and accessible guidelines, and reduce administrative burdens where possible. Finally, OAG will ensure grant investments are focused on high-impact areas by conducting a comprehensive needs assessment, aligning grant priorities with OAG’s strategic goals and community needs, utilizing data and evidence-based practices, and regularly evaluating the impact of our grantmaking portfolio. Success will be measured if by September 30, 2025, the Immediate Office observes increased grantee satisfaction, reduced application burden, increased application numbers, demonstrated program impact, and alignment of investments with community needs and OAG goals.

Performance Assessment: Fully Achieved

In FY25 OAG updated its existing grant materials by revising the Grants Policies and Procedures Manual (GPM) and collaborating with the Office of Risk Management (ORM) to update insurance requirements, ensuring full compliance with District standards.

Second, OAG standardized its grant application process by implementing a new online Grants Management System (GMS), FLUXX, which was fully built out and operationalized in the last fiscal year. This has significantly improved internal workflows and the overall applicant experience.

Third, OAG reduced administrative burdens by operationalizing its grants administration functions through the development of comprehensive Standard Operating Procedures (SOPs), led by the Grants Management Unit (GMU). These SOPs formalized internal processes and increased consistency, efficiency, and compliance across all grant activities.

Additionally, for the first time, OAG developed and distributed a grantee satisfaction survey to systematically gather feedback from funded organizations and inform continuous process improvements.

Finally, the GMU increased OAG's visibility and leadership in the District grants community by representing the agency at a district-wide grants conference, including serving as a panelist to share best practices and lessons learned.

INITIATIVE 2: Revitalizing Training and Development for OAG Legal Professionals

Recognizing that a highly skilled legal team is essential, this initiative aims to modernize our training programs to ensure our attorneys and paralegals possess the necessary knowledge and skills to excel. A key element will be filling the Chief Learning Officer (CLO) position to oversee all aspects of legal professional development, including developing and implementing a comprehensive training strategy. The CLO will begin by conducting a comprehensive needs assessment to identify specific training gaps and professional development needs for all legal staff. Based on this assessment, a comprehensive curriculum will be developed, covering essential legal skills, such as legal writing and advocacy. Critically, a system for evaluating training effectiveness will be established to ensure continuous improvement. Finally, OAG will promote a culture of learning by encouraging active participation in professional development activities. Success will be measured, that if by September 30, 2025, there is an increase in the number of training programs offered, employee participation rates, learner satisfaction, demonstrated improvements in skills and job performance, and increased employee engagement.

Performance Assessment: Partially Achieved

OAG onboarded a new Chief Learning Officer (CLO) in January of 2025. As part of his initial comprehensive assessment, the CLO visited with OAG Divisions, surveyed OAG members, and conducted a virtual town hall to determine training needs and implement a comprehensive training strategy. During FY25, OAG offered a total of 20 targeted trainings using both OAG and external speakers, and participation was actively encouraged by the CLO, Division Deputies, and agency leadership. Near the end of FY25, OAG identified a Learning Management System that will be implemented in FY26 to help OAG become more systematic with student registrations and recordation of attendance at OAG trainings.

Child Support Services Division

CSSD assists families in the District with locating absent parents, establishing paternity, establishing orders for monetary and medical support, collecting ongoing support, and enforcing delinquent child-support orders. CSSD seeks to ensure that District children receive the financial support to which they are legally entitled.

INITIATIVE 1: Mobile Office Procurement Initiative

Over the years, CSSD has learned that destigmatizing parentage and child support topics often is most successful when staff have been able to meet with people in the community. Besides daily work, staff also do this by participating in community events. However, the ability to couple staff presence in the community with a mobile office, completed with computers, materials, genetic testing capability, and other necessary equipment, improves the ability to provide information and service to people in real time.

CSSD's former mobile office was damaged during COVID. The decision has been made and approved to use incentive funding to purchase and outfit a new vehicle for this purpose. Appropriate vehicle types have been researched and specifications drafted. Thus, this initiative was deemed successful if, by September 30, 2025, CSSD had completed the procurement process for a new mobile office and was working with the selected vendor to begin the vehicle's necessary customization.

Performance Assessment: Substantially Achieved

In FY 2025, the procurement process was completed and a vendor was selected. We look forward to continuing this effort in the next fiscal year. Our goal is to work with the vendor to finalize customization of a new mobile office so that we are able to move a step closer to accessing this useful outreach tool

INITIATIVE 2: Alternative Solutions Center Expansion

CSSD has long recognized that many non-custodial parents want to provide for, and responsibly co-parent, their children. Unemployment and underemployment often stand in the way, as does a lack of understanding about the child support system and not having the skills to engage effectively with the custodial parent.

CSSD began its Alternative Solutions Center (ASC) many years ago. ASC is a program designed to assist non-custodial parents with workforce development, child support system navigation, and emotional and interpersonal health. Through partnerships with District employment resources, the court, employers, and various community partners, this program has had a significant impact on lives and on child support payments.

While the program can point to many successes to date, there is more work to be done. For that reason, expansion that will permit program enhancement, service to additional noncustodial parents, and improved metrics tracking is on the agenda for FY 2025.

Thus, the FY 2025 goals were to develop a detailed enhancement proposal, that includes updated initial program and follow-on support curricula as well as updated staffing and metrics plans, has been submitted for approval.

Performance Assessment: Substantially Achieved

As planned, by September 20, 2025, the team devised a program-enhancement approach to broaden impact for the participants and children. The effort included individual-session and workshop curriculum revision, a refocus on case maintenance responsibilities, and the start of an updated ASC referral and participation-tracking process as well as the review of related-service assessments and handoffs—all designed to enable CSSD to expand impact through ASC. Although the 2025 goal also included staffing strategy reconsideration, that deliverable was placed on hold due to budget constraints.

Civil Litigation Division

The Civil Litigation Division (CLD) represents the District, its agencies, and its employees in civil actions brought in the Superior Court of the District of Columbia and the United States District Court for the District of Columbia. The Division also represents District agencies in matters enforcing rules and regulations and in personnel matters in front of administrative bodies and the Superior Court. CLD seeks to provide sound counsel to the District, its agencies, and its employees, including devising strategies for representing them in civil actions and minimizing liability.

INITIATIVE 1: Memorialize Paralegal Expectations and Provide Associated Training

CLD has five general litigation sections, each with one or more paralegals. It is important that attorneys and paralegals are aware of what tasks paralegals are expected to perform in litigation. Through this initiative, CLD will establish and memorialize uniform guidelines and expectations for paralegals in general litigation sections and provide training to the paralegals on the tasks they are expected to handle. This initiative will be considered successful if CLD memorializes guidelines on paralegal tasks and provides the necessary training by September 30, 2025.

Performance Assessment: Fully achieved.

CLD established and memorialized uniform guidelines and expectations for paralegals in its general litigation sections, and it trained paralegals on these guidelines and expectations on July 30, 2025.

INITIATIVE 2: Create a Brief Bank

CLD's attorneys handle cases covering a variety of subject matters. The creation of a centralized document repository (also known as a brief bank) for typical cases handled by CLD will benefit the division by providing attorneys with vetted examples of briefs that address issues that recur in CLD's cases. The briefs in the bank will be selected by division managers, who will ensure that the brief bank is accessible and contains briefs that will be most helpful to CLD attorneys. This initiative will be considered successful if CLD creates a brief bank by September 30, 2025.

Performance Assessment: Fully achieved.

CLD created a brief bank by September 30, 2025.

Commercial Division

The Commercial Division provides legal services, advice, and advocacy related to numerous core governmental functions, including the procurement of goods and services, the acquisition of real estate, the support of economic development projects and government property management, the financing of government operations through the issuance of bonds, the collection of taxes, and the collection of debts from individuals and entities in bankruptcy. The Division also determines the legal sufficiency of major contracts and land dispositions. The Division seeks to provide legal support to District agencies to maximize and protect the District's commercial assets.

INITIATIVE 1: Raise the Profile of the Division and Highlight Its Work

The Division will seek to raise its profile and highlight its work, particularly in the areas of tax, bankruptcy, and land acquisition, by serving as panelists or giving presentations at a minimum of three conferences or local industry or trade meetings.

Performance Assessment: Fully Achieved.

In October 2025, Tax and Finance's Kristina Crooks and Land Acquisition and Bankruptcy's Nance Alper presented on recordation and transfer tax issues, as well as bankruptcy issues to The Office of Tax and Revenue's Tax Advisory Board. In December, Tax and Finance's Richard Wilson and Enrique Marquez presented on income and real property tax issues at the bench-bar conference for the Tax Division of the Superior Court. And in February, Land Acquisition and Bankruptcy's Andrew Glover presented at the annual ALI-CLE Eminent Domain conference.

INITIATIVE 2: Provide Training Sessions to Varies Agencies on Procurement

The Government Contracts Section will provide at least three training sessions to the Office of Contracting and Procurement and other contracting agencies, including the Department of General Services, on various procurement topics, including legal sufficiency for Council packages, technical criteria and evaluation, and post-award debriefing.

Performance Assessment: Fully Achieved.

The Government Contracts Section conducted several trainings this year including a Subcontracting Plan Requirements Training to District Procurement Staff in November 2025, a Human Care Agreement Training for District Procurement Staff in April 2025, and A Primer on IIA, Buy American, Buy American and Impacts on Federal Funded Transportation Infrastructure Projects for District Procurement Staff in August 2025.

Family Services Division

The Family Services Division (FSD) works on behalf of the District's most vulnerable residents: abused and neglected children. The Division prosecutes civil child abuse and neglect cases and represents the Child and Family Services Agency (CFSA) in all stages of permanency planning, including proceeding to terminate parental rights when necessary, and provides legal consultation and training to CFSA for non-court involved matters to identify at-risk children and to mitigate the need for court involvement. FSD seeks to provide quality representation to CFSA on child abuse and neglect cases.

INITIATIVE 1: Conduct and/or Develop Trainings with Community Legal Providers for Client Agency

FSD will conduct and/or develop trainings with community legal providers for its client agency regarding ancillary legal matters such as domestic violence, public benefits or custody as these issues impact families involved in the child welfare system. The goal of the training would be for social workers to identify issues impacting their clients and educating them on legal and other community resources available to support families with these needs. This initiative will be successful if at least four trainings are held over the course of the fiscal year.

Performance Assessment: Fully achieved

FSD conducted six trainings for its client agency over the course of the fiscal year. Specifically, FSD attorneys presented a training on the legal service landscape in the District to the CFSA In-Home Administration in December 2024, three sessions of child custody training to client agency social workers in October 2024 and January 2025, and two sessions of training on engagement with legal and non-legal fathers in May 2025. Additionally, in collaboration with a legal services organization and OAG's Public Safety Division, FSD presented a training on domestic violence in April 2025.

INITIATIVE 2: Create and Implement Business Process for In-Home Cases

FSD will create and implement a business process in which the in-home division of its client agency is required to request a legal consultation with an FSD attorney when their cases meet specific criteria. The goal of this process is to ensure timely legal analysis of the status of an in-home case and assist the social worker in determining next steps for their case. This initiative will be successful if at least 12 consultations are held over the course of the fiscal year under the new business process.

Performance Assessment: Fully achieved.

FSD conducted 28 consultations over the course of the fiscal year.

Legal Counsel Division

The Legal Counsel Division (LCD) provides legal research and advice to the Attorney General, the Executive Office of the Mayor (EOM), District agencies, and the Council of the District of Columbia. In addition, LCD determines the legal sufficiency of legislation, rulemakings, inter-agency MOUs; and assists with drafting statutes and regulations for the EOM, OAG, and District agencies. The Division also prepares formal opinions, legal memoranda, legal advice letters, and Office Orders for the Attorney General and interprets statutes for Advisory Neighborhood Commissions.

INITIATIVE 1: Conduct Trainings on Various Legal Topics

The Legal Counsel Division includes several experienced attorneys who often provide training on a variety of subjects, which are open to all District attorneys. These training courses address recurring issues concerning what District law requires as well as best practices. Common training topics include rulemaking, legislation, and appropriations, as well as training specifically for Advisory Neighborhood Commissioners. This initiative will be considered successful if four trainings are conducted by September 30, 2025.

Performance Assessment: Fully Achieved

LCD conducted four trainings in FY25, including trainings for OAG and agency attorneys on rulemaking and on the Home Rule Act, a training for OAG Ruff Fellows on the legislative process, and a training for ANC Commissioners on the ANC Act.

INITIATIVE 2: Compare Legal Advice Given with Litigation Outcomes

The Division provides advice regarding the lawfulness of proposed legislation and rules. To ensure that the Division's analysis captures the most significant legal risks, the Division intends to begin comparing the advice it has provided with outcomes in litigation. This initiative will be considered successful if LCD compares three recent successful challenges to legislation or regulations and prepares an assessment of how well its legal sufficiency memoranda identified relevant legal concerns.

Performance Assessment: Substantially Achieved

LCD analyzed a large sample of recent cases in which District laws were challenged. However, challenges to District laws generally are not successful, and when they are, they often pertain to laws that were enacted years ago and were reviewed by entirely different groups of attorneys. As a result, LCD could not fully assess how well its recent legal sufficiency memoranda predicted legal concerns in litigation. LCD nonetheless was able to identify examples of older legal sufficiency memos that did, in some cases, and did not, in other cases, address significant legal concerns. Although those memos, written for the executive, remain attorney-client privileged and confidential, LCD will incorporate lessons learned from those experiences into its review procedures and division manual. In addition, LCD analyzed recent advisory opinions that it provided to the District's Board of Elections to assist the Board in determining whether initiatives

and referenda are proper subjects for the ballot. Our analysis shows that the Board consistently relies on the rigorous and detailed analysis LCD provides to assist it in making proper-subject determinations.

Office of the Solicitor General

The Office of the Solicitor General (OSG) manages the District's civil and criminal appellate litigation and practices most frequently before the District of Columbia Court of Appeals, the United States Court of Appeals for the District of Columbia Circuit, and the Supreme Court of the United States. The docket includes appeals in a wide variety of civil, family, criminal, juvenile, tax, and administrative cases from trial courts and petitions for review from District agencies. OSG seeks to provide top-flight legal services in handling the District's litigation in the appellate courts.

INITIATIVE 1: Reorganization of OAG Law Library

The Office of the Solicitor General hosts the only law library within OAG's building. That library contains critical resources for attorneys throughout OAG, including historical materials and legislative histories of major District laws. The library, however, is not as well-organized and accessible as it should be, with many important materials residing in our file room. This fiscal year, OSG will reorganize the library to allow OAG attorneys to more easily access materials they need to complete their work. The materials will be grouped by topic and relevance and clearly labeled. The initiative will be successful if the library is reorganized with labels by September 30, 2025.

Performance Assessment: Fully Achieved

OSG completed a full reorganization of its law library during the last fiscal year. The materials are now more rationally grouped by topic and relevance, and they are clearly labeled. The reorganization also included removing duplicate and other unnecessary material from the library's shelves, and adding materials that were previously stored in the file room. The library now serves as a more useful and efficient resource for attorneys and staff.

INITIATIVE 2: Create a Working Group to Establish Trainings for OSG Attorneys

When new attorneys join OSG, it is critical that they learn the basics of District law, District government structure, OSG procedures, and best practices for brief writing, oral argument, case initiation, and other skills. However, OSG does not have a training program that comprehensively covers each of these areas or that incorporates new or rotating areas of focus. OSG also does not have a program to provide rotating trainings that might be new or particularly useful for senior attorneys. Thus, OSG will create a working group that will establish a series of trainings for new attorneys as well as novel trainings for senior attorneys. This initiative will be successful if the working group meets at least twice, creates an initial series of trainings for new attorneys, and runs at least three trainings for OSG attorneys by September 30, 2025.

Performance Assessment: Fully Achieved

OSG created a working group to establish a series of trainings for new attorneys, and that training group established a series of four trainings for attorneys when they first arrive to OSG: (1) Who's Who in OAG; (2) Cracking Open a New Case; (3) Basics of D.C. Government Structure; and (4) Preparing for Oral Argument. We ran these four trainings for our new class of fellows in fall 2025. OSG also ran several other trainings during the past fiscal year for all OSG attorneys, including a training on abuse-and-neglect cases and a training on public workers' compensation cases. And OSG ran a Supreme Court Term-in-Review training for all OAG attorneys.

Public Advocacy Division

The Public Advocacy Division promotes the rights of District residents through civil enforcement actions—with a particular emphasis on protecting marginalized and disadvantaged communities. The Division is focused on housing conditions and affordability, zoning, civil rights, workers' rights, consumer protection, antitrust, antifraud, non-profit enforcement, environmental enforcement, and protecting elders and vulnerable adults from financial exploitation.

INITIATIVE 1: Housing Protection and Affordability Initiative.

In January 2025, OAG launched a new Housing Protection and Affordability Initiative to consolidate OAG workstreams focused on housing affordability, safety, and accessibility. During FY25, PAD will implement a number of new activities related to the Initiative, including 1) convening a working group of representatives across the workstreams to discuss priorities, overall strategies, and new approaches for OAG's housing work, 2) holding trainings on housing topics for attorneys working on housing issues, both in PAD and other OAG Divisions, 3) convene a range of external stakeholders (landlords, owners, developers, tenants, and tenant organizers) to gather feedback, and 4) develop a docket of enforcement investigations and cases for the new Special Counsel for Housing Code Enforcement, including referrals from the Department of Buildings. This Initiative will be successful if PAD convenes three working group meetings, hosts three training sessions, convenes six external stakeholder meetings, and initiates three new housing code enforcement actions.

Performance Assessment: Fully Achieved

PAD made significant progress during FY 25 in standing up and implementing the Housing Protection and Affordability Initiative. PAD convened three specific working group meetings with attorneys from different sections in PAD, attorneys in the Commercial Division, and leaders on the Community Engagement Team to discuss the intersection of bankruptcy and housing conditions enforcement, approaches to vacant buildings and nuisance conditions, and strategies for responding to individual tenant issues. The Senior Counsel for the Housing Initiative also meets monthly with the Attorney General and Chief Deputy Attorney General to discuss cross-cutting strategies and goals and the prioritization of housing workstreams. PAD hosted three trainings for its attorneys and staff on key housing topics: zoning and land use, bankruptcy, and subsidized housing. These trainings help attorneys and staff throughout PAD identify and discuss housing issues across workstreams and brainstorm solutions. The Senior Counsel and other PAD attorneys also convened more than six external stakeholder meetings, including with individual affordable housing providers and stakeholder groups representing the affordable housing industry; tenant

organizers and tenants attorneys; and individual developers. The Senior Counsel and Special Counsel working on the Housing Initiative also frequently attend community meetings and public safety walks and meet with other District agencies, Councilmembers and staff, and Advisory Neighborhood Commissioners and other community leaders to receive referrals and discuss solutions. Finally, the Special Counsel for Housing and Property Maintenance Code Enforcement has worked closely with the Department of Buildings to develop a pipeline of referrals, resulting in five new enforcement actions in various stages of investigation, litigation, and settlement.

INITIATIVE 2: PAD Trainings on Affirmative Enforcement Work.

PAD will work with the OAG's new Chief Learning Officer to coordinate division-wide trainings on topics specific to affirmative enforcement work—such as investigations, depositions, and writing. This initiative will be successful if PAD organizes three such trainings before the end of the FY25.

Performance Assessment: Fully Achieved

This training initiative was designed to enhance the skills of PAD's attorneys and professional staff to further support the division's affirmative enforcement work. Over the years, PAD has offered a wide variety of training courses and will continue to do so. In FY 25, PAD coordinated three internal trainings to further develop the investigative skills of attorneys and professional staff. The trainings covered, respectively: (1) planning and conducting investigations; (2) interviewing witnesses; and (3) resolving investigations. The first session on planning and conducting investigations provided practical guidance on how to plan and systematically conduct investigations, focusing on investigative techniques that apply broadly across all kinds of law-enforcement investigations. The second session on interviewing witnesses covered the mechanics of the interviewing process. The third session on resolving investigations provided practical guidance on how to bring investigations to a conclusion, whether that resolution involves a decision to sue, to settle, or to close the investigation. In addition to this training program, PAD offered "just-in-time" trainings for attorneys preparing for depositions or oral argument, which provided the attorneys with input and feedback tailored to the specific case or investigation to enhance their preparation. PAD also offered trainings on substantive topics related to the work of the division, including a "Subsidized Housing 101" session and a roundtable on Inclusionary Zoning.

Public Safety Division

The Public Safety Division (PSD) prosecutes criminal and civil matters to enhance public safety in the District of Columbia. The Division advances this work through six sections: the Criminal Section, the Domestic Violence and Special Victims Section, the Juvenile Section, the Mental Health Section, the Fraud and Public Corruption Section and the Restorative Justice Section. PSD prosecutes all juvenile offenses, certain misdemeanor adult offenses, including some offenses related to illegal conduct of public officials, represents survivors of domestic violence in securing protection orders and monitoring compliance with such orders, and represents the District's interests in providing appropriate mental health services to those who are a danger to themselves

or the community. PSD work includes developing and implementing innovative alternatives to traditional prosecution, including restorative justice and truancy-prevention programs.

INITIATIVE 1: Intrafamily Conflict Intervention Program – CARES Program

Intrafamily conflicts involving children in the District of Columbia often cause children to be removed from their home, arrested, and held in custody overnight because families and law enforcement do not have alternatives to this process. When verbal disputes escalate to physical confrontation or destruction of property, parents often feel they have no choice but to call 911 and ask for their child to be arrested. In many instances, after the child spends the night in custody, the case is dismissed because the emergency has ended, and the parent does not wish to proceed with prosecution. Sometimes the cycle repeats. When this occurs, the family never gets support or services to address the root causes of the conflict, and the child suffers the traumatic consequences of being needlessly pulled into the juvenile justice system. PSD has developed a conflict intervention plan whereby Metropolitan Police Department (MPD) will respond to 911 calls for incidents of domestic violence involving a young person under eighteen years of age. MPD will assess whether the situation requires mandatory arrest or to be transported to Sasha Bruce. OAG Juvenile Managers will assist MPD in making this determination through the Juvenile Hotline. Now that this pilot initiative has launched, it will be considered successful if at least ten (10) interventions are made by September 30, 2025.

Performance Assessment: Fully Achieved

The CARES Program has successfully launched, with 29 referrals to the program by OAG and MPD by September 29, 2025, and a total of 39 referrals in CY2025. Of the 39 referrals to CARES, more than 10 interventions occurred, with 33 families accepting services from the program.

INITIATIVE 2: Gun Accountability Program

The Gun Accountability Program (GAP) is an evidence-based and trauma-focused initiative designed for juveniles ages seventeen and under who are arrested for non-violent possessory gun offenses and related crimes in the District of Columbia. GAP is designed to hold youth accountable for illegal gun possession and address the root causes of gun possession among youth. GAP was developed based on best practices in other jurisdictions that have created gun specialty courts. OAG proposes collaboration with the District of Columbia Superior Court, Court Social Services Division, the University of Chicago, and community-based mentors. This partnership will focus on creating a structured specialty gun program through the Court that provides targeted interventions for juveniles arrested for possessory gun offenses, offering them an opportunity for rehabilitation, while addressing the root causes of gun violence in Washington, D.C. This initiative will be considered successful if it is implemented and five (5) youth enter the program by September 30, 2025.

Performance Assessment: Not Achieved

Although progress was made in laying the foundation for program implementation through PSD's discussions with D.C. Superior Court leadership, including the Court and Social Services Division (CSSD), the Gun Accountability Program (GAP) was not implemented by September 30, 2025.

Support Services Division

The Support Services Division (SSD) provides the staff, investigative, financial, logistics, and customer service support that enables the rest of OAG to provide high-level legal services to the District. SSD's Procurement Unit is responsible for processing and approving all requests for good and services to enable OAG to fulfill its mission. SSD seeks to provide exemplary operational and logistical support to OAG divisions.

INITIATIVE 1: Procure and Implement Mass Employee Notification System

SSD will procure and implement a mass employee notification system with incident communications to allow OAG to connect with and inform the entire agency before, during, and after a critical event with targeted two-way communication.

Performance Assessment: Fully achieved

SSD successfully implemented this initiative. With assistance from DC Homeland Security and Emergency Management Agency, OAG was able to receive access to Everbridge and register all employees. This system allows OAG to send mass communication messages, via email, phone and text, to all employees and other identified building occupants, to seamlessly alert recipients of emergencies and emergency drills.

INITIATIVE 2: Collaborate with Public Safety Division to Design and Implement Pilot Program to Track Ward 8 Students in ACE Diversion Program

SSD's Investigations Section will collaborate with the Public Safety Division to design and implement a pilot program whereby investigators will locate and connect with identified youth who attend a Ward 8 school, are eligible for the ACE Diversion Program, and whose referral was returned for early closure due to the referring agency's inability to locate the youth. This initiative will be considered successful if forty (40) youth are located by September 30, 2025.

Performance Assessment: Fully achieved

The Investigations Section successfully designed and implemented this pilot program collaborating with the Public Safety Division to remove the impediment to Ward 8 students participating in the ACE Diversion Program because they could not be located by the referring agency. The Investigations Section located 80 youth, exceeding its goal by 100 percent. As a result, 80 youth had an opportunity to participate in the ACE Diversion Program that otherwise would not have.

**MEMORANDUM OF UNDERSTANDING BETWEEN
THE UNITED STATES ATTORNEY’S OFFICE FOR THE DISTRICT OF COLUMBIA
AND THE ATTORNEY GENERAL FOR THE DISTRICT OF COLUMBIA
CONCERNING THE PROSECUTION OF PERSONS UNDER THE AGE OF 18 AS
ADULTS PURSUANT TO TITLE 16 OF THE D.C. OFFICIAL CODE**

I. INTRODUCTION

THIS MEMORANDUM OF UNDERSTANDING (“MOU”), dated this 8th day of June 2021 is entered into between the United States Attorney’s Office for the District of Columbia (“USAO”) and the Office of the Attorney General for the District of Columbia (“OAG”) (together, “the Parties”) to establish guidelines for consultation between USAO and OAG when a person who is under the age of 18 may be prosecuted as an adult pursuant to D.C. Official Code § 16-2301(3)(A) and (B).¹

II. BACKGROUND

A. Jurisdiction for prosecution of criminal violations of the D.C. Official Code is split between OAG and USAO.

B. Pursuant to D.C. Official Code § 16-2301(3)(A) and (B), USAO has the discretion to prosecute individuals aged 16 and 17 in adult criminal court (“Title 16”) with delineated serious violations of the D.C. Code.

C. OAG has jurisdiction to prosecute all other criminal offenses committed by youth under the age of 18 in the Family Court of Superior Court of the District of Columbia (“Family Court”) pursuant to D.C. Official Code §16-2301 *et seq.*

D. Pursuant to D.C. Official Code § 16-2307, OAG has the discretion to prosecute delineated offenses in the Family Court or, depending on the age of the child, to request that a Family Court judge transfer the case to adult criminal court for prosecution if it believes that the child cannot be rehabilitated before their 21st birthday.

E. When OAG moves for a judicial transfer pursuant to D.C. Official Code § 16-2307, after the hearing, the court shall order the transfer if it determines that it is in the interest of the public welfare and protection of the public security and there are no reasonable prospects for rehabilitation of the child. When making this decision, the court must consider the factors in D.C. Official Code § 16-2307(e), including the child’s age, the nature of the offense, the child’s record

¹ D.C. Official Code § 16-2301(3) provides that:

The term “child” means an individual who is under 18 years of age, except that the term “child” does not include an individual who is sixteen years of age or older and —
(A) charged by the United States attorney with (i) murder, first degree sexual abuse, burglary in the first degree, robbery while armed, or assault with intent to commit any such offense, or (ii) an offense listed in clause (i) and any other offense properly joinable with such an offense;
(B) charged with an offense referred to in subparagraph (A)(i) and convicted by plea or verdict of a lesser included offense; or

and response to previous interventions, the services available to the child, and the child's mental condition.²

F. OAG, as the local prosecutor of children in Family Court, may have access to information relevant to the consideration of whether a child can be rehabilitated while under the Family Court's jurisdiction.

G. Pursuant to D.C. Official Code § 16-2301.02, the purpose of the delinquency system "is to create a juvenile justice system capable of dealing with the problem of juvenile delinquency, a system that will treat children as children in all phases of their involvement, while protecting the needs of communities and victims alike."

III. AGREEMENT OF THE PARTIES

The Parties agree that:

A. Prior to USAO exercising its authority to charge an individual aged 16 or 17 years old in adult criminal court with an offense enumerated under D.C. Code § 16-2301(3)(A) or (B), where practicable, USAO will consult with the Chief of OAG's Juvenile Section, or his or her designee. During the consultation, OAG may present to USAO any information it deems relevant to USAO's charging decision, including information related to the interest of the public welfare and protection of the public security and the reasonable prospects for rehabilitation of the individual through prosecution in the Family Division of DC Superior Court. Where this information is available, USAO shall consider this information as part of its charging decision.

B. If USAO decides to decline prosecution of the individual in adult criminal court, the individual may be prosecuted by OAG in the Family Division.

C. If OAG or USAO come into possession of additional information relevant to USAO's charging decision, either party may request a second consultation and OAG and USAO will have a second consultation to discuss any additional information relevant to USAO's charging decision.

D. This MOU is not intended to, does not, and may not be relied upon to create any rights, substantive or procedural, enforceable at law by any party in any matter civil or criminal.

² D.C. Official Code § 16-2307(c) provides:

Evidence of the following factors shall be considered in determining whether there are reasonable prospects for rehabilitating a child prior to his majority and whether it is in the interest of the public welfare to transfer for criminal prosecution:

- (1) the child's age;
- (2) the nature of the present offense and the extent and nature of the child's prior delinquency record;
- (3) the child's mental condition;
- (4) the child's response to past treatment efforts including whether the child has absconded from the legal custody of the Mayor or a juvenile institution;
- (5) the techniques, facilities, and personnel for rehabilitation available to the Division and to the court that would have jurisdiction after transfer; and
- (6) the potential rehabilitative effect on the child of providing parenting classes or family counseling for one or more members of the child's family or for the child's caregiver or guardian.

Nor are any limitations hereby placed on otherwise lawful litigation prerogatives of USAO or OAG.

IV. DURATION OF MOU

The term of this MOU will begin on the date this MOU is executed and will continue until terminated by one or both Parties in writing.

FY25 Oversight Question Response – Question No. 2 - JPS

MURIEL BOWSER
MAYOR

March 21, 2022

The Honorable Phil Mendelson
Chairman, Council of the District of Columbia
1350 Pennsylvania Avenue, N.W.
Suite 504
Washington, DC 20004

Dear Chairman Mendelson:

I am pleased to submit, for your introduction and Council approval, a proposed resolution cited as the "Compensation Collective Bargaining Agreement between the District of Columbia Government and Compensation Units 1 and 2, FY 2022-2025, Approval Resolution of 2022". The resolution will approve the negotiated compensation collective bargaining agreement between the District of Columbia government and Compensation Units 1 and 2.

The agreement provides for employees in Compensation Units 1 and 2, who were actively on the payroll as of October 1, 2021, to receive a one-time three and one-half percent (3.5%) bonus payment in lieu of a wage-increase for FY 2022. Thereafter, for FY 2023, effective for the first day of the first full pay period beginning on or after October 1, 2022, the salary schedules of employees employed in bargaining units as certified and assigned by the Public Employees Relations Board to Compensation Units 1 and 2, shall be adjusted by two and one-half percent (2.5%). This adjustment will be followed by a three percent (3.0%) wage increase effective for the first day of the first full pay period beginning on or after October 1, 2023 for FY 2024, and a three percent (3.0%) wage increase effective for the first day of the first full pay period beginning on or after October 1, 2024 for FY 2025.

The agreement continues and increases funding for the affordable housing purchase initiative known as the Negotiated Employee Assistance Home Purchase Program (NEAHP) via a \$650,000 set aside for the duration of the agreement. The Agreement continues the initiative to subsidize the cost of monthly transit passes in the amount to fifty dollars (\$50) per month for employees who use such passes to commute to and from work.

The agreement also provides a variety of other historical benefits including, health and life insurance, pension plan, differential and premium pay, annual and sick leave accrual, optical and dental benefits and pre-tax benefits as well as others.

I appreciate your attention to this important legislation that directly benefits thousands of District of Columbia employees. Please contact me or E. Lindsey Maxwell II, Director, Office of Labor Relations and Collective Bargaining, at (202) 724-4953, should you have questions concerning this transmittal.

Sincerely,

MEMORANDUM

TO: The Honorable Phil Mendelson
Chairman, Council of the District of Columbia

FROM: Fitzroy Lee
Acting Chief Financial Officer

DATE: March 18, 2022

SUBJECT: Fiscal Impact Statement – Compensation Collective Bargaining Agreement between the District of Columbia Government and Compensation Units 1 and 2, FY 2022 - FY 2025, Approval Resolution of 2022

REFERENCE: Draft Resolution as provided to the Office of Revenue Analysis on March 10, 2022

Conclusion

Funds are sufficient in fiscal year 2022 and in the proposed fiscal year 2023 through fiscal year 2026 budget and financial plan to implement the resolution.

The resolution will approve salary payments that will cost District agencies approximately \$31.1 million in fiscal year 2022, \$22.2 million in fiscal year 2023, and a total of \$275 million from fiscal year 2022 through fiscal year 2026. The total cost of the negotiated collective bargaining provisions that must be paid with local funds is approximately \$23.9 million in fiscal year 2022, \$17.4 million in fiscal year 2023, and a total of \$196.8 million from fiscal year 2022 through fiscal year 2026. Funding is available in the Workforce Investments account to cover these costs. The non-local portion of the cost will be covered by federal funds, private funds, special purpose revenue funds, or absorbed by the agencies.

Background

The resolution approves a compensation agreement between the Government of the District of Columbia and Compensation Units 1 and 2. The agreement covers approximately 12,360 employees

The Honorable Phil Mendelson

FIS: "Compensation Collective Bargaining Agreement between the District of Columbia Government and Compensation Units 1 and 2, FY 2022 - FY 2025, Approval Resolution of 2022," Draft Resolution as provided to the Office of Revenue Analysis on March 10, 2022

at multiple agencies with an average base salary of \$63,813. It is in effect from October 1, 2021, through September 30, 2025. The agreement provides the following pay increases:

- In FY 2022, a one-time payment equivalent to 3.5% of an employee's annual base salary, in lieu of a wage increase;
- In FY 2023, an increase in the salary schedule of 2.5%;
- In FY 2024, an increase in the salary schedule of 3.0%; and
- In FY 2025, an increase in the salary schedule of 3.0%.

Employees will progress through the salary scale and receive step increases as described in the District Personnel Manual.

The employer will make monthly contributions of \$17.50 a month per employee for a pre-paid legal plan. The prior agreement also included monthly contributions toward a pre-paid legal plan, but required the contributions only through fiscal year 2020. Contributions were not required under the prior agreement in fiscal year 2021.

The District will set aside \$650,000 for the Negotiated Employee Assistance Home Purchase Program. The prior agreement required \$500,000 to be set aside for this purpose.

The agreement also stipulates that local environmental pay will only be paid to employees when the employee is in an active duty status. It will not be paid when an employee is on leave or teleworking.

All other compensation terms are unchanged from the prior agreement.

Financial Plan Impact

Funds are sufficient in fiscal year 2022 and in the proposed fiscal year 2023 through fiscal year 2026 budget and financial plan to implement the resolution approving the collection bargaining agreement.

Increased pay and associated fringe benefits costs make up the majority of the cost of the agreement. The pay increases will cost \$31.1 million in fiscal year 2022, \$22.2 million in fiscal year 2023, and a total of \$275.1 million through fiscal year 2026. These costs are for all employee positions, regardless of funding source. Approximately 67% of affected employee positions are funded with local funds. Remaining local funds costs include the cost of housing assistance (a one-time cost of \$650,000 in fiscal year 2022) and the cost of employer contributions to a pre-paid legal plan (approximately \$2.5 million a year). In total, the local cost of the agreement will be approximately \$23.9 million in fiscal year 2022, \$17.4 million in fiscal year 2023, and a total of \$196.8 million from fiscal year 2022 through fiscal year 2026.

There is already a 1.75 percent increase incorporated into personnel costs in the financial plan. This amount is used toward the costs of the agreement. Funds are available in the Workforce Investments account to pay for the remainder. The non-local portion of the cost will be covered by federal funds, private funds, and special purpose revenue, or absorbed by the agencies.

The District of Columbia Comprehensive Merit Personnel Act (D.C. Law 2-139, Title I, Chapter 6, Subchapter 1, D.C. Official Code § 1-601.02) states that the Council of the District of Columbia declares that it is the purpose and policy of this act to assure that the District of Columbia Government shall have a modern flexible system of public personnel administration, which shall “provide for a positive policy of labor-management relations including collective bargaining between the District of Columbia and its employees”

The District of Columbia Comprehensive Merit Personnel Act (D.C. Law 2-139, Title 1, Chapter 6, Subchapter XVIII, (D.C. Official Code) Section 1-617.01) states [t]he District of Columbia Government finds and declares that an effective collective bargaining process is in the general public interest and will improve the morale of public employees and the quality of service to the public.

The District of Columbia Comprehensive Merit Personnel Act (D.C. Law 2-139, Title 1, Chapter 6, Subchapter XVIII, (D.C. Official Code) Section 1-617.01(b) provides for collective bargaining between the Mayor of the District of Columbia and labor organizations accorded exclusive recognition for employee representation for employees of the District of Columbia Government.

Pursuant to the District of Columbia Comprehensive Merit Personnel Act (D.C. Law 2-139, Title 1, Chapter 6, Subchapter XVIII, (D.C. Official Code) Section 1-617.10), various local unions or District Council 20 of the American Federation of State, County and Municipal Employees, AFL-CIO, (herein “AFSCME” or the “Union”) have been certified and/or recognized as the exclusive collective bargaining agent for employees of the District of Columbia Government (hereinafter the “District” or the “Employer”).

Accordingly, AFSCME and the District enter into this Agreement, which shall have as its purposes:

- (1) Promotion of a positive policy of labor-management relations between the District of Columbia Government and its employees;
- (2) Improvement of morale of employees in service to the District of Columbia Government;
- (3) Enhancement of the quality of public service to the citizens of the District of Columbia;
- (4) Creation of a government that works better; and
- (5) Promotion of the rights of District of Columbia Government employees to express their views without fear of retaliation.

AFSCME and the District of Columbia Government declare that each party has been afforded the opportunity to put forth all its non-compensation proposals and to bargain in good faith. Both parties agree that this Agreement is the result of their collective bargaining and each party affirms its contents without reservation. This Preamble is intended to provide the background and purpose of the Collective Bargaining Agreement. Alleged violations of the Preamble per se will not be cited as contract violations.

ARTICLE 1 **RECOGNITION**

Section 1 – Recognition:

The District of Columbia Government (hereinafter referred to as the “District” or “Employer”) hereby recognizes as the sole and exclusive representative for the purpose of collective bargaining, the American Federation of State, County and Municipal Employees, AFL-CIO, District of Columbia District Council 20, and its affiliated Local Unions (hereinafter referred to collectively as the "Union" or "AFSCME") for each of the bargaining units under the personnel authority of the Mayor for which AFSCME is the certified collective bargaining representative.

Section 2 - Bargaining Units Descriptions:

This Agreement may also include agencies with independent personnel authority if they have executed an addendum opting to be covered by the provisions herein.

Section 3 - Coverage:

AFSCME, the certified exclusive representative of all employees in the bargaining unit referenced above, shall be responsible for representing the interests of employees in the units without discrimination as to membership; provided, however, that an employee who does not pay dues or service fees may be required by the Union to pay reasonable costs for personal representation.

Section 4 – New Units:

Bargaining units of employees under the administrative jurisdiction of the Mayor of the District of Columbia certified during the term of this Agreement shall be covered by the provisions of this Agreement, if agreed to by the parties.

Section 5 – Unit Clarification(s):

The Union and the Employer shall file a Joint Petition with the Public Employee Relations Board (hereinafter referenced as PERB) to clarify and correct inaccuracies contained on the current unit certifications. Prior to filing of the joint petition, the Union and Employer shall confer on the revised unit descriptions.

ARTICLE 2

- (1) To form, join and assist a labor organization or to refrain from this activity;

Union Stewards shall be designated by the Union and shall be recognized as employee representatives. Union Stewards shall be employed at the same work area or shift as employees they are designated to represent. The Union will supply the Employer with lists of stewards' names, which shall be posted on appropriate bulletin boards. The Union shall notify the Employer of changes in the roster of Stewards. Stewards are authorized to perform and discharge union duties and responsibilities, which may be assigned to them under the terms of this Agreement.

Section 2 – Performance of Duties:

Stewards shall obtain permission from their immediate supervisors prior to leaving their work assignments to properly and expeditiously carry out their duties during a reasonable amount of official time to be estimated in advance whenever possible. Before attempting to see an employee, the Steward will obtain permission from the employee's supervisor. Such permission will be granted unless the employee cannot be immediately relieved from his assigned duties, in which case permission will be granted as soon as possible thereafter. If the immediate supervisor is unavailable, permission will be requested from the next highest level of supervision. Requests by Stewards for permission to meet with employees and/or by employees to meet with Stewards will not require prior explanation to the supervisor of the problems involved other than to identify the area to be visited and the general purpose of the visit i.e., grievance investigation, labor-management meetings, negotiation sessions, etc.

A Steward thus engaged will report back to his/her supervisor on completion of such duties and return to their job. The employer agrees that there shall be no restraint, interference, coercion, or discrimination against a Steward in the performance of such duties.

Section 3 – Union Activities on Employer's Time and Premises:

The Employer agrees that during working hours, on the Employer's premises and without loss of pay, in accordance with Article 6 of this Agreement, Union representatives shall be allowed to:

Official time does not include internal Union activities; and

Section 4 – Visits by Union Representatives:

The Employer agrees that representatives of the American Federation of State, County and Municipal Employees whether local, Union representatives, District council representatives, or

Section 5 – Union Insignia:

The Employer agrees that the employee has a right to participate and identify with the Union as his/her representative in collective bargaining matters; therefore, the Employer agrees that such identification devices as emblems, buttons and pins supplied by the Union to the employees within the bargaining unit may be worn on their uniforms, except for uniformed police.

Section 6 – Official Time:

- b. **Adverse Actions:** Removal, suspension for more than nine (9) days; or a reduction in rank or grade or pay for cause.

Section 3:

Discipline will be appropriate to the circumstances, and shall be primarily corrective, rather than punitive in nature. After discovery of the incident, the investigations shall be conducted in a timely manner and discipline shall be imposed upon the conclusion of any investigation or the gathering of any required documents, consistent with the principle of progressive discipline and D.C. Office of Personnel regulations.

Section 4:

If a supervisor has reason to discipline an employee, it shall be done in a manner that will not embarrass the employee before other employees or the public.

Section 5:

Unless there is a reasonable cause to believe that an employee's conduct is an immediate hazard to the agency, the employee or other employees, or is detrimental to public health, safety or welfare, an employee against whom adverse action is proposed shall be entitled to at least thirty (30) days advance written notice of proposed adverse action (or fifteen (15) days if corrective action is proposed). The notice will identify the causes and the reasons for the proposed action.

Section 6:

Recognizing that the Union is the exclusive representative of the employees in the bargaining unit, the Department shall in good faith attempt to notify the Union of proposed disciplinary actions. Each Department shall notify the union of the method of notification. Further the Employer agrees

to notify the employee of his or her right to representation in corrective or adverse actions. The material upon which the proposed discipline is based shall be made available to the employee and his/her authorized representatives for review. The employee or his/her authorized representative will be entitled to receive a copy of the material upon written request.

Any information that cannot be disclosed to the employee, his representative, or physician shall not be used to support the proposed action.

Section 7:

Except in the special circumstances referred to in Section 5 above, an employee shall be entitled to at least ten (10) workdays to answer the notice of proposed corrective or adverse action. If the proposed action is removal, the employee shall upon request, be granted an opportunity to be heard prior to a final decision. This opportunity to be heard shall be afforded by a person designated by the agency head. This person shall not be in the supervisory chain between the proposing and/or deciding official(s) and shall not be subordinate to the proposing official. This person shall review the employee's answer, discuss the proposed action with the employee and/or his representative and appropriate representatives of the Employer and make a recommendation to the deciding official who will act upon the recommendation, as he/she deems proper.

Section 8:

The person proposing a disciplinary action shall not be the deciding official unless the proposing official is the agency head or Director of Personnel.

Section 9:

Except in the special circumstances referred to in Section 5 above, an employee against whom a corrective or adverse action has been proposed shall be kept in an active duty status during the notice period.

Section 10:

The deciding official shall issue a written decision within forty-five (45) calendar days from the date of receipt of the notice of proposed action which shall withdraw the notice of proposed action or sustain the proposed action in whole or in part. The forty-five (45) day period for issuing a final decision may be extended by agreement of the employee and the deciding official. If the proposed action is sustained in whole or in part, the written decision shall identify which causes have been sustained and which have been dismissed, describe whether the proposed penalty has been sustained or reduced and inform the employee of his or her right to appeal or grieve the decision, and the right to be represented. The final decision shall also specify the effective date of this action.

Section 11:

In any circumstance in which the Employer has reasonable cause to believe that an employee's conduct is an immediate hazard to the employing agency, to the employee involved or other employees, or is detrimental to public health, safety or welfare the Employer may place an employee on administrative leave whether or not notice of proposed action has been given to the employee.

Section 12:

Notice of final decision, dated and signed by the deciding official, shall be delivered to the employee on or before the time the action is effective. If the employee is not in a duty status at that time, the notice shall be sent to the employee's last known address by certified or registered mail.

Section 13:

Except as provided in Section 14 of this Article, employees may grieve actions through the negotiated grievance procedure, or appeal to the Office of Employee Appeals (OEA) in accordance with OEA regulations but not both. Once the employee has selected the review procedure, that choice shall be the exclusive method of review.

Section 14:

The removal of an employee during his or her probationary period is neither grievable nor appealable and shall be done in accordance with the DPM.

Section 15:

If a final decision is grieved through the negotiated grievance procedure a written grievance shall be filed with the deciding official within fifteen (15) workdays after the effective date of the action.

Section 16 – Troubled Employees:

In appropriate cases, consideration shall be given to correcting the problem through the D.C. Consultation and Counseling Service. When the District implements a new employee assistance program, this shall take the place of the D.C. Consultation and Counseling Service.

Section 17:

Whenever an employee is questioned by a supervisor with respect to a matter for which a disciplinary action is intended against the employee, the employee may, upon request, consult with a union official or other representative. Upon such request, the supervisor will stop the questioning until the employee can consult with such representative, but in no event will such questioning be

The employee shall provide the relevant documents and information necessary for the release of the employee's information to the relevant institution.

Section 5 - Union Sponsored Career Advancement Programs:

Management and the Union support the objective of meaningful career advancement for District Government workers in the areas of promotion, transfers and filling of vacancies. In keeping with this objective, the Union will investigate and develop programs to enhance opportunities for

career advancement such as: career counseling services; placement of career planning resource materials on site; correspondence course arrangements with area colleges, universities, vocational and technical schools; and workshops on resume writing and interview skills.

Programs that are developed will be presented and discussed during appropriate labor-management committee meetings for review and consideration.

The applicable rate of pay will be determined by application of D.C. government procedures concerning grade and step placement for

temporary promotions, and will be effective the first pay period beginning after the qualifying period has passed. An employee on detail to a lower graded position shall maintain the pay for his/her original position. Advance notice will be given to the Union of any detail exceeding one pay period.

Employees shall be eligible to use leave in accordance with the personnel rules and regulations. Any request for a leave of absence shall be submitted in writing by the employee to his/her immediate supervisor. The request shall state the length of time off the employee desires, the type of leave requested and the reason for the request. An excused absence is an absence from duty without loss of pay and without charge to leave when such absence is authorized by statute or administrative discretion.

Section 2 - Annual Leave:

A. Normal Requests for Leave: A request for a short leave of absence, not to exceed three days, shall be requested in writing on the proper form and answered before the end of the work shift in which the request is submitted. A request for a leave of absence between four to seven days must be submitted five (5) calendar days in advance and answered within five days, except for scheduled vacations, as provided for in Section 2 of this Article. If the request is disapproved, the supervisor shall return the SF-71 with reasons for the disapproval indicated. Requests for annual leave shall not be unreasonably denied.

B. Emergency Requests: Any employee's request for immediate leave due to family death or sickness shall be granted or denied immediately.

C. Carryover: Annual leave, which is not used, may be accumulated from year to year. In general, the maximum allowable leave is thirty (30) days, unless the employee had a greater amount of allowable leave at the beginning of the leave year. Employees shall receive a lump sum leave payment for all accrued annual leave not used at the time of retirement, resignation or other separation from the employer, consistent with the negotiated Compensation Agreement.

D. Vacation Schedules: Every effort will be made to grant employees leave during the time requested. If the operations would suffer by scheduling all requests during a given period of time, a schedule will be worked out with all conflicts to be resolved by the application of seniority. After vacations are posted, no changes shall be made unless mutually agreeable or an emergency arises. Employees will be encouraged to schedule vacations through the year.

Section 3 - Sick Leave:

3. Employees shall not be required to furnish a doctor's certificate to substantiate requests for approval of sick leave unless such sick leave exceeds three work days continuous duration. However, if Management has given written notice to an employee that there is a good reason to believe that the employee has abused sick leave privileges, then the employee must furnish a doctor's certificate for each absence from work, which is claimed as sick leave regardless of its duration. The Union will encourage employees to conserve sick leave for use during periods of extended illness.

4. Advance sick leave requests will be given prompt consideration by the Employer consistent with Section 3(b) of this Article when the following provisions are met:

(a) The request must be submitted in writing and must be supported by acceptable medical certificates.

(b) All available accumulated sick leave to the employee's credit must be exhausted. The employee must use annual leave he/she might otherwise forfeit.

(c) In the case of employees serving under temporary appointments, or under probationary or trial periods, advance sick leave should not exceed an amount which is reasonably assured will be subsequently earned during such period.

(d) The amount of sick leave advanced to an employee's account will not exceed 240 hours at any time. Where it is known that the employee is to be separated, the total sick leave advanced may not exceed an amount which can be liquidated by subsequent accrual prior to the separation.

(e) There must be a reasonable assurance that the employee will return to duty.

B. Advance Sick Leave: Advance sick leave may be granted to permanent or probationary employees in amounts not to exceed 240 hours. Furthermore, an employee may not be indebted for more than 240 hours of sick leave at any one time. Sick leave may be advanced to

employees holding a limited appointment or one expiring on a specific date, but not in excess of the total sick leave that would accrue during the remaining period of such appointment. In either case the employee request must be supported by a statement from his/her physician attesting that the employee has a serious disability or ailment and is incapacitated for duty and stating the period of time expected to be involved. The request should be denied only if the requirements of Section 3 (a) and (b) are not met or there is a reason to believe that the employee will not return to duty or that he/she has abused the sick leave privilege in the past.

C. All accrued and accumulated sick leave must be exhausted before the advance sick leave is credited. Accrued and accumulated annual leave may remain standing to the credit of employees. The Employer will use its best efforts to answer an employee's request for advanced sick leave within fifteen (15) working days. However, an employee is responsible for applying advance sick leave in writing as far in advance as possible. If the request is denied, the reasons for such denial shall be given in writing. Further, the employee will be given consideration for LWOP consistent with the provisions of personnel rules and regulations.

Leave for voting will be allowed in accordance with the personnel rules and regulations.

An employee shall also be excused without charge to leave for the purpose of taking an examination whenever, in the judgment of the Department or agency head, the District Government will benefit thereby. Absence from duty in order to take an examination primarily for the employee's own benefit and not connected to the District Government must be requested in accordance with the general leave provisions.

A. General: Leave of absence without pay for a limited period may be granted at the supervisor's discretion for a reasonable purpose if requested in advance in writing.

B. Union: Employees elected to any Union office or selected by the Union to do work which takes them from their employment with the Employer shall at the written request of the employee and the Union be granted a leave of absence without pay; provided the written request states the purpose and duration of the absence, and is submitted thirty (30) calendar days in advance of the commencement of the desired period of absence. If the Employer indicates that the requested leave will unduly hamper its operations, it may offer an alternative for consideration by the Union.

C. The initial leave of absence shall not exceed one (1) year. Leaves of absence for Union officials may be extended for similar periods. No more than one employee from a bargaining unit shall be on such extended leave at the same time.

D. Parenthood Leave: Maternity leave before and following childbirth shall be granted at the request of the employee. The employee is obligated to advise her supervisor substantially in advance of the anticipated leave date. Section 2:

If an employee's paycheck is delayed, the employee shall immediately notify his/her supervisor. The supervisor shall initiate efforts through the agency controller to obtain a supplemental payment. Any grievance or dispute which may arise between the parties involving the application, meaning or interpretation of this Agreement, shall be settled as described in this Article unless otherwise agreed to by the parties.

Section 2 - Procedure:

This procedure is designed to enable the parties to settle grievances at the lowest possible administrative level. Therefore, grievances should be filed at the lowest level where resolution is possible. Accordingly, a grievance may be filed at the Step in the grievance procedure where the alleged action, which precipitated the grievance, occurred.

Step 1: The employee and/or the Union shall take up the grievance or dispute with the employee's immediate supervisor as soon as is practicable, but no later than fifteen (15) working days from the date of the occurrence or when the Union and/or the employee first had knowledge of or should have known of the occurrence. The arbitration proceeding shall be conducted by an arbitrator to be selected by the Employer, through the Office of Labor Relations and Collective Bargaining, and by the Union as soon as possible after notice of intent to arbitrate is received. If the parties fail to select an arbitrator, the Federal Mediation and Conciliation Service (FMCS) or the American Arbitration Association (AAA) shall be requested to provide a list of seven (7) arbitrators from which an arbitrator shall be selected within seven (7) days after receipt of the list by both parties.

B. Both the Employer and the Union may strike three (3) names from the list using the alternate strike method. The party requesting arbitration shall strike the first name. The arbitration hearing shall be conducted pursuant to the American Arbitration Association guidelines unless modified by this Agreement.

Section 6 - Decision of the Arbitrator:

The decision of the arbitrator shall be final and binding on the parties and shall not be inconsistent with the terms of this Agreement. The arbitrator shall be requested to render his/her decision in writing within thirty (30) days after the conclusion of the arbitration hearing.

Section 7 - Expenses of the Arbitrator:

Expenses for the arbitrator's services and the proceeding shall be borne equally by the Employer and the Union. If either party desires a record of the arbitration proceedings, it may cause such a recording to be made, providing it pays for the record and make copies available without charge to the other party and the arbitrator.

Section 8 - Time Off For Grievance Hearings:

Section 2 - Designation of Representatives:

- A. Union Officers, Stewards and Other Representatives
 - 1. Union Officers and Stewards: The Union agrees to provide the Employer and the Office of Labor Relations and Collective Bargaining (OLRCB) with a written list of its officers and stewards within two (2) workdays after the date this Agreement is executed and within five (5) working days after each general election.
 - 2. Other Representatives: The Union will also notify the Employer and OLRCB, in writing, of other Union representatives who may request official time, along with a description of their individual Union assignments.

If a Union official is not on the list of designated representatives and is needed prior to the two (2) days notice, the Union President shall notify the Employer's designated official(s) by phone and/or e-mail before the official will be recognized. The Employer shall recognize any Union official designated pursuant to this section.
- C. The Employer will not recognize any Union official or representative who is not listed as required or for whom notification was not provided in accordance with this section.
- D. Except where explicitly provided, this Agreement shall not be interpreted in any manner that interferes with the Union's right to designate representatives of its own choosing on any particular representational matter.

E. The Union will be notified prior to any change in tours of duty of duly appointed Stewards. The Union shall also be notified prior to the organization of tours of duty that would affect the members of the unit.

F. Employer recognizes that the Union may designate employee members, selected or appointed to a Union office or delegated to a Union function and agrees that, upon request, the employee may be granted annual leave or leave without pay for the period of time required to be away from his/her job. Such requests will be submitted as far in advance as possible, but not less than one (1) working day prior to the day the leave is to begin in the event the leave request is eight (8) hours or less, or five (5) working days in advance, in the event the leave request exceeds eight (8) hours. A. No Union representative will be disadvantaged in the assessment of his/her performance based on his/her participation in Union activities and/or use of official time to conduct labor-management business authorized by this Agreement. However, performance problems unrelated to participation in Union activities and/or the use of official time may be addressed in accordance with other relevant provisions of this Agreement.

B. At the beginning of the rating year or when the Union representative is initially appointed, workload and performance expectations will be established that consider the actual use of official time and the impact on performance of the duties of the employee's position. Additionally, the designated supervisor and the Union representative will meet at least quarterly to discuss needed adjustments to workload and representational needs.

Section 4 - Official Time for Representational Activity:

A. Pursuant to the statutory right and responsibility of the Union to represent bargaining unit employees, representatives of the Union will be granted reasonable amounts of official time to investigate, prepare for, and conduct representational functions in accordance with the provisions of this Article as follows. The Union Vice President # 1 will be assigned a caseload equal to no greater than 80% of the average caseload of an attorney with his/her grade level and experience in the Division which employs the Union Vice President #1. The Union Vice President # 2 will be assigned a caseload equal to no greater than 85% of the average caseload of an attorney with his/her grade level and experience in the office which employs the Union Vice President #2. The Union represents that Union Vice President # 1 will primarily represent OAG employees and Union Vice President # 2 will primarily represent employees in subordinate agencies. No other Union members or officer will be assigned a reduced caseload. However, other Union members or officers shall be granted reasonable amounts of official time to investigate, prepare for, and conduct representational functions as needed, including necessary travel time. Employer will not be required to grant or approve official time for any Union shop

steward, officer or other representative who has not complied with the Employer notification requirements of Section 2 of this Article.

B. For the purpose of this Article, "representational functions" means those authorized activities undertaken by employees on behalf of other employees or the Union pursuant to representational rights under the terms of this Agreement and District of Columbia law. Examples of activities for which reasonable amounts of official time will be authorized include:

- (1) collective bargaining negotiations;
- (2) discussions with Employer representatives concerning personnel policies, practices, and matters affecting working conditions;
- (3) any proceeding in which the Union is representing an employee or the Union pursuant to its obligations under this Agreement;
- (4) grievance meetings and arbitration hearings;
- (5) a disciplinary or adverse action oral reply meeting, if the Union is designated as representative of the employee;
- (6) any meetings for the purpose of presenting replies to the proposed termination of probationers, if the Union is designated as representative of the employee;

- (8) attendance at an examination of an employee who reasonably believes he or she may be the subject of a disciplinary or adverse action;
- (9) informal consultation meetings between the Employer and the Union;
- (10) conferring with affected employees about matters for which remedial relief is available under the terms of this Agreement;
- (11) attendance at meetings of committees on which Union representatives are authorized members by the Employer or this Agreement;
- (12) attendance at labor-management committee meetings or other joint labor-management cooperative efforts;
- (13) attendance at Employer recognized or sponsored activities to which the Union has been invited;
- (14) attendance at public hearings of the District of Columbia City Council or other legislative/administrative bodies of the District or federal government relating to matters that affect either the Employer or labor relations/labor matters in the District of Columbia that impact or may impact the Union;

- (15) necessary travel to any of the activities listed above;
 - (16) training related to the representational functions of Union officials and stewards which the parties agree is to their mutual benefit and for which management is given notice and provided with an agenda and course description; and
 - (17) new employee orientation meetings.
- C. Official time shall not include time spent on internal Union business, including, but not limited to:
- (1) Attending Local, Regional, or National Union meetings;
 - (2) Soliciting members;
 - (3) Collecting dues;
 - (4) Posting notices of Union meetings; administering elections;
 - (5) Preparing and distributing internal Union newsletters or other such internal documents; and,
 - (6) Internal Union strategy sessions, except for representational functions.

Section 5 - Requesting Official Time:

- A. All use of official time by any Union officer, official, steward or other representative must be recorded on the Employer-approved Official Time Report Form and submitted on a monthly basis to Employer's designee.
- B. Official time for Union representatives should be requested on the approved "Official Time Report" form. The Union representative will request authorization for official time from his or her supervisor in advance and as is consistent with workload requirements except when circumstances do not allow for advance approval (e.g., unscheduled meetings called by management where the Union's attendance is requested; or representation of employees in investigatory interviews; or circumstances where the employee might be subject to discipline). Failure to properly request and obtain approval of official time may result in disciplinary action depending on the circumstances.
- C. All advance requests for official time are understood to be estimates.
- D. If a request for official time is denied, the manager or supervisor refusing such permission shall give the reasons for refusal in writing to the individual who was so denied, if the individual involved makes such a request.
- E. Employee Union representatives, except the Union President, in light of his 50% reduced caseload, Vice President #1, in light of his or her 20% reduced caseload, and Vice President #2, in light of his or her 15% reduced caseload, will complete the "Official Time Report" form (attached to

this Agreement as Exhibit "A") provided by the Employer to accurately depict the actual official time used in a timely manner each pay period.

F. Management shall not prevent Union representatives from representing employees at reasonable times consistent with the provisions of this Agreement. The Union and employees recognize that workload and scheduling considerations will not always allow for the immediate release of employees from their assignments. However, the Employer agrees that such permission for release shall not be unreasonably delayed or denied. Workload needs will be balanced with official time needs prior to approval based on the following standard: official time requests shall be granted unless they hinder the accomplishment of essential workload requirements that cannot otherwise be accommodated.

G. All affected employees (e.g., grievants, representatives, witnesses, and appellants) whose presence has been determined to be necessary, by either the Union or the Employer, as the case may be, at relevant proceedings (including hearings, meetings, arbitrations, oral replies, or other labor-management business) will receive necessary official/duty time to participate in and travel to and from the proceedings.

Section 6:

A. The parties agree that Union officials and stewards are entitled to take a reasonable amount of official time and the officials and stewards requesting/using official time shall be treated with civility and shall not be discriminated against because they participate in Union activities and/or take official time. Likewise, Union officials and stewards shall treat supervisors with civility in regard to their supervisors need to have information about the amount and type of official time being requested so that the supervisor can effectively manage their personnel and allotted workload. The parties agree that there is a need for flexibility to enable managers to effectuate the mission of the government and, at the same time, to enable Union officials and stewards of the bargaining unit to take care of Union business expeditiously.

B. In cases of alleged abuse of official time by the Union, or alleged improper restriction of official time or discrimination by the Employer, the parties shall endeavor to resolve the matter at the lowest possible level. If efforts to resolve the matter between the first line supervisor and the Union official or representative fail, then the party alleging the abuse or improper restriction shall bring the matter to the attention of the appropriate management and Union representatives. If the matter is not resolved then either party may seek assistance from the D.C. Office of Labor Relations and Collective Bargaining.

Section 7:

The parties shall conduct separate training concerning use of official time for members and managers and supervisors.

B. Employer agrees to use its best efforts to ensure that retroactive salary increases and retroactive bonuses for performance are paid within 60 days of Council's approval of this Agreement (or when this agreement otherwise takes effect pursuant to D.C. Official Code § 1- 617.17(j)). To this end, Employer shall use its best efforts to ensure that paperwork needed to implement such increases is completed after Council approval of the Agreement (or when this agreement otherwise takes effect pursuant to D.C. Official Code § 1- 617.17(j)) and shall process the retroactive salary increases as expeditiously as possible, to avoid or minimize any delay in implementation.

Section 4 - Timely Reimbursement of Expenses:

Employer shall use its best efforts to take all necessary action to ensure that reimbursement of pre-authorized expenses related to the employee's employment, including but not limited to travel and education expenses, is paid within thirty (30) days of submission of a proper request.

Section 5 – Audits:

In the event employee requests an audit of pay and benefit records because of errors made in their computation, Employer shall complete such audit and transmit the results to the requesting employee within ten (10) business days or shall provide the employee a reason why additional time is required and shall give a projected date of completion.

ARTICLE 26 GENERAL PROVISIONS

Section 1 - Work Rules:

Employees will be advised of verbal and written work rules that they are required to follow. The Employer agrees that proposed new written work rules and the revision of existing written work rules shall be subject to notice and consultation with the Union.

Section 2 – Identification Device:

The Employer agrees that the employee has a right to participate and identify with the Union as his/her representative in collective bargaining matters. Therefore, the Employer agrees that such identification devices as emblems, buttons and pins supplied by the Union to the employees within the bargaining unit may be worn on their clothing except when appearing in court or before any administrative tribunal or other government agency on behalf of the Employer.

Section 3 - Distribution of Agreement:

The Employer and the Union agree to electronically distribute the fully executed version of this contract to all management and covered employees upon execution of the contract by the parties.

Section 4 – Office Space:

Employer will consider the attorney client and other privileges in providing space. Office space will be identified by OAG, the Mayor, or their designees, and assigned by the Union. Employer determines space, division and section allocation, as well as what offices are available for bargaining unit employees. Employer will afford the Union the advance opportunity to consult over the design of new office space at each step of the design process. The parties acknowledge that this does not interfere with management's final authority to determine the final design.

ARTICLE 27 COMPUTATION OF TIME

All time frames referenced in this Agreement shall be interpreted as business days, unless otherwise specified.

ARTICLE 28 GRIEVANCE AND ARBITRATION PROCEDURES

Section 1 – Definitions:

A grievance under this section is an allegation that the other party has violated a provision of this Agreement. RIFs, furloughs, disciplinary actions and performance rating appeals are excluded from the definition of grievance under this section and such disciplinary actions and ratings are not subject to challenge, review or arbitration under the grievance and arbitration procedures of this section. The grievability of disciplinary actions and performance evaluations is governed by other parts of this Agreement and the Compensation Agreement.

Section 2 – Performance Ratings:

Any performance rating may be appealed within thirty (30) calendar days of receipt by the employee to a three-person committee established by the Attorney General or the Mayor's Office of Legal Counsel. The committee shall be empowered to review the basis for a direct supervisor's rating, conduct a hearing, receive written briefs, and issue a written decision which shall approve, modify, or reject a performance rating. Any decision by the Committee shall be appealable to the Attorney General or agency head, as applicable, within thirty (30) calendar days of receipt of the decision by the employee. The Attorney General's decision or agency head's decision, as applicable, shall be final and no further appeal shall be allowed under this Agreement. If the committee does not act within thirty (30) calendar days of the appeal, the evaluation may be appealed to the Attorney General or the agency head, as applicable who shall issue a decision within fifteen (15) calendar days thereafter. If the Attorney General or agency head, as applicable, does not act within fifteen (15) calendar days, unsatisfactory evaluations may be appealed under the provisions of this Article within fifteen (15) calendar days. The Attorney General and the Mayor's Office of Legal Counsel shall establish procedures for appeals under this Article to the committee and to the Attorney General and agency head, respectively.

Section 3 – General Provisions:

Any grievance that may arise between the parties involving an alleged violation of this Agreement shall be settled as described in this Article unless otherwise agreed to in writing by the Union President and the Attorney General or agency head, as applicable, or his/her designee.

Section 4 – Information Requests:

Both parties shall provide all information determined to be reasonable and needed by the other party for processing of a grievance after a request by the other party within a reasonable amount of time.

Section 5 – Procedure:

A. This procedure is designed to enable the parties to settle grievances at the lowest possible administrative level. Grievances must be filed at the lowest level where resolution is possible. Therefore, all grievances shall ordinarily be presented to the immediate supervisor unless it is clear that the immediate supervisor does not have authority to deal with the grievance and that it should be filed elsewhere. The Union may request a face-to-face meeting with the appropriate management representative who is delegated authority to deal with the grievance at each step. The parties agree to endeavor to engage in productive meetings to resolve a grievance.

B. Nothing in this Agreement shall be construed as precluding discussion between an employee, the Union and the appropriate supervisor over a matter of interest or concern to any of them prior to the initiation of a grievance. Once a matter has been made the subject of a grievance under this procedure, nothing herein shall preclude any party (the Union, the Employer or the Employee) from attempting to resolve the grievance informally at the appropriate level.

Step 1: The employee and/or the Union shall take up the grievance, in writing, with the employee's immediate supervisor within fifteen (15) business days from the date of the occurrence or when the employee or the Union knew or should have known of the occurrence. The written grievance shall be clearly identified as a grievance submitted under the provisions of this Article, and shall list the name of the grievant or grievants, the contract provisions allegedly violated, the basic facts, issues, or concerns giving rise to the grievance, the date or approximate date and location of the violation and the remedy sought. The supervisor shall address the matter and shall respond, in writing, to the Steward and/or the employee within fifteen (15) business days after the receipt of the grievance.

Step 2: If the grievance has not been settled, or the supervisor has failed to respond, it may be presented in writing by the Union to the second level supervisor within ten (10) business days after the Step 1 response is due or received, whichever is sooner. The second level supervisor shall respond to the Union in writing within ten (10) business days after receipt of the written grievance.

Step 3: If the grievance is still unresolved, or the supervisor has failed to respond, it may be presented in writing by the Union to the Attorney General or agency head, as applicable, or his/her designee, within twenty (20) working days after the Step 2 response is due or received, whichever is sooner. The Attorney General or agency head, as applicable, or his/her designee, shall respond in writing to the Union within twenty (20) business days after receipt of the written grievance.

Step 4: If the grievance is still unresolved, or the Attorney General, or agency head, as applicable, or his/her designee has failed to respond, the Union may by written notice request arbitration within twenty (20) business days after the reply at Step 3 is due or received whichever is sooner.

A grievance filed by the Union on a matter involving more than one division within OAG, may be filed with the Attorney General or his/her designee at Step 3. The grievance must be filed within fifteen (15) business days from the date of the occurrence giving rise to the grievance or when the Union knew or should have known of the occurrence.

When mutually agreed by the parties, grievances on the same matter on behalf of two (2) or more employees may be processed as a single grievance for the purpose of resolving all the grievances.

A grievance filed by the Union which does not seek personal relief for a particular employee or a group of employees, but rather expresses the Union's disagreement with management's interpretation or application of the Agreement and which seeks an institutional remedy shall be filed at Step 3 within fifteen (15) business days from the date of the occurrence or when the Union knew or should have known of the occurrence to the extent reasonably possible.

A grievance filed by the Employer should be filed directly with the Union President within fifteen(15) business days from the date of the occurrence or when the Employer knew or should have known of the occurrence giving rise to the grievance. The Union President shall have fifteen (15) business days to respond. If the Employer's grievance is still unresolved, or the Union President or his/her designee has failed to respond, the Employer may by written notice request arbitration within twenty (20) business days after the Union's reply is due or received whichever is sooner.

A grievance concerning a continuing violation of this Agreement may be filed at any time during the existence of the alleged violation of this Agreement.

Section 6 - Selection of the Arbitrator:

The arbitration proceeding shall be conducted by an arbitrator selected by the Employer and the Union. The Federal Mediation and Conciliation Service (FMCS) shall be requested to provide a list of seven (7) arbitrators from which an arbitrator shall be selected within seven (7) calendar days after receipt of the list by both parties. Both the Employer and the Union may strike three (3) names from the list using the alternate strike method. The party requesting arbitration shall strike the first name. The arbitration hearing shall be conducted pursuant to the FMCS

guidelines unless modified by this Agreement.

Section 7 – Authority of the Arbitrator:

The jurisdiction and authority of the arbitrator and his/her opinion and award shall be confined exclusively to the interpretation or application of the express provisions of this Agreement at issue between the Union and the Employer consistent with applicable law and regulation. He/she shall have no authority to add to, detract from, alter, amend, or modify any provision of this Agreement; or to impose on either party a limitation or obligation not explicitly provided for in this Agreement. The written award of the arbitrator on the merits of any grievance adjudicated within his jurisdiction and authority shall be final and binding on the aggrieved employee, the Union and the Employer, subject to either party's appeal rights to the Public Employee Relations Board and the Superior Court of the District of Columbia.

Section 8 - Decision of the Arbitrator:

The arbitrator shall be requested to render his/her decision in writing within thirty (30) calendar days after the conclusion of the arbitration hearing.

Section 9 - Expenses of the Arbitrator:

Expenses for the arbitrator's services and the proceeding shall be borne equally by the Employer and the Union. However, each party shall be responsible for compensating its own representatives and witnesses. If either party desires a record of the arbitration proceedings, it may cause such a recording to be made, providing it pays for the record and makes copies available without charge to the other party and the arbitrator.

Section 10 - Time Off For Grievance Hearings:

The employee, Union Steward and/or Union representative shall, upon request, be permitted to meet and discuss grievances with designated management officials at each step of the Grievance Procedure within the time specified consistent with Section 4 of Article 6 on Union Stewards.

Section 11 – Time Limits:

All time limits following the initiation of any grievance set forth in this Article may be extended by mutual consent, but if not so extended, must be strictly observed. If the matter in dispute is not resolved within the time period provided for in any step, the next step may be invoked. The appropriate representative of either party shall not unreasonably deny a request for an extension of time if the request is made in writing by the original deadline date. The parties may mutually agree in writing to waive Steps 1 and/or 2 of the procedure described in this Article.

Section 12 – Termination of Grievance:

A grievance shall terminate when either party terminates its own grievance, when both parties consent or for failure to meet contractual time limits. The termination of a grievance shall not prejudice either party from reinstituting a grievance at a later date.

Section 13 – Exclusions:

Matters not within the jurisdiction of the Employer will not be processed as a grievance under this Article unless the matter is specifically included in another provision of this Agreement or the Compensation Agreement.

ARTICLE 29 DISCIPLINE AND DISCHARGE

Section 1 -- Disciplinary Actions:

A. Assistant Attorneys General ("AAG") and Assistant General Counsel ("AGC") in the bargaining unit are appointed to serve the District of Columbia consistent with the provisions of the Legal Service Act. An AAG or AGC may be subject to disciplinary action, including reprimand, suspension (with or without pay), reduction in grade or step, or removal for unacceptable performance or for any reason that is not arbitrary or capricious. Disciplinary actions shall be processed in accordance with Section 3614, Chapter 36 of the D.C. Personnel Regulations. The Employer shall provide the Employee with ten (10) calendar days advance notice, consistent with the notice provisions of Chapter 36 of the D.C. Personnel Regulations, of any proposed discipline, with the exception of summary removal. The proposed notice of discipline will also be sent to the Union.

B. Notwithstanding Section 1A herein, the Attorney General or an agency head, may summarily suspend or remove a bargaining unit member, in accordance with Sections 1616 and 1617 of the DPM, when the employee's conduct:

1. Threatens the integrity of government operations;
2. Constitutes an immediate hazard to the agency, to other District employees, or to the employee; or
3. Is detrimental to public health, safety, or welfare.

C. Upon request, an employee subject to any disciplinary action shall be allowed access to his or her office, at a mutually agreeable time, to retrieve personal items.

D. If there is no appeal pursuant to the provisions herein, the Attorney General's decision or agency head's decision, as applicable, shall be the final agency decision.

Section 2 -- Appeal Procedures:

After the Attorney General or agency head issues an administrative decision in accordance with §3614, Chapter 36 of the D.C. Personnel Regulations, the Union, on behalf of the Employee, may appeal the Attorney General's or agency head's suspensions of ten days or more, including demotions and terminations, within ten (10) business days of the Attorney General's or agency head's decision. This time limit may be extended by mutual consent of the parties, but if not so extended, must be strictly observed. An appeal to the nonbinding arbitrator shall stay the time limits for invoking a review by the Mayor under Section 3614, Chapter 36 of the D.C. Personnel Regulations. The Attorney General's or the agency head's decision in connection with a suspension of less than ten days or any other corrective action is final and not subject to appeal.

Section 3 -- Stay of Disciplinary Action:

The filing of an appeal shall not serve to stay or delay the effective date of the Attorney General's or agency head's final administrative decision.

Section 4 -- Standard of Review and Authority of the Arbitrator:

A. The arbitrator's jurisdiction and authority and opinion shall be confined exclusively to suspensions of ten days or more, and shall be an advisory, nonbinding decision concerning whether the Employer's decision to discipline is: (1) a result of the Employee's unacceptable performance, (2) for any reason that is not arbitrary or capricious in accordance with § 106.56(a) of the Legal Service Act, or (3) both.

B. The arbitrator does not have authority to modify, amend, or rescind any disciplinary action or to impose any back-pay or other financial obligation on the Employer resulting from the disciplinary action.

Section 5 -- Time Limits:

All time limits set forth, in this Article must be strictly observed. If the Union fails to pursue any step within the time limit then it shall have no further right to continue the appeal.

Section 6 -- Extension of Time Limits:

All time limits set forth in this Article may be extended by mutual consent, but if not so extended, must be strictly observed. If the matter in dispute is not resolved within the time period provided for in any step, the next step may be invoked. However, if a party fails to pursue any step within the time limit, then he/she shall have no further right to continue the grievance. The appropriate representative of either party shall not unreasonably deny a request for an extension of time if such request is made in writing by the original deadline date. The parties may mutually agree in writing to waive Steps 1 and or 2 of the procedure described in this Article.

Section 7 -- Substitution of Binding Arbitration Procedures:

In the event that the Council of the District of Columbia legislatively establishes a binding arbitration process concerning discipline and discharge for any unit employees in the Legal Service, the parties agree to reopen negotiations solely to rescind this Article to the extent of any conflict and incorporate the binding arbitration process into this Agreement to the maximum extent possible.

ARTICLE 30 SAVINGS CLAUSE

SECTION 1:

In the event any article, section or portion of this Agreement is held to be invalid and unenforceable by any court or other authority of competent jurisdiction, such decision shall apply only to the specific article, section, or portion thereof specified in the decision; and upon issuance of such a decision, the Employer and the Union agree to immediately negotiate a substitute for the invalidated article, section or portion thereof to the extent possible.

SECTION 2:

To the extent consistent with the Contract Clause of the United States Constitution, the terms of this Agreement shall supersede any subsequently enacted D.C. laws, District Personnel Manual (DPM) regulations, or departmental rules concerning non-compensation covered herein for the term of this agreement.

ARTICLE 31 INCORPORATION OF COMPENSATION AGREEMENT TERMS

The terms and conditions of the Compensation Agreement between the District of Columbia and the American Federation of Government Employees, Local 1403, AFL-CIO, effective October 1, 2020, through September 30, 2023 (Compensation Agreement), are incorporated by reference into this Agreement. The provisions of the Compensation Agreement shall control to the extent of any inconsistency.

ARTICLE 32 DURATION AND FINALITY

Section 1 -- Effective Date

This agreement shall be implemented as provided herein subject to the requirements of Section 1715 of the District of Columbia Comprehensive Merit Personnel Act, D.C. Official Code, § 1-617.15(a). This Agreement shall be effective on the date provided by law (i.e., when it is approved by the Council or as otherwise effective pursuant to D.C. Official Code § 1-617.17(j)) and shall remain in full force and effect until September 30, 2023, or until a new non-compensation agreement becomes effective. Notice to reopen the Agreement shall be provided as required by D.C. Official Code § 1-617.17(f)(1)(A)(i).

Section 2 – Finality

This Agreement was reached after negotiations during which the parties were able to negotiate on any and all negotiable non-compensation issues, and contains the full agreement of the parties as to all such non-compensation issues that were or could have been negotiated.

FY 2026 PERFORMANCE PLAN

Office of the Attorney General

MISSION

Office of the Attorney General (OAG) is the chief legal office of the District of Columbia. OAG enforces the laws of the District and promotes the public interest. OAG's mission is to provide the District government with the highest level of legal advice and service, and to promote the interests of District residents. OAG seeks to be the nation's premier public law office.

SUMMARY OF SERVICES

OAG is responsible for conducting the District's legal business in a manner that is in the public interest. The Attorney General is the chief legal officer of the District of Columbia. The Attorney General's opinions on legal questions have the force of law unless overruled by a court or legislatively by the District of Columbia Council. OAG represents the District in virtually all civil litigation and represents the District in a variety of administrative hearings and other proceedings. OAG prosecutes juvenile and certain criminal offenses on the District's behalf, using evidence-based practices to increase public safety and support youth back onto successful life paths. OAG advises the Executive Office of the Mayor, the Council of the District of Columbia, the District of Columbia Courts, and various boards and commissions. OAG also reviews legislation, regulations, land dispositions, and contracts for legal sufficiency to ensure the legality of the government's actions. OAG provides legal and litigation support in procurement, tax and finance, bankruptcy, land use, and public works. The Office advocates on behalf of children by seeking to establish parentage and create an opportunity for financial stability as well as intervening on behalf of abused and neglected children when their safety and wellbeing is at risk. OAG also takes legal action to protect and promote the public interest. This includes protecting children, seniors, and developmentally disabled adults, bringing affirmative litigation to promote the interests of District consumers, taxpayers, tenants, and workers, and enforcing the District's consumer protection, civil rights, antitrust, false claims, elder financial exploitation, and environmental laws, among others. All told, the Attorney General supervises the legal work of about 337 attorneys and an additional 312 administrative and professional staff.¹

PERFORMANCE PLAN DIVISIONS AND OFFICES

The purpose of the yearly performance plan is to ensure that each year, the agency evaluates its progress, reflects on its goals, and sets out a path for improvement that can be referenced throughout the year. In this Performance Plan, each of OAG's offices and divisions set forth initiatives that will help them better achieve their specific missions. Unless otherwise specified, the deadline for each initiative is the end of the fiscal year (September 30, 2026).

This year's plan includes initiatives for the following offices and divisions:

- Immediate Office
- Child Support Services Division

¹ As of 12/31/2025.

- Civil Litigation Division
- Commercial Division
- Family Services Division
- Legal Counsel Division
- Office of the Solicitor General
- Personnel, Labor and Employment Division
- Public Advocacy Division
- Public Safety Division
- Support Services Division

Immediate Office

The Immediate Office sets the direction for OAG. This includes ensuring that the agency provides high quality legal services to the District government, communicating and engaging with the public, and setting OAG's policy priorities. The Immediate Office seeks to build a best-in-class public law office.

INITIATIVE 1: Enhance Data Integrity and Efficiency

Implement enhanced data entry monitoring protocols for the Juvenile Section and Juvenile Specialty Court Unit to support enhanced data quality. Identify and implement, if fiscally feasible, additional data management tools to enhance data quality and collection.

INITIATIVE 2: Promote Institutional Excellence

Update and institutionalize in-service management training on topics such as performance management and how to manage in a union environment. Providing managers the tools they need to provide fulsome performance reviews will support a high functioning workforce and handle individual performance issues robustly.

Child Support Services Division

Child Support Services Division (CSSD) assists families in the District with locating absent parents, establishing paternity, establishing orders for monetary and medical support, collecting ongoing support, and enforcing delinquent child-support orders. CSSD seeks to ensure that District children receive the financial support to which they are legally entitled.

INITIATIVE 1: Mobile Office Procurement Initiative

Over the years, CSSD has learned that destigmatizing parentage and child support topics often is most successful when staff have been able to meet with people in the community. Besides daily work, staff also do this by participating in community events. However, the ability to couple staff presence in the community with a mobile office, completed with computers, materials, genetic testing capability, and other necessary equipment, improves the ability to provide information and service to people in real time. In FY 2025, CSSD selected a vendor and completed the procurement process. We look forward to continuing this effort in the next fiscal year. Our goal is to work with

the vendor to finalize customization of a new mobile office so that we are able to move a step closer to accessing this useful outreach tool.

This initiative will be deemed successful if, by September 30, 2026, CSSD has finalized vehicle customizations and outstanding tasks to secure the vehicle.

INITIATIVE 2: Alternative Solutions Center Expansion

CSSD has long recognized that many non-custodial parents want to provide for, and responsibly co-parent, their children. Unemployment and underemployment often stand in the way, as does a lack of understanding about the child support system and not having the skills to engage effectively with the custodial parent.

CSSD began its Alternative Solutions Center (ASC) many years ago. ASC is a program designed to assist non-custodial parents with workforce development, child support system navigation, and emotional and interpersonal health. Through partnerships with District employment resources, the court, employers, and various community partners, this program has had a significant impact on lives and on child support payments.

In FY 2025, the team devised a program-enhancement approach to broaden impact for the participants and children. The effort included individual-session and workshop curriculum revision, a refocus on case maintenance responsibilities, and the start of an updated ASC referral and participation-tracking process as well as the review of related-service assessments and handoffs—all designed to enable CSSD to expand impact through ASC. Although the 2025 goal also included staffing strategy reconsideration, that deliverable was placed on hold due to budget constraints.

This initiative will be deemed successful if, by September 30, 2026, the updated curriculum, the revised tracking program, and the program assessment activities have moved to implementation by September 30, 2026.

Civil Litigation Division

Civil Litigation Division (CLD) represents the District, its agencies, and its employees in civil actions brought in the Superior Court of the District of Columbia and the United States District Court for the District of Columbia. The Division also represents District agencies in matters enforcing rules and regulations and in personnel matters in front of administrative bodies and the Superior Court. CLD seeks to provide sound counsel to the District, its agencies, and its employees, including devising strategies for representing them in civil actions and minimizing liability.

INITIATIVE 1: Provide Assistance to OAG’s Human Resources Department as Needed

CLD’s Personnel and Labor Relations Section (PLRS) defends District government agencies in matters related to disciplinary actions and charges of discrimination, among others. As a result, PLRS has expertise with tribunals who review agency actions related to discipline and charges of

discrimination. PLRS will provide its expertise to OAG's Human Resources Department as requested to ensure that OAG's discipline and handling of charges of discrimination are best positioned to be successful if challenged before an administrative or other tribunal. This initiative will be considered successful if PLRS is available to OAG's Human Resources through September 30, 2026.

INITIATIVE 2: Conduct an Assessment of All Cases That are More Than Five Years Old

CLD currently has many cases that have been pending in court for more than five years. Older cases can be challenging to defend when witnesses' memories fade, and they can be costly to the District if they are brought under fee-shifting statutes and opposing counsel is accruing attorney's fees. Division management will review each of these cases to determine why the cases remain pending and the appropriate next steps. This initiative will be considered successful if the Division conducts a review of all cases by June 1, 2026.

Commercial Division

The Commercial Division provides legal services, advice, and advocacy related to numerous core governmental functions, including the procurement of goods and services, the acquisition of real estate, the support of economic development projects and government property management, the financing of government operations through the issuance of bonds, the collection of taxes, and the collection of debts from individuals and entities in bankruptcy. The Division also determines the legal sufficiency of major contracts and land dispositions. The Division seeks to provide legal support to District agencies to maximize and protect the District's commercial assets.

INITIATIVE 1: Tax and Finance Section to Develop and Host Deposition Skills Training Program

By the end of Fiscal Year 2026, the Tax and Finance section will develop and put on a deposition skills training program for assessors and supervisors in the Real Property Assessment Division within the Office of Tax and Revenue. This initiative will be considered successful if the Tax and Finance Section host the deposition skills training program by September 30, 2026.

INITIATIVE 2: Raise the Profile and Highlight the Work of Land Acquisition and Valuation Litigation

The Division will seek to raise its profile and highlight its work in the areas of land acquisition and valuation litigation, through the Land Acquisition and Bankruptcy Section's Andrew Glover participation as a faculty member at the annual ALI-CLE Eminent Domain and Land Valuation conference.

Family Services Division

Family Services Division (FSD) works on behalf of the District's most vulnerable residents: abused and neglected children. The Division prosecutes civil child abuse and neglect cases and represents the Child and Family Services Agency (CFSA) in all stages of permanency planning,

including proceeding to terminate parental rights when necessary, and provides legal consultation and training to CFSA for non-court involved matters to identify at-risk children and to mitigate the need for court involvement. FSD seeks to provide quality representation to CFSA on child abuse and neglect cases.

INITIATIVE 1: Create and Implement a Crossover Youth Training Program

FSD will create and implement a crossover youth training program focused on improving understanding of both systems and improving communication on crossover youth court cases to ensure the most appropriate outcomes for youth. This initiative will include training FSD's client agency and working with OAG's public safety division. This initiative will be successful if at least three trainings are held over the course of the fiscal year.

INITIATIVE 2: Develop and Conduct Monthly Trainings for Case Carrying Employees of Client Agency and Contact Agencies

FSD will develop and conduct monthly trainings for the case carrying employees of its client agency and contact agencies. The focus of the trainings will center on improving requirements related to court practice, such as ensuring complete and timely documentation, drafting compelling court reports, and preparing to testify in evidentiary matters. This initiative will be successful if at least five trainings are held over the course of the fiscal year.

Legal Counsel Division

Legal Counsel Division (LCD) provides legal research and advice to the Attorney General, the Executive Office of the Mayor (EOM), District agencies, and the Council of the District of Columbia. In addition, LCD determines the legal sufficiency of legislation, rulemakings, inter-agency MOUs; and assists with drafting statutes and regulations for the EOM, OAG, and District agencies. The Division also prepares formal opinions, legal memoranda, legal advice letters, and Office Orders for the Attorney General and interprets statutes for Advisory Neighborhood Commissions.

INITIATIVE 1: Conduct Trainings on Various Legal Topics

Legal Counsel Division includes several experienced attorneys who routinely provide trainings to all District attorneys on a variety of subjects. These trainings address recurring issues concerning what District law requires as well as best practices for drafting rules and legislation. Common training topics include rulemaking, legislation, appropriations, and the Home Rule Act, as well as a training specifically for Advisory Neighborhood Commissioners. This initiative will be considered successful if LCD conducts four trainings by September 30, 2026.

INITIATIVE 2: Update LCD Manual

Legal Counsel Division last updated its division manual in 2023. With new leadership and several new attorneys joining the division since that time, LCD intends to comprehensively update its division manual this fiscal year. This initiative will be considered successful if LCD has an updated division manual in place by September 30, 2026.

Office of the Solicitor General

Office of the Solicitor General (OSG) manages the District’s civil and criminal appellate litigation and practices most frequently before the District of Columbia Court of Appeals, the United States Court of Appeals for the District of Columbia Circuit, and the Supreme Court of the United States. The docket includes appeals in a wide variety of civil, family, criminal, juvenile, tax, and administrative cases from trial courts and petitions for review from District agencies. OSG seeks to provide top-flight legal services in handling the District’s litigation in the appellate courts.

INITIATIVE 1: Continue to Expand OSG’s U.S. Supreme Court Practice

Office of the Solicitor General primarily litigates in the DC Court of Appeals and the US Court of Appeals for the D.C. Circuit. However, we also have a small but important practice in the US Supreme Court. That practice raises the profile of our office among appellate practitioners and other state Attorney General offices, which helps us to recruit talent and take a leadership role among states. It allows us to weigh in on and shape important issues that affect the District and its residents, like cases involving the Second Amendment, the Fourth Amendment, and voting rights issues. OSG will continue to expand that practice in this fiscal year by filing more Supreme Court briefs. This initiative will be successful if OSG files at least five substantive briefs in the Supreme Court between October 1, 2025, and September 30, 2026.

INITIATIVE 2: Improve Communication with Agency and Trial Counsel During Early Stages of Appeal

Office of the Solicitor General handles over 500 active appeals at any given time. Although OSG line attorneys handle communications and coordination with client agencies and trial divisions once a case is in active briefing, no line attorney is assigned to most cases during the early stages of an appeal. That means that communication and coordination with agency and trial counsel might be less frequent and comprehensive during these stages because it is handled by the management team. This fiscal year, OSG will work to improve its communication with agency and trial counsel during the early stages of appeals. This initiative will be successful if OSG creates a system for its team of managers and its case manager to update agency and trial counsel about case developments in the pre-briefing stages of appeals, and test-runs this system with at least two agencies, by September 30, 2026.

Public Advocacy Division

Public Advocacy Division (PAD) promotes the rights of District residents through civil enforcement actions—with a particular emphasis on protecting marginalized and disadvantaged communities. The Division is focused on housing conditions and affordability, zoning, civil rights, workers’ rights, consumer protection, antitrust, antifraud, non-profit enforcement, environmental enforcement, and protecting elders and vulnerable adults from financial exploitation.

INITIATIVE 1: Complete a Division-Wide Strategic Planning Process.

PAD will engage in a division-wide strategic planning process to identify enforcement priorities, determine how to allocate personnel and other resources, support the professional development of attorneys and staff, and strengthen relationships internally within OAG and externally with other District agencies, stakeholders, and communities. This initiative will be successful if PAD convenes two strategic planning meetings with each of its five sections, produces a list of enforcement priorities for the division, and develops recommendations for the Immediate Office based on information learned from attorneys and staff.

INITIATIVE 2: Launch the Consumer and Tenant Response Unit.

For years, PAD has served District consumers and tenants through its Consumer Mediation Program, which has been housed in PAD's Office of Consumer Protection. In FY 26, PAD will rebrand the program with a new name: Consumer and Tenant Response. The new name will more closely reflect what the Program does and who it helps. First, consistent with the Program's focus in recent years on assisting tenants with disputes with their landlords, the new name will emphasize that the Program helps both consumers *and* tenants, and PAD will work with the OAG communications team to publicize that this resource is available to tenants. Additionally, removing the "Mediation" label will distinguish the Program from court-ordered mediation and reinforce that the Program is an informal, voluntary process. The new name will also align the Program name more closely with the naming mechanisms for other similar state attorney general and federal complaint processes. This Initiative will be successful if PAD updates its written materials and website, realigns its internal processes, and provides an update to the public on the new name via social media or other communications methods. This initiative will be successful if PAD updates its written materials and website and provides an update to the public on the new name via social media or other communications methods.

Public Safety Division

Public Safety Division (PSD) prosecutes criminal and civil matters to enhance public safety in the District of Columbia. The Division advances this work through six sections: the Criminal Section, the Domestic Violence and Special Victims Section, the Juvenile Section, the Mental Health Section, the Fraud and Public Corruption Section and the Restorative Justice Section. PSD prosecutes all juvenile offenses, certain misdemeanor adult offenses, including some offenses related to illegal conduct of public officials, represents survivors of domestic violence in securing protection orders and monitoring compliance with such orders, and represents the District's interests in providing appropriate mental health services to those who are a danger to themselves or the community. PSD work includes developing and implementing innovative alternatives to traditional prosecution, including restorative justice and truancy-prevention programs.

INITIATIVE 1: Gun Accountability Program

The Gun Accountability Program (GAP) is an evidence-based and trauma-focused initiative designed for juveniles ages seventeen and under who are arrested for non-violent possessory gun offenses and related crimes in the District of Columbia. GAP is designed to hold youth accountable for illegal gun possession and address the root causes of gun possession among youth. GAP was developed based on best practices in other jurisdictions that have created gun specialty courts.

OAG proposes collaboration with the District of Columbia Superior Court, Court Social Services Division, the University of Chicago, and community-based mentors. This partnership will focus on creating a structured specialty gun program through the Court that provides targeted interventions for juveniles arrested for possessory gun offenses, offering them an opportunity for rehabilitation, while addressing the root causes of gun violence in Washington, D.C. This initiative will be considered successful if it is implemented and five (5) youth enter the program by September 30, 2026.

INITIATIVE 2: Upgrading PSD's Discovery Unit Video Editing Software and Training

PSD received approval to purchase Camtasia video editing software licenses in late November 2025. Twenty-four licenses were distributed to PSD attorneys and paralegals in December 2025. AAGs and paralegals now have full access to the software. The software is very user friendly, and we are setting up sessions where two of our paralegals will train AAGs and paralegals on how to use it. This initiative will be considered successful when all paralegals and AAGs who edit video files for their cases are trained to use Camtasia video editing software and use it.

Support Services Division

Support Services Division (SSD) provides the staff, investigative, financial, logistics, and customer service support that enables the rest of OAG to provide high-level legal services to the District. SSD's Procurement Unit is responsible for processing and approving all requests for goods and services to enable OAG to fulfill its mission. SSD seeks to provide exemplary operational and logistical support to OAG divisions.

INITIATIVE 1: Implement an OAG Fleet Share Pilot Program

Operations Section will deploy a new Fleet Share program that provides onsite vehicles for OAG employees to use when performing official duties that require travel to work sites. The vehicles will feature advanced keyless and fob technology to improve safety, convenience, and accountability. This initiative improves employee mobility while aligning with OAG's objective to strengthen fleet performance and usage. A pilot program for this initiative will commence on or about March 9, 2026, for employees that have a regular need for local travel when Metrorail and Metrobus are not viable options.

INITIATIVE 2: Conduct an Active Threat Drill

SSD will collaborate with the United States Attorney's Office, United States Marshal's Service, Building Management and other federal partners, to conduct an Active Shooter Drill at its headquarters (400 6th Street NW). An active shooter drill will enhance safety and security of the office, as well as prepare employees on how to respond during active threats. The active shooter drill will be completed before September 30, 2026.

Juvenile Recidivism Rates in Response to Question 60

60. In the agency's performance oversight responses for FY 2024, OAG noted that the agency measures recidivism in few different ways according to both time frame and opened and papered cases. Please provide, once again, updated versions of the tables provided in Attachment 15 your FY 2024-2025 pre-hearing performance oversight questions regarding juvenile recidivism rates.

RESPONSE:

Recidivism Analysis for matters opened in FY24 - FY25

OAG measures juvenile recidivism rates in 2 ways.

- For the first calculation, it determines how many juveniles with an **arrest** matter that were opened by OAG during the period of interest generated a subsequent arrest matter by OAG ("arrest matter recidivism").
- For the second calculation, it determines how many juveniles with a matter *prosecuted* by OAG generated a subsequent matter prosecuted by OAG ("prosecuted matter recidivism").

This approach provides both a more expansive definition of recidivism (using Arrest Matter Recidivism) and a more conservative definition (using Prosecuted Matter Recidivism). The two methods when viewed together gives a range of recidivism rates.¹

Recidivism for each respondent was examined at 4 specific time points: 3, 6, 9, and 12 months after OAG opened the initial arrest matter. Respondents who could not be observed at a given interval, either because an insufficient amount of time had passed or because they turned 18 beforehand and "aged out" of the juvenile justice system, were excluded from the population used to measure recidivism at that time point.

Time to recidivism was calculated based on the date that OAG opened a matter and not the date that an offense was committed, an arrest occurred, or a petition, if any, was filed. Instances where a respondent generated 2 consecutive matters and the second matter had an offense date that preceded the first matter's opened date were not counted as recidivism. (This could occur, for instance, if arrests occurred or cases are opened in a different order than the offenses happened). Similarly, instances where multiple matters from the same respondent were opened in the same day were treated as 1 matter and not considered recidivism.² It is important to note that following the opening of an initial matter in the relevant period, a subsequent matter may have been opened sufficiently close to the initial matter that OAG did not make a prosecution decision before opening the subsequent matter.

¹ Both measures of recidivism exclude Title 16 and fugitive cases, as well as matters pending a prosecution decision, such as pending pre-petition custody order investigations, PPCO pending arrests, and on hold cases.

² This analysis included all youth with any case opened during this period and was not restricted to those whose first matter was presented to OAG during the study period. Of the total 1819 respondents with matters opened from FY24 - FY25, 24% (434) had a prior matter opened by OAG. Juveniles who were committed were also included in the analysis because most committed youth are not incapacitated. Therefore, the inclusion of youth who were incapacitated should not substantively affect the recidivism rate.

To preserve confidentiality, matters were aggregated into 3 types of offenses based on “top charge” (the most serious OAG charge): Crimes Against Persons³, Crimes Against Property⁴, Public Order Offenses⁵.

With each successive time frame, the number of respondents that could be observed for both measures decreased⁶, which makes the recidivism rate more sensitive to small fluctuations in recidivism.

Table 1 shows recidivism rates at the 4 points of interest for the first measure of recidivism, as defined by youth with a matter with an arrest by OAG who generated a subsequent arrest matter arrest by OAG (arrest matter recidivism) disaggregated by top charge category.

- A total of **1819** distinct respondents were observed for all matters with an arrest that were opened by OAG between October 01, 2023, and September 30, 2025, and subsequently arrested (until December 31, 2025).
- Based on this definition, 13% who could be observed during the period of interest recidivated within 3 months, 23% recidivated within 6 months, 31% recidivated within 9 months, and 36% recidivated within a year.

Table 2 shows recidivism rates at each of the 4 points of interest for the second measure of recidivism, as defined by youth who had a matter that was prosecuted by OAG and then also generated a subsequent matter prosecuted by OAG (prosecuted matter recidivism), disaggregated by top charge category.

- A total of **1403** distinct respondents were observed for matters opened between October 01, 2023, and September 30, 2025 (FY24 to FY25) and subsequently papered (until December 31, 2025).
- Based on this definition, 13% recidivated within 3 months, 23% within 6 months, 29% within 9 months, and 35% within a year.

³ This category could include homicide, assault, threats, robbery, kidnapping, carjacking, sex offenses, soliciting a violent crime, other personal offenses, and an attempt, or conspiracy to commit any of the foregoing offenses.

⁴ This category could include arson, burglary, fraud, criminal writing, theft, receiving stolen property, other property offenses (e.g., unlawful entry), and an attempt or conspiracy to commit any of the foregoing offenses.

⁵ This category could include weapon offenses (including carrying pistol without license, possession of a firearm without a registration, possession of ammunition without valid registration, and possession of BB gun or air rifle), contempt, obstruction of justice, controlled substances, traffic offenses for youth 15 years old and younger, and other public order offenses.

⁶ A youth would be excluded from observation at a point of interest if they either turned 18 before then or if the date of the point of interest had not yet passed when the analysis was run (e.g., a youth who had their observed matter opened on October 1, 2025 would be excluded from the analysis at the 1 year mark as this analysis was completed before 1 year had passed).

Their vision is to make the Washington metropolitan region one where all communities thrive in solidarity and dignity, enjoy a prosperous life, and work towards achieving social justice and political empowerment. CARECEN has always ensured that vulnerable communities thrive. In Washington, DC, there are approximately 9,040 domestic workers, and 71% of them are immigrants. First Shift Justice Project	478011	Domestic Worker Employment Rights Grant Program: First Shift Justice Project is a DC-based nonprofit founded in 2014 to address the unmet legal needs of working mothers. Since 2014, First Shift's mission has grown to include all types of caregivers who are in low-wage positions. Their mission is to empower workers in low-wage jobs to exercise their rights related to parenting and caregiving. First Shift initiated efforts to pass the Domestic Workers Employment Rights Amendment Act of 2022 in 2017 when it learned that its client, a domestic worker, was not protected from workplace discrimination. First Shift worked with the DC chapter of the National Domestic Workers Alliance for almost 5 years to secure the passage of the law. Assisting domestic workers in the enforcement of this new law represents a slight expansion of First Shift's scope of substantive issues; however, the demographic served by this project is the same as the majority of First Shift's clients: women of color in low-wage jobs who are supporting families. Utilizing multilingual and culturally competent outreach, education, and engagement methods will remain their primary strategy. Moreover, they will continue contracting with domestic workers as Community Outreach/Education Specialists under this project. They will: lend their first-hand knowledge/expertise to inform activities, receive training, and lead workshops, outreach, or other activities to encourage the formation of a domestic worker network that can further educate others (workers, employers, residents) on domestic worker rights.
