15 IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

18 To declare the existence of an emergency with respect to the need to approve the expenditures
19 for the Multiyear Contract No. GF-2026-C-0019 by and between the University of the
20 District of Columbia and Ellucian Company LLC to provide for the strategic transition of
21 the University's Enterprise Resource Planning (ERP) infrastructure to a Software as a
22 Service (SaaS) environment.
23

24 RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, that this
25 resolution may be cited as the "University of the District of Columbia Multiyear Contract No.
26 GF 2026-C-0019 with Ellucian Company LLC Emergency Declaration Resolution of 2026".

27 Sec. 2. (a) The University of the District of Columbia proposes to enter into a multiyear
28 contract with Ellucian Company LLC for the strategic transition of the University's Enterprise
29 Resource Planning (ERP) infrastructure to a Software as a Service (SaaS) environment.

30 (b) The firm fixed price for the term of this multiyear contract with Ellucian Company
31 LLC is \$10,157,746.00 for a 5-year period of performance.

32 (c) Without emergency Council approval, the University will lose the benefit of certain
33 financial incentives and key support resources included in the agreement that would support the
34 initial transition to the Ellucian SaaS model.

(d) A delay affects the timing and availability of those benefits, and approval on an emergency basis allows the University to potentially take advantage of those financial incentives and support resources included in the agreement.

Sec. 3. The Council of the District of Columbia determines that the circumstances enumerated in Section 2 constitute emergency circumstances making it necessary that the “University of the District of Columbia and Ellucian Company LLC Contract No. GF 2026-C-0019 Emergency Declaration Resolution of 2026” be adopted after a single reading.

Sec. 4. This resolution shall take effect immediately.
