TO:	Chairman Phil Mendelson

RE:	Agenda requests for November 10, 2026, Legislative Meeting
DATE:	November 5, 2026

I request that the measures listed in this memorandum appear on the agenda for the Legislative Meeting of the Council on November 10, 2026.

Emergency and temporary legislation

- **Budget Support Act Implementation Facilitation Emergency Declaration Resolution of 2026**
- **Budget Support Act Implementation Facilitation Emergency Amendment Act of 2026**
- **Budget Support Act Implementation Facilitation Temporary Amendment Act of 2026**

This legislation addresses two implementation issues that have arisen from law changes that the Council included in the Fiscal Year 2027 Budget Support Act of 2026 (BSA).

First, the Council funded a grant to the Rosemount Center to help avoid the loss of its longtime facility. Although the BSA indicated that the grant could only be used for acquisition, the Center has since indicated that it would be helpful to broaden the permitted use of the funds to include capital improvements. The attached legislation does so.

Second, the Council established a 10-cent-per-trip surcharge on carrier-for-hire delivery services that, among other uses, funds a variety of food access programs. While the Department of For-Hire Vehicles (DFHV) generally regulates the carrier-for-hire industry, neither the BSA nor underlying law expressly authorizes DFHV to issue administrative rules to help administer the collection of the surcharge. The attached legislation does so.
